§ 240.0-11 Filing fees for certain acquisitions, dispositions and similar transactions.

(a) *General.* (1) At the time of filing a disclosure document described in paragraphs (b) through (d) of this section relating to certain acquisitions, dispositions, business combinations, consolidations or similar transactions, the person filing the specified document shall pay a fee payable to the Commission to be calculated as set forth in paragraphs (b) through (d) of this section.

(2) Only one fee per transaction is required to be paid. A required fee shall be reduced in an amount equal to any fee paid with respect to such transaction pursuant to either section 6(b) of the Securities Act of 1933 or any applicable provision of this rule; the fee requirements under section 6(b) shall be reduced in an amount equal to the fee paid the Commission with respect to a transaction under this regulation. No part of a filing fee is refundable.

(3) If at any time after the initial payment the aggregate consideration offered is increased, an additional filing fee based upon such increase shall be paid with the required amended filing.

(4) When the fee is based upon the market value of securities, such market value shall be established by either the average of the high and low prices reported in the consolidated reporting system (for exchange traded securities and last sale reported over-the-counter securities) or the average of the bid and asked price (for other over-the-counter securities) as of a specified date within 5 business days prior to the date of the filing. If there is no market for the securities, the value shall be based upon the book value of the securities computed as of the latest practicable date prior to the date of the filing, unless the issuer of the securities is in bankruptcy or receivership or has an accumulated capital deficit, in which case one-third of the principal amount, par value or stated value of the securities shall be used.

(5) The cover page of the filing shall set forth the calculation of the fee in tabular format, as well as the amount offset by a previous filing and the identification of such filing, if applicable.

(b) *Section 13(e)(1) filings.* At the time of filing such statement as the Commission may require pursuant to section 13(e)(1) of the Exchange Act, a fee of one-fiftieth of one percent of the value of the securities proposed to be acquired by the acquiring person. The value of the securities proposed to be acquired shall be determined as follows:

(1) The value of the securities to be acquired solely for cash shall be the amount of cash to be paid for them:

(2) The value of the securities to be acquired with securities or other non-cash consideration, whether or not in combination with a cash payment for the same securities, shall be based upon the market value of the securities to be received by the acquiring person as established in accordance with paragraph (a)(4) of this section.

(c) *Proxy and information statement filings.* At the time of filing a preliminary proxy statement pursuant to Rule 14a-6(a) or preliminary information statement pursuant to Rule 14c-5(a) that concerns a merger, consolidation, acquisition of a company, or proposed sale or other disposition of substantially all the assets of the registrant (including a liquidation), the following fee:

(1) For preliminary material involving a vote upon a merger, consolidation or acquisition of a company, a fee of one-fiftieth of one percent of the proposed cash payment or of the value of the securities and other property to be transferred to security holders in the transaction. The fee is payable whether the registrant is acquiring another company or being acquired.

(i) The value of securities or other property to be transferred to security holders, whether or not in combination with a cash payment for the same securities, shall be based upon the market value of the securities to be received by the acquiring person as established in accordance with paragraph (a)(4) of this section.

(ii) Notwithstanding the above, where the acquisition, merger or consolidation is for the sole purpose of changing the registrant's domicile, no filing fee is required to be paid.

(2) For preliminary material involving a vote upon a proposed sale or

other disposition of substantially all the assets of the registrant, a fee of one-fiftieth of one percent of the aggregate of the cash and the value of the securities (other than its own) and other property to be received by the registrant. In the case of a disposition in which the registrant will not receive any property, such as at liquidation or spin-off, the fee shall be one-fiftieth of one percent of the aggregate of the cash and the value of the securities and other property to be distributed to security holders.

(i) The value of the securities to be received (or distributed in the case of a spin-off or liquidation) shall be based upon the market value of such securities as established in accordance with paragraph (a)(4) of this section.

(ii) The value of other property shall be a bona fide estimate of the fair market value of such property.

(3) Where two or more companies are involved in the transaction, each shall pay a proportionate share of such fee, determined by the persons involved.

(4) Notwithstanding the above, the fee required by this paragraph (c) shall not be payable for a proxy statement filed by a company registered under the Investment Company Act of 1940.

(d) *Schedule 14D-1 filings.* At the time of filing a Schedule 14D-1, a fee of one-fiftieth of one percent of the aggregate of the cash or of the value of the securities or other property offered by the bidder. Where the bidder is offering securities or other non-cash consideration for some or all of the securities to be acquired, whether or not in combination with a cash payment for the same securities, the value of the consideration to be offered for such securities shall be based upon the market value of the securities to be received by the bidder as established in accordance with paragraph (a)(4) of this section.

(2) In the event that the Commission and the CFTC have not designated a list under paragraph (a)(1) of this section:

(ii) The 750 securities with the largest market capitalization shall be identified from the universe of all NMS securities as defined in § 242.600 of this chapter that are common stock or depositary shares.

(b) *Dollar value of ADTV.* (1) For purposes of Section 3(a)(55)(B) of the Act (15 U.S.C. 78c(a)(55)(B)):

(ii) For trading in a security in the United States, the method to be used to determine the dollar value of ADTV as of the preceding 6 full calendar

§ 240.6h-1 Settlement and regulatory halt requirements for security futures products.

(a) For the purposes of this section:

(1) *Opening price* means the price at which a security opened for trading, or a price that fairly reflects the price at which a security opened for trading, during the regular trading session of the national securities exchange or national securities association that lists the security. If the security is not listed on a national securities exchange or a national securities association, then *opening price* shall mean the price at which a security opened for trading, or a price that fairly reflects the price at

which a security opened for trading, on the primary market for the security.

(2) *Regular trading session* of a security means the normal hours for business of a national securities exchange or national securities association that lists the security.

(3) *Regulatory halt* means a delay, halt, or suspension in the trading of a security, that is instituted by the national securities exchange or national securities association that lists the security, as a result of:

(i) A determination that there are matters relating to the security or issuer that have not been adequately disclosed to the public, or that there are regulatory problems relating to the security which should be clarified before trading is permitted to continue; or

(ii) The operation of circuit breaker procedures to halt or suspend trading in all equity securities trading on that national securities exchange or national securities association.

(b) *Final settlement prices for security futures products.* (1) The final settlement price of a cash-settled security futures product must fairly reflect the opening price of the underlying security or securities.

(2) Notwithstanding paragraph (b)(1) of this section, if an opening price for one or more securities underlying a security futures product is not readily available, the final settlement price of the security futures product shall fairly reflect:

(i) The price of the underlying security or securities during the most recent regular trading session for such security or securities; or

(ii) The next available opening price of the underlying security or securities.

(3) Notwithstanding paragraph (b)(1) or (b)(2) of this section, if a clearing agency registered under Section 17A of the Act (15 U.S.C. 78q-1), or exempt from registration pursuant to Section 17A(b)(7) of the Act (15 U.S.C. 78q-1(b)(7)), to which the final settlement price of a security futures product is or would be reported determines, pursuant to its rules, that such final settlement price is not consistent with the protection of investors and the public

interest, taking into account such factors as fairness to buyers and sellers of the affected security futures product, the maintenance of a fair and orderly market in such security futures product, and consistency of interpretation and practice, the clearing agency shall have the authority to determine, under its rules, a final settlement price for such security futures product.

(c) *Regulatory trading halts.* The rules of a national securities exchange or national securities association registered pursuant to Section 15A(a) of the Act (15 U.S.C. 78o-3(a)) that lists or trades one or more security futures products must include the following provisions:

(1) Trading of a security futures product based on a single security shall be halted at all times that a regulatory halt has been instituted for the underlying security; and

(2) Trading of a security futures product based on a narrow-based security index shall be halted at all times that a regulatory halt has been instituted for one or more underlying securities that constitute 50 percent or more of the market capitalization of the narrow-based security index.

(d) The Commission may exempt from the requirements of this section, either unconditionally or on specified terms and conditions, any national securities exchange or national securities association, if the Commission determines that such exemption is necessary or appropriate in the public interest and consistent with the protection of investors. An exemption granted pursuant to this paragraph shall not operate as an exemption from any Commodity Futures Trading Commission rules. Any exemption that may be required from such rules must be obtained separately from the Commodity Futures Trading Commission.

§ 240.7c2-1 [Reserved]

**HYPOTHECATION OF CUSTOMERS'
SECURITIES**

§ 240.8c-1 Hypothecation of customers' securities.

(a) *General provisions.* No member of a national securities exchange, and no broker or dealer who transacts a busi-

ness in securities through the medium of any such member shall, directly or indirectly, hypothecate or arrange for or permit the continued hypothecation of any securities carried for the account of any customer under circumstances:

(1) That will permit the commingling of securities carried for the account of any such customer with securities carried for the account of any other customer, without first obtaining the written consent of each such customer to such hypothecation;

(2) That will permit such securities to be commingled with securities carried for the account of any person other than a bona fide customer of such member, broker or dealer under a lien for a loan made to such member, broker or dealer; or

(3) That will permit securities carried for the account of customers to be hypothecated or subjected to any lien or liens or claim or claims of the pledges or pledgees, for a sum which exceeds the aggregate indebtedness of all customers in respect of securities carried for their accounts; except that this clause shall not be deemed to be violated by reason of an excess arising on any day through the reduction of the aggregate indebtedness of customers on such day, provided that funds or securities in an amount sufficient to eliminate such excess are paid or placed in transfer to pledgees for the purpose of reducing the sum of the liens or claims to which securities carried for the account of customers are subjected as promptly as practicable after such reduction occurs, but before the lapse of one-half hour after the commencement of banking hours on the next banking day at the place where the largest principal amount of loans of such member, broker or dealer are payable and, in any event, before such member, broker or dealer on such day has obtained or increased any bank loan collateralized by securities carried for the account of customers.

(b) *Definitions.* For the purposes of this section:

(1) The term *customer* shall not include any general or special partner or any director or officer of such member, broker or dealer, or any participant, as such, in any joint, group or syndicate

Securities and Exchange Commission

§ 240.8c-1

account with such member, broker or dealer or with any partner, officer or director thereof. The term also shall not include any counterparty who has delivered collateral to an OTC derivatives dealer pursuant to a transaction in an eligible OTC derivative instrument, or pursuant to the OTC derivatives dealer's cash management securities activities or ancillary portfolio management securities activities, and who has received a prominent written notice from the OTC derivatives dealer that:

(i) Except as otherwise agreed in writing by the OTC derivatives dealer and the counterparty, the dealer may repledge or otherwise use the collateral in its business;

(ii) In the event of the OTC derivatives dealer's failure, the counterparty will likely be considered an unsecured creditor of the dealer as to that collateral;

(iii) The Securities Investor Protection Act of 1970 (15 U.S.C. 78aaa through 78lll) does not protect the counterparty; and

(iv) The collateral will not be subject to the requirements of § 240.8c-1, § 240.15c2-1, § 240.15c3-2, or § 240.15c3-3;

(2) The term *securities carried for the account of any customer* shall be deemed to mean:

(i) Securities received by or on behalf of such member, broker or dealer for the account of any customer;

(ii) Securities sold and appropriated by such member, broker or dealer to a customer, except that if such securities were subject to a lien when appropriated to a customer they shall not be deemed to be "securities carried for the account of any customer" pending their release from such lien as promptly as practicable;

(iii) Securities sold, but not appropriated, by such member, broker or dealer to a customer who has made any payment therefor, to the extent that such member, broker or dealer owns and has received delivery of securities of like kind, except that if such securities were subject to a lien when such payment was made they shall not be deemed to be "securities carried for the account of any customer" pending their release from such lien as promptly as practicable;

(3) "Aggregate indebtedness" shall not be deemed to be reduced by reason of uncollected items. In computing aggregate indebtedness, related guaranteed and guarantor accounts shall be treated as a single account and considered on a consolidated basis, and balances in accounts carrying both long and short positions shall be adjusted by treating the market value of the securities required to cover such short positions as though such market value were a debit; and

(4) In computing the sum of the liens or claims to which securities carried for the account of customers of a member, broker or dealer are subject, any rehypothecation of such securities by another member, broker or dealer who is subject to this section or to § 240.15c2-1 shall be disregarded.

(c) *Exemption for cash accounts.* The provisions of paragraph (a)(1) of this section shall not apply to any hypothecation of securities carried for the account of a customer in a special cash account within the meaning of 12 CFR 220.4(c): *Provided*, That at or before the completion of the transaction of purchase of such securities for, or of sale of such securities to, such customer, written notice is given or sent to such customer disclosing that such securities are or may be hypothecated under circumstances which will permit the commingling thereof with securities carried for the account of other customers. The term *the completion of the transaction* shall have the meaning given to such term by § 240.15c1-1(b).

(d) *Exemption for clearinghouse liens.* The provisions of paragraphs (a)(2), (a)(3), and (f) of this section shall not apply to any lien or claim of the clearing corporation, or similar department or association, of a national securities exchange or a registered national securities association for a loan made and to be repaid on the same calendar day, which is incidental to the clearing of transactions in securities or loans through such corporation, department, or association: *Provided, however*, That for the purpose of paragraph (a)(3) of this section, "aggregate indebtedness of all customers in respect of securities carried for their accounts" shall not include indebtedness in respect of any

securities subject to any lien or claim exempted by this paragraph.

(e) *Exemption for certain liens on securities of noncustomers.* The provisions of paragraph (a)(2) of this section shall not be deemed to prevent such member, broker or dealer from permitting securities not carried for the account of a customer to be subjected (1) to a lien for a loan made against securities carried for the account of customers, or (2) to a lien for a loan made and to be repaid on the same calendar day. For the purpose of this exemption, a loan shall be deemed to be "made against securities carried for the account of customers" if only securities carried for the account of customers are used to obtain or to increase such loan or as substitutes for other securities carried for the account of customers.

(f) *Notice and certification requirements.* No person subject to this section shall hypothecate any security carried for the account of a customer unless at or prior to the time of each such hypothecation, he gives written notice to the pledgee that the security pledged is carried for the account of a customer and that such hypothecation does not contravene any provision of this section, except that in the case of an omnibus account the members, broker or dealer for whom such account is carried may furnish a signed statement to the person carrying such account that all securities carried therein by such member, broker or dealer will be securities carried for the account of his customers and that the hypothecation thereof by such member, broker or dealer will not contravene any provision of this section. The provisions of this paragraph shall not apply to any hypothecation of securities under any lien or claim of a pledgee securing a loan made and to be repaid on the same calendar day.

(g) The fact that securities carried for the accounts of customers and securities carried for the accounts of others are represented by one or more certificates in the custody of a clearing corporation or other subsidiary organization of either a national securities exchange or of a registered national securities association, or of a custodian bank, in accordance with a system for the central handling of securities es-

tablished by a national securities exchange or a registered national securities association, pursuant to which system the hypothecation of such securities is effected by bookkeeping entries without physical delivery of such securities, shall not, in and of itself, result in a commingling of securities prohibited by paragraph (a)(1) or (a)(2) of this section, whenever a participating member, broker or dealer hypothecates securities in accordance with such system: *Provided, however,* That (1) any such custodian of any securities held by or for such system shall agree that it will not for any reason, including the assertion of any claim, right or lien of any kind, refuse to refrain from promptly delivering any such securities (other than securities then hypothecated in accordance with such system) to such clearing corporation or other subsidiary organization or as directed by it, except that nothing in such agreement shall be deemed to require the custodian to deliver any securities in contravention of any notice of levy, seizure or similar notice, or order or judgment, issued or directed by a governmental agency or court, or officer thereof, having jurisdiction over such custodian, which on its face affects such securities; (2) such systems shall have safeguards in the handling, transfer and delivery of securities and provisions for fidelity bond coverage of the employees and agents of the clearing corporation or other subsidiary organization and for periodic examinations by independent public accountants; and (3) the provisions of this paragraph shall not be effective with respect to any particular system unless the agreement required by paragraph (g)(1) of this section and the safeguards and provisions required by paragraph (g)(2) of this section shall have been deemed adequate by the Commission for the protection of investors, and unless any subsequent amendments to such agreement, safeguards or provisions shall have been deemed adequate by the Commission for the protection of investors.

§ 240.9b-1 Options disclosure document.

(2) *Options class* means all options contracts covering the same underlying instrument.

(3) *Options disclosure document* means a document, including all amendments and supplements thereto, prepared by one or more options markets which has been filed with the Commission or distributed in accordance with paragraph (b) of this section. *Definitive options disclosure document* or *document* means an options disclosure document furnished to customers in accordance with paragraph (b) of this section.

(4) *Standardized options* are options contracts trading on a national securities exchange, an automated quotation system of a registered securities association, or a foreign securities exchange which relate to options classes the terms of which are limited to specific expiration dates and exercise prices, or such other securities as the Commission may, by order, designate.

(b)(1) Five preliminary copies of an options disclosure document containing the information specified in paragraph (c) of this section shall be filed with the Commission by an options market at least 60 days prior to the date definitive copies are furnished to customers, unless the commission determines otherwise having due regard to the adequacy of the information disclosed and the public interest and protection of investors. Five copies of the definitive options disclosure document shall be filed with the Commission not later than the date the options disclosure document is furnished to customers. Notwithstanding the above, the use of an options disclosure docu-

ment shall not be permitted unless the options class to which such document relates is the subject of an effective registration statement on Form S-20 under the Securities Act of 1933, or is exempt from registration under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*).

(2)(i) If the information contained in the options disclosure document becomes or will become materially inaccurate or incomplete or there is or will be an omission of material information necessary to make the options disclosure document not misleading, the options market shall amend or supplement its options disclosure document by filing five copies of an amendment or supplement to such options disclosure document with the Commission at least 30 days prior to the date definitive copies are furnished to customers, unless the Commission determines otherwise having due regard to the adequacy of the information disclosed and the public interest and protection of investors. Five copies of the definitive options disclosure document, as amended or supplemented, shall be filed with the Commission not later than the date the amendment or supplement, or the amended options disclosure document, is furnished to customers.

(ii) Notwithstanding paragraph (b)(2)(i) of this section, an options market may distribute an amendment or supplement to an options disclosure document prior to such 30 day period if it determines, in good faith, that such delivery is necessary to ensure timely and accurate disclosure with respect to one or more of the options classes covered by the document. Five copies of any amendment or supplement distributed pursuant to this paragraph shall be filed with the Commission at the time of distribution. In that instance, if the Commission determines, having given due regard to the adequacy of the information disclosed and the public interest and the protection of investors, it may require refiling of the amendment pursuant to paragraph (b)(2)(i) of this section.

(c) *Information required in an options disclosure document.* An options disclosure document shall contain the following information, unless otherwise

 - (9) Such other information as the Commission may specify.
- (d) *Broker-dealer obligations.* (1) No broker or dealer shall accept an order from a customer to purchase or sell an option contract relating to an options class that is the subject of a definitive options disclosure document, or approve the customer's account for the trading of such option, unless the broker or dealer furnishes or has furnished to the customer a copy of the definitive options disclosure document.
- (2) If a definitive options disclosure document relating to an options class is amended or supplemented, each broker and dealer shall promptly send a copy of the definitive amendment or supplement or a copy of the definitive options disclosure document as amended to each customer whose account is approved for trading the options class or classes to which the amendment or supplement relates.

17 CFR Ch. II (4-1-06 Edition)

SHORT SALES

§ 240.10a-1 Short sales.

(a)(1)(i) No person shall, for his own account or for the account of any other person, effect a short sale of any security registered on, or admitted to unlisted trading privileges on, a national securities exchange, if trades in such securities are reported pursuant to an "effective transaction reporting plan" as defined in §242.600 of this chapter and information as to such trades is made available in accordance with such plan on a real-time basis to vendors of market transaction information:

(A) Below the price at which the last sale thereof, regular way, was reported pursuant to an effective transaction reporting plan; or

(B) At such price unless such price is above the next proceeding different price at which a sale of such security, regular way, was reported pursuant to an effective transaction reporting plan.

(ii) The provisions of paragraph (a)(1)(i) of this section hereof shall not apply to transactions by any person in Nasdaq securities as defined in §242.600 of this chapter, except for those Nasdaq securities for which transaction reports are collected, processed, and made available pursuant to the plan originally submitted to the Commission pursuant to §240.17a-15 (subsequently amended and redesignated as §240.11Aa3-1 and subsequently redesignated as §242.601 of this chapter), which plan was declared effective as of May 17, 1974.

(2) Notwithstanding paragraph (a)(1) of this section, any exchange, by rule, may require that no person shall, for his own account or the account of any other person, effect a short sale of any such security on that exchange (i) below the price at which the last sale thereof, regular way, was effected on such exchange, or (ii) at such price unless such price is above the next preceding different price at which a sale of such securities, regular way, was effected on such exchange, if that exchange determines that such action is necessary or appropriate in its market in the public interest or for the protection of investors; and, if an exchange adopts such a rule, no person shall, for

his own account or for the account of any other person, effect a short sale of any such security on such exchange otherwise than in accordance with such rule, and compliance with any such rule of an exchange shall constitute compliance with this paragraph (a).

(3) In determining the price at which a short sale may be effected after a security goes ex-dividend, ex-right, or ex-any other distribution, all sale prices prior to the "ex" date may be reduced by the value of such distribution.

(b) No person shall, for his own account or for the account of any other person, effect on a national securities exchange a short sale of any security not covered by paragraph (a) of this rule, (1) below the price at which the last sale thereof, regular way, was effected on such exchange, or (2) at such price unless such price is above the next preceding different price at which a sale of such security, regular way, was effected on such exchange. In determining the price at which a short sale may be effected after a security goes ex-dividend, ex-right, or ex-any other distribution, all sale prices prior to the "ex" date may be reduced by the value of such distribution.

(c)—(d) [Reserved]

(e) The provisions of paragraphs (a) and (b) of this section (and of any exchange rule adopted in accordance with paragraph (a) of this section) shall not apply to:

(1) Any sale by any person, for an account in which he has an interest, if such person owns the security sold and intends to deliver such security as soon as is possible without undue inconvenience or expense;

(2) Any broker or dealer in respect of a sale, for an account in which he has no interest, pursuant to an order to sell which is marked "long";

(3) Any sale by an odd-lot dealer or an exchange with which it is registered for such security, or any over-the-counter sale by a third market maker to offset odd-lot orders of customers;

(4) Any sale by an odd-lot dealer on an exchange with which it is registered for such security, or any over-the-counter sale by a third market maker to liquidate a long position which is less than a round lot, provided such sale does not change the position of

such odd-lot dealer or such market maker by more than the unit of trading;

(5) Any sale of a security covered by paragraph (a) of this section (except a sale to a stabilizing bid complying with § 242.104 of this chapter) by a registered specialist or registered exchange market maker for its own account on any exchange with which it is registered for such security, or by a third market maker for its own account over-the-counter,

(i) Effected at a price equal to or above the last sale, regular way, reported for such security pursuant to an effective transaction reporting plan; or

(ii) Effected at a price equal to the most recent offer communicated for the security by such registered specialist, registered exchange market maker or third market maker to an exchange or a national securities association ("association") pursuant to § 242.602 of this chapter, if such offer, when communicated, was equal to or above the last sale, regular way, reported for such security pursuant to an effective transaction reporting plan:

Provided, however, That any exchange, by rule, may prohibit its registered specialist and registered exchange market makers from availing themselves of the exemption afforded by this paragraph (e)(5) if that exchange determines that such action is necessary or appropriate in its market in the public interest or for the protection of investors;

(6) Any sale of a security covered by paragraph (b) of this section on a national securities exchange (except a sale to a stabilizing bid complying with § 242.104 of this chapter) effected with the approval of such exchange which is necessary to equalize the price of such security thereon with the current price of such security on another national securities exchange which is the principal exchange market for such security;

(7) Any sale of a security for a special arbitrage account by a person who then owns another security by virtue of which he is, or presently will be, entitled to acquire an equivalent number of securities of the same class as the securities sold; provided such sale, or the

§ 240.10a-2

purchase with such sale offsets, is effected for the bona fide purpose of profitting from a current difference between the price of security sold and the security owned and that such right of acquisition was originally attached to or represented by another security or was issued to all the holders of any such class of securities of the issuer.

(8) Any sale of a security registered on, or admitted to unlisted trading privileges on, a national securities exchange effected for a special international arbitrage account for the bona fide purpose of profitting from a current difference between the price of such security on a securities market not within or subject to the jurisdiction of the United States and on a securities market subject to the jurisdiction of the United States; provided the seller at the time of such sale knows or, by virtue of information currently received, has reasonable grounds to believe that an offer enabling him to cover such sale is then available to him such foreign securities market and intends to accept such offer immediately;

(9) [Reserved]

(10) Any sale by an underwriter, or any member of a syndicate or group participating in the distribution of a security, in connection with an over-allotment of securities, or any lay-off sale by such a person in connection with a distribution of securities through rights or a standby underwriting commitment; or

(11) Any sale of a security covered by paragraph (a) of this section (except a sale to a stabilizing bid complying with § 242.104 of this chapter) by any broker or dealer, for his own account or for the account of any other person, effected at a price equal to the most recent offer communicated by such broker or dealer to an exchange or association pursuant to § 242.602 of this chapter in an amount less than or equal to the quotation size associated with such offer, if such offer, when communicated, was:

(i) Above the price at which the last sale, regular way, for such security was reported pursuant to an effective transaction reporting plan; or

(ii) At such last sale price, if such last sale price is above the next preceding different price at which a sale of

17 CFR Ch. II (4-1-06 Edition)

such security, regular way, was reported pursuant to an effective transaction reporting plan.

(12) For the purposes of paragraph (e)(8) of this section, a depositary receipt of a security shall be deemed to be the same security as the security represented by such receipt. For the purposes of paragraphs (e)(3), (4) and (5) of this section, the term “third market maker” shall mean any broker or dealer who holds itself out as being willing to buy and sell a reported security for its own account on a regular and continuous basis otherwise than on an exchange in amounts of less than block size.

§ 240.10b5-1 Trading “on the basis of” material nonpublic information in insider trading cases.

Preliminary Note to § 240.10b5-1: This provision defines when a purchase or sale constitutes trading “on the basis of” material nonpublic information in insider trading cases brought under Section 10(b) of the Act and Rule 10b-5 thereunder. The law of insider trading is otherwise defined by judicial opinions construing Rule 10b-5, and Rule 10b5-1 does not modify the scope of insider trading law in any other respect.

(a) *General.* The “manipulative and deceptive devices” prohibited by Section 10(b) of the Act (15 U.S.C. 78j) and § 240.10b-5 thereunder include, among other things, the purchase or sale of a security of any issuer, on the basis of material nonpublic information about that security or issuer, in breach of a duty of trust or confidence that is owed directly, indirectly, or derivatively, to the issuer of that security or the shareholders of that issuer, or to any other

person who is the source of the material nonpublic information.

(b) *Definition of “on the basis of.”* Subject to the affirmative defenses in paragraph (c) of this section, a purchase or sale of a security of an issuer is “on the basis of” material nonpublic information about that security or issuer if the person making the purchase or sale was aware of the material nonpublic information when the person made the purchase or sale.

(c) *Affirmative defenses.* (1)(i) Subject to paragraph (c)(1)(ii) of this section, a person’s purchase or sale is not “on the basis of” material nonpublic information if the person making the purchase or sale demonstrates that:

(A) Before becoming aware of the information, the person had:

(1) Entered into a binding contract to purchase or sell the security,

(2) Instructed another person to purchase or sell the security for the instructing person’s account, or

(3) Adopted a written plan for trading securities;

(B) The contract, instruction, or plan described in paragraph (c)(1)(i)(A) of this Section:

(1) Specified the amount of securities to be purchased or sold and the price at which and the date on which the securities were to be purchased or sold;

(2) Included a written formula or algorithm, or computer program, for determining the amount of securities to be purchased or sold and the price at which and the date on which the securities were to be purchased or sold; or

(3) Did not permit the person to exercise any subsequent influence over how, when, or whether to effect purchases or sales; provided, in addition, that any other person who, pursuant to the contract, instruction, or plan, did exercise such influence must not have been aware of the material nonpublic information when doing so; and

(C) The purchase or sale that occurred was pursuant to the contract, instruction, or plan. A purchase or sale is not “pursuant to a contract, instruction, or plan” if, among other things, the person who entered into the contract, instruction, or plan altered or deviated from the contract, instruction, or plan to purchase or sell securities (whether by changing the amount,

price, or timing of the purchase or sale), or entered into or altered a corresponding or hedging transaction or position with respect to those securities.

(ii) Paragraph (c)(1)(i) of this section is applicable only when the contract, instruction, or plan to purchase or sell securities was given or entered into in good faith and not as part of a plan or scheme to evade the prohibitions of this section.

(iii) This paragraph (c)(1)(iii) defines certain terms as used in paragraph (c) of this Section.

(A) *Amount.* “Amount” means either a specified number of shares or other securities or a specified dollar value of securities.

(B) *Price.* “Price” means the market price on a particular date or a limit price, or a particular dollar price.

(C) *Date.* “Date” means, in the case of a market order, the specific day of the year on which the order is to be executed (or as soon thereafter as is practicable under ordinary principles of best execution). “Date” means, in the case of a limit order, a day of the year on which the limit order is in force.

(2) A person other than a natural person also may demonstrate that a purchase or sale of securities is not “on the basis of” material nonpublic information if the person demonstrates that:

(i) The individual making the investment decision on behalf of the person to purchase or sell the securities was not aware of the information; and

(ii) The person had implemented reasonable policies and procedures, taking into consideration the nature of the person’s business, to ensure that individuals making investment decisions would not violate the laws prohibiting trading on the basis of material nonpublic information. These policies and procedures may include those that restrict any purchase, sale, and causing any purchase or sale of any security as to which the person has material nonpublic information, or those that prevent such individuals from becoming aware of such information.

§ 240.10b-9

§ 240.10b5-2 Duties of trust or confidence in misappropriation insider trading cases.

PRELIMINARY NOTE TO § 240.10b5-2: This section provides a non-exclusive definition of circumstances in which a person has a duty of trust or confidence for purposes of the “misappropriation” theory of insider trading under Section 10(b) of the Act and Rule 10b-5. The law of insider trading is otherwise defined by judicial opinions construing Rule 10b-5, and Rule 10b5-2 does not modify the scope of insider trading law in any other respect.

(a) *Scope of Rule.* This section shall apply to any violation of Section 10(b) of the Act (15 U.S.C. 78j(b)) and § 240.10b-5 thereunder that is based on the purchase or sale of securities on the basis of, or the communication of, material nonpublic information misappropriated in breach of a duty of trust or confidence.

(b) *Enumerated “duties of trust or confidence.”* For purposes of this section, a “duty of trust or confidence” exists in the following circumstances, among others:

(1) Whenever a person agrees to maintain information in confidence;

(2) Whenever the person communicating the material nonpublic information and the person to whom it is communicated have a history, pattern, or practice of sharing confidences, such that the recipient of the information knows or reasonably should know that the person communicating the material nonpublic information expects that the recipient will maintain its confidentiality; or

(3) Whenever a person receives or obtains material nonpublic information from his or her spouse, parent, child, or sibling; *provided*, however, that the person receiving or obtaining the information may demonstrate that no duty of trust or confidence existed with respect to the information, by establishing that he or she neither knew nor reasonably should have known that the person who was the source of the information expected that the person would keep the information confidential, because of the parties’ history, pattern, or practice of sharing and maintaining confidences, and because there was no agreement or understanding to main-

tain the confidentiality of the information.

§ 240.10b-9 Prohibited representations in connection with certain offerings.

(a) It shall constitute a *manipulative or deception device or contrivance*, as used in section 10(b) of the Act, for any person, directly or indirectly, in connection with the offer or sale of any security, to make any representation:

(1) To the effect that the security is being offered or sold on an “all-or-none” basis, unless the security is part of an offering or distribution being made on the condition that all or a specified amount of the consideration paid for such security will be promptly refunded to the purchaser unless (i) all of the securities being offered are sold at a specified price within a specified time, and (ii) the total amount due to the seller is received by him by a specified date; or

(2) To the effect that the security is being offered or sold on any other basis whereby all or part of the consideration paid for any such security will be refunded to the purchaser if all or some of the securities are not sold, unless the security is part of an offering or distribution being made on the condition that all or a specified part of the consideration paid for such security will be promptly refunded to the purchaser unless (i) a specified number of units of the security are sold at a specified price within a specified time, and (ii) the total amount due to the seller is received by him by a specified date.

(b) This rule shall not apply to any offer or sale of securities as to which the seller has a firm commitment from underwriters or others (subject only to customary conditions precedent, including “market outs”) for the purchase of all the securities being offered.

§ 240.10b-10 Confirmation of transactions.

PRELIMINARY NOTE. This section requires broker-dealers to disclose specified information in writing to customers at or before completion of a transaction. The requirements under this section that particular information be disclosed is not determinative of a broker-dealer's obligation under the general antifraud provisions of the federal securities laws to disclose additional information to a customer at the time of the customer's investment decision.

(a) *Disclosure requirement.* It shall be unlawful for any broker or dealer to effect for or with an account of a customer any transaction in, or to induce the purchase or sale by such customer of, any security (other than U.S. Savings Bonds or municipal securities) unless such broker or dealer, at or before completion of such transaction, gives or sends to such customer written notification disclosing:

(1) The date and time of the transaction (or the fact that the time of the transaction will be furnished upon written request to such customer) and the identity, price, and number of shares or units (or principal amount) of such security purchased or sold by such customer; and

(2) Whether the broker or dealer is acting as agent for such customer, as agent for some other person, as agent for both such customer and some other person, or as principal for its own account; and if the broker or dealer is acting as principal, whether it is a market maker in the security (other than by reason of acting as a block positioner); and

(i) If the broker or dealer is acting as agent for such customer, for some other person, or for both such customer and some other person:

(A) The name of the person from whom the security was purchased, or to whom it was sold, for such customer or the fact that the information will be furnished upon written request of such customer; and

(B) The amount of any remuneration received or to be received by the broker from such customer in connection with the transaction unless remuneration paid by such customer is determined pursuant to written agree-

ment with such customer, otherwise than on a transaction basis; and

(C) For a transaction in any NMS stock as defined in §242.600 of this chapter or a security authorized for quotation on an automated interdealer quotation system that has the characteristics set forth in section 17B of the Act (15 U.S.C. 78q-2), a statement whether payment for order flow is received by the broker or dealer for transactions in such securities and the fact that the source and nature of the compensation received in connection with the particular transaction will be furnished upon written request of the customer; *provided, however*, that brokers or dealers that do not receive payment for order flow in connection with any transaction have no disclosure obligations under this paragraph; and

(D) The source and amount of any other remuneration received or to be received by the broker in connection with the transaction: *Provided, however*, that if, in the case of a purchase, the broker was not participating in a distribution, or in the case of a sale, was not participating in a tender offer, the written notification may state whether any other remuneration has been or will be received and the fact that the source and amount of such other remuneration will be furnished upon written request of such customer; or

(ii) If the broker or dealer is acting as principal for its own account:

(A) In the case where such broker or dealer is not a market maker in an equity security and, if, after having received an order to buy from a customer, the broker or dealer purchased the equity security from another person to offset a contemporaneous sale to such customer or, after having received an order to sell from a customer, the broker or dealer sold the security to another person to offset a contemporaneous purchase from such customer, the difference between the price to the customer and the dealer's contemporaneous purchase (for customer purchases) or sale price (for customer sales); or

(B) In the case of any other transaction in an NMS stock as defined by

§ 242.600 of this chapter, or an equity security that is traded on a national securities exchange and that is subject to last sale reporting, the reported trade price, the price to the customer in the transaction, and the difference, if any, between the reported trade price and the price to the customer.

(3) Whether any odd-lot differential or equivalent fee has been paid by such customer in connection with the execution of an order for an odd-lot number of shares or units (or principal amount) of a security and the fact that the amount of any such differential or fee will be furnished upon oral or written request: *Provided, however*, that such disclosure need not be made if the differential or fee is included in the remuneration disclosure, or exempted from disclosure, pursuant to paragraph (a)(2)(i)(B) of this section; and

(4) In the case of any transaction in a debt security subject to redemption before maturity, a statement to the effect that such debt security may be redeemed in whole or in part before maturity, that such a redemption could affect the yield represented and the fact that additional information is available upon request; and

(5) In the case of a transaction in a debt security effected exclusively on the basis of a dollar price:

(i) The dollar price at which the transaction was effected; and

(ii) The yield to maturity calculated from the dollar price: *Provided, however*, that this paragraph (a)(5)(ii) shall not apply to a transaction in a debt security that either:

(A) Has a maturity date that may be extended by the issuer thereof, with a variable interest payable thereon; or

(B) Is an asset-backed security, that represents an interest in or is secured by a pool of receivables or other financial assets that are subject continuously to prepayment; and

(6) In the case of a transaction in a debt security effected on the basis of yield:

(i) The yield at which the transaction was effected, including the percentage amount and its characterization (*e.g.*, current yield, yield to maturity, or yield to call) and if effected at yield to call, the type of call, the call date and call price; and

(ii) The dollar price calculated from the yield at which the transaction was effected; and

(iii) If effected on a basis other than yield to maturity and the yield to maturity is lower than the represented yield, the yield to maturity as well as the represented yield; *Provided, however*, that this paragraph (a)(6)(iii) shall not apply to a transaction in a debt security that either:

(A) Has a maturity date that may be extended by the issuer thereof, with a variable interest rate payable thereon; or

(B) Is an asset-backed security, that represents an interest in or is secured by a pool of receivables or other financial assets that are subject continuously to prepayment; and

(7) In the case of a transaction in a debt security that is an asset-backed security, which represents an interest in or is secured by a pool of receivables or other financial assets that are subject continuously to prepayment, a statement indicating that the actual yield of such asset-backed security may vary according to the rate at which the underlying receivables or other financial assets are prepaid and a statement of the fact that information concerning the factors that affect yield (including at a minimum estimated yield, weighted average life, and the prepayment assumptions underlying yield) will be furnished upon written request of such customer; and

(8) In the case of a transaction in a debt security, other than a government security, that the security is unrated by a nationally recognized statistical rating organization, if such is the case; and

(9) That the broker or dealer is not a member of the Securities Investor Protection Corporation (SIPC), or that the broker or dealer clearing or carrying the customer account is not a member of SIPC, if such is the case: *Provided, however*, that this paragraph (a)(9) shall not apply in the case of a transaction in shares of a registered open-end investment company or unit investment trust if:

(i) The customer sends funds or securities directly to, or receives funds or securities directly from, the registered open-end investment company or unit

investment trust, its transfer agent, its custodian, or other designated agent, and such person is not an associated person of the broker or dealer required by paragraph (a) of this section to send written notification to the customer; and

(ii) The written notification required by paragraph (a) of this section is sent on behalf of the broker or dealer to the customer by a person described in paragraph (a)(9)(i) of this section.

(b) *Alternative periodic reporting.* A broker or dealer may effect transactions for or with the account of a customer without giving or sending to such customer the written notification described in paragraph (a) of this section if:

(1) Such transactions are effected pursuant to a periodic plan or an investment company plan, or effected in shares of any open-end management investment company registered under the Investment Company Act of 1940 that holds itself out as a money market fund and attempts to maintain a stable net asset value per share: *Provided, however,* that no sales load is deducted upon the purchase or redemption of shares in the money market fund; and

(2) Such broker or dealer gives or sends to such customer within five business days after the end of each *quarterly* period, for transactions involving investment company and periodic plans, and after the end of each *monthly* period, for other transactions described in paragraph (b)(1) of this section, a written statement disclosing each purchase or redemption, effected for or with, and each dividend or distribution credited to or reinvested for, the account of such customer during the month; the date of such transaction; the identity, number, and price of any securities purchased or redeemed by such customer in each such transaction; the total number of shares of such securities in such customer's account; any remuneration received or to be received by the broker or dealer in connection therewith; and that any other information required by paragraph (a) of this section will be furnished upon written request: *Provided, however,* that the written statement may be delivered to some other person

designated by the customer for distribution to the customer; and

(3) Such customer is provided with prior notification in writing disclosing the intention to send the written information referred to in paragraph (b)(1) of this section in lieu of an immediate confirmation.

(c) A broker or dealer shall give or send to a customer information requested pursuant to this rule within 5 business days of receipt of the request: *Provided, however,* That in the case of information pertaining to a transaction effected more than 30 days prior to receipt of the request, the information shall be given or sent to the customer within 15 business days.

(i) An individual retirement or individual pension plan qualified under the Internal Revenue Code;

(ii) The source and amount of any remuneration received or to be received by the broker or dealer in connection with the transaction, including, but not limited to, markups, commissions, costs, fees, and other charges incurred in connection with the transaction, provided, however, that if no remuneration is to be paid for an initiating transaction until the occurrence of the corresponding liquidating transaction, that the broker or dealer may disclose the amount of remuneration only on the confirmation for the liquidating transaction;

(iii) The fact that information about the time of the execution of the transaction, the identity of the other party to the contract, and whether the broker or dealer is acting as agent for such customer, as agent for some other person, as agent for both such customer and some other person, or as principal for its own account, and if the broker or dealer is acting as principal, whether it is engaging in a block transaction or an exchange of security futures products for physical securities, will be available upon written request of the customer; and

(iv) Whether payment for order flow is received by the broker or dealer for such transactions, the amount of this payment and the fact that the source and nature of the compensation received in connection with the particular transaction will be furnished upon written request of the customer; provided, however, that brokers or dealers that do not receive payment for order flow have no disclosure obligation under this paragraph.

(2) *Transitional provision.* (i) Broker-dealers are not required to comply with paragraph (e)(1)(iii) of this section until June 1, 2003, *Provided* that, if, notwithstanding the absence of the disclosure required in that paragraph, the broker-dealer receives a written request from a customer for the information described in paragraph (e)(1)(iii) of this section, the broker-dealer must make the information available to the customer; and

(a) It shall be unlawful for any broker or dealer to extend credit, directly or indirectly, to any customer in connection with any securities transaction unless such broker or dealer has established procedures to assure that each customer:

(1) Is given or sent at the time of opening the account, a written statement or statements disclosing (i) the conditions under which an interest charge will be imposed; (ii) the annual rate or rates of interest that can be imposed; (iii) the method of computing interest; (iv) if rates of interest are subject to change without prior notice, the specific conditions under which they can be changed; (v) the method of determining the debit balance or balances on which interest is to be charged and whether credit is to be

given for credit balances in cash accounts; (vi) what other charges resulting from the extension of credit, if any, will be made and under what conditions; and (vii) the nature of any interest or lien retained by the broker or dealer in the security or other property held as collateral and the conditions under which additional collateral can be required: *Provided, however*, That the requirements of this subparagraph will be met in any case where the account is opened by telephone if the information required to be disclosed is orally communicated to the customer at that time and the required written statement or statements are sent to the customer immediately thereafter: *And provided, further*, That in the case of customers to whom credit is already being extended on the effective date of this section, the written statement or statements required hereunder must be given or sent to said customers within 90 days after the effective date of this section; and

(2) Is given or sent a written statement or statements, at least quarterly, for each account in which credit was extended, disclosing (i) the balance at the beginning of the period; the date, amount and a brief description of each debit and credit entered during such period; the closing balance; and, if interest is charged for a period different from the period covered by the statement, the balance as of the last day of the interest period; (ii) the total interest charge for the period during which interest is charged (or, if interest is charged separately for separate accounts, the total interest charge for each such account), itemized to show the dates on which the interest period began and ended; the annual rate or rates of interest charged and the interest charge for each such different annual rate of interest; and either each different debit balance on which an interest calculation was based or the average debit balance for the interest period, except that if an average debit balance is used, a separate average debit balance must be disclosed for each interest rate applied; and (iii) all other charges resulting from the extension of credit in that account: *Provided, however*, That if the interest charge disclosed on a statement is for a period

different from the period covered by the statement, there must be printed on the statement appropriate language to the effect that it should be retained for use in conjunction with the next statement containing the remainder of the required information: *And provided further*, That in the case of "equity funding programs" registered under the Securities Act of 1933, the requirements of this paragraph will be met if the broker or dealer furnishes to the customer, within 1 month after each extension of credit, a written statement or statements containing the information required to be disclosed under this paragraph.

(b) It shall be unlawful for any broker or dealer to make any changes in the terms and conditions under which credit charges will be made (as described in the initial statement made under paragraph (a) of this section), unless the customer shall have been given not less than thirty (30) days written notice of such changes, except that no such prior notice shall be necessary where such changes are required by law: *Provided, however*, That if any change for which prior notice would otherwise be required under this paragraph results in a lower interest charge to the customer than would have been imposed before the change, notice of such change may be given within a reasonable time after the effective date of the change.

[36 FR 11514, June 15, 1971, as amended at 37 FR 4330, Mar. 2, 1972]

§ 240.10b-18 Purchases of certain equity securities by the issuer and others.

Preliminary Notes to § 240.10b-18

1. Section 240.10b-18 provides an issuer (and its affiliated purchasers) with a “safe harbor” from liability for manipulation under sections 9(a)(2) of the Act and § 240.10b-5 under the Act *solely* by reason of the manner, timing, price, and volume of their repurchases

when they repurchase the issuer's common stock in the market in accordance with the section's manner, timing, price, and volume conditions. As a safe harbor, compliance with § 240.10b-18 is voluntary. To come within the safe harbor, however, an issuer's repurchases must satisfy (on a daily basis) each of the section's four conditions. Failure to meet any one of the four conditions will remove all of the issuer's repurchases from the safe harbor for that day. The safe harbor, moreover, is not available for repurchases that, although made in technical compliance with the section, are part of a plan or scheme to evade the federal securities laws.

2. Regardless of whether the repurchases are effected in accordance with § 240.10b-18, reporting issuers must report their repurchasing activity as required by Item 703 of Regulations S-K and S-B (17 CFR 229.703 and 228.703) and Item 15(e) of Form 20-F (17 CFR 249.220f) (regarding foreign private issuers), and closed-end management investment companies that are registered under the Investment Company Act of 1940 must report their repurchasing activity as required by Item 8 of Form N-CSR (17 CFR 249.331; 17 CFR 274.128).

(a) *Definitions.* Unless otherwise provided, all terms used in this section shall have the same meaning as in the Act. In addition, the following definitions shall apply:

(1) *ADTV* means the average daily trading volume reported for the security during the four calendar weeks preceding the week in which the Rule 10b-18 purchase is to be effected.

(2) *Affiliate* means any person that directly or indirectly controls, is controlled by, or is under common control with, the issuer.

(3) *Affiliated purchaser* means:

(i) A person acting, directly or indirectly, in concert with the issuer for the purpose of acquiring the issuer's securities; or

(ii) An affiliate who, directly or indirectly, controls the issuer's purchases of such securities, whose purchases are controlled by the issuer, or whose purchases are under common control with those of the issuer; *Provided, however*, that "affiliated purchaser" shall not

include a broker, dealer, or other person solely by reason of such broker, dealer, or other person effecting Rule 10b-18 purchases on behalf of the issuer or for its account, and shall not include an officer or director of the issuer solely by reason of that officer or director's participation in the decision to authorize Rule 10b-18 purchases by or on behalf of the issuer.

(4) *Agent independent of the issuer* has the meaning contained in § 242.100 of this chapter.

(5) *Block* means a quantity of stock that either:

(i) Has a purchase price of \$200,000 or more; or

(ii) Is at least 5,000 shares and has a purchase price of at least \$50,000; or

(iii) Is at least 20 round lots of the security and totals 150 percent or more of the trading volume for that security or, in the event that trading volume data are unavailable, is at least 20 round lots of the security and totals at least one-tenth of one percent (.001) of the outstanding shares of the security, exclusive of any shares owned by any affiliate; *Provided, however*, That a block under paragraph (a)(5)(i), (ii), and (iii) shall not include any amount a broker or dealer, acting as principal, has accumulated for the purpose of sale or resale to the issuer or to any affiliated purchaser of the issuer if the issuer or such affiliated purchaser knows or has reason to know that such amount was accumulated for such purpose, nor shall it include any amount that a broker or dealer has sold short to the issuer or to any affiliated purchaser of the issuer if the issuer or such affiliated purchaser knows or has reason to know that the sale was a short sale.

(6) *Consolidated system* means a consolidated transaction or quotation reporting system that collects and publicly disseminates on a current and continuous basis transaction or quotation information in common equity securities pursuant to an effective transaction reporting plan or an effective national market system plan (as those terms are defined in § 242.600 of this chapter).

(7) *Market-wide trading suspension* means a market-wide trading halt of 30 minutes or more that is:

§ 240.10b-18

17 CFR Ch. II (4-1-06 Edition)

(i) Imposed pursuant to the rules of a national securities exchange or a national securities association in response to a market-wide decline during a single trading session; or

(ii) Declared by the Commission pursuant to its authority under section 12(k) of the Act (15 U.S.C. 78l (k)).

(8) *Plan* has the meaning contained in § 242.100 of this chapter.

(9) *Principal market* for a security means the single securities market with the largest reported trading volume for the security during the six full calendar months preceding the week in which the Rule 10b-18 purchase is to be effected.

(10) *Public float value* has the meaning contained in § 242.100 of this chapter.

(11) *Purchase price* means the price paid per share as reported, exclusive of any commission paid to a broker acting as agent, or commission equivalent, mark-up, or differential paid to a dealer.

(12) *Riskless principal transaction* means a transaction in which a broker or dealer after having received an order from an issuer to buy its security, buys the security as principal in the market at the same price to satisfy the issuer's buy order. The issuer's buy order must be effected at the same price per-share at which the broker or dealer bought the shares to satisfy the issuer's buy order, exclusive of any explicitly disclosed markup or markdown, commission equivalent, or other fee. In addition, only the first leg of the transaction, when the broker or dealer buys the security in the market as principal, is reported under the rules of a self-regulatory organization or under the Act. For purposes of this section, the broker or dealer must have written policies and procedures in place to assure that, at a minimum, the issuer's buy order was received prior to the offsetting transaction; the offsetting transaction is allocated to a riskless principal account or the issuer's account within 60 seconds of the execution; and the broker or dealer has supervisory systems in place to produce records that enable the broker or dealer to accurately and readily reconstruct, in a time-sequenced manner, all orders effected on a riskless principal basis.

(13) *Rule 10b-18 purchase* means a purchase (or any bid or limit order that would effect such purchase) of an issuer's common stock (or an equivalent interest, including a unit of beneficial interest in a trust or limited partnership or a depository share) by or for the issuer or any affiliated purchaser (including riskless principal transactions). However, it does *not* include any purchase of such security:

(i) Effected during the applicable restricted period of a distribution that is subject to § 242.102 of this chapter;

(ii) Effected by or for an issuer plan by an agent independent of the issuer;

(iii) Effected as a fractional share purchase (a fractional interest in a security) evidenced by a script certificate, order form, or similar document;

(iv) Effected during the period from the time of public announcement (as defined in § 230.165(f)) of a merger, acquisition, or similar transaction involving a recapitalization, until the earlier of the completion of such transaction or the completion of the vote by target shareholders. This exclusion does *not* apply to Rule 10b-18 purchases:

(A) Effected during such transaction in which the consideration is solely cash and there is no valuation period; or

(B) Where:

(1) The total volume of Rule 10b-18 purchases effected on any single day does not exceed the lesser of 25% of the security's four-week ADTV or the issuer's average daily Rule 10b-18 purchases during the three full calendar months preceding the date of the announcement of such transaction;

(2) The issuer's block purchases effected pursuant to paragraph (b)(4) of this section do not exceed the average size and frequency of the issuer's block purchases effected pursuant to paragraph (b)(4) of this section during the three full calendar months preceding the date of the announcement of such transaction; and

(3) Such purchases are not otherwise restricted or prohibited;

(v) Effected pursuant to § 240.13e-1;

(vi) Effected pursuant to a tender offer that is subject to § 240.13e-4 or specifically excepted from § 240.13e-4; or

(vii) Effected pursuant to a tender offer that is subject to section 14(d) of the Act (15 U.S.C. 78n(d)) and the rules and regulations thereunder.

(b) *Conditions to be met.* Rule 10b-18 purchases shall not be deemed to have violated the anti-manipulation provisions of sections 9(a)(2) or 10(b) of the Act (15 U.S.C. 78i(a)(2) or 78j(b)), or § 240.10b-5 under the Act, solely by reason of the time, price, or amount of the Rule 10b-18 purchases, or the number of brokers or dealers used in connection with such purchases, if the issuer or affiliated purchaser of the issuer effects the Rule 10b-18 purchases according to each of the following conditions:

(1) *One broker or dealer.* Rule 10b-18 purchases must be effected from or through only one broker or dealer on any single day; *Provided, however,* that:

(i) The “one broker or dealer” condition shall not apply to Rule 10b-18 purchases that are not solicited by or on behalf of the issuer or its affiliated purchaser(s);

(ii) Where Rule 10b-18 purchases are effected by or on behalf of more than one affiliated purchaser of the issuer (or the issuer and one or more of its affiliated purchasers) on a single day, the issuer and all affiliated purchasers must use the same broker or dealer; and

(iii) Where Rule 10b-18 purchases are effected on behalf of the issuer by a broker-dealer that is not an electronic communication network (ECN) or other alternative trading system (ATS), that broker-dealer can access ECN or other ATS liquidity in order to execute repurchases on behalf of the issuer (or any affiliated purchaser of the issuer) on that day.

(2) *Time of purchases.* Rule 10b-18 purchases must not be:

(i) The opening (regular way) purchase reported in the consolidated system;

(ii) Effected during the 10 minutes before the scheduled close of the primary trading session in the principal market for the security, and the 10 minutes before the scheduled close of the primary trading session in the market where the purchase is effected, for a security that has an ADTV value of \$1 million or more and a public float value of \$150 million or more; and

(iii) Effected during the 30 minutes before the scheduled close of the primary trading session in the principal market for the security, and the 30 minutes before the scheduled close of the primary trading session in the market where the purchase is effected, for all other securities;

(iv) However, for purposes of this section, Rule 10b-18 purchases may be effected following the close of the primary trading session until the termination of the period in which last sale prices are reported in the consolidated system so long as such purchases are effected at prices that do not exceed the lower of the closing price of the primary trading session in the principal market for the security and any lower bids or sale prices subsequently reported in the consolidated system, and all of this section’s conditions are met. However, for purposes of this section, the issuer may use one broker or dealer to effect Rule 10b-18 purchases during this period that may be different from the broker or dealer that it used during the primary trading session. However, the issuer’s Rule 10b-18 purchase may not be the opening transaction of the session following the close of the primary trading session.

(3) *Price of purchases.* Rule 10b-18 purchases must be effected at a purchase price that:

(i) Does not exceed the highest independent bid or the last independent transaction price, whichever is higher, quoted or reported in the consolidated system at the time the Rule 10b-18 purchase is effected;

(ii) For securities for which bids and transaction prices are not quoted or reported in the consolidated system, Rule 10b-18 purchases must be effected at a purchase price that does not exceed the highest independent bid or the last independent transaction price, whichever is higher, displayed and disseminated on any national securities exchange or on any inter-dealer quotation system (as defined in § 240.15c2-11) that displays at least two priced quotations for the security, at the time the Rule 10b-18 purchase is effected; and

(iii) For all other securities, Rule 10b-18 purchases must be effected at a

§ 240.10b-21

price no higher than the highest independent bid obtained from three independent dealers.

(4) *Volume of purchases.* The total volume of Rule 10b-18 purchases effected by or for the issuer and any affiliated purchasers effected on any single day must not exceed 25 percent of the ADTV for that security; *However*, once each week, in lieu of purchasing under the 25 percent of ADTV limit for that day, the issuer or an affiliated purchaser of the issuer may effect one block purchase if:

(i) No other Rule 10b-18 purchases are effected that day, and

(ii) The block purchase is *not* included when calculating a security's four week ADTV under this section.

(c) *Alternative conditions.* The conditions of paragraph (b) of this section shall apply in connection with Rule 10b-18 purchases effected during a trading session following the imposition of a market-wide trading suspension, except:

(1) That the time of purchases condition in paragraph (b)(2) of this section shall not apply, either:

(i) From the reopening of trading until the scheduled close of trading on the day that the market-wide trading suspension is imposed; or

(ii) At the opening of trading on the next trading day until the scheduled close of trading that day, if a market-wide trading suspension was in effect at the close of trading on the preceding day; and

(2) The volume of purchases condition in paragraph (b)(4) of this section is modified so that the amount of Rule 10b-18 purchases must not exceed 100 percent of the ADTV for that security.

(d) *Other purchases.* No presumption shall arise that an issuer or an affiliated purchaser has violated the anti-manipulation provisions of sections 9(a)(2) or 10(b) of the Act (15 U.S.C. 78i(a)(2) or 78j(b)), or §240.10b-5 under the Act, if the Rule 10b-18 purchases of such issuer or affiliated purchaser do not meet the conditions specified in paragraph (b) or (c) of this section.

§ 240.10A-1 Notice to the Commission Pursuant to Section 10A of the Act.

(a)(1) If any issuer with a reporting obligation under the Act receives a report requiring a notice to the Commission in accordance with section 10A(b)(3) of the Act, 15 U.S.C. 78j-1(b)(3), the issuer shall submit such notice to the Commission's Office of the Chief Accountant within the time period prescribed in that section. The notice may be provided by facsimile, telegraph, personal delivery, or any other means, *provided* it is received by the Office of the Chief Accountant within the required time period.

(2) The notice specified in paragraph (a)(1) of this section shall be in writing and:

(i) Shall identify the issuer (including the issuer's name, address, phone number, and file number assigned to the issuer's filings by the Commission) and the independent accountant (including the independent accountant's name and phone number, and the address of the independent accountant's principal office);

(ii) Shall state the date that the issuer received from the independent accountant the report specified in section 10A(b)(2) of the Act, 15 U.S.C. 78j-1(b)(2);

(iii) Shall provide, at the election of the issuer, either:

(A) A summary of the independent accountant's report, including a description of the act that the independent accountant has identified as a likely illegal act and the possible effect of that act on all affected financial statements of the issuer or those related to the most current three-year period, whichever is shorter; or

(B) A copy of the independent accountant's report; and

(iv) May provide additional information regarding the issuer's views of and response to the independent accountant's report.

(3) Reports of the independent accountant submitted by the issuer to the Commission's Office of the Chief Accountant in accordance with paragraph (a)(2)(iii)(B) of this section shall

Securities and Exchange Commission

be deemed to have been made pursuant to section 10A(b)(3) or section 10A(b)(4) of the Act, 15 U.S.C. 78j-1(b)(3) or 78j-1(b)(4), for purposes of the safe harbor provided by section 10A(c) of the Act, 15 U.S.C. 78j-1(c).

(4) Submission of the notice in paragraphs (a)(1) and (a)(2) of this section shall not relieve the issuer from its obligations to comply fully with all other reporting requirements, including, without limitation:

(i) The filing requirements of Form 8-K, §249.308 of this chapter, and Form N-SAR, §274.101 of this chapter, regarding a change in the issuer's certifying accountant and

The report (or documentation) may be submitted to the Commission's Office of the Chief Accountant by facsimile, telegraph, personal delivery, or any other means, *provided* it is received by the Office of the Chief Accountant within the time period set forth in section 10A(b)(3) or 10A(b)(4) of the Act, 15 U.S.C. 78j-1(b)(3) or 78j-1(b)(4), whichever is applicable in the circumstances.

(2) If the report (or documentation) submitted to the Office of the Chief Accountant in accordance with paragraph (b)(1) of this section does not clearly identify both the issuer (including the issuer's name, address, phone number, and file number assigned to the issuer's filings with the Commission) and the independent accountant (including the independent accountant's name and phone number, and the address of the independent accountant's principal office), then the independent accountant shall place that information in a prominent attachment to the report (or documentation) and shall submit that attachment to the Office of the Chief Accountant at the same time and

in the same manner as the report (or documentation) is submitted to that Office.

(3) Submission of the report (or documentation) by the independent accountant as described in paragraphs (b)(1) and (b)(2) of this section shall not replace, or otherwise satisfy the need for, the newly engaged and former accountants' letters under items 304(a)(2)(D) and 304(a)(3) of Regulation S-K, §§229.304(a)(2)(D) and 229.304(a)(3) of this chapter, respectively, and under items 304(a)(2)(D) and 304(a)(3) of Regulation S-B, §§228.304(a)(2)(D) and 228.304(a)(3) of this chapter, respectively, and shall not limit, reduce, or affect in any way the independent accountant's obligations to comply fully with all other legal and professional responsibilities, including, without limitation, those under generally accepted auditing standards and the rules or interpretations of the Commission that modify or supplement those auditing standards.

(c) A notice or report submitted to the Office of the Chief Accountant in accordance with paragraphs (a) and (b) of this section shall be deemed to be an investigative record and shall be non-public and exempt from disclosure pursuant to the Freedom of Information Act to the same extent and for the same periods of time that the Commission's investigative records are non-public and exempt from disclosure under, among other applicable provisions, 5 U.S.C. 552(b)(7) and §200.80(b)(7) of this chapter. Nothing in this paragraph, however, shall relieve, limit, delay, or affect in any way, the obligation of any issuer or any independent accountant to make all public disclosures required by law, by any Commission disclosure item, rule, report, or form, or by any applicable accounting, auditing, or professional standard.

(1) *National securities exchanges.* The rules of each national securities exchange registered pursuant to section 6 of the Act (15 U.S.C. 78f) must, in accordance with the provisions of this section, prohibit the initial or continued listing of any security of an issuer that is not in compliance with the requirements of any portion of paragraph (b) or (c) of this section.

(2) *National securities associations.* The rules of each national securities association registered pursuant to section 15A of the Act (15 U.S.C. 78o-3) must, in accordance with the provisions of this section, prohibit the initial or continued listing in an automated inter-dealer quotation system of any security of an issuer that is not in compliance with the requirements of any portion of paragraph (b) or (c) of this section.

(3) *Opportunity to cure defects.* The rules required by paragraphs (a)(1) and (a)(2) of this section must provide for appropriate procedures for a listed issuer to have an opportunity to cure any defects that would be the basis for a prohibition under paragraph (a) of this section, before the imposition of such prohibition. Such rules also may provide that if a member of an audit committee ceases to be independent in accordance with the requirements of this section for reasons outside the member's reasonable control, that person, with notice by the issuer to the

17 CFR Ch. II (4-1-06 Edition)

applicable national securities exchange or national securities association, may remain an audit committee member of the listed issuer until the earlier of the next annual shareholders meeting of the listed issuer or one year from the occurrence of the event that caused the member to be no longer independent.

(4) *Notification of noncompliance.* The rules required by paragraphs (a)(1) and (a)(2) of this section must include a requirement that a listed issuer must notify the applicable national securities exchange or national securities association promptly after an executive officer of the listed issuer becomes aware of any material noncompliance by the listed issuer with the requirements of this section.

(5) *Implementation.* (i) The rules of each national securities exchange or national securities association meeting the requirements of this section must be operative, and listed issuers must be in compliance with those rules, by the following dates:

(A) July 31, 2005 for foreign private issuers and small business issuers (as defined in §240.12b-2); and

(B) For all other listed issuers, the earlier of the listed issuer's first annual shareholders meeting after January 15, 2004, or October 31, 2004.

(ii) Each national securities exchange and national securities association must provide to the Commission, no later than July 15, 2003, proposed rules or rule amendments that comply with this section.

(iii) Each national securities exchange and national securities association must have final rules or rule amendments that comply with this section approved by the Commission no later than December 1, 2003.

(b) *Required standards—(1) Independence.* (i) Each member of the audit committee must be a member of the board of directors of the listed issuer, and must otherwise be independent; provided that, where a listed issuer is one of two dual holding companies, those companies may designate one audit committee for both companies so long as each member of the audit committee is a member of the board of directors of at least one of such dual holding companies.

Securities and Exchange Commission

§ 240.10A-3

(ii) *Independence requirements for non-investment company issuers.* In order to be considered to be independent for purposes of this paragraph (b)(1), a member of an audit committee of a listed issuer that is not an investment company may not, other than in his or her capacity as a member of the audit committee, the board of directors, or any other board committee:

(A) Accept directly or indirectly any consulting, advisory, or other compensatory fee from the issuer or any subsidiary thereof, provided that, unless the rules of the national securities exchange or national securities association provide otherwise, compensatory fees do not include the receipt of fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service with the listed issuer (provided that such compensation is not contingent in any way on continued service); or

(B) Be an affiliated person of the issuer or any subsidiary thereof.

(iii) *Independence requirements for investment company issuers.* In order to be considered to be independent for purposes of this paragraph (b)(1), a member of an audit committee of a listed issuer that is an investment company may not, other than in his or her capacity as a member of the audit committee, the board of directors, or any other board committee:

(A) Accept directly or indirectly any consulting, advisory, or other compensatory fee from the issuer or any subsidiary thereof, provided that, unless the rules of the national securities exchange or national securities association provide otherwise, compensatory fees do not include the receipt of fixed amounts of compensation under a retirement plan (including deferred compensation) for prior service with the listed issuer (provided that such compensation is not contingent in any way on continued service); or

(B) Be an “interested person” of the issuer as defined in section 2(a)(19) of the Investment Company Act of 1940 (15 U.S.C. 80a-2(a)(19)).

(iv) *Exemptions from the independence requirements.* (A) For an issuer listing securities pursuant to a registration statement under section 12 of the Act (15 U.S.C. 78l), or for an issuer that has

a registration statement under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*) covering an initial public offering of securities to be listed by the issuer, where in each case the listed issuer was not, immediately prior to the effective date of such registration statement, required to file reports with the Commission pursuant to section 13(a) or 15(d) of the Act (15 U.S.C. 78m(a) or 78o(d)):

(B) An audit committee member that sits on the board of directors of a listed issuer and an affiliate of the listed issuer is exempt from the requirements of paragraph (b)(1)(ii)(B) of this section if the member, except for being a director on each such board of directors, otherwise meets the independence requirements of paragraph (b)(1)(ii) of this section for each such entity, including the receipt of only ordinary-course compensation for serving as a member of the board of directors, audit committee or any other board committee of each such entity.

(C) An employee of a foreign private issuer who is not an executive officer of the foreign private issuer is exempt from the requirements of paragraph (b)(1)(ii) of this section if the employee is elected or named to the board of directors or audit committee of the foreign private issuer pursuant to the issuer’s governing law or documents, an employee collective bargaining or similar agreement or other home country legal or listing requirements.

(D) An audit committee member of a foreign private issuer may be exempt from the requirements of paragraph (b)(1)(ii)(B) of this section if that member meets the following requirements:

(1) The member is an affiliate of the foreign private issuer or a representative of such an affiliate;

(2) The member has only observer status on, and is not a voting member or the chair of, the audit committee; and

(3) Neither the member nor the affiliate is an executive officer of the foreign private issuer.

(E) An audit committee member of a foreign private issuer may be exempt from the requirements of paragraph (b)(1)(ii)(B) of this section if that member meets the following requirements:

(v) Such board or body, or statutory auditors, in accordance with any applicable home country legal or listing requirements or the issuer's governing documents, are responsible, to the extent permitted by law, for the appointment, retention and oversight of the work of any registered public accounting firm engaged (including, to the extent permitted by law, the resolution of disagreements between management and the auditor regarding financial reporting) for the purpose of preparing or issuing an audit report or performing other audit, review or attest services for the issuer; and

(vi) The audit committee requirements of paragraphs (b)(3), (b)(4) and (b)(5) of this section apply to such board or body, or statutory auditors, to the extent permitted by law.

(4) The listing of a security futures product cleared by a clearing agency that is registered pursuant to section 17A of the Act (15 U.S.C. 78q-1) or that is exempt from the registration requirements of section 17A pursuant to paragraph (b)(7)(A) of such section is not subject to the requirements of this section.

(ii) The activities of the listed issuer that is described in paragraph (c)(7)(i) of this section are limited to passively owning or holding (as well as administering and distributing amounts in respect of) securities, rights, collateral or other assets on behalf of or for the benefit of the holders of the listed securities.

(d) *Disclosure.* Any listed issuer availing itself of an exemption from the independence standards contained in paragraph (b)(1)(iv) of this section (except paragraph (b)(1)(iv)(B) of this section), the general exemption contained in paragraph (c)(3) of this section or the last sentence of paragraph (a)(3) of this section, must:

(1) Disclose its reliance on the exemption and its assessment of whether, and if so, how, such reliance would materially adversely affect the ability of the audit committee to act independently and to satisfy the other requirements of this section in any proxy or information statement for a meeting of shareholders at which directors are elected that is filed with the Commission pursuant to the requirements of section 14 of the Act (15 U.S.C. 78n); and

(1)(i) The term *affiliate* of, or a person *affiliated* with, a specified person, means a person that directly, or indirectly through one or more intermediaries, controls, or is controlled by, or is under common control with, the person specified.

(ii)(A) A person will be deemed not to be in control of a specified person for purposes of this section if the person:

(1) Is not the beneficial owner, directly or indirectly, of more than 10% of any class of voting equity securities of the specified person; and

(2) Is not an executive officer of the specified person.

(B) Paragraph (e)(1)(ii)(A) of this section only creates a safe harbor position that a person does not control a specified person. The existence of the safe harbor does not create a presumption in any way that a person exceeding the ownership requirement in paragraph (e)(1)(ii)(A)(1) of this section controls or is otherwise an affiliate of a specified person.

(iii) The following will be deemed to be affiliates:

(A) An executive officer of an affiliate;

(B) A director who also is an employee of an affiliate;

(C) A general partner of an affiliate; and

(D) A managing member of an affiliate.

(iv) For purposes of paragraph (e)(1)(i) of this section, dual holding companies will not be deemed to be affiliates of or persons affiliated with each other by virtue of their dual holding company arrangements with each other, including where directors of one dual holding company are also directors of the other dual holding company, or where directors of one or both dual holding companies are also directors of the businesses jointly controlled, directly or indirectly, by the

dual holding companies (and, in each case, receive only ordinary-course compensation for serving as a member of the board of directors, audit committee or any other board committee of the dual holding companies or any entity that is jointly controlled, directly or indirectly, by the dual holding companies).

(2) In the case of foreign private issuers with a two-tier board system, the term *board of directors* means the supervisory or non-management board.

(3) In the case of a listed issuer that is a limited partnership or limited liability company where such entity does not have a board of directors or equivalent body, the term *board of directors* means the board of directors of the managing general partner, managing member or equivalent body.

(4) The term *control* (including the terms *controlling*, *controlled by* and *under common control with*) means the possession, direct or indirect, of the power to direct or cause the direction of the management and policies of a person, whether through the ownership of voting securities, by contract, or otherwise.

(5) The term *dual holding companies* means two foreign private issuers that:

(i) Are organized in different national jurisdictions;

(ii) Collectively own and supervise the management of one or more businesses which are conducted as a single economic enterprise; and

(iii) Do not conduct any business other than collectively owning and supervising such businesses and activities reasonably incidental thereto.

(6) The term *executive officer* has the meaning set forth in § 240.3b-7.

(7) The term *foreign private issuer* has the meaning set forth in § 240.3b-4(c).

(8) The term *indirect* acceptance by a member of an audit committee of any consulting, advisory or other compensatory fee includes acceptance of such a fee by a spouse, a minor child or stepchild or a child or stepchild sharing a home with the member or by an entity in which such member is a partner, member, an officer such as a managing director occupying a comparable position or executive officer, or occupies a similar position (except limited partners, non-managing members and those

Securities and Exchange Commission

§ 240.11a-1

occupying similar positions who, in each case, have no active role in providing services to the entity) and which provides accounting, consulting, legal, investment banking or financial advisory services to the issuer or any subsidiary of the issuer.

(9) The terms *listed* and *listing* refer to securities listed on a national securities exchange or listed in an automated inter-dealer quotation system of a national securities association or to issuers of such securities.

INSTRUCTIONS TO § 240.10A-3

1. The requirements in paragraphs (b)(2) through (b)(5), (c)(3)(v) and (c)(3)(vi) of this section do not conflict with, and do not affect the application of, any requirement or ability under a listed issuer's governing law or documents or other home country legal or listing provisions that requires or permits shareholders to ultimately vote on, approve or ratify such requirements. The requirements instead relate to the assignment of responsibility as between the audit committee and management. In such an instance, however, if the listed issuer provides a recommendation or nomination regarding such responsibilities to shareholders, the audit committee of the listed issuer, or body performing similar functions, must be responsible for making the recommendation or nomination.

2. The requirements in paragraphs (b)(2) through (b)(5), (c)(3)(v), (c)(3)(vi) and Instruction 1 of this section do not conflict with any legal or listing requirement in a listed issuer's home jurisdiction that prohibits the full board of directors from delegating such responsibilities to the listed issuer's audit committee or limits the degree of such delegation. In that case, the audit committee, or body performing similar functions, must be granted such responsibilities, which can include advisory powers, with respect to such matters to the extent permitted by law, including submitting nominations or recommendations to the full board.

3. The requirements in paragraphs (b)(2) through (b)(5), (c)(3)(v) and (c)(3)(vi) of this section do not conflict with any legal or listing requirement in a listed issuer's home jurisdiction that vests such responsibilities with a government entity or tribunal. In that case, the audit committee, or body performing similar functions, must be granted such responsibilities, which can include advisory powers, with respect to such matters to the extent permitted by law.

4. For purposes of this section, the determination of a person's beneficial ownership must be made in accordance with § 240.13d-3.

(4) Any bona fide arbitrage transaction;

(5) Any transaction made with the prior approval of a floor official of such exchange to permit such member to contribute to the maintenance of a fair and orderly market in such security, or any purchase or sale to reverse any such transaction;

(6) Any transaction to offset a transaction made in error; or

§ 240.11a1-1(T)

become effective unless the Commission, having due regard for the maintenance of fair and orderly markets, for the public interest, and for the protection of investors, declares the plan to be effective.

(c) For the purpose of this rule the term “on the floor of such exchange” shall include the trading floor; the rooms, lobbies, and other premises immediately adjacent thereto for use of members generally; other rooms, lobbies and premises made available primarily for use by members generally; and the telephone and other facilities in any such place.

(d) Any national securities exchange may apply for an exemption from the provisions of this rule in compliance with the provisions of section 11(c) of the Act.

[29 FR 7381, June 6, 1964, as amended at 62 FR 544, Jan. 3, 1997]

NOTE 1: The Commission finding that the floor trading plan of the New York Stock Exchange filed on May 25, 1964 is designed to eliminate floor trading activities not beneficial to the market hereby declares such plan effective August 3, 1964 subject to suspension or termination on sixty days written notice from the Commission, 29 FR 7381, June 6, 1964.

NOTE 2: The text of the Commission’s action declaring effective the amendments to the Floor Trading Plan of the American Stock Exchange (33 FR 1073, Jan. 27, 1968) is as follows:

The Securities and Exchange Commission acting pursuant to the Securities Exchange Act of 1934, particularly sections 11(a) and 23(a) thereof, and Rule 11a-1 (17 CFR 240.11a-1) under the Act, deeming it necessary for the exercise of the functions vested in it, and having due regard for the maintenance of fair and orderly markets, for the public interest, and for the protection of investors, hereby declares the Floor Trading Plan of the American Stock Exchange, as amended by amendments filed on May 11, 1967, effective January 31, 1968. If at any time it appears to the Commission to be necessary or appropriate in the public interest, for the protection of investors, or for the maintenance of fair and orderly markets, or that floor trading activities which are not beneficial to the market have not been eliminated by the Floor Trading Plan of the American Stock Exchange, the Commission may suspend or terminate the effectiveness of the plan by sending at least 60 days written notice to the American Stock Exchange.

17 CFR Ch. II (4-1-06 Edition)

The American Stock Exchange shall have the opportunity to submit any written data, facts, arguments, or modifications in its plan within such 60-day period in such form as the Commission deems appropriate under the circumstances. The Commission has been informed that all persons subject to the Floor Trading Plan of the American Stock Exchange, as amended, have had actual notice thereof, and the Commission finds that notice and procedure pursuant to section 4 of the Administrative Procedure Act (5 U.S.C. section 553) are impracticable and unnecessary and that such Plan, as amended, may be, and is hereby, declared effective on January 31, 1968.

§ 240.11a1-1(T) Transactions yielding priority, parity, and precedence.

(a) A transaction effected on a national securities exchange for the account of a member which meets the requirements of section 11(a)(1)(G)(i) of the Act shall be deemed, in accordance with the requirements of section 11(a)(1)(G)(ii), to be not inconsistent with the maintenance of fair and orderly markets and to yield priority, parity, and precedence in execution to orders for the account of persons who are not members or associated with members of the exchange if such transaction is effected in compliance with each of the following requirements:

(1) A member shall disclose that a bid or offer for its account is for its account to any member with whom such bid or offer is placed or to whom it is communicated, and any such member through whom that bid or offer is communicated shall disclose to others participating in effecting the order that it is for the account of a member.

(2) Immediately before executing the order, a member (other than the specialist in such security) presenting any order for the account of a member on the exchange shall clearly announce or otherwise indicate to the specialist and to other members then present for the trading in such security on the exchange that he is presenting an order for the account of a member.

(3) Notwithstanding rules of priority, parity, and precedence otherwise applicable, any member presenting for execution a bid or offer for its own account or for the account of another member shall grant priority to any bid or offer at the same price for the account of a person who is not, or is not

associated with, a member, irrespective of the size of any such bid or offer or the time when entered.

(b) A member shall be deemed to meet the requirements of section 11(a)(1)(G)(i) of the Act if during its preceding fiscal year more than 50 percent of its gross revenues was derived from one or more of the sources specified in that section. In addition to any revenue which independently meets the requirements of section 11(a)(1)(G)(i), revenue derived from any transaction specified in paragraph (A), (B), or (D) of section 11(a)(1) of the Act or specified in 17 CFR 240.11a1-4(T) shall be deemed to be revenue derived from one or more of the sources specified in section 11(a)(1)(G)(i). A member may rely on a list of members which are stated to meet the requirements of section 11(a)(1)(G)(i) if such list is prepared, and updated at least annually, by the exchange. § 240.11d1-1 Exemption of certain securities from section 11(d)(1).

A security shall be exempt from the provisions of section 11(d)(1) with respect to any transaction by a broker and dealer who, directly or indirectly extends or maintains or arranges for the extension or maintenance of credit on the security to or for a customer if:

(a) The broker and dealer has not sold the security to the customer or bought the security for the customer's account; or

The right shall be deemed to be issued to the customer as a stockholder if he actually owned the stock giving rise to the right when such right accrued, even though such stock was not registered in his name; and in determining such fact the broker and dealer may rely upon a

signed statement of the customer which the broker and dealer accepts in good faith; or

(1) Such warrant by its terms expires within 90 days after the issuance thereof;

(g) Section 240.10b-1 shall be applicable to any warrant exempted by this section.

§ 240.12b-2 Definitions.

Unless the context otherwise requires, the following terms, when used in the rules contained in this regulation or in Regulation 13A or 15D or in the forms for statements and reports filed pursuant to sections 12, 13 or 15(d) of the act, shall have the respective meanings indicated in this rule:

Accelerated filer and large accelerated filer—(1) *Accelerated filer*. The term *accelerated filer* means an issuer after it first meets the following conditions as of the end of its fiscal year:

(i) The issuer had an aggregate worldwide market value of the voting and non-voting common equity held by its non-affiliates of \$75 million or more, but less than \$700 million, as of the last business day of the issuer's most recently completed second fiscal quarter;

(ii) The issuer has been subject to the requirements of section 13(a) or 15(d) of the Act (15 U.S.C. 78m or 78o(d)) for a period of at least twelve calendar months;

An issuer making this determination becomes a non-accelerated filer. The issuer will not become an accelerated filer again unless it subsequently meets the conditions in paragraph (1) of this definition.

(iii) Once an issuer becomes a large accelerated filer, it will remain a large accelerated filer unless the issuer determines at the end of a fiscal year that the aggregate worldwide market value of the voting and non-voting common equity held by non-affiliates

of the issuer was less than \$500 million, as of the last business day of the issuer's most recently completed second fiscal quarter. If the issuer's aggregate worldwide market value was \$50 million or more, but less than \$500 million, as of the last business day of the issuer's most recently completed second fiscal quarter, the issuer becomes an accelerated filer. If the issuer's aggregate worldwide market value was less than \$50 million, as of the last business day of the issuer's most recently completed second fiscal quarter, the issuer becomes a non-accelerated filer. An issuer will not become a large accelerated filer again unless it subsequently meets the conditions in paragraph (2) of this definition.

(iv) The determination at the end of the issuer's fiscal year for whether an accelerated filer becomes a non-accelerated filer, or a large accelerated filer becomes an accelerated filer or a non-accelerated filer, governs the deadlines for the annual report to be filed for that fiscal year, the quarterly and annual reports to be filed for the subsequent fiscal year and all annual and quarterly reports to be filed thereafter while the issuer remains an accelerated filer or non-accelerated filer.

NOTE to paragraphs (1), (2) and (3): The aggregate worldwide market value of the issuer's outstanding voting and non-voting common equity shall be computed by use of the price at which the common equity was last sold, or the average of the bid and asked prices of such common equity, in the principal market for such common equity.

Significant subsidiary. The term “significant subsidiary” means a subsidiary, including its subsidiaries, which meets any of the following conditions:

- (1) The registrant’s and its other subsidiaries’ investments in and advances to the subsidiary exceed 10 percent of the total assets of the registrant and its subsidiaries consolidated as of the

2. If income of the registrant and its subsidiaries consolidated for the most recent fiscal year is at least 10 percent lower than the average of the income for the last five fiscal years, such average income should be substituted for purposes of the computation. Any loss years should be omitted for purposes of computing average income.

NOTE: The public float of a reporting company shall be computed by use of the price at which the stock was last sold, or the average of the bid and asked prices of such stock, on a date within 60 days prior to the end of its most recent fiscal year. Except for an acquisition of control of a shell company, the term does not include the acquisition of control of a business unless followed by the direct acquisition of its assets. The terms *succeed* and *successor* have meanings correlative to the foregoing.

§ 240.12b-12 Requirements as to paper, printing and language.

(a) Statements and reports shall be filed on good quality, unglazed white paper, no larger than 8½×11 inches in size, insofar as practicable. To the extent that the reduction of larger documents would render them illegible, such documents may be filed on paper larger than 8½×11 inches in size.

(b) The statement or report and, insofar as practicable, all papers and documents filed as a part thereof, shall be printed, lithographed, mimeographed, or typewritten. However, the statement or report or any portion thereof may be prepared by any similar process which, in the opinion of the Commission, produces copies suitable for a permanent record and microfilming. (e) Where a statement or report is distributed to investors through an electronic medium, issuers may satisfy legibility requirements applicable to printed documents, such as paper size and type size and font, by presenting all required information in a format readily communicated to investors.

§ 240.12d2-2 Removal from listing and registration.

PRELIMINARY NOTES: 1. The filing of the Form 25 (Sec. 249.25 of this chapter) by an issuer relates solely to the withdrawal of a class of securities from listing on a national securities exchange and/or from registration under section 12(b) of the Act (15 U.S.C. 78l(b)), and shall not affect its obligation to be registered under section 12(g) of the Act and/or reporting obligations under section 15(d) of the Act (15 U.S.C. 78o(d)).

2. Implementation. The rules of each national securities exchange must be designed to meet the requirements of this section and must be operative no later than April 24, 2006. Each national securities exchange must submit to the Commission a proposed rule change that complies with section 19(b) of the Act (15 U.S.C. 78s) and Rule 19b-4 (17 CFR 240.19b-4) thereunder, and this section no later than October 24, 2005.

(a) A national securities exchange must file with the Commission an application on Form 25 (17 CFR 249.25) to strike a class of securities from listing

on a national securities exchange and/or registration under section 12(b) of the Act within a reasonable time after the national securities exchange is reliably informed that any of the following conditions exist with respect to such a security:

(1) The entire class of the security has been called for redemption, maturity or retirement; appropriate notice thereof has been given; funds sufficient for the payment of all such securities have been deposited with an agency authorized to make such payments; and such funds have been made available to security holders.

(2) The entire class of the security has been redeemed or paid at maturity or retirement.

(3) The instruments representing the securities comprising the entire class have come to evidence, by operation of law or otherwise, other securities in substitution therefor and represent no other right, except, if such be the fact, the right to receive an immediate cash payment (the right of dissenters to receive the appraised or fair value of their holdings shall not prevent the application of this provision).

(4) All rights pertaining to the entire class of the security have been extinguished; provided, however, that where such an event occurs as a result of an order of a court or other governmental authority, the order shall be final, all applicable appeal periods shall have expired, and no appeals shall be pending.

EFFECTIVE DATE: Such an application shall be deemed to be granted and shall become effective at the opening of business on such date as the exchange shall specify in said application, but not less than 10 days following the date on which said application is filed with the Commission; *Provided, however,* That in the event removal is being effected under paragraph (a)(3) of this section and the exchange has admitted or intends to admit a successor security to trading under the temporary exemption provided for by § 240.12a-5, such date shall not be earlier than the date on which the successor security is removed from its exempt status.

(b)(1) In cases not provided for in paragraph (a) of this section, a national securities exchange may file an application on Form 25 to strike a class of securities from listing and/or withdraw the registration of such securities, in accordance with its rules, if the

rules of such exchange, at a minimum, provide for:

(i) Notice to the issuer of the exchange's decision to delist its securities;

(ii) An opportunity for appeal to the national securities exchange's board of directors, or to a committee designated by the board; and

(iii) Public notice of the national securities exchange's final determination to remove the security from listing and/or registration, by issuing a press release and posting notice on its Web site. Public notice under this paragraph shall be disseminated no fewer than 10 days before the delisting becomes effective pursuant to paragraph (d)(1) of this section, and must remain posted on its Web site until the delisting is effective.

(2) A national securities exchange must promptly deliver a copy of the application on Form 25 to the issuer.

(c)(1) The issuer of a class of securities listed on a national securities exchange and/or registered under section 12(b) of the Act may file an application on Form 25 to notify the Commission of its withdrawal of such securities from listing on such national securities exchange and its intention to withdraw the securities from registration under section 12(b) of the Act.

(2) An issuer filing Form 25 under this paragraph must satisfy the requirements in paragraph (c)(2) of this section and represent on the Form 25 that such requirements have been met:

(i) The issuer must comply with all applicable laws in effect in the state in which it is incorporated and with the national securities exchange's rules governing an issuer's voluntary withdrawal of a class of securities from listing and/or registration.

(ii) No fewer than 10 days before the issuer files an application on Form 25 with the Commission, the issuer must provide written notice to the national securities exchange of its determination to withdraw the class of securities from listing and/or registration on such exchange. Such written notice must set forth a description of the security involved, together with a statement of all material facts relating to the reasons for withdrawal from listing and/or registration.

(iii) Contemporaneous with providing written notice to the exchange of its intent to withdraw a class of securities from listing and/or registration, the issuer must publish notice of such intention, along with its reasons for such withdrawal, via a press release and, if it has a publicly accessible Web site, posting such notice on that Web site. Any notice provided on an issuer's Web site under this paragraph shall remain available until the delisting on Form 25 has become effective pursuant to paragraph (d)(1) of this section. If the issuer has not arranged for listing and/or registration on another national securities exchange or for quotation of its security in a quotation medium (as defined in § 240.15c2-11), then the press release and posting on the Web site must contain this information.

(3) A national securities exchange, that receives, pursuant to paragraph (c)(2)(ii) of this section, written notice from an issuer that such issuer has determined to withdraw a class of securities from listing and/or registration on such exchange, must provide notice on its Web site of the issuer's intent to delist and/or withdraw from registration its securities by the next business day. Such notice must remain posted on the exchange's Web site until the delisting on Form 25 is effective pursuant to paragraph (d)(1) of this section.

(d)(1) An application on Form 25 to strike a class of securities from listing on a national securities exchange will be effective 10 days after Form 25 is filed with the Commission.

(2) An application on Form 25 to withdraw the registration of a class of securities under section 12(b) of the Act will be effective 90 days, or such shorter period as the Commission may determine, after filing with the Commission.

(3) Notwithstanding paragraphs (d)(1) and (d)(2) of this section, the Commission may, by written notice to the exchange and issuer, postpone the effectiveness of an application to delist and/or to deregister to determine whether the application on Form 25 to strike the security from registration under section 12(b) of the Act has been made in accordance with the rules of the exchange, or what terms should be im-

posed by the Commission for the protection of investors.

(4) Notwithstanding paragraph (d)(2) of this section, whenever the Commission commences a proceeding against an issuer under section 12 of the Act prior to the withdrawal of the registration of a class of securities, such security will remain registered under section 12(b) of the Act until the final decision of such proceeding or until the Commission otherwise determines to suspend the effective date of, or revoke, the registration of a class of securities.

(5) An issuer's duty to file any reports under section 13(a) of the Act (15 U.S.C. 78m(a)) and the rules and regulations thereunder solely because of such security's registration under section 12(b) of the Act will be suspended upon the effective date for the delisting pursuant to paragraph (d)(1) of this section. If, following the effective date of delisting on Form 25, the Commission, an exchange, or an issuer delays the withdrawal of a security's registration under section 12(b) of the Act, an issuer shall, within 60 days of such delay, file any reports that would have been required under section 13(a) of the Act and the rules and regulations thereunder, had the Form 25 not been filed. The issuer also shall timely file any subsequent reports required under section 13(a) of the Act for the duration of the delay.

(6) An issuer whose reporting responsibilities under section 13(a) of the Act are suspended for a class of securities under paragraph (d)(5) of this section is, nevertheless, required to file any reports that an issuer with such a class of securities registered under section 12 of the Act would be required to file under section 13(a) of the Act if such class of securities:

(i) Is registered under section 12(g) of the Act; or

(ii) Would be registered, or would be required to be registered, under section 12(g) of the Act but for the exemption from registration under section 12(g) of the Act provided by section 12(g)(2)(A) of the Act.

(7)(i) An issuer whose reporting responsibilities under section 13(a) of the Act are suspended under paragraph (d)(5) of this section is, nevertheless,

§ 240.12f-1

required to file any reports that would be required under section 15(d) of the Act but for the fact that the reporting obligations are:

(A) Suspended for a class of securities under paragraph (d)(5) of this section; and

(B) Suspended, terminated, or otherwise absent under section 12(g) of the Act.

(ii) The reporting responsibilities of an issuer under section 15(d) of the Act shall continue until the issuer is required to file reports under section 13(a) of the Act or the issuer's reporting responsibilities under section 15(d) of the Act are otherwise suspended.

(8) In the event removal is being effected under paragraph (a)(3) of this section and the national securities exchange has admitted or intends to admit a successor security to trading under the temporary exemption provided for by §240.12a-5, the effective date of the Form 25, as set forth in paragraph (d)(1) of this section, shall not be earlier than the date the successor security is removed from its exempt status.

(e) The following are exempt from section 12(d) of the Act and the provisions of this section:

(1) Any standardized option, as defined in §240.9b-1, that is:

(i) Issued by a clearing agency registered under section 17A of the Act (15 U.S.C. 78q-1); and

(ii) Traded on a national securities exchange registered pursuant to section 6(a) of the Act (15 U.S.C. 78f(a)); and

(2) Any security futures product that is:

(i) Traded on a national securities exchange registered under section 6(a) of the Act or on a national securities association registered pursuant to section 15A(a) of the Act (15 U.S.C. 78o-3(a)); and

(ii) Cleared by a clearing agency registered as a clearing agency pursuant to section 17A of the Act or is exempt from registration under section 17A(b)(7) of the Act.

(a) Securities of any class issued by any foreign private issuer shall be exempt from section 12(g) (15 U.S.C. 78l(g)) of the Act if the class has fewer than 300 holders resident in the United States. This exemption shall continue until the next fiscal year end at which the issuer has a class of equity securities held by 300 or more persons resident in the United States. For the purpose of determining whether a security is exempt pursuant to this paragraph:

(1) Securities held of record by persons resident in the United States shall be determined as provided in §240.12g5-1 except that securities held of record by a broker, dealer, bank or nominee for any of them for the accounts of customers resident in the United States shall be counted as held in the United States by the number of separate accounts for which the securities are held. The issuer may rely in good faith on information as to the number of such separate accounts supplied by all owners of the class of its securities which are brokers, dealers, or banks or a nominee for any of them.

(2) Persons in the United States who hold the security only through a Canadian Retirement Account (as that term is defined in rule 237(a)(2) under the Securities Act of 1933 (§230.237(a)(2) of this chapter)), shall not be counted as holders resident in the United States.

(ii) Shall furnish to the Commission a list identifying the information referred to in paragraph (b)(1)(i) of this section and stating when and by whom it is required to be made public, filed with any such exchange, or distributed to security holders;

(iii) Shall furnish to the Commission, during each subsequent fiscal year, whatever information is made public as described in paragraphs (b)(1)(i) (A), (B) or (C) of this section promptly after such information is made or required to be made public as described therein;

(iv) Shall, promptly after the end of any fiscal year in which any changes occur in the kind of information required to be published as referred to in the list furnished under paragraph (b)(1)(ii) of this section or any subsequent list, furnish to the Commission a revised list reflecting such changes; and

(v) Shall furnish to the Commission in connection with the initial submission the following information to the extent known or which can be obtained without unreasonable effort or expense: the number of holders of each class of equity securities resident in the United States, the amount and percentage of each class of outstanding equity securities held by residents in the United States, the circumstances in which such securities were acquired, and the date and circumstances of the most recent public distribution of securities by the issuer or an affiliate thereof.

(2) The information required to be furnished under paragraphs (b)(1)(i) and (ii) of this section shall be furnished on or before the date on which a registration statement under section 12(g) of

the Act would otherwise be required to be filed. Any issuer furnishing information under paragraph (b)(1)(i) of this section shall notify the Commission that it is furnished under that paragraph.

(3) The information required to be furnished under this paragraph (b) is information material to an investment decision such as: the financial condition or results of operations; changes in business; acquisitions or dispositions of assets; issuance, redemption or acquisitions of their securities; changes in management or control; the granting of options or the payment of other remuneration to directors or officers; and transactions with directors, officers or principal security holders.

(4) Only one complete copy of any information or document need be furnished under paragraph (b)(1) of this section. Such information and documents need not be under cover of any prescribed form and shall not be deemed to be "filed" with the Commission or otherwise subject to the liabilities of section 18 of the Act. Press releases and all other communications or materials distributed directly to securityholders of each class of securities to which the exemption relates shall be in English. English versions or adequate summaries in English may be furnished in lieu of original English translations. No other documents need be furnished unless the issuer has prepared or caused to be prepared, English translations, versions, or summaries of them. If no English translations, versions, or summaries have been prepared, a brief description in English of any such documents shall be furnished. Information or documents in a language other than English are not required to be furnished. If practicable, the Commission file number shall appear on the information furnished or in an accompanying letter. Any information or document previously sent to the Commission under cover of Form 40-F or Form 6-K need not be furnished under paragraph (b)(1) of this section.

(5) The furnishing of any information or document under paragraph (b) of this rule shall not constitute an admission for any purpose that the issuer is subject to the Act.

§ 240.12h-3 Suspension of duty to file reports under section 15(d).

(a) Subject to paragraphs (c) and (d) of this section, the duty under section 15(d) to file reports required by section 13(a) of the Act with respect to a class of securities specified in paragraph (b) of this section shall be suspended for such class of securities immediately upon filing with the Commission a certification on Form 15 (17 CFR 249.323) if the issuer of such class has filed all reports required by section 13(a), without regard to Rule 12b-25 (17 CFR 249.322), for the shorter of its most recent three fiscal years and the portion of the current year preceding the date of filing Form 15, or the period since the issuer became subject to such reporting obligation. (c) This section shall not be available for any class of securities for a fiscal year in which a registration statement relating to that class becomes effective under the Securities Act of 1933, or is required to be updated pursuant to section 10(a)(3) of the Act, and, in the case of paragraphs (b)(1)(ii) and (2)(ii), the two succeeding fiscal years; *Provided, however,* That this paragraph shall not apply to the duty to file reports which arises solely from a registration statement filed by an issuer with no significant assets, for the reorganization of a non-reporting issuer into a one subsidiary holding company in which equity security holders receive the same proportional interest in the holding company as they held in the non-reporting issuer, except for changes resulting from the exercise of dissenting shareholder rights under state law.

(d) The suspension provided by this rule relates only to the reporting obligation under section 15(d) with respect to a class of securities, does not affect any other duties imposed on that class of securities, and shall continue as long as criteria (i) and (ii) in either paragraph (b)(1) or (2) is met on the first day of any subsequent fiscal year; *Provided, however,* That such criteria need not be met if the duty to file reports arises solely from a registration statement filed by an issuer with no significant assets in a reorganization of a non-reporting company into a one subsidiary holding company in which equity security holders receive the same proportional interest in the holding company as they held in the non-reporting issuer except for changes resulting from the exercise of dissenting shareholder rights under state law.

(e) If the suspension provided by this rule is discontinued because a class of securities does not meet the eligibility criteria of paragraph (b) on the first day of an issuer's fiscal year, then the issuer shall resume periodic reporting pursuant to section 15(d) by filing an annual report on Form 10-K and Form 10-KSB for its preceding fiscal year,

OTHER REPORTS

§ 240.13a-10 Transition reports.

(a) Every issuer that changes its fiscal closing date shall file a report covering the resulting transition period between the closing date of its most recent fiscal year and the opening date of its new fiscal year; *Provided, however*, that an issuer shall file an annual report for any fiscal year that ended before the date on which the issuer determined to change its fiscal year end. In no event shall the transition report cover a period of 12 or more months.

(b) The report pursuant to this section shall be filed for the transition period not more than the number of days specified in paragraph (j) of this section after either the close of the transition period or the date of the determination to change the fiscal closing date, whichever is later. The report shall be filed on the form appropriate for annual reports of the issuer, shall cover the period from the close of the last fiscal year end and shall indicate clearly the period covered. The financial statements for the transition period filed therewith shall be audited. Financial statements, which may be unaudited, shall be filed for the comparable period of the prior year, or a footnote, which may be unaudited, shall state for the comparable period of the prior year, revenues, gross profits,

17 CFR Ch. II (4-1-06 Edition)

income taxes, income or loss from continuing operations before extraordinary items and cumulative effect of a change in accounting principles and net income or loss. The effects of any discontinued operations and/or extraordinary items as classified under the provisions of generally accepted accounting principles also shall be shown, if applicable. Per share data based upon such income or loss and net income or loss shall be presented in conformity with applicable accounting standards. Where called for by the time span to be covered, the comparable period financial statements or footnote shall be included in subsequent filings.

(c) If the transition period covers a period of less than six months, in lieu of the report required by paragraph (b) of this section, a report may be filed for the transition period on Form 10-Q and Form 10-QSB (§ 249.308a of this chapter) not more than the number of days specified in paragraph (j) of this section after either the close of the transition period or the date of the determination to change the fiscal closing date, whichever is later. The report on Form 10-Q and Form 10-QSB shall cover the period from the close of the last fiscal year end and shall indicate clearly the period covered. The financial statements filed therewith need not be audited but, if they are not audited, the issuer shall file with the first annual report for the newly adopted fiscal year separate audited statements of income and cash flows covering the transition period. The notes to financial statements for the transition period included in such first annual report may be integrated with the notes to financial statements for the full fiscal period. A separate audited balance sheet as of the end of the transition period shall be filed in the annual report only if the audited balance sheet as of the end of the fiscal year prior to the transition period is not filed. Schedules need not be filed in transition reports on Form 10-Q and Form 10-QSB.

(d) Notwithstanding the foregoing in paragraphs (a), (b), and (c) of this section, if the transition period covers a period of one month or less, the issuer need not file a separate transition report if either:

(1) The first report required to be filed by the issuer for the newly adopted fiscal year after the date of the determination to change the fiscal year end is an annual report, and that report covers the transition period as well as the fiscal year; or

(2)(i) The issuer files with the first annual report for the newly adopted fiscal year separate audited statements of income and cash flows covering the transition period; and

(ii) The first report required to be filed by the issuer for the newly adopted fiscal year after the date of the determination to change the fiscal year end is a quarterly report on Form 10-Q and Form 10-QSB; and

(iii) Information on the transition period is included in the issuer's quarterly report on Form 10-Q and Form 10-QSB for the first quarterly period (except the fourth quarter) of the newly adopted fiscal year that ends after the date of the determination to change the fiscal year. The information covering the transition period required by Part II and Item 2 of Part I may be combined with the information regarding the quarter. However, the financial statements required by Part I, which may be unaudited, shall be furnished separately for the transition period.

(e) Every issuer required to file quarterly reports on Form 10-Q and Form 10-QSB pursuant to § 240.13a-13 of this chapter that changes its fiscal year end shall:

(1) File a quarterly report on Form 10-Q and Form 10-QSB within the time period specified in General Instruction A.1. to that form for any quarterly period (except the fourth quarter) of the old fiscal year that ends before the date on which the issuer determined to change its fiscal year end, except that the issuer need not file such quarterly report if the date on which the quarterly period ends also is the date on which the transition period ends;

(2) File a quarterly report on Form 10-Q and Form 10-QSB within the time specified in General Instruction A.1. to that form for each quarterly period of the old fiscal year within the transition period. In lieu of a quarterly report for any quarter of the old fiscal year within the transition period, the issuer may file a quarterly report on

Form 10-Q and Form 10-QSB for any period of three months within the transition period that coincides with a quarter of the newly adopted fiscal year if the quarterly report is filed within the number of days specified in paragraph (j) of this section after the end of such three month period, provided the issuer thereafter continues filing quarterly reports on the basis of the quarters of the newly adopted fiscal year;

(3) Commence filing quarterly reports for the quarters of the new fiscal year no later than the quarterly report for the first quarter of the new fiscal year that ends after the date on which the issuer determined to change the fiscal year end; and

(4) Unless such information is or will be included in the transition report, or the first annual report on Form 10-K and Form 10-KSB for the newly adopted fiscal year, include in the initial quarterly report on Form 10-Q and Form 10-QSB for the newly adopted fiscal year information on any period beginning on the first day subsequent to the period covered by the issuer's final quarterly report on Form 10-Q and Form 10-QSB or annual report on Form 10-K and Form 10-KSB for the old fiscal year. The information covering such period required by Part II and Item 2 of Part I may be combined with the information regarding the quarter. However, the financial statements required by Part I, which may be unaudited, shall be furnished separately for such period.

NOTE TO PARAGRAPHS (c) AND (e): If it is not practicable or cannot be cost-justified to furnish in a transition report on Form 10-Q and Form 10-QSB or a quarterly report for the newly adopted fiscal year financial statements for corresponding periods of the prior year where required, financial statements may be furnished for the quarters of the preceding fiscal year that most nearly are comparable if the issuer furnishes an adequate discussion of seasonal and other factors that could affect the comparability of information or trends reflected, an assessment of the comparability of the data, and a representation as to the reason recasting has not been undertaken.

(f) Every successor issuer with securities registered under Section 12 of this Act that has a different fiscal year from that of its predecessor(s) shall file

a transition report pursuant to this section, containing the required information about each predecessor, for the transition period, if any, between the close of the fiscal year covered by the last annual report of each predecessor and the date of succession. The report shall be filed for the transition period on the form appropriate for annual reports of the issuer not more than the number of days specified in paragraph (j) of this section after the date of the succession, with financial statements in conformity with the requirements set forth in paragraph (b) of this section. If the transition period covers a period of less than six months, in lieu of a transition report on the form appropriate for the issuer's annual reports, the report may be filed for the transition period on Form 10-Q and Form 10-QSB not more than the number of days specified in paragraph (j) of this section after the date of the succession, with financial statements in conformity with the requirements set forth in paragraph (c) of this section. Notwithstanding the foregoing, if the transition period covers a period of one month or less, the successor issuer need not file a separate transition report if the information is reported by the successor issuer in conformity with the requirements set forth in paragraph (d) of this section.

(g)(1) Paragraphs (a) through (f) of this section shall not apply to foreign private issuers.

(2) Every foreign private issuer that changes its fiscal closing date shall file a report covering the resulting transition period between the closing date of its most recent fiscal year and the opening date of its new fiscal year. In no event shall a transition report cover a period longer than 12 months.

(3) The report for the transition period shall be filed on Form 20-F responding to all items to which such issuer is required to respond when Form 20-F is used as an annual report. Such report shall be filed within six months after either the close of the transition period or the date on which the issuer made the determination to change the fiscal closing date, whichever is later. The financial statements for the transition period filed therewith shall be audited.

(4) If the transition period covers a period of six or fewer months, in lieu of the report required by paragraph (g)(3) of this section, a report for the transition period may be filed on Form 20-F responding to Items 5, 8.A.7., 13, 14, and 17 or 18 within three months after either the close of the transition period or the date on which the issuer made the determination to change the fiscal closing date, whichever is later. The financial statements required by either Item 17 or Item 18 shall be furnished for the transition period. Such financial statements may be unaudited and condensed as permitted in Article 10 of Regulation S-X (§ 210.10-01 of this chapter), but if the financial statements are unaudited and condensed, the issuer shall file with the first annual report for the newly adopted fiscal year separate audited statements of income and cash flows covering the transition period.

(5) Notwithstanding the foregoing in paragraphs (g)(2), (g)(3), and (g)(4) of this section, if the transition period covers a period of one month or less, a foreign private issuer need not file a separate transition report if the first annual report for the newly adopted fiscal year covers the transition period as well as the fiscal year.

(h) The provisions of this rule shall not apply to investment companies required to file reports pursuant to Rule 30b1-1 (§ 270.30b1-1 of this chapter) under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*).

(i) No filing fee shall be required for a transition report filed pursuant to this section.

(j)(1) For transition reports to be filed on the form appropriate for annual reports of the issuer, the number of days shall be:

(i) 60 days (75 days for fiscal years ending before December 15, 2006) for large accelerated filers (as defined in § 240.12b-2);

(ii) 75 days for accelerated filers (as defined in § 240.12b-2); and

(iii) 90 days for all other issuers; and

(2) For transition reports to be filed on Form 10-Q or Form 10-QSB (§ 249.308a or § 249.308b of this chapter), the number of days shall be:

Securities and Exchange Commission

§ 240.13a-13

(i) 40 days for large accelerated filers and accelerated filers (as defined in § 240.12b-2); and

(ii) 45 days for all other issuers.

(k)(1) Paragraphs (a) through (g) of this section shall not apply to asset-backed issuers.

(2) Every asset-backed issuer that changes its fiscal closing date shall file a report covering the resulting transition period between the closing date of its most recent fiscal year and the opening date of its new fiscal year. In no event shall a transition report cover a period longer than 12 months.

(3) The report for the transition period shall be filed on Form 10-K (§ 249.310 of this chapter) responding to all items to which such asset-backed issuer is required to respond pursuant to General Instruction J. of Form 10-K. Such report shall be filed within 90 days after the later of either the close of the transition period or the date on which the issuer made the determination to change the fiscal closing date.

(4) Notwithstanding the foregoing in paragraphs (k)(2) and (k)(3) of this section, if the transition period covers a period of one month or less, an asset-backed issuer need not file a separate transition report if the first annual report for the newly adopted fiscal year covers the transition period as well as the fiscal year.

(5) Any obligation of the asset-backed issuer to file distribution reports pursuant to § 240.13a-17 will continue to apply regardless of a change in the asset-backed issuer's fiscal closing date.

NOTE 1: In addition to the report or reports required to be filed pursuant to this section, every issuer, except a foreign private issuer or an investment company required to file reports pursuant to § 270.30b1-1 of this chapter, that changes its fiscal closing date is required to file a Form 8-K (§ 249.308 of this chapter) report that includes the information required by Item 5.03 of Form 8-K within the period specified in General Instruction B.1. to that form.

NOTE 2: The report or reports to be filed pursuant to this section must include the certification required by § 240.13a-14.

(a) Each report, including transition reports, filed on Form 10-Q, Form 10-QSB, Form 10-K, Form 10-KSB, Form 20-F or Form 40-F (§§ 249.308a, 249.308b, 249.310, 249.310b, 249.220f or 249.240f of this chapter) under section 13(a) of the Act (15 U.S.C. 78m(a)), other than a report filed by an Asset-Backed Issuer (as defined in § 229.1101 of this chapter) or a report on Form 20-F filed under § 240.13a-19, must include certifications in the form specified in the applicable exhibit filing requirements of such report and such certifications must be filed as an exhibit to such report. Each principal executive and principal financial officer of the issuer, or persons performing similar functions, at the time of filing of the report must sign a certification.

(b) Each periodic report containing financial statements filed by an issuer pursuant to section 13(a) of the Act (15 U.S.C. 78m(a)) must be accompanied by the certifications required by Section 1350 of Chapter 63 of Title 18 of the United States Code (18 U.S.C. 1350) and such certifications must be furnished as an exhibit to such report as specified in the applicable exhibit requirements for such report. Each principal executive and principal financial officer of the issuer (or equivalent thereof) must sign a certification. This requirement may be satisfied by a single certification signed by an issuer's principal executive and principal financial officers.

(c) A person required to provide a certification specified in paragraph (a),

(b) or (d) of this section may not have the certification signed on his or her behalf pursuant to a power of attorney or other form of confirming authority.

Terms used in paragraphs (d) and (e) of this section have the same meaning as in Item 1101 of Regulation AB (§229.1101 of this chapter).

(1) The senior officer in charge of securitization of the depositor if the depositor is signing the report; or

(2) The senior officer in charge of the servicing function of the servicer if the servicer is signing the report on behalf of the issuing entity. If multiple servicers are involved in servicing the pool assets, the senior officer in charge of the servicing function of the master servicer (or entity performing the equivalent function) must sign if a representative of the servicer is to sign the report on behalf of the issuing entity.

(f) The certification requirements of this section do not apply to XBRL-Related Documents, as defined in §232.11 of this chapter.

§ 240.13a-15 Controls and procedures.

(a) Every issuer that has a class of securities registered pursuant to section 12 of the Act (15 U.S.C. 78l), other than an Asset-Backed Issuer (as defined in §229.1101 of this chapter), a small business investment company registered on Form N-5 (§§239.24 and 274.5 of this chapter), or a unit investment trust as defined by section 4(2) of the Investment Company Act of 1940 (15 U.S.C. 80a-4(2)), must maintain disclosure controls and procedures (as defined in paragraph (e) of this section)

and internal control over financial reporting (as defined in paragraph (f) of this section).

(b) Each such issuer's management must evaluate, with the participation of the issuer's principal executive and principal financial officers, or persons performing similar functions, the effectiveness of the issuer's disclosure controls and procedures, as of the end of each fiscal quarter, except that management must perform this evaluation:

(1) In the case of a foreign private issuer (as defined in §240.3b-4) as of the end of each fiscal year; and

(2) In the case of an investment company registered under section 8 of the Investment Company Act of 1940 (15 U.S.C. 80a-8), within the 90-day period prior to the filing date of each report requiring certification under §270.30a-2 of this chapter.

(c) The management of each such issuer, other than an investment company registered under section 8 of the Investment Company Act of 1940, must evaluate, with the participation of the issuer's principal executive and principal financial officers, or persons performing similar functions, the effectiveness, as of the end of each fiscal year, of the issuer's internal control over financial reporting. The framework on which management's evaluation of the issuer's internal control over financial reporting is based must be a suitable, recognized control framework that is established by a body or group that has followed due-process procedures, including the broad distribution of the framework for public comment.

(d) The management of each such issuer, other than an investment company registered under section 8 of the Investment Company Act of 1940, must evaluate, with the participation of the issuer's principal executive and principal financial officers, or persons performing similar functions, any change in the issuer's internal control over financial reporting, that occurred during each of the issuer's fiscal quarters, or fiscal year in the case of a foreign private issuer, that has materially affected, or is reasonably likely to materially affect, the issuer's internal control over financial reporting.

§ 240.13a-16

(e) For purposes of this section, the term *disclosure controls and procedures* means controls and other procedures of an issuer that are designed to ensure that information required to be disclosed by the issuer in the reports that it files or submits under the Act (15 U.S.C. 78a *et seq.*) is recorded, processed, summarized and reported, within the time periods specified in the Commission's rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by an issuer in the reports that it files or submits under the Act is accumulated and communicated to the issuer's management, including its principal executive and principal financial officers, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure.

(f) The term *internal control over financial reporting* is defined as a process designed by, or under the supervision of, the issuer's principal executive and principal financial officers, or persons performing similar functions, and effected by the issuer's board of directors, management and other personnel, to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles and includes those policies and procedures that:

(1) Pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the issuer;

(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the issuer are being made only in accordance with authorizations of management and directors of the issuer; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the issuer's assets that

could have a material effect on the financial statements.

(b) *Reports on assessments of compliance with servicing criteria for asset-backed securities required.* With regard to a class of asset-backed securities subject to the reporting requirements of section 13(a) of the Act, the annual report on Form 10-K (§ 249.308 of this chapter) for such class must include from each party participating in the servicing function a report regarding its assessment of compliance with the servicing criteria specified in paragraph (d) of Item 1122 of Regulation AB (§ 229.1122(d) of this chapter), as of and for the period ending the end of each fiscal year, with respect to asset-backed securities transactions taken as a whole involving the party participating in the servicing function and that are backed by the same asset type backing the class of asset-backed securities (including the asset-backed securities transaction that is to be the subject of the report on Form 10-K for that fiscal year).

(c) *Attestation reports on assessments of compliance with servicing criteria for asset-backed securities required.* With respect to each report included pursuant to paragraph (b) of this section, the annual report on Form 10-K must also include a report by a registered public accounting firm that attests to, and reports on, the assessment made by the asserting party. (2) The Schedule 13G filed pursuant to paragraph (b)(1) of this section shall be filed within 45 days after the end of the calendar year in which the person became obligated under paragraph (b)(1) of this section to report the person's beneficial ownership as of the last day of the calendar year, *Provided*, That it shall not be necessary to file a Schedule 13G unless the percentage of the class of equity security specified in paragraph (i) of this section beneficially owned as of the end of the calendar year is more than five percent; *However*, if the person's direct or indirect beneficial ownership exceeds 10 percent of the class of equity securities prior to the end of the calendar year, the initial Schedule 13G shall be filed within 10 days after the end of the first month in which the person's direct or indirect beneficial ownership exceeds

(d) Any person who, as of the end of any calendar year, is or becomes directly or indirectly the beneficial owner of more than five percent of any equity security of a class specified in paragraph (i) of this section and who is not required to file a statement under paragraph (a) of this section by virtue of the exemption provided by Section 13(d)(6)(A) or (B) of the Act (15 U.S.C. 78m(d)(6)(A) or 78m(d)(6)(B)), or because the beneficial ownership was acquired prior to December 22, 1970, or because the person otherwise (except for the exemption provided by Section 13(d)(6)(C) of the Act (15 U.S.C. 78m(d)(6)(C))) is not required to file a statement, shall file with the Commission, within 45 days after the end of the calendar year in which the person became obligated to report under this paragraph (d), a statement containing the information required by Schedule 13G (§240.13d-102).

(2) From the time the person has acquired or holds the securities with a purpose or effect of changing or influencing control of the issuer, or in connection with or as a participant in any transaction having that purpose or effect until the expiration of the tenth day from the date of the filing of the Schedule 13D (§240.13d-101) pursuant to this section, that person shall not:

(i) Vote or direct the voting of the securities described therein; or

(ii) Acquire an additional beneficial ownership interest in any equity securities of the issuer of the securities, nor of any person controlling the issuer.

(2) From the time of the acquisition of 20 percent or more of the class of equity securities until the expiration of the tenth day from the date of the filing of the Schedule 13D (§240.13d-101) pursuant to this section, the person shall not:

(i) Vote or direct the voting of the securities described therein, or

(ii) Acquire an additional beneficial ownership interest in any equity securities of the issuer of the securities,

nor of any person controlling the issuer.

(g) Any person who has reported an acquisition of securities in a statement on Schedule 13G (§240.13d-102) pursuant to paragraph (b) of this section, or has become obligated to report on the Schedule 13G (§240.13d-102) but has not yet filed the Schedule, and thereafter ceases to be a person specified in paragraph (b)(1)(ii) of this section or determines that it no longer has acquired or holds the securities in the ordinary course of business shall immediately become subject to §240.13d-1(a) or §240.13d-1(c) (if the person satisfies the requirements specified in §240.13d-1(c)), and §§240.13d-2 (a), (b) or (d), and shall file, within 10 days thereafter, a statement on Schedule 13D (§240.13d-101) or amendment to Schedule 13G, as applicable, if the person is a beneficial owner at that time of more than five percent of the class of equity securities.

(h) Any person who has filed a Schedule 13D (§240.13d-101) pursuant to paragraph (e), (f) or (g) of this section may again report its beneficial ownership on Schedule 13G (§240.13d-102) pursuant to paragraphs (b) or (c) of this section provided the person qualifies thereunder, as applicable, by filing a Schedule 13G (§240.13d-102) once the person determines that the provisions of paragraph (e), (f) or (g) of this section no longer apply.

(i) For the purpose of this regulation, the term "equity security" means any equity security of a class which is registered pursuant to section 12 of that Act, or any equity security of any insurance company which would have been required to be so registered except for the exemption contained in section 12(g)(2)(G) of the Act, or any equity security issued by a closed-end investment company registered under the Investment Company Act of 1940; *Provided*, Such term shall not include securities of a class of non-voting securities.

(j) For the purpose of sections 13(d) and 13(g), any person, in determining the amount of outstanding securities of a class of equity securities, may rely upon information set forth in the issuer's most recent quarterly or annual report, and any current report

subsequent thereto, filed with the Commission pursuant to this Act, unless he knows or has reason to believe that the information contained therein is inaccurate.

(k)(1) Whenever two or more persons are required to file a statement containing the information required by Schedule 13D or Schedule 13G with respect to the same securities, only one statement need be filed: *Provided*, That:

(i) Each person on whose behalf the statement is filed is individually eligible to use the Schedule on which the information is filed;

(ii) Each person on whose behalf the statement is filed is responsible for the timely filing of such statement and any amendments thereto, and for the completeness and accuracy of the information concerning such person contained therein; such person is not responsible for the completeness or accuracy of the information concerning the other persons making the filing, unless such person knows or has reason to believe that such information is inaccurate; and

(iii) Such statement identifies all such persons, contains the required information with regard to each such person, indicates that such statement is filed on behalf of all such persons, and includes, as an exhibit, their agreement in writing that such a statement is filed on behalf of each of them.

(2) A group's filing obligation may be satisfied either by a single joint filing or by each of the group's members making an individual filing. If the group's members elect to make their own filings, each such filing should identify all members of the group but the information provided concerning the other persons making the filing need only reflect information which

§ 240.13d-2 Filing of amendments to Schedules 13D or 13G.

(a) If any material change occurs in the facts set forth in the Schedule 13D (§ 240.13d-101) required by § 240.13d-1(a), including, but not limited to, any material increase or decrease in the percentage of the class beneficially owned, the person or persons who were required to file the statement shall promptly file or cause to be filed with the Commission an amendment disclosing that change. An acquisition or disposition of beneficial ownership of securities in an amount equal to one percent or more of the class of securities shall be deemed “material” for purposes of this section; acquisitions or dispositions of less than those amounts may be material, depending upon the facts and circumstances.

(b) Notwithstanding paragraph (a) of this section, and provided that the person filing a Schedule 13G (§ 240.13d-102) pursuant to § 240.13d-1(b) or § 240.13d-1(c) continues to meet the requirements set forth therein, any person who has filed a Schedule 13G (§ 240.13d-102) pursuant to § 240.13d-1(b), § 240.13d-1(c) or § 240.13d-1(d) shall amend the statement within forty-five days after the end of each calendar year if, as of the end of the calendar year, there are any changes in the information reported in the previous filing on that Schedule: *Provided, however*, That an amendment need not be filed with respect to a change in the percent of class outstanding previously reported if the change results solely from a change in the aggregate number of securities outstanding. Once an amendment has been filed reflecting beneficial ownership of five percent or less

of the class of securities, no additional filings are required unless the person thereafter becomes the beneficial owner of more than five percent of the class and is required to file pursuant to § 240.13d-1.

(c) Any person relying on § 240.13d-1(b) that has filed its initial Schedule 13G (§ 240.13d-102) pursuant to that paragraph shall, in addition to filing any amendments pursuant to § 240.13d-2(b), file an amendment on Schedule 13G (§ 240.13d-102) within 10 days after the end of the first month in which the person's direct or indirect beneficial ownership, computed as of the last day of the month, exceeds 10 percent of the class of equity securities. Thereafter, that person shall, in addition to filing any amendments pursuant to § 240.13d-2(b), file an amendment on Schedule 13G (§ 240.13d-102) within 10 days after the end of the first month in which the person's direct or indirect beneficial ownership, computed as of the last day of the month, increases or decreases by more than five percent of the class of equity securities. Once an amendment has been filed reflecting beneficial ownership of five percent or less of the class of securities, no additional filings are required by this paragraph (c).

(d) Any person relying on § 240.13d-1(c) and has filed its initial Schedule 13G (§ 240.13d-102) pursuant to that paragraph shall, in addition to filing any amendments pursuant to § 240.13d-2(b), file an amendment on Schedule 13G (§ 240.13d-102) promptly upon acquiring, directly or indirectly, greater than 10 percent of a class of equity securities specified in § 240.13d-1(d), and thereafter promptly upon increasing or decreasing its beneficial ownership by more than five percent of the class of equity securities. Once an amendment has been filed reflecting beneficial ownership of five percent or less of the class of securities, no additional filings are required by this paragraph (d).

(e) The first electronic amendment to a paper format Schedule 13D (§ 240.13d-101 of this chapter) or Schedule 13G (§ 240.13d-102 of this chapter) shall restate the entire text of the Schedule 13D or 13G, but previously filed paper exhibits to such Schedules are not required to be restated electronically. *See* Rule 102 of Regulation S-T (§ 232.102 of

this chapter) regarding amendments to exhibits previously filed in paper format. Notwithstanding the foregoing, if the sole purpose of filing the first electronic Schedule 13D or 13G amendment is to report a change in beneficial ownership that would terminate the filer's obligation to report, the amendment need not include a restatement of the entire text of the Schedule being amended.

NOTE TO §240.13d-2: For persons filing a short-form statement pursuant to Rule 13d-1(b) or (c), see also Rules 13d-1(e), (f), and (g).

§ 240.13d-3 Determination of beneficial owner.

(a) For the purposes of sections 13(d) and 13(g) of the Act a beneficial owner of a security includes any person who, directly or indirectly, through any contract, arrangement, understanding, relationship, or otherwise has or shares:

(1) Voting power which includes the power to vote, or to direct the voting of, such security; and/or,

(2) Investment power which includes the power to dispose, or to direct the disposition of, such security.

(b) Any person who, directly or indirectly, creates or uses a trust, proxy, power of attorney, pooling arrangement or any other contract, arrangement, or device with the purpose of effect of divesting such person of beneficial ownership of a security or preventing the vesting of such beneficial ownership as part of a plan or scheme to evade the reporting requirements of section 13(d) or (g) of the Act shall be deemed for purposes of such sections to be the beneficial owner of such security.

(c) All securities of the same class beneficially owned by a person, regardless of the form which such beneficial ownership takes, shall be aggregated in calculating the number of shares beneficially owned by such person.

(d) Notwithstanding the provisions of paragraphs (a) and (c) of this rule:

(1)(i) A person shall be deemed to be the beneficial owner of a security, subject to the provisions of paragraph (b) of this rule, if that person has the right to acquire beneficial ownership of such security, as defined in Rule 13d-3(a) (§240.13d-3(a)) within sixty days, including but not limited to any right to acquire: (A) Through the exercise of any option, warrant or right; (B) through the conversion of a security; (C) pursuant to the power to revoke a trust, discretionary account, or similar arrangement; or (D) pursuant to the automatic termination of a trust, discretionary account or similar arrangement; provided, however, any person who acquires a security or power specified in paragraphs (d)(1)(i)(A), (B) or (C), of this section, with the purpose or effect of changing or influencing the control of the issuer, or in connection with or as a participant in any transaction having such purpose or effect, immediately upon such acquisition shall be deemed to be the beneficial owner of the securities which may be acquired through the exercise or conversion of such security or power. Any securities not outstanding which are subject to such options, warrants, rights or conversion privileges shall be deemed to be outstanding for the purpose of computing the percentage of outstanding securities of the class owned by such person but shall not be deemed to be outstanding for the purpose of computing the percentage of the class by any other person.

(ii) Paragraph (d)(1)(i) of this section remains applicable for the purpose of determining the obligation to file with respect to the underlying security even though the option, warrant, right or convertible security is of a class of equity security, as defined in §240.13d-1(i), and may therefore give rise to a separate obligation to file.

(2) A member of a national securities exchange shall not be deemed to be a

§ 240.13d-4

beneficial owner of securities held directly or indirectly by it on behalf of another person solely because such member is the record holder of such securities and, pursuant to the rules of such exchange, may direct the vote of such securities, without instruction, on other than contested matters or matters that may affect substantially the rights or privileges of the holders of the securities to be voted, but is otherwise precluded by the rules of such exchange from voting without instruction.

(3) A person who in the ordinary course of his business is a pledgee of securities under a written pledge agreement shall not be deemed to be the beneficial owner of such pledged securities until the pledgee has taken all formal steps necessary which are required to declare a default and determines that the power to vote or to direct the vote or to dispose or to direct the disposition of such pledged securities will be exercised, provided, that:

(i) The pledgee agreement is bona fide and was not entered into with the purpose nor with the effect of changing or influencing the control of the issuer, nor in connection with any transaction having such purpose or effect, including any transaction subject to Rule 13d-3(b);

(ii) The pledgee is a person specified in Rule 13d-1(b)(ii), including persons meeting the conditions set forth in paragraph (G) thereof; and

(iii) The pledgee agreement, prior to default, does not grant to the pledgee;

(A) The power to vote or to direct the vote of the pledged securities; or

(B) The power to dispose or direct the disposition of the pledged securities, other than the grant of such power(s) pursuant to a pledge agreement under which credit is extended subject to regulation T (12 CFR 220.1 to 220.8) and in which the pledgee is a broker or dealer registered under section 15 of the act.

(4) A person engaged in business as an underwriter of securities who acquires securities through his participation in good faith in a firm commitment underwriting registered under the Securities Act of 1933 shall not be deemed to be the beneficial owner of such securities until the expiration of

17 CFR Ch. II (4-1-06 Edition)

forty days after the date of such acquisition.

§ 240.13d-4 Disclaimer of beneficial ownership.

(a) A person who becomes a beneficial owner of securities shall be deemed to have acquired such securities for purposes of section 13(d)(1) of the Act, whether such acquisition was through purchase or otherwise. However, executors or administrators of a decedent's estate generally will be presumed not to have acquired beneficial ownership of the securities in the decedent's estate until such time as such executors or administrators are qualified under local law to perform their duties.

(b)(1) When two or more persons agree to act together for the purpose of acquiring, holding, voting or disposing of equity securities of an issuer, the group formed thereby shall be deemed to have acquired beneficial ownership, for purposes of sections 13(d) and (g) of the Act, as of the date of such agreement, of all equity securities of that issuer beneficially owned by any such persons.

(2) Notwithstanding the previous paragraph, a group shall be deemed not to have acquired any equity securities

(ii) The purchase is in the ordinary course of each member's business and not with the purpose nor with the effect of changing or influencing control of the issuer, nor in connection with or as a participant in any transaction having such purpose or effect, including any transaction subject to Rule 13d-3(b);

(iii) There is no agreement among, or between any members of the group to act together with respect to the issuer or its securities except for the purpose of facilitating the specific purchase involved; and

NOTES: Attach as many copies of the second part of the cover page as are needed, one reporting person per page.

Filing persons may, in order to avoid unnecessary duplication, answer items on the schedules (Schedule 13D, 13G, or 14D-1) by appropriate cross references to an item or items on the cover page(s). This approach may only be used where the cover page item or items provide all the disclosure required by the schedule item. Moreover, such a use of a cover page item will result in the item becoming a part of the schedule and accordingly being considered as “filed” for purposes of section 18 of the Securities Exchange Act or otherwise subject to the liabilities of that section of the Act.

Reporting persons may comply with their cover page filing requirements by filing either completed copies of the blank forms available from the Commission, printed or typed facsimiles, or computer printed facsimiles, provided the documents filed have identical formats to the forms prescribed in

the Commission’s regulations and meet existing Securities Exchange Act rules as to such matters as clarity and size (Securities Exchange Act Rule 12b-12).

SPECIAL INSTRUCTIONS FOR COMPLYING WITH SCHEDULE 13D

Under sections 13(d) and 23 of the Securities Exchange Act of 1934 and the rules and regulations thereunder, the Commission is authorized to solicit the information required to be supplied by this schedule by certain security holders of certain issuers.

Disclosure of the information specified in this schedule is mandatory, except for I.R.S. identification numbers, disclosure of which is voluntary. The information will be used for the primary purpose of determining and disclosing the holdings of certain beneficial owners of certain equity securities. This statement will be made a matter of public record. Therefore, any information given will be available for inspection by any member of the public.

Because of the public nature of the information, the Commission can utilize it for a variety of purposes, including referral to other governmental authorities or securities self-regulatory organizations for investigatory purposes or in connection with litigation involving the Federal securities laws or other civil, criminal or regulatory statutes or provisions. I.R.S. identification numbers, if furnished, will assist the Commission in identifying security holders and, therefore, in promptly processing statements of beneficial ownership of securities.

Failure to disclose the information requested by this schedule, except for I.R.S. identification numbers, may result in civil or criminal action against the persons involved for violation of the Federal securities laws and rules promulgated thereunder.

Instructions. A. The item numbers and captions of the items shall be included but the text of the items is to be omitted. Information contained in exhibits to the statement may be incorporated by reference in answer or partial answer to any item or sub-item of the statement unless it would render such answer misleading, incomplete, unclear or confusing. Material incorporated by reference shall be clearly identified in the reference by page, paragraph, caption or otherwise. An express statement that the specified matter is incorporated by reference shall be made at the particular place in the statement where the information is required. A copy of any information or a copy of the pertinent pages of a document containing such information which is incorporated by

reference shall be submitted with this statement as an exhibit and shall be deemed to be filed with the Commission for all purposes of the Act.

C. If the statement is filed by a general or limited partnership, syndicate, or other group, the information called for by Items 2-6, inclusive, shall be given with respect to (i) each partner of such general partnership; (ii) each partner who is denominated as a general partner or who functions as a general partner of such limited partnership; (iii) each member of such syndicate or group; and (iv) each person controlling such partner or member. § 240.13e-4 Tender offers by issuers.

(a) *Definitions.* Unless the context otherwise requires, all terms used in this section and in Schedule TO (§ 240.14d-100) shall have the same meaning as in the Act or elsewhere in the General Rules and Regulations thereunder. In addition, the following definitions shall apply:

(1) The term *issuer* means any issuer which has a class of equity security registered pursuant to section 12 of the Act, or which is required to file periodic reports pursuant to section 15(d) of the Act, or which is a closed-end investment company registered under the Investment Company Act of 1940.

(2) The term *issuer tender offer* refers to a tender offer for, or a request or invitation for tenders of, any class of equity security, made by the issuer of such class of equity security or by an affiliate of such issuer.

(3) As used in this section and in Schedule TO (§240.14d-100), the term *business day* means any day, other than Saturday, Sunday, or a Federal holiday, and shall consist of the time period from 12:01 a.m. through 12:00 midnight Eastern Time. In computing any time period under this Rule or Schedule 13E-4, the date of the event that begins the running of such time period shall be included *except that* if such event occurs on other than a business day such period shall begin to run on and shall include the first business day thereafter.

(4) The term *commencement* means 12:01 a.m. on the date that the issuer or affiliate has first published, sent or given the means to tender to security holders. For purposes of this section, the means to tender includes the transmittal form or a statement regarding how the transmittal form may be obtained.

(5) The term *termination* means the date after which securities may not be tendered pursuant to an issuer tender offer.

(6) The term *security holders* means holders of record and beneficial owners of securities of the class of equity security which is the subject of an issuer tender offer.

(7) The term *security position listing* means, with respect to the securities of any issuer held by a registered clearing agency in the name of the clearing agency or its nominee, a list of those participants in the clearing agency on whose behalf the clearing agency holds the issuer's securities and of the participants' respective positions in such securities as of a specified date.

(b) *Filing, disclosure and dissemination.* As soon as practicable on the date of

commencement of the issuer tender offer, the issuer or affiliate making the issuer tender offer must comply with:

(1) The filing requirements of paragraph (c)(2) of this section;

(2) The disclosure requirements of paragraph (d)(1) of this section; and

(3) The dissemination requirements of paragraph (e) of this section.

(c) *Material required to be filed.* The issuer or affiliate making the issuer tender offer must file with the Commission:

(1) All written communications made by the issuer or affiliate relating to the issuer tender offer, from and including the first public announcement, as soon as practicable on the date of the communication;

(2) A Schedule TO (§240.14d-100), including all exhibits;

(3) An amendment to Schedule TO (§240.14d-100) reporting promptly any material changes in the information set forth in the schedule previously filed; and

(4) A final amendment to Schedule TO (§240.14d-100) reporting promptly the results of the issuer tender offer.

Instructions to §240.13e-4(c):

1. Pre-commencement communications must be filed under cover of Schedule TO (§240.14d-100) and the box on the cover page of the schedule must be marked.

2. Any communications made in connection with an exchange offer registered under the Securities Act of 1933 need only be filed under §230.425 of this chapter and will be deemed filed under this section.

3. Each pre-commencement written communication must include a prominent legend in clear, plain language advising security holders to read the tender offer statement when it is available because it contains important information. The legend also must advise investors that they can get the tender offer statement and other filed documents for free at the Commission's web site and explain which documents are free from the issuer.

4. See §§230.135, 230.165 and 230.166 of this chapter for pre-commencement communications made in connection with registered exchange offers.

5. "Public announcement" is any oral or written communication by the issuer, affiliate or any person authorized to act on their behalf that is reasonably designed to, or has the effect of, informing the public or security holders in general about the issuer tender offer.

(d) *Disclosure of tender offer information to security holders.* (1) The issuer or affiliate making the issuer tender offer must disclose, in a manner prescribed by paragraph (e)(1) of this section, the following:

(i) The information required by Item 1 of Schedule TO (§240.14d-100) (summary term sheet); and

(ii) The information required by the remaining items of Schedule TO for issuer tender offers, except for Item 12 (exhibits), or a fair and adequate summary of the information.

(2) If there are any material changes in the information previously disclosed to security holders, the issuer or affiliate must disclose the changes promptly to security holders in a manner specified in paragraph (e)(3) of this section.

(3) If the issuer or affiliate disseminates the issuer tender offer by means of summary publication as described in paragraph (e)(1)(iii) of this section, the summary advertisement must not include a transmittal letter that would permit security holders to tender securities sought in the offer and must disclose at least the following information:

(i) The identity of the issuer or affiliate making the issuer tender offer;

(ii) The information required by § 229.1004(a)(1) and § 229.1006(a) of this chapter;

(iii) Instructions on how security holders can obtain promptly a copy of the statement required by paragraph (d)(1) of this section, at the issuer or affiliate's expense; and

(iv) A statement that the information contained in the statement required by paragraph (d)(1) of this section is incorporated by reference.

(e) *Dissemination of tender offers to security holders.* An issuer tender offer will be deemed to be published, sent or given to security holders if the issuer or affiliate making the issuer tender offer complies fully with one or more of the methods described in this section.

(1) For issuer tender offers in which the consideration offered consists solely of cash and/or securities exempt from registration under section 3 of the Securities Act of 1933 (15 U.S.C. 77c):

(i) Dissemination of cash issuer tender offers by long-form publication: By making adequate publication of the information required by paragraph (d)(1) of this section in a newspaper or newspapers, on the date of commencement of the issuer tender offer.

(ii) Dissemination of any issuer tender offer by use of stockholder and other lists:

(A) By mailing or otherwise furnishing promptly a statement containing the information required by paragraph (d)(1) of this section to each security holder whose name appears on the most recent stockholder list of the issuer;

(B) By contacting each participant on the most recent security position listing of any clearing agency within the possession or access of the issuer or affiliate making the issuer tender offer, and making inquiry of each participant as to the approximate number of beneficial owners of the securities sought in the offer that are held by the participant;

(C) By furnishing to each participant a sufficient number of copies of the statement required by paragraph (d)(1) of this section for transmittal to the beneficial owners; and

(D) By agreeing to reimburse each participant promptly for its reasonable expenses incurred in forwarding the statement to beneficial owners.

(iii) Dissemination of certain cash issuer tender offers by summary publication:

(A) If the issuer tender offer is not subject to §240.13e-3, by making adequate publication of a summary advertisement containing the information required by paragraph (d)(3) of this section in a newspaper or newspapers, on the date of commencement of the issuer tender offer; and

(B) By mailing or otherwise furnishing promptly the statement required by paragraph (d)(1) of this section and a transmittal letter to any security holder who requests a copy of the statement or transmittal letter.

Instruction to paragraph (e)(1): For purposes of paragraphs (e)(1)(i) and (e)(1)(iii) of this section, adequate publication of the issuer tender offer may require publication in a newspaper with a national circulation, a

newspaper with metropolitan or regional circulation, or a combination of the two, depending upon the facts and circumstances involved.

(2) For tender offers in which the consideration consists solely or partially of securities registered under the Securities Act of 1933, a registration statement containing all of the required information, including pricing information, has been filed and a preliminary prospectus or a prospectus that meets the requirements of Section 10(a) of the Securities Act (15 U.S.C. (15 U.S.C. 77j(a))), including a letter of transmittal, is delivered to security holders. However, for going-private transactions (as defined by § 240.13e-3) and roll-up transactions (as described by Item 901 of Regulation S-K (§ 229.901 of this chapter)), a registration statement registering the securities to be offered must have become effective and only a prospectus that meets the requirements of Section 10(a) of the Securities Act may be delivered to security holders on the date of commencement.

Instructions to paragraph (e)(2):

1. If the prospectus is being delivered by mail, mailing on the date of commencement is sufficient.
2. A preliminary prospectus used under this section may not omit information under § 230.430 or § 230.430A of this chapter.
3. If a preliminary prospectus is used under this section and the issuer must disseminate material changes, the tender offer must remain open for the period specified in paragraph (e)(3) of this section.
4. If a preliminary prospectus is used under this section, tenders may be requested in accordance with § 230.162(a) of this chapter.

(3) If a material change occurs in the information published, sent or given to security holders, the issuer or affiliate must disseminate promptly disclosure of the change in a manner reasonably calculated to inform security holders of the change. In a registered securities offer where the issuer or affiliate disseminates the preliminary prospectus as permitted by paragraph (e)(2) of this section, the offer must remain open from the date that material changes to the tender offer materials are disseminated to security holders, as follows:

(i) Five business days for a prospectus supplement containing a mate-

rial change other than price or share levels;

(ii) Ten business days for a prospectus supplement containing a change in price, the amount of securities sought, the dealer's soliciting fee, or other similarly significant change;

(iii) Ten business days for a prospectus supplement included as part of a post-effective amendment; and

(iv) Twenty business days for a revised prospectus when the initial prospectus was materially deficient.

(f) *Manner of making tender offer.* (1) The issuer tender offer, unless withdrawn, shall remain open until the expiration of:

(i) At least twenty business days from its commencement; and

(ii) At least ten business days from the date that notice of an increase or decrease in the percentage of the class of securities being sought or the consideration offered or the dealer's soliciting fee to be given is first published, sent or given to security holders.

Provided, however, That, for purposes of this paragraph, the acceptance for payment by the issuer or affiliate of an additional amount of securities not to exceed two percent of the class of securities that is the subject of the tender offer shall not be deemed to be an increase. For purposes of this paragraph, the percentage of a class of securities shall be calculated in accordance with section 14(d)(3) of the Act.

(2) The issuer or affiliate making the issuer tender offer shall permit securities tendered pursuant to the issuer tender offer to be withdrawn:

(i) At any time during the period such issuer tender offer remains open; and

(ii) If not yet accepted for payment, after the expiration of forty business days from the commencement of the issuer tender offer.

(3) If the issuer or affiliate makes a tender offer for less than all of the outstanding equity securities of a class, and if a greater number of securities is tendered pursuant thereto than the issuer or affiliate is bound or willing to take up and pay for, the securities taken up and paid for shall be taken up and paid for as nearly as may be pro rata, disregarding fractions, according to the number of securities tendered by

each security holder during the period such offer remains open; *Provided, however*, That this provision shall not prohibit the issuer or affiliate making the issuer tender offer from:

(i) Accepting all securities tendered by persons who own, beneficially or of record, an aggregate of not more than a specified number which is less than one hundred shares of such security and who tender all their securities, before prorating securities tendered by others; or

(ii) Accepting by lot securities tendered by security holders who tender all securities held by them and who, when tendering their securities, elect to have either all or none or at least a minimum amount or none accepted, if the issuer or affiliate first accepts all securities tendered by security holders who do not so elect;

(4) In the event the issuer or affiliate making the issuer tender increases the consideration offered after the issuer tender offer has commenced, such issuer or affiliate shall pay such increased consideration to all security holders whose tendered securities are accepted for payment by such issuer or affiliate.

(5) The issuer or affiliate making the tender offer shall either pay the consideration offered, or return the tendered securities, promptly after the termination or withdrawal of the tender offer.

(6) Until the expiration of at least ten business days after the date of termination of the issuer tender offer, neither the issuer nor any affiliate shall make any purchases, otherwise than pursuant to the tender offer, of:

(i) Any security which is the subject of the issuer tender offer, or any security of the same class and series, or any right to purchase any such securities; and

(ii) In the case of an issuer tender offer which is an exchange offer, any security being offered pursuant to such exchange offer, or any security of the same class and series, or any right to purchase any such security.

(7) The time periods for the minimum offering periods pursuant to this section shall be computed on a concurrent as opposed to a consecutive basis.

(8) No issuer or affiliate shall make a tender offer unless:

(i) The tender offer is open to all security holders of the class of securities subject to the tender offer; and

(ii) The consideration paid to any security holder pursuant to the tender offer is the highest consideration paid to any other security holder during such tender offer.

(9) Paragraph (f)(8)(i) of this section shall not:

(i) Affect dissemination under paragraph (e) of this section; or

(ii) Prohibit an issuer or affiliate from making a tender offer excluding all security holders in a state where the issuer or affiliate is prohibited from making the tender offer by administrative or judicial action pursuant to a state statute after a good faith effort by the issuer or affiliate to comply with such statute.

(10) Paragraph (f)(8)(ii) of this section shall not prohibit the offer of more than one type of consideration in a tender offer, provided that:

(i) Security holders are afforded equal right to elect among each of the types of consideration offered; and

(ii) The highest consideration of each type paid to any security holder is paid to any other security holder receiving that type of consideration.

(11) If the offer and sale of securities constituting consideration offered in an issuer tender offer is prohibited by the appropriate authority of a state after a good faith effort by the issuer or affiliate to register or qualify the offer and sale of such securities in such state:

(i) The issuer or affiliate may offer security holders in such state an alternative form of consideration; and

(ii) Paragraph (f)(10) of this section shall not operate to require the issuer or affiliate to offer or pay the alternative form of consideration to security holders in any other state.

(12) *Electronic filings.* If the issuer or affiliate is an electronic filer, the minimum offering periods set forth in paragraph (f)(1) of this section shall be tolled for any period during which it fails to file in electronic format, absent a hardship exemption (§§ 232.201 and 232.202 of this chapter), the Schedule

TO (§ 240.14d-100), the tender offer material specified in Item 1016(a)(1) of Regulation M-A (§ 229.1016(a)(1) of this chapter), and any amendments thereto. If such documents were filed in paper pursuant to a hardship exemption (*see* § 232.201 and § 232.202 of this chapter), the minimum offering periods shall be tolled for any period during which a required confirming electronic copy of such Schedule and tender offer material is delinquent.

(g) The requirements of section 13(e) (1) of the Act and Rule 13e-4 and Schedule TO (§ 240.14d-100) thereunder shall be deemed satisfied with respect to any issuer tender offer, including any exchange offer, where the issuer is incorporated or organized under the laws of Canada or any Canadian province or territory, is a foreign private issuer, and is not an investment company registered or required to be registered under the Investment Company Act of 1940, if less than 40 percent of the class of securities that is the subject of the tender offer is held by U. S. holders, and the tender offer is subject to, and the issuer complies with, the laws, regulations and policies of Canada and/or any of its provinces or territories governing the conduct of the offer (unless the issuer has received an exemption(s) from, and the issuer tender offer does not comply with, requirements that otherwise would be prescribed by this section), *provided that*:

(1) Where the consideration for an issuer tender offer subject to this paragraph consists solely of cash, the entire disclosure document or documents required to be furnished to holders of the class of securities to be acquired shall be filed with the Commission on Schedule 13E-4F (§ 240.13e-102) and disseminated to shareholders residing in the United States in accordance with such Canadian laws, regulations and policies; or

(2) Where the consideration for an issuer tender offer subject to this paragraph includes securities to be issued pursuant to the offer, any registration statement and/or prospectus relating thereto shall be filed with the Commission along with the Schedule 13E-4F referred to in paragraph (g)(1) of this section, and shall be disseminated, together with the home jurisdiction doc-

ument(s) accompanying such Schedule, to shareholders of the issuer residing in the United States in accordance with such Canadian laws, regulations and policies.

NOTE: Notwithstanding the grant of an exemption from one or more of the applicable Canadian regulatory provisions imposing requirements that otherwise would be prescribed by this section, the issuer tender offer will be eligible to proceed in accordance with the requirements of this section if the Commission by order determines that the applicable Canadian regulatory provisions are adequate to protect the interest of investors.

(h) This section shall not apply to:

(1) Calls or redemptions of any security in accordance with the terms and conditions of its governing instruments;

(2) Offers to purchase securities evidenced by a scrip certificate, order form or similar document which represents a fractional interest in a share of stock or similar security;

(3) Offers to purchase securities pursuant to a statutory procedure for the purchase of dissenting security holders' securities;

(4) Any tender offer which is subject to section 14(d) of the Act;

(5) Offers to purchase from security holders who own an aggregate of not more than a specified number of shares that is less than one hundred: *Provided, however, That*:

(i) The offer complies with paragraph (f)(8)(i) of this section with respect to security holders who own a number of shares equal to or less than the specified number of shares, except that an issuer can elect to exclude participants in a plan as that term is defined in § 242.100 of this chapter, or to exclude security holders who do not own their shares as of a specified date determined by the issuer; and

(ii) The offer complies with paragraph (f)(8)(ii) of this section or the consideration paid pursuant to the offer is determined on the basis of a uniformly applied formula based on the market price of the subject security;

(6) An issuer tender offer made solely to effect a rescission offer: *Provided, however, That* the offer is registered under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*), and the consideration is equal to the price paid by each

security holder, plus legal interest if the issuer elects to or is required to pay legal interest;

(7) Offers by closed-end management investment companies to repurchase equity securities pursuant to § 270.23c-3 of this chapter;

(8) *Cross-border tender offers (Tier 1).* Any issuer tender offer (including any exchange offer) where the issuer is a foreign private issuer as defined in § 240.3b-4 if the following conditions are satisfied.

(i) Except in the case of an issuer tender offer which is commenced during the pendency of a tender offer made by a third party in reliance on § 240.14d-1(c), U.S. holders do not hold more than 10 percent of the class of securities sought in the offer (as determined under Instruction 2 to paragraph (h)(8) and paragraph (i) of this section); and

(ii) The issuer or affiliate must permit U.S. holders to participate in the offer on terms at least as favorable as those offered any other holder of the same class of securities that is the subject of the offer; however:

(A) *Registered exchange offers.* If the issuer or affiliate offers securities registered under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*), the issuer or affiliate need not extend the offer to security holders in those states or jurisdictions that prohibit the offer or sale of the securities after the issuer or affiliate has made a good faith effort to register or qualify the offer and sale of securities in that state or jurisdiction, except that the issuer or affiliate must offer the same cash alternative to security holders in any such state or jurisdiction that it has offered to security holders in any other state or jurisdiction.

(B) *Exempt exchange offers.* If the issuer or affiliate offers securities exempt from registration under § 230.802 of this chapter, the issuer or affiliate need not extend the offer to security holders in those states or jurisdictions that require registration or qualification, except that the issuer or affiliate must offer the same cash alternative to security holders in any such state or jurisdiction that it has offered to security holders in any other state or jurisdiction.

(C) *Cash only consideration.* The issuer or affiliate may offer U.S. holders cash only consideration for the tender of the subject securities, notwithstanding the fact that the issuer or affiliate is offering security holders outside the United States a consideration that consists in whole or in part of securities of the issuer or affiliate, if the issuer or affiliate has a reasonable basis for believing that the amount of cash is substantially equivalent to the value of the consideration offered to non-U.S. holders, and either of the following conditions are satisfied:

(1) The offered security is a “margin security” within the meaning of Regulation T (12 CFR 220.2) and the issuer or affiliate undertakes to provide, upon the request of any U.S. holder or the Commission staff, the closing price and daily trading volume of the security on the principal trading market for the security as of the last trading day of each of the six months preceding the announcement of the offer and each of the trading days thereafter; or

(2) If the offered security is not a “margin security” within the meaning of Regulation T (12 CFR 220.2), the issuer or affiliate undertakes to provide, upon the request of any U.S. holder or the Commission staff, an opinion of an independent expert stating that the cash consideration offered to U.S. holders is substantially equivalent to the value of the consideration offered security holders outside the United States.

(D) *Disparate tax treatment.* If the issuer or affiliate offers “loan notes” solely to offer sellers tax advantages not available in the United States and these notes are neither listed on any organized securities market nor registered under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*), the loan notes need not be offered to U.S. holders.

(iii) *Informational documents.* (A) If the issuer or affiliate publishes or otherwise disseminates an informational document to the holders of the securities in connection with the issuer tender offer (including any exchange offer), the issuer or affiliate must furnish that informational document, including any amendments thereto, in English, to the Commission on Form CB (§ 249.480 of this chapter) by the first

business day after publication or dissemination. If the issuer or affiliate is a foreign company, it must also file a Form F-X (§ 239.42 of this chapter) with the Commission at the same time as the submission of Form CB to appoint an agent for service in the United States.

(B) The issuer or affiliate must disseminate any informational document to U.S. holders, including any amendments thereto, in English, on a comparable basis to that provided to security holders in the home jurisdiction.

(C) If the issuer or affiliate disseminates by publication in its home jurisdiction, the issuer or affiliate must publish the information in the United States in a manner reasonably calculated to inform U.S. holders of the offer.

(iv) An investment company registered or required to be registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*), other than a registered closed-end investment company, may not use this paragraph (h)(8); or

(9) Any other transaction or transactions, if the Commission, upon written request or upon its own motion, exempts such transaction or transactions, either unconditionally, or on specified terms and conditions, as not constituting a fraudulent, deceptive or manipulative act or practice comprehended within the purpose of this section.

(i) *Cross-border tender offers (Tier II).* Any issuer tender offer (including any exchange offer) that meets the conditions in paragraph (i)(1) of this section shall be entitled to the exemptive relief specified in paragraph (i)(2) of this section provided that such issuer tender offer complies with all the requirements of this section other than those for which an exemption has been specifically provided in paragraph (i)(2) of this section:

(1) *Conditions.* (i) The issuer is a foreign private issuer as defined in § 240.3b-4 and is not an investment company registered or required to be registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*), other than a registered closed-end investment company; and

(ii) Except in the case of an issuer tender offer which is commenced during the pendency of a tender offer made by a third party in reliance on § 240.14d-1(d), U.S. holders do not hold more than 40 percent of the class of securities sought in the offer (as determined under Instruction 2 to paragraphs (h)(8) and (i) of this section).

(2) *Exemptions.* The issuer tender offer shall comply with all requirements of this section other than the following:

(i) *Equal treatment—loan notes.* If the issuer or affiliate offers loan notes solely to offer sellers tax advantages not available in the United States and these notes are neither listed on any organized securities market nor registered under the Securities Act (15 U.S.C. 77a *et seq.*), the loan notes need not be offered to U.S. holders, notwithstanding paragraph (f)(8) and (h)(9) of this section.

(ii) *Equal treatment—separate U.S. and foreign offers.* Notwithstanding the provisions of paragraph (f)(8) of this section, an issuer or affiliate conducting an issuer tender offer meeting the conditions of paragraph (i)(1) of this section may separate the offer into two offers: One offer made only to U.S. holders and another offer made only to non-U.S. holders. The offer to U.S. holders must be made on terms at least as favorable as those offered any other holder of the same class of securities that is the subject of the tender offer.

(iii) *Notice of extensions.* Notice of extensions made in accordance with the requirements of the home jurisdiction law or practice will satisfy the requirements of § 240.14e-1(d).

(iv) *Prompt payment.* Payment made in accordance with the requirements of the home jurisdiction law or practice will satisfy the requirements of § 240.14e-1(c).

Instructions to paragraph (h)(8) and (i) of this section:

1. *Home jurisdiction* means both the jurisdiction of the issuer's incorporation, organization or chartering and the principal foreign market where the issuer's securities are listed or quoted.

2. *U.S. holder* means any security holder resident in the United States. To determine the percentage of outstanding securities held by U.S. holders:

Securities and Exchange Commission

§ 240.13e-100

i. Calculate the U.S. ownership as of 30 days before the commencement of the issuer tender offer;

ii. Include securities underlying American Depositary Shares convertible or exchangeable into the securities that are the subject of the tender offer when calculating the number of subject securities outstanding, as well as the number held by U.S. holders. Exclude from the calculations other types of securities that are convertible or exchangeable into the securities that are the subject of the tender offer, such as warrants, options and convertible securities. Exclude from those calculations securities held by persons who hold more than 10 percent of the subject securities;

iii. Use the method of calculating record ownership in §240.12g3-2(a), except that your inquiry as to the amount of securities represented by accounts of customers resident in the United States may be limited to brokers, dealers, banks and other nominees located in the United States, your jurisdiction of incorporation, and the jurisdiction that is the primary trading market for the subject securities, if different than your jurisdiction of incorporation;

iv. If, after reasonable inquiry, you are unable to obtain information about the amount of securities represented by accounts of customers resident in the United States, you may assume, for purposes of this definition, that the customers are residents of the jurisdiction in which the nominee has its principal place of business; and

v. Count securities as beneficially owned by residents of the United States as reported on reports of beneficial ownership that are provided to you or publicly filed and based on information otherwise provided to you.

3. *United States.* *United States* means the United States of America, its territories and possessions, any State of the United States, and the District of Columbia.

4. The exemptions provided by paragraphs (h)(8) and (i) of this section are not available for any securities transaction or series of transactions that technically complies with paragraph (h)(8) or (i) of this section but are part of a plan or scheme to evade the provisions of this section.

(j)(1) It shall be a fraudulent, deceptive or manipulative act or practice, in connection with an issuer tender offer, for an issuer or an affiliate of such issuer, in connection with an issuer tender offer:

(i) To employ any device, scheme or artifice to defraud any person;

(ii) To make any untrue statement of a material fact or to omit to state a material fact necessary in order to make the statements made, in the

light of the circumstances under which they were made, not misleading; or

(iii) To engage in any act, practice or course of business which operates or would operate as a fraud or deceit upon any person.

(2) As a means reasonably designed to prevent fraudulent, deceptive or manipulative acts or practices in connection with any issuer tender offer, it shall be unlawful for an issuer or an affiliate of such issuer to make an issuer tender offer unless:

(i) Such issuer or affiliate complies with the requirements of paragraphs (b), (c), (d), (e) and (f) of this section; and

(ii) The issuer tender offer is not in violation of paragraph (j)(1) of this section.

GENERAL INSTRUCTIONS

I. ELIGIBILITY REQUIREMENTS FOR USE OF SCHEDULE 13E-4F

A. Schedule 13E-4F may be used by any foreign private issuer if: (1) The issuer is incorporated or organized under the laws of Canada or any Canadian province or territory; (2) the issuer is making a cash tender or exchange offer for the issuer's own securities; and (3) less than 40 percent of the class of such issuer's securities outstanding that is the subject of the tender offer is held by U.S. holders. The calculation of securities held by U.S. holders shall be made as of the end of the issuer's last quarter or, if such quarter terminated within 60 days of the filing date, as of the end of the issuer's preceding quarter.

Instructions

1. For purposes of this Schedule, "foreign private issuer" shall be construed in accordance with Rule 405 under the Securities Act.

2. For purposes of this Schedule, the term "U.S. holder" shall mean any person whose address appears on the records of the issuer, any voting trustee, any depositary, any share transfer agent or any person acting in a similar capacity on behalf of the issuer as being located in the United States.

3. If this Schedule is filed during the pendency of one or more ongoing cash tender or exchange offers for securities of the class subject to this offer that was commenced or was eligible to be commenced on Schedule 14D-1F and/or Form F-8 or Form F-80, the date for calculation of U.S. ownership for purposes of this Schedule shall be the same as that date used by the initial bidder or issuer.

4. For purposes of this Schedule, the class of subject securities shall not include any securities that may be converted into or are exchangeable for the subject securities.

B. Any issuer using this Schedule must extend the cash tender or exchange offer to U.S. holders of the class of securities subject to the offer upon terms and conditions not less favorable than those extended to any other holder of the same class of such securities, and must comply with the requirements of any Canadian federal, provincial and/or territorial law, regulation or policy relating to the terms and conditions of the offer.

C. This Schedule shall not be used if the issuer is an investment company registered or required to be registered under the Investment Company Act of 1940.

II. FILING INSTRUCTIONS AND FEES

A.(1) The issuer must file this Schedule and any amendment to the Schedule (see Part I, Item 1.(b)), including all exhibits and other documents filed as part of the Schedule or amendment, in electronic format via

the Commission's Electronic Data Gathering, Analysis, and Retrieval (EDGAR) system in accordance with the EDGAR rules set forth in Regulation S-T (17 CFR Part 232). For assistance with technical questions about EDGAR or to request an access code, call the EDGAR Filer Support Office at (202) 942-8900. For assistance with the EDGAR rules, call the Office of EDGAR and Information Analysis at (202) 942-2940.

(2) If filing the Schedule in paper under a hardship exemption in 17 CFR 232.201 or 232.202 of Regulation S-T, or as otherwise permitted, the issuer must file with the Commission at its principal office five copies of the complete Schedule and any amendment, including exhibits and all other documents filed as a part of the Schedule or amendment. The issuer must bind, staple or otherwise compile each copy in one or more parts without stiff covers. The issuer must further bind the Schedule or amendment on the side or stitching margin in a manner that leaves the reading matter legible. The issuer must provide three additional copies of the Schedule or amendment without exhibits to the Commission.

B. An electronic filer must provide the signatures required for the Schedule or amendment in accordance with 17 CFR 232.302 of Regulation S-T. An issuer filing in paper must have the original and at least one copy of the Schedule and any amendment signed in accordance with Exchange Act Rule 12b-11(d) (17 CFR 12b-11(d)) by the persons whose signatures are required for this Schedule or amendment. The issuer must also conform the unsigned copies.

C. At the time of filing this Schedule with the Commission, the issuer shall pay to the Commission in accordance with Rule 0-11 of the Exchange Act, a fee in U.S. dollars in the amount prescribed by section 13(e)(3) of the Exchange Act. See also Rule 0-9 of the Exchange Act.

(1) The value of the securities to be acquired solely for cash shall be the amount of cash to be paid for them, calculated into U.S. dollars.

(2) The value of the securities to be acquired with securities or other non-cash consideration, whether or not in combination with a cash payment for the same securities, shall be based on the market value of the securities to be acquired by the issuer as established in accordance with paragraph (3) of this section.

(3) When the fee is based upon the market value of the securities, such market value shall be established by either the average of the high and low prices reported on the consolidated reporting system (for exchange-traded securities and last sale reported for over-the-counter securities) or the average of the bid and asked price (for other over-the-counter securities) as of a specified date within 5 business days prior to the date of

filing the Schedule. If there is no market for the securities to be acquired by the issuer, the value shall be based upon the book value of such securities computed as of the latest practicable date prior to the date of filing of the Schedule, unless the issuer of the securities is in bankruptcy or receivership or has an accumulated capital deficit, in which case one-third of the principal amount, par value or stated value of such securities shall be used.

D. If at any time after the initial payment of the fee the aggregate consideration offered is increased, an additional filing fee based upon such increase shall be paid with the required amended filing.

E. The issuer must file the Schedule or amendment in electronic format in the English language in accordance with 17 CFR 232.306 of Regulation S-T. The issuer may file part of the Schedule or amendment, or exhibit or other attachment to the Schedule or amendment, in both French and English if the issuer included the French text to comply with the requirements of the Canadian securities administrator or other Canadian authority and, for an electronic filing, if the filing is an HTML document, as defined in 17 CFR 232.11 of Regulation S-T. For both an electronic filing and a paper filing, the issuer may provide an English translation or English summary of a foreign language document as an exhibit or other attachment to the Schedule or amendment as permitted by the rules of the applicable Canadian securities administrator.

F. A paper filer must number sequentially the signed original of the Schedule or amendment (in addition to any internal numbering that otherwise may be present) by handwritten, typed, printed or other legible form of notation from the first page through the last page of the Schedule or amendment, including any exhibits or attachments. A paper filer must disclose the total number of pages on the first page of the sequentially numbered Schedule or amendment.

III. COMPLIANCE WITH THE EXCHANGE ACT

A. Pursuant to Rule 13e-4(g) under the Exchange Act, the issuer shall be deemed to comply with the requirements of section 13(e)(1) of the Exchange Act and Rule 13e-4 and Schedule 13E-4 thereunder in connection with a cash tender or exchange offer for securities that may be made pursuant to this Schedule, *provided that*, if an exemption has been granted from the requirements of Canadian federal, provincial and/or territorial laws, regulations or policies, and the tender offer does not comply with requirements that otherwise would be prescribed by Rule 13e-4, the issuer (absent an order from the Commission) shall comply with the provisions of section 13(e)(1) and Rule 13e-4 and Schedule 13E-4 thereunder.

B. Any cash tender or exchange offer made pursuant to this Schedule is not exempt from the antifraud provisions of section 10(b) of the Exchange Act and Rule 10b-5 thereunder, section 13(e)(1) of the Exchange Act and Rule 13e-4(b)(1) thereunder, and section 14(e) of the Exchange Act and Rule 14e-3 thereunder, and this Schedule shall be deemed “filed” for purposes of section 18 of the Exchange Act.

C. The issuer’s attention is directed to Regulation M (§§242.100 through 242.105 of this chapter), in the case of an issuer exchange offer, and to Rule 10b-13 under the Exchange Act (§240.10b-13), in the case of an issuer cash tender offer or issuer exchange offer. [See Exchange Act Release No. 29355 (June 21, 1991) containing an exemption from Rule 10b-13.]

“Investors should be aware that the issuer or its affiliates, directly or indirectly, may bid for or make purchases of the securities of the issuer subject to the offer, or of its related securities, during the period of the issuer tender offer, as permitted by applicable Canadian laws or provincial laws or regulations.”

NOTE TO ITEM 2. If the home jurisdiction document(s) are delivered through an electronic medium, the issuer may satisfy the legibility requirements for the required legends relating to type size and fonts by presenting the legend in any manner reasonably calculated to draw security holder attention to it.

Part II—Information Not Required To Be Sent to Shareholders

Such information shall be set forth in amendments to this Schedule.

2. Consent to Service of Process

B. The name of each person who signs the Schedule shall be typed or printed beneath his signature.

C. By signing this Schedule, the person(s) filing the Schedule consents without power of revocation that any administrative subpoena may be served, or any administrative proceeding, civil suit or civil action where the cause of action arises out of or relates to or concerns any offering made or purported to be made in connection with the filing on Schedule 13E-4F or any purchases or sales of any security in connection therewith, may be commenced against it in any administrative tribunal or in any appropriate court in any place subject to the jurisdiction of any state or of the United States by service of said subpoena or process upon the registrant's designated agent.

§ 240.13f-1 Reporting by institutional investment managers of information with respect to accounts over which they exercise investment discretion.

(a)(1) Every institutional investment manager which exercises investment discretion with respect to accounts holding section 13(f) securities, as defined in paragraph (c) of this section, having an aggregate fair market value on the last trading day of any month of any calendar year of at least \$100,000,000 shall file a report on Form 13F (§ 249.325 of this chapter) with the Commission within 45 days after the last day of such calendar year and within 45 days after the last day of each of the first three calendar quarters of the subsequent calendar year.

(2) An amendment to a Form 13F (§ 249.325 of this chapter) report, other than one reporting only holdings that were not previously reported in a public filing for the same period, must set forth the complete text of the Form 13F. Amendments must be numbered sequentially.

(b) For the purposes of this rule, “investment discretion” has the meaning set forth in section 3(a)(35) of the Act (15 U.S.C. 78c(a)(35)). An institutional investment manager shall also be deemed to exercise “investment discretion” with respect to all accounts over which any person under its control exercises investment discretion.

(c) For purposes of this rule “section 13(f) securities” shall mean equity securities of a class described in section 13(d)(1) of the Act that are admitted to trading on a national securities exchange or quoted on the automated quotation system of a registered securities association. In determining what classes of securities are section 13(f) securities, an institutional investment manager may rely on the most recent list of such securities published by the Commission pursuant to section 13(f)(3) of the Act (15 U.S.C. 78m(f)(3)). Only securities of a class on such list shall be counted in determining whether an institutional investment manager must file a report under this rule (§ 240.13f-

1(a)) and only those securities shall be reported in such report. Where a person controls the issuer of a class of equity securities which are “section 13(f) securities” as defined in this rule, those securities shall not be deemed to be “section 13(f) securities” with respect to the controlling person, provided that such person does not otherwise exercise investment discretion with respect to accounts with fair market value of at least \$100,000,000 within the meaning of paragraph (a) of this section.

(i) The advisor renders financial advice in the ordinary course of his business;

(ii) The advisor discloses to the recipient of the advice any significant relationship with the registrant or any of its affiliates, or a security holder proponent of the matter on which advice is given, as well as any material interests of the advisor in such matter.

(iii) The advisor receives no special commission or remuneration for furnishing the proxy voting advice from any person other than a recipient of the advice and other persons who receive similar advice under this subsection; and

(iv) The proxy voting advice is not furnished on behalf of any person soliciting proxies or on behalf of a participant in an election subject to the provisions of Rule 14a-11; and

(4) Any solicitation in connection with a roll-up transaction as defined in Item 901(c) of Regulation S-K (§229.901 of this chapter) in which the holder of a security that is the subject of a proposed roll-up transaction engages in preliminary communications with other holders of securities that are the subject of the same limited partnership roll-up transaction for the purpose of determining whether to solicit proxies, consents, or authorizations in opposition to the proposed limited partnership roll-up transaction; *provided, however*, that:

(i) This exemption shall not apply to a security holder who is an affiliate of the registrant or general partner or sponsor; and

(ii) This exemption shall not apply to a holder of five percent (5%) or more of the outstanding securities of a class that is the subject of the proposed roll-up transaction who engages in the business of buying and selling limited partnership interests in the secondary market unless that holder discloses to the persons to whom the communications are made such ownership interest and any relations of the holder to the parties of the transaction or to the

transaction itself, as required by § 240.14a-6(n)(1) and specified in the Notice of Exempt Preliminary Roll-up Communication (§ 240.14a-104). If the communication is oral, this disclosure may be provided to the security holder orally. Whether the communication is written or oral, the notice required by § 240.14a-6(n) and § 240.14a-104 shall be furnished to the Commission.

(5) Publication or distribution by a broker or a dealer of a research report in accordance with Rule 138 (§ 230.138 of this chapter) or Rule 139 (§ 230.139 of this chapter) during a transaction in which the broker or dealer or its affiliate participates or acts in an advisory role.

§ 240.14a-3 Information to be furnished to security holders.

(a) No solicitation subject to this regulation shall be made unless each person solicited is concurrently furnished or has previously been furnished with a publicly-filed preliminary or definitive written proxy statement containing the information specified in Schedule 14A (§ 240.14a-101) or with a preliminary or definitive written proxy statement included in a registration statement filed under the Securities Act of 1933 on Form S-4 or F-4 (§ 239.25 or § 239.34 of this chapter) or Form N-14 (§ 239.23) and containing the information specified in such Form.

(b) If the solicitation is made on behalf of the registrant, other than an investment company registered under the Investment Company Act of 1940, and relates to an annual (or special meeting in lieu of the annual) meeting of security holders, or written consent in lieu of such meeting, at which directors are to be elected, each proxy statement furnished pursuant to paragraph (a) of this section shall be accompanied or preceded by an annual report to security holders as follows:

NOTE TO SMALL BUSINESS ISSUERS—A “small business issuer,” defined under Rule 12b-2 of the Exchange Act (§ 240.12b-2), shall refer to the disclosure items in Regulation S-B (§ 228.10—702 of this chapter) rather than

Regulation S-K (§ 229.10—702 of this chapter). If there is no comparable disclosure item in Regulation S-B, a small business issuer need not provide the information requested. A small business issuer shall provide the information in Item 310(a) of Regulation S-B in lieu of the financial information required by Rule 14a-3(b)(1) (§ 240.14a-3(b)(1)). Small business issuers using the transitional small business issuers disclosure format in the filing of their most recent annual report on Form 10-KSB (§ 249.310b of this chapter) need not provide the information specified below. Rather, those small business issuers shall provide only the financial statements required to be filed in their most recent Form 10-KSB. The inclusion of additional information, including information required of non-transitional small business issuers, in the annual report to security holders will not cause the issuer to be ineligible for the transitional disclosure forms.

(1) The report shall include, for the registrant and its subsidiaries consolidated, audited balance sheets as of the end of each of the two most recent fiscal years and audited statements of income and cash flows for each of the three most recent fiscal years prepared in accordance with Regulation S-X (part 210 of this chapter), except that the provisions of Article 3 (other than §§ 210.3-03(e), 210.3-04 and 210.3-20) and Article 11 shall not apply. Any financial statement schedules or exhibits or separate financial statements which may otherwise be required in filings with the Commission may be omitted. If the financial statements of the registrant and its subsidiaries consolidated in the annual report filed or to be filed with the Commission are not required to be audited, the financial statements required by this paragraph may be unaudited.

NOTE 1—If the financial statements for a period prior to the most recently completed fiscal year have been examined by a predecessor accountant, the separate report of the predecessor accountant may be omitted in the report to security holders provided the registrant has obtained from the predecessor accountant a reissued report covering the prior period presented and the successor accountant clearly indicates in the scope paragraph of his report (a) that the financial statements of the prior period were examined by other accountants, (b) the date of their report, (c) the type of opinion expressed by the predecessor accountant and (d) the substantive reasons therefor, if it was other

than unqualified. It should be noted, however, that the separate report of any predecessor accountant is required in filings with the Commission. If, for instance, the financial statements in the annual report to security holders are incorporated by reference in a Form 10-K and Form 10-KSB, the separate report of a predecessor accountant shall be filed in Part II or in Part IV as a financial statement schedule.

NOTE 2—For purposes of complying with § 240.14a-3, if the registrant has changed its fiscal closing date, financial statements covering two years and one period of 9 to 12 months shall be deemed to satisfy the requirements for statements of income and cash flows for the three most recent fiscal years.

(2)(i) Financial statements and notes thereto shall be presented in roman type at least as large and as legible as 10-point modern type. If necessary for convenient presentation, the financial statements may be in roman type as large and as legible as 8-point modern type. All type shall be leaded at least 2 points.

(ii) Where the annual report to security holders is delivered through an electronic medium, issuers may satisfy legibility requirements applicable to printed documents, such as type size and font, by presenting all required information in a format readily communicated to investors.

(3) The report shall contain the supplementary financial information required by item 302 of Regulation S-K (§ 229.302 of this chapter).

(4) The report shall contain information concerning changes in and disagreements with accountants on accounting and financial disclosure required by Item 304 of Regulation S-K (§ 229.304 of this chapter).

(5)(i) The report shall contain the selected financial data required by Item 301 of Regulation S-K (§ 229.301 of this chapter).

(ii) The report shall contain management's discussion and analysis of financial condition and results of operations required by Item 303 of Regulation S-K (§ 229.303 of this chapter) or, if applicable, a plan of operation required by Item 303(a) of Regulation S-B (§ 228.303(a) of this chapter).

(iii) The report shall contain the quantitative and qualitative disclosures about market risk required by

Item 305 of Regulation S-K (§ 229.305 of this chapter).

(6) The report shall contain a brief description of the business done by the registrant and its subsidiaries during the most recent fiscal year which will, in the opinion of management, indicate the general nature and scope of the business of the registrant and its subsidiaries.

(7) The report shall contain information relating to the registrant's industry segments, classes of similar products or services, foreign and domestic operations and exports sales required by paragraphs (b), (c)(1)(i) and (d) of Item 101 of Regulation S-K (§ 229.101 of this chapter).

(8) The report shall identify each of the registrant's directors and executive officers, and shall indicate the principal occupation or employment of each such person and the name and principal business of any organization by which such person is employed.

(9) The report shall contain the market price of and dividends on the registrant's common equity and related security holder matters required by Item 201(a), (b) and (c) of Regulation S-K (§ 229.201(a), (b) and (c) of this chapter).

(10) The registrant's proxy statement, or the report, shall contain an undertaking in bold face or otherwise reasonably prominent type to provide without charge to each person solicited upon the written request of any such person, a copy of the registrant's annual report on Form 10-K and Form 10-KSB, including the financial statements and the financial statement schedules, required to be filed with the Commission pursuant to Rule 13a-1 under the Act for the registrant's most recent fiscal year, and shall indicate the name and address (including title or department) of the person to whom such a written request is to be directed. In the discretion of management, a registrant need not undertake to furnish without charge copies of all exhibits to its Form 10-K and Form 10-KSB provided that copy of the annual report on Form 10-K and Form 10-KSB furnished without charge to requesting security holders is accompanied by a list briefly describing all the exhibits not contained therein and

Securities and Exchange Commission

§ 240.14a-3

indicating that the registrant will furnish any exhibit upon the payment of a specified reasonable fee which fee shall be limited to the registrant's reasonable expenses in furnishing such exhibit. If the registrant's annual report to security holders complies with all of the disclosure requirements of Form 10-K and Form 10-KSB and is filed with the Commission in satisfaction of its Form 10-K and Form 10-KSB filing requirements, such registrant need not furnish a separate Form 10-K and Form 10-KSB to security holders who receive a copy of such annual report.

NOTE: Pursuant to the undertaking required by paragraph (b)(10) of this section, a registrant shall furnish a copy of its annual report on Form 10-K and Form 10-KSB (§249.310 of this chapter) to a beneficial owner of its securities upon receipt of a written request from such person. Each request must set forth a good faith representation that, as of the record date for the solicitation requiring the furnishing of the annual report to security holders pursuant to paragraph (b) of this section, the person making the request was a beneficial owner of securities entitled to vote.

(11) Subject to the foregoing requirements, the report may be in any form deemed suitable by management and the information required by paragraphs (b)(5) to (10) of this section may be presented in an appendix or other separate section of the report, provided that the attention of security holders is called to such presentation.

NOTE: Registrants are encouraged to utilize tables, schedules, charts and graphic illustrations of present financial information in an understandable manner. Any presentation of financial information must be consistent with the data in the financial statements contained in the report and, if appropriate, should refer to relevant portions of the financial statements and notes thereto.

(12) [Reserved]

(13) Paragraph (b) of this section shall not apply, however, to solicitations made on behalf of the registrant before the financial statements are available if a solicitation is being made at the same time in opposition to the registrant and if the registrant's proxy statement includes an undertaking in bold face type to furnish such annual report to all persons being solicited at least 20 calendar days before the date of the meeting or, if the solicitation refers to a written consent or authoriza-

tion in lieu of a meeting, at least 20 calendar days prior to the earliest date on which it may be used to effect corporate action.

(c) Seven copies of the report sent to security holders pursuant to this rule shall be mailed to the Commission, solely for its information, not later than the date on which such report is first sent or given to security holders or the date on which preliminary copies, or definitive copies, if preliminary filing was not required, of solicitation material are filed with the Commission pursuant to Rule 14a-6, whichever date is later. The report is not deemed to be "soliciting material" or to be "filed" with the Commission or subject to this regulation otherwise than as provided in this Rule, or to the liabilities of section 18 of the Act, except to the extent that the registrant specifically requests that it be treated as a part of the proxy soliciting material or incorporates it in the proxy statement or other filed report by reference.

(d) An annual report to security holders prepared on an integrated basis pursuant to General Instruction H to Form 10-K and Form 10-KSB (§249.310) may also be submitted in satisfaction of this rule. When filed as the annual report on Form 10-K and Form 10-KSB, responses to the Items of that form are subject to section 18 of the Act notwithstanding paragraph (c) of this section.

(e)(1)(i) A registrant will be considered to have delivered an annual report or proxy statement to all security holders of record who share an address if:

(A) The registrant delivers one annual report or proxy statement, as applicable, to the shared address;

(B) The registrant addresses the annual report or proxy statement, as applicable, to the security holders as a group (for example, "ABC Fund [or Corporation] Security Holders," "Jane Doe and Household," "The Smith Family"), to each of the security holders individually (for example, "John Doe and Richard Jones") or to the security holders in a form to which each of the security holders has consented in writing;

NOTE TO PARAGRAPH (e)(1)(i)(B): Unless the company addresses the annual report or

proxy statement to the security holders as a group or to each of the security holders individually, it must obtain, from each security holder to be included in the householded group, a separate affirmative written consent to the specific form of address the company will use.

(C) The security holders consent, in accordance with paragraph (e)(1)(ii) of this section, to delivery of one annual report or proxy statement, as applicable;

(D) With respect to delivery of the proxy statement, the registrant delivers, together with or subsequent to delivery of the proxy statement, a separate proxy card for each security holder at the shared address; and

(E) The registrant includes an undertaking in the proxy statement to deliver promptly upon written or oral request a separate copy of the annual report or proxy statement, as applicable, to a security holder at a shared address to which a single copy of the document was delivered.

(ii) *Consent.* (A) *Affirmative written consent.* Each security holder must affirmatively consent, in writing, to delivery of one annual report or proxy statement, as applicable. A security holder's affirmative written consent will only be considered valid if the security holder has been informed of:

(1) The duration of the consent;

(2) The specific types of documents to which the consent will apply;

(3) The procedures the security holder must follow to revoke consent; and

(4) The registrant's obligation to begin sending individual copies to a security holder within thirty days after the security holder revokes consent.

(B) *Implied consent.* The registrant need not obtain affirmative written consent from a security holder for purposes of paragraph (e)(1)(ii)(A) of this section if all of the following conditions are met:

(1) The security holder has the same last name as the other security holders at the shared address or the registrant reasonably believes that the security holders are members of the same family;

(2) The registrant has sent the security holder a notice at least 60 days before the registrant begins to rely on this section concerning delivery of an-

nual reports and proxy statements to that security holder. The notice must:

(i) Be a separate written document;

(ii) State that only one annual report or proxy statement, as applicable, will be delivered to the shared address unless the registrant receives contrary instructions;

(iii) Include a toll-free telephone number, or be accompanied by a reply form that is pre-addressed with postage provided, that the security holder can use to notify the registrant that the security holder wishes to receive a separate annual report or proxy statement;

(iv) State the duration of the consent;

(v) Explain how a security holder can revoke consent;

(vi) State that the registrant will begin sending individual copies to a security holder within thirty days after the security holder revokes consent; and

(vii) Contain the following prominent statement, or similar clear and understandable statement, in bold-face type: "Important Notice Regarding Delivery of Security Holder Documents." This statement also must appear on the envelope in which the notice is delivered. Alternatively, if the notice is delivered separately from other communications to security holders, this statement may appear either on the notice or on the envelope in which the notice is delivered.

NOTE TO PARAGRAPH (e)(1)(ii)(B)(2): The notice should be written in plain English. See § 230.421(d)(2) of this chapter for a discussion of plain English principles.

(3) The registrant has not received the reply form or other notification indicating that the security holder wishes to continue to receive an individual copy of the annual report or proxy statement, as applicable, within 60 days after the registrant sent the notice; and

(4) The registrant delivers the document to a post office box or residential street address.

NOTE TO PARAGRAPH (e)(1)(ii)(B)(4): The registrant can assume that a street address is residential unless the registrant has information that indicates the street address is a business.

Securities and Exchange Commission

§ 240.14a-4

(iii) *Revocation of consent.* If a security holder, orally or in writing, revokes consent to delivery of one annual report or proxy statement to a shared address, the registrant must begin sending individual copies to that security holder within 30 days after the registrant receives revocation of the security holder's consent.

(iv) *Definition of address.* Unless otherwise indicated, for purposes of this section, address means a street address, a post office box number, an electronic mail address, a facsimile telephone number or other similar destination to which paper or electronic documents are delivered, unless otherwise provided in this section. If the registrant has reason to believe that the address is a street address of a multi-unit building, the address must include the unit number.

NOTE TO PARAGRAPH (e)(1): A person other than the registrant making a proxy solicitation may deliver a single proxy statement to security holders of record or beneficial owners who have separate accounts and share an address if: (a) the registrant or intermediary has followed the procedures in this section; and (b) the registrant or intermediary makes available the shared address information to the person in accordance with §240.14a-7(a)(2)(i) and (ii).

(2) Notwithstanding paragraphs (a) and (b) of this section, unless state law requires otherwise, a registrant is not required to send an annual report or proxy statement to a security holder if:

(i) An annual report and a proxy statement for two consecutive annual meetings; or

(ii) All, and at least two, payments (if sent by first class mail) of dividends or interest on securities, or dividend reinvestment confirmations, during a twelve month period, have been mailed to such security holder's address and have been returned as undeliverable. If any such security holder delivers or causes to be delivered to the registrant written notice setting forth his then current address for security holder communications purposes, the registrant's obligation to deliver an annual report or a proxy statement under this section is reinstated.

(f) The provisions of paragraph (a) of this section shall not apply to a communication made by means of speeches

in public forums, press releases, published or broadcast opinions, statements, or advertisements appearing in a broadcast media, newspaper, magazine or other bona fide publication disseminated on a regular basis, provided that:

(1) No form of proxy, consent or authorization or means to execute the same is provided to a security holder in connection with the communication; and

(2) At the time the communication is made, a definitive proxy statement is on file with the Commission pursuant to §240.14a-6(b).

§ 240.14a-4 Requirements as to proxy.

(a) The form of proxy (1) shall indicate in bold-face type whether or not the proxy is solicited on behalf of the registrant's board of directors or, if provided other than by a majority of the board of directors, shall indicate in bold-face type on whose behalf the solicitation is made;

(2) Shall provide a specifically designated blank space for dating the proxy card; and

(3) Shall identify clearly and impartially each separate matter intended to be acted upon, whether or not related to or conditioned on the approval of other matters, and whether proposed by the registrant or by security holders. No reference need be made, however, to proposals as to which discretionary authority is conferred pursuant to paragraph (c) of this section.

Note to paragraph (a)(3) (Electronic filers): Electronic filers shall satisfy the filing requirements of Rule 14a-6(a) or (b) (§240.14a-6(a) or (b)) with respect to the form of proxy by filing the form of proxy as an appendix at the end of the proxy statement. Forms of proxy shall not be filed as exhibits or separate documents within an electronic submission.

(b)(1) Means shall be provided in the form of proxy whereby the person solicited is afforded an opportunity to specify by boxes a choice between approval or disapproval of, or abstention

with respect to each separate matter referred to therein as intended to be acted upon, other than elections to office. A proxy may confer discretionary authority with respect to matters as to which a choice is not specified by the security holder provided that the form of proxy states in bold-face type how it is intended to vote the shares represented by the proxy in each such case.

(2) A form of proxy which provides for the election of directors shall set forth the names of persons nominated for election as directors. Such form of proxy shall clearly provide any of the following means for security holders to withhold authority to vote for each nominee:

(i) A box opposite the name of each nominee which may be marked to indicate that authority to vote for such nominee is withheld; or

(ii) An instruction in bold-face type which indicates that the security holder may withhold authority to vote for any nominee by lining through or otherwise striking out the name of any nominee; or

(iii) Designated blank spaces in which the security holder may enter the names of nominees with respect to whom the security holder chooses to withhold authority to vote; or

(iv) Any other similar means, provided that clear instructions are furnished indicating how the security holder may withhold authority to vote for any nominee.

Such form of proxy also may provide a means for the security holder to grant authority to vote for the nominees set forth, as a group, provided that there is a similar means for the security holder to withhold authority to vote for such group of nominees. Any such form of proxy which is executed by the security holder in such manner as not to withhold authority to vote for the election of any nominee shall be deemed to grant such authority, provided that the form of proxy so states in bold-face type.

Instructions. 1. Paragraph (2) does not apply in the case of a merger, consolidation or other plan if the election of directors is an integral part of the plan.

2. If applicable state law gives legal effect to votes cast against a nominee, then in lieu

of, or in addition to, providing a means for security holders to withhold authority to vote, the registrant should provide a similar means for security holders to vote against each nominee.

(c) A proxy may confer discretionary authority to vote on any of the following matters:

(1) For an annual meeting of shareholders, if the registrant did not have notice of the matter at least 45 days before the date on which the registrant first mailed its proxy materials for the prior year's annual meeting of shareholders (or date specified by an advance notice provision), and a specific statement to that effect is made in the proxy statement or form of proxy. If during the prior year the registrant did not hold an annual meeting, or if the date of the meeting has changed more than 30 days from the prior year, then notice must not have been received a reasonable time before the registrant mails its proxy materials for the current year.

(2) In the case in which the registrant has received timely notice in connection with an annual meeting of shareholders (as determined under paragraph (c)(1) of this section), if the registrant includes, in the proxy statement, advice on the nature of the matter and how the registrant intends to exercise its discretion to vote on each matter. However, even if the registrant includes this information in its proxy statement, it may not exercise discretionary voting authority on a particular proposal if the proponent:

(i) Provides the registrant with a written statement, within the time-frame determined under paragraph (c)(1) of this section, that the proponent intends to deliver a proxy statement and form of proxy to holders of at least the percentage of the company's voting shares required under applicable law to carry the proposal;

(ii) Includes the same statement in its proxy materials filed under § 240.14a-6; and

(iii) Immediately after soliciting the percentage of shareholders required to carry the proposal, provides the registrant with a statement from any solicitor or other person with knowledge that the necessary steps have been taken to deliver a proxy statement and

form of proxy to holders of at least the percentage of the company's voting shares required under applicable law to carry the proposal.

(3) For solicitations other than for annual meetings or for solicitations by persons other than the registrant, matters which the persons making the solicitation do not know, a reasonable time before the solicitation, are to be presented at the meeting, if a specific statement to that effect is made in the proxy statement or form of proxy.

(4) Approval of the minutes of the prior meeting if such approval does not amount to ratification of the action taken at that meeting;

(5) The election of any person to any office for which a bona fide nominee is named in the proxy statement and such nominee is unable to serve or for good cause will not serve.

(6) Any proposal omitted from the proxy statement and form of proxy pursuant to § 240.14a-8 or § 240.14a-9 of this chapter.

(7) Matters incident to the conduct of the meeting.

(d) No proxy shall confer authority:

(1) To vote for the election of any person to any office for which a bona fide nominee is not named in the proxy statement,

(2) To vote at any annual meeting other than the next annual meeting (or any adjournment thereof) to be held after the date on which the proxy statement and form of proxy are first sent or given to security holders,

(3) To vote with respect to more than one meeting (and any adjournment thereof) or more than one consent solicitation or

(4) To consent to or authorize any action other than the action proposed to be taken in the proxy statement, or matters referred to in paragraph (c) of this rule. A person shall not be deemed to be a bona fide nominee and he shall not be named as such unless he has consented to being named in the proxy statement and to serve if elected. *Provided, however,* That nothing in this section 240.14a-4 shall prevent any person soliciting in support of nominees who, if elected, would constitute a minority of the board of directors, from seeking authority to vote for nominees

named in the registrant's proxy statement, so long as the soliciting party:

(i) Seeks authority to vote in the aggregate for the number of director positions then subject to election;

(ii) Represents that it will vote for all the registrant nominees, other than those registrant nominees specified by the soliciting party;

(iii) Provides the security holder an opportunity to withhold authority with respect to any other registrant nominee by writing the name of that nominee on the form of proxy; and

(iv) States on the form of proxy and in the proxy statement that there is no assurance that the registrant's nominees will serve if elected with any of the soliciting party's nominees.

(e) The proxy statement or form of proxy shall provide, subject to reasonable specified conditions, that the shares represented by the proxy will be voted and that where the person solicited specifies by means of a ballot provided pursuant to paragraph (b) of this section a choice with respect to any matter to be acted upon, the shares will be voted in accordance with the specifications so made.

(f) No person conducting a solicitation subject to this regulation shall deliver a form of proxy, consent or authorization to any security holder unless the security holder concurrently receives, or has previously received, a definitive proxy statement that has been filed with the Commission pursuant to § 240.14a-6(b).

§ 240.14a-5 Presentation of information in proxy statement.

(a) The information included in the proxy statement shall be clearly presented and the statements made shall be divided into groups according to subject matter and the various groups of statements shall be preceded by appropriate headings. The order of items and sub-items in the schedule need not be followed. Where practicable and appropriate, the information shall be presented in tabular form. All amounts shall be stated in figures. Information required by more than one applicable item need not be repeated. No statement need be made in response to any item or sub-item which is inapplicable.

(b) Any information required to be included in the proxy statement as to terms of securities or other subject matter which from a standpoint of practical necessity must be determined in the future may be stated in terms of present knowledge and intention. To the extent practicable, the authority to be conferred concerning each such matter shall be confined within limits reasonably related to the need for discretionary authority. Subject to the foregoing, information which is not known to the persons on whose behalf the solicitation is to be made and which it is not reasonably within the power of such persons to ascertain or procure may be omitted, if a brief statement of the circumstances rendering such information unavailable is made.

(c) Any information contained in any other proxy soliciting material which has been furnished to each person solicited in connection with the same meeting or subject matter may be omitted from the proxy statement, if a clear reference is made to the particular document containing such information.

(d)(1) All printed proxy statements shall be in roman type at least as large and as legible as 10-point modern type, except that to the extent necessary for convenient presentation financial statements and other tabular data, but not the notes thereto, may be in roman type at least as large and as legible as 8-point modern type. All such type shall be leaded at least 2 points.

(2) Where a proxy statement is delivered through an electronic medium,

issuers may satisfy legibility requirements applicable to printed documents, such as type size and font, by presenting all required information in a format readily communicated to investors.

(e) All proxy statements shall disclose, under an appropriate caption, the following dates:

(1) The deadline for submitting shareholder proposals for inclusion in the registrant's proxy statement and form of proxy for the registrant's next annual meeting, calculated in the manner provided in § 240.14a-8(e)(Question 5); and

(2) The date after which notice of a shareholder proposal submitted outside the processes of § 240.14a-8 is considered untimely, either calculated in the manner provided by § 240.14a-4(c)(1) or as established by the registrant's advance notice provision, if any, authorized by applicable state law.

(f) If the date of the next annual meeting is subsequently advanced or delayed by more than 30 calendar days from the date of the annual meeting to which the proxy statement relates, the registrant shall, in a timely manner, inform shareholders of such change, and the new dates referred to in paragraphs (e)(1) and (e)(2) of this section, by including a notice, under Item 5, in its earliest possible quarterly report on Form 10-Q (§ 249.308a of this chapter) or Form 10-QSB (§ 249.308b of this chapter), or, in the case of investment companies, in a shareholder report under § 270.30d-1 of this chapter under the Investment Company Act of 1940, or, if impracticable, any means reasonably calculated to inform shareholders.

§ 240.14a-6 Filing requirements.

(a) *Preliminary proxy statement.* Five preliminary copies of the proxy statement and form of proxy shall be filed with the Commission at least 10 calendar days prior to the date definitive copies of such material are first sent or given to security holders, or such shorter period prior to that date as the Commission may authorize upon a showing of good cause thereunder. A registrant, however, shall not file with the Commission a preliminary proxy statement, form of proxy or other soliciting material to be furnished to security holders concurrently therewith if the solicitation relates to an annual (or special meeting in lieu of the annual) meeting, or for an investment company registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*) or a business development company, if the solicitation relates to any meeting of security holders at which the only matters to be acted upon are:

- (1) The election of directors;
- (2) The election, approval or ratification of accountant(s);
- (3) A security holder proposal included pursuant to Rule 14a-8 (§ 240.14a-8 of this chapter);
- (4) The approval or ratification of a plan as defined in paragraph (a)(7)(ii) of Item 402 of Regulation S-K (§ 229.402(a)(7)(ii) of this chapter) or amendments to such a plan;
- (5) With respect to an investment company registered under the Investment Company Act of 1940 or a business development company, a proposal to continue, without change, any advisory or other contract or agreement that previously has been the subject of a proxy solicitation for which proxy material was filed with the Commission pursuant to this section; and/or
- (6) With respect to an open-end investment company registered under the Investment Company Act of 1940, a proposal to increase the number of shares authorized to be issued.

This exclusion from filing preliminary proxy material does not apply if the registrant comments upon or refers to a solicitation in opposition in connection with the meeting in its proxy material.

NOTE 1: The filing of revised material does not recommence the ten day time period unless the revised material contains material revisions or material new proposal(s) that constitute a fundamental change in the proxy material.

NOTE 2: The official responsible for the preparation of the proxy material should make every effort to verify the accuracy and completeness of the information required by the applicable rules. The preliminary material should be filed with the Commission at the earliest practicable date.

NOTE 3: Solicitation in Opposition. For purposes of the exclusion from filing preliminary proxy material, a "solicitation in opposition" includes: (a) Any solicitation opposing a proposal supported by the registrant; and (b) any solicitation supporting a proposal that the registrant does not expressly support, other than a security holder proposal included in the registrant's proxy material pursuant to Rule 14a-8 (§ 240.14a-8 of this chapter). The inclusion of a security holder proposal in the registrant's proxy material pursuant to Rule 14a-8 does not constitute a "solicitation in opposition," even if the registrant opposes the proposal and/or includes a statement in opposition to the proposal.

NOTE 4: A registrant that is filing proxy material in preliminary form only because the registrant has commented on or referred to a solicitation in opposition should indicate that fact in a transmittal letter when filing the preliminary material with the Commission.

(b) *Definitive proxy statement and other soliciting material.* Eight definitive copies of the proxy statement, form of proxy and all other soliciting materials, in the same form as the materials sent to security holders, must be filed with the Commission no later than the date they are first sent or given to security holders. Three copies of these materials also must be filed with, or mailed for filing to, each national securities exchange on which the registrant has a class of securities listed and registered.

(c) *Personal solicitation materials.* If part or all of the solicitation involves personal solicitation, then eight copies of all written instructions or other materials that discuss, review or comment on the merits of any matter to be acted on, that are furnished to persons making the actual solicitation for their use directly or indirectly in connection with the solicitation, must be filed with the Commission no later than the

date the materials are first sent or given to these persons.

(d) *Release dates.* All preliminary proxy statements and forms of proxy filed pursuant to paragraph (a) of this section shall be accompanied by a statement of the date on which definitive copies thereof filed pursuant to paragraph (b) of this section are intended to be released to security holders. All definitive material filed pursuant to paragraph (b) of this section shall be accompanied by a statement of the date on which copies of such material were released to security holders, or, if not released, the date on which copies thereof are intended to be released. All material filed pursuant to paragraph (c) of this section shall be accompanied by a statement of the date on which copies thereof were released to the individual who will make the actual solicitation or if not released, the date on which copies thereof are intended to be released.

(e)(1) *Public availability of information.* All copies of preliminary proxy statements and forms of proxy filed pursuant to paragraph (a) of this section shall be clearly marked "Preliminary Copies," and shall be deemed immediately available for public inspection unless confidential treatment is obtained pursuant to paragraph (e)(2) of this section.

(2) *Confidential treatment.* If action will be taken on any matter specified in Item 14 of Schedule 14A (§ 240.14a-101), all copies of the preliminary proxy statement and form of proxy filed under paragraph (a) of this section will be for the information of the Commission only and will not be deemed available for public inspection until filed with the Commission in definitive form so long as:

(i) The proxy statement does not relate to a matter or proposal subject to § 240.13e-3 or a roll-up transaction as defined in Item 901(c) of Regulation S-K (§ 229.901(c) of this chapter);

(ii) Neither the parties to the transaction nor any persons authorized to act on their behalf have made any public communications relating to the transaction except for statements where the content is limited to the information specified in § 230.135 of this chapter; and

(iii) The materials are filed in paper and marked "Confidential, For Use of the Commission Only." In all cases, the materials may be disclosed to any department or agency of the United States Government and to the Congress, and the Commission may make any inquiries or investigation into the materials as may be necessary to conduct an adequate review by the Commission.

Instruction to paragraph (e)(2): If communications are made publicly that go beyond the information specified in § 230.135 of this chapter, the preliminary proxy materials must be re-filed promptly with the Commission as public materials.

(f) *Communications not required to be filed.* Copies of replies to inquiries from security holders requesting further information and copies of communications which do no more than request that forms of proxy theretofore solicited be signed and returned need not be filed pursuant to this section.

(g) *Solicitations subject to § 240.14a-2(b)(1).* (1) Any person who:

(i) Engages in a solicitation pursuant to § 240.14a-2(b)(1), and

(ii) At the commencement of that solicitation owns beneficially securities of the class which is the subject of the solicitation with a market value of over \$5 million,

shall furnish or mail to the Commission, not later than three days after the date the written solicitation is first sent or given to any security holder, five copies of a statement containing the information specified in the Notice of Exempt Solicitation (§ 240.14a-103) which statement shall attach as an exhibit all written soliciting materials. Five copies of an amendment to such statement shall be furnished or mailed to the Commission, in connection with dissemination of any additional communications, not later than three days after the date the additional material is first sent or given to any security holder. Three copies of the Notice of Exempt Solicitation and amendments thereto shall, at the same time the materials are furnished or mailed to the Commission, be furnished or mailed to each national securities exchange upon which any class of

securities of the registrant is listed and registered.

(2) Notwithstanding paragraph (g)(1) of this section, no such submission need be made with respect to oral solicitations (other than with respect to scripts used in connection with such oral solicitations), speeches delivered in a public forum, press releases, published or broadcast opinions, statements, and advertisements appearing in a broadcast media, or a newspaper, magazine or other bona fide publication disseminated on a regular basis.

(h) *Revised material.* Where any proxy statement, form of proxy or other material filed pursuant to this section is amended or revised, two of the copies of such amended or revised material filed pursuant to this section (or in the case of investment companies registered under the Investment Company Act of 1940, three of such copies) shall be marked to indicate clearly and precisely the changes effected therein. If the amendment or revision alters the text of the material the changes in such text shall be indicated by means of underscoring or in some other appropriate manner.

(i) *Fees.* At the time of filing the proxy solicitation material, the persons upon whose behalf the solicitation is made, other than investment companies registered under the Investment Company Act of 1940, shall pay to the Commission the following applicable fee:

(1) For preliminary proxy material involving acquisitions, mergers, spin-offs, consolidations or proposed sales or other dispositions of substantially all the assets of the company, a fee established in accordance with Rule 0-11 (§ 240.0-11 of this chapter) shall be paid. No refund shall be given.

(2) For all other proxy submissions and submissions made pursuant to § 240.14a-6(g), no fee shall be required.

(j) *Merger proxy materials.* (1) Any proxy statement, form of proxy or other soliciting material required to be filed by this section that also is either

(i) Included in a registration statement filed under the Securities Act of 1933 on Forms S-4 (§ 239.25 of this chapter), F-4 (§ 239.34 of this chapter) or N-14 (§ 239.23 of this chapter); or

(ii) Filed under § 230.424, § 230.425 or § 230.497 of this chapter is required to be filed only under the Securities Act, and is deemed filed under this section.

(2) Under paragraph (j)(1) of this section, the fee required by paragraph (i) of this section need not be paid.

(k) *Computing time periods.* In computing time periods beginning with the filing date specified in Regulation 14A (§§ 240.14a-1 to 240.14b-1 of this chapter), the filing date shall be counted as the first day of the time period and midnight of the last day shall constitute the end of the specified time period.

(l) *Roll-up transactions.* If a transaction is a roll-up transaction as defined in Item 901(c) of Regulation S-K (17 CFR 229.901(c)) and is registered (or authorized to be registered) on Form S-4 (17 CFR 229.25) or Form F-4 (17 CFR 229.34), the proxy statement of the sponsor or the general partner as defined in Item 901(d) and Item 901(a), respectively, of Regulation S-K (17 CFR 229.901) must be distributed to security holders no later than the lesser of 60 calendar days prior to the date on which the meeting of security holders is held or action is taken, or the maximum number of days permitted for giving notice under applicable state law.

(m) *Cover page.* Proxy materials filed with the Commission shall include a cover page in the form set forth in Schedule 14A (§ 240.14a-101 of this chapter). The cover page required by this paragraph need not be distributed to security holders.

(n) *Solicitations subject to § 240.14a-2(b)(4).* Any person who:

(1) Engages in a solicitation pursuant to § 240.14a-2(b)(4); and

(2) At the commencement of that solicitation both owns five percent (5%) or more of the outstanding securities of a class that is the subject of the proposed roll-up transaction, and engages in the business of buying and selling limited partnership interests in the secondary market, shall furnish or mail to the Commission, not later than three days after the date an oral or written solicitation by that person is

first made, sent or provided to any security holder, five copies of a statement containing the information specified in the Notice of Exempt Preliminary Roll-up Communication (§ 240.14a-104). Five copies of any amendment to such statement shall be furnished or mailed to the Commission not later than three days after a communication containing revised material is first made, sent or provided to any security holder.

(o) *Solicitations before furnishing a definitive proxy statement.* Solicitations that are published, sent or given to security holders before they have been furnished a definitive proxy statement must be made in accordance with § 240.14a-12 unless there is an exemption available under § 240.14a-2.

§ 240.14a-7 Obligations of registrants to provide a list of, or mail soliciting material to, security holders.

(a) If the registrant has made or intends to make a proxy solicitation in connection with a security holder meeting or action by consent or authorization, upon the written request by any record or beneficial holder of securities of the class entitled to vote at the meeting or to execute a consent or authorization to provide a list of security holders or to mail the requesting security holder's materials, regardless of whether the request references this section, the registrant shall:

(1) Deliver to the requesting security holder within five business days after receipt of the request:

(i) Notification as to whether the registrant has elected to mail the security holder's soliciting materials or provide a security holder list if the election under paragraph (b) of this section is to be made by the registrant;

(ii) A statement of the approximate number of record holders and beneficial holders, separated by type of holder and class, owning securities in the same class or classes as holders which have been or are to be solicited on management's behalf, or any more lim-

ited group of such holders designated by the security holder if available or retrievable under the registrant's or its transfer agent's security holder data systems; and

(iii) The estimated cost of mailing a proxy statement, form of proxy or other communication to such holders, including to the extent known or reasonably available, the estimated costs of any bank, broker, and similar person through whom the registrant has solicited or intends to solicit beneficial owners in connection with the security holder meeting or action;

(2) Perform the acts set forth in either paragraphs (a)(2)(i) or (a)(2)(ii) of this section, at the registrant's or requesting security holder's option, as specified in paragraph (b) of this section:

(i) Mail copies of any proxy statement, form of proxy or other soliciting material furnished by the security holder to the record holders, including banks, brokers, and similar entities, designated by the security holder. A sufficient number of copies must be mailed to the banks, brokers, and similar entities for distribution to all beneficial owners designated by the security holder. If the registrant has received affirmative written or implied consent to deliver a single proxy statement to security holders at a shared address in accordance with the procedures in § 240.14a-3(e)(1), a single copy of the proxy statement furnished by the security holder shall be mailed to that address. The registrant shall mail the security holder material with reasonable promptness after tender of the material to be mailed, envelopes or other containers therefor, postage or payment for postage and other reasonable expenses of effecting such mailing. The registrant shall not be responsible for the content of the material; or

(ii) Deliver the following information to the requesting security holder within five business days of receipt of the request: a reasonably current list of the names, addresses and security positions of the record holders, including banks, brokers and similar entities holding securities in the same class or classes as holders which have been or are to be solicited on management's behalf, or any more limited group of

such holders designated by the security holder if available or retrievable under the registrant's or its transfer agent's security holder data systems; the most recent list of names, addresses and security positions of beneficial owners as specified in § 240.14a-13(b), in the possession, or which subsequently comes into the possession, of the registrant; and the names of security holders at a shared address that have consented to delivery of a single copy of proxy materials to a shared address, if the registrant has received written or implied consent in accordance with § 240.14a-3(e)(1). All security holder list information shall be in the form requested by the security holder to the extent that such form is available to the registrant without undue burden or expense. The registrant shall furnish the security holder with updated record holder information on a daily basis or, if not available on a daily basis, at the shortest reasonable intervals, provided, however, the registrant need not provide beneficial or record holder information more current than the record date for the meeting or action.

(b)(1) The requesting security holder shall have the options set forth in paragraph (a)(2) of this section, and the registrant shall have corresponding obligations, if the registrant or general partner or sponsor is soliciting or intends to solicit with respect to:

(i) A proposal that is subject to § 240.13e-3;

(ii) A roll-up transaction as defined in Item 901(c) of Regulation S-K (§ 229.901(c) of this chapter) that involves an entity with securities registered pursuant to Section 12 of the Act (15 U.S.C. 78l); or

(iii) A roll-up transaction as defined in Item 901(c) of Regulation S-K (§ 229.901(c) of this chapter) that involves a limited partnership, unless the transaction involves only:

(A) Partnerships whose investors will receive new securities or securities in another entity that are not reported under a transaction reporting plan declared effective before December 17, 1993 by the Commission under Section 11A of the Act (15 U.S.C. 78k-1); or

(B) Partnerships whose investors' securities are reported under a transaction reporting plan declared effective

before December 17, 1993 by the Commission under Section 11A of the Act (15 U.S.C. 78k-1).

(2) With respect to all other requests pursuant to this section, the registrant shall have the option to either mail the security holder's material or furnish the security holder list as set forth in this section.

(c) At the time of a list request, the security holder making the request shall:

(1) If holding the registrant's securities through a nominee, provide the registrant with a statement by the nominee or other independent third party, or a copy of a current filing made with the Commission and furnished to the registrant, confirming such holder's beneficial ownership; and

(2) Provide the registrant with an affidavit, declaration, affirmation or other similar document provided for under applicable state law identifying the proposal or other corporate action that will be the subject of the security holder's solicitation or communication and attesting that:

(i) The security holder will not use the list information for any purpose other than to solicit security holders with respect to the same meeting or action by consent or authorization for which the registrant is soliciting or intends to solicit or to communicate with security holders with respect to a solicitation commenced by the registrant; and

(ii) The security holder will not disclose such information to any person other than a beneficial owner for whom the request was made and an employee or agent to the extent necessary to effectuate the communication or solicitation.

(d) The security holder shall not use the information furnished by the registrant pursuant to paragraph (a)(2)(ii) of this section for any purpose other than to solicit security holders with respect to the same meeting or action by consent or authorization for which the registrant is soliciting or intends to solicit or to communicate with security holders with respect to a solicitation commenced by the registrant; or disclose such information to any person other than an employee, agent, or beneficial owner for whom a request was

made to the extent necessary to effectuate the communication or solicitation. The security holder shall return the information provided pursuant to paragraph (a)(2)(ii) of this section and shall not retain any copies thereof or of any information derived from such information after the termination of the solicitation.

(e) The security holder shall reimburse the reasonable expenses incurred by the registrant in performing the acts requested pursuant to paragraph (a) of this section.

NOTES TO § 240.14a-7 1. Reasonably prompt methods of distribution to security holders may be used instead of mailing. If an alternative distribution method is chosen, the costs of that method should be considered where necessary rather than the costs of mailing.

2. When providing the information required by § 240.14a-7(a)(1)(ii), if the registrant has received affirmative written or implied consent to delivery of a single copy of proxy materials to a shared address in accordance with § 240.14a-3(e)(1), it shall exclude from the number of record holders those to whom it does not have to deliver a separate proxy statement.

§ 240.14a-8 Shareholder proposals.

This section addresses when a company must include a shareholder's proposal in its proxy statement and identify the proposal in its form of proxy when the company holds an annual or special meeting of shareholders. In summary, in order to have your shareholder proposal included on a company's proxy card, and included along with any supporting statement in its proxy statement, you must be eligible and follow certain procedures. Under a few specific circumstances, the company is permitted to exclude your proposal, but only after submitting its reasons to the Commission. We structured this section in a question-and-answer format so that it is easier to understand. The references to "you" are to a shareholder seeking to submit the proposal.

(a) *Question 1:* What is a proposal? A shareholder proposal is your recommendation or requirement that the company and/or its board of directors take action, which you intend to

present at a meeting of the company's shareholders. Your proposal should state as clearly as possible the course of action that you believe the company should follow. If your proposal is placed on the company's proxy card, the company must also provide in the form of proxy means for shareholders to specify by boxes a choice between approval or disapproval, or abstention. Unless otherwise indicated, the word "proposal" as used in this section refers both to your proposal, and to your corresponding statement in support of your proposal (if any).

(b) *Question 2:* Who is eligible to submit a proposal, and how do I demonstrate to the company that I am eligible? (1) In order to be eligible to submit a proposal, you must have continuously held at least \$2,000 in market value, or 1%, of the company's securities entitled to be voted on the proposal at the meeting for at least one year by the date you submit the proposal. You must continue to hold those securities through the date of the meeting.

(2) If you are the registered holder of your securities, which means that your name appears in the company's records as a shareholder, the company can verify your eligibility on its own, although you will still have to provide the company with a written statement that you intend to continue to hold the securities through the date of the meeting of shareholders. However, if like many shareholders you are not a registered holder, the company likely does not know that you are a shareholder, or how many shares you own. In this case, at the time you submit your proposal, you must prove your eligibility to the company in one of two ways:

(i) The first way is to submit to the company a written statement from the "record" holder of your securities (usually a broker or bank) verifying that, at the time you submitted your proposal, you continuously held the securities for at least one year. You must also include your own written statement that you intend to continue to hold the securities through the date of the meeting of shareholders; or

(ii) The second way to prove ownership applies only if you have filed a

Schedule 13D (§240.13d-101), Schedule 13G (§240.13d-102), Form 3 (§249.103 of this chapter), Form 4 (§249.104 of this chapter) and/or Form 5 (§249.105 of this chapter), or amendments to those documents or updated forms, reflecting your ownership of the shares as of or before the date on which the one-year eligibility period begins. If you have filed one of these documents with the SEC, you may demonstrate your eligibility by submitting to the company:

(A) A copy of the schedule and/or form, and any subsequent amendments reporting a change in your ownership level;

(B) Your written statement that you continuously held the required number of shares for the one-year period as of the date of the statement; and

(C) Your written statement that you intend to continue ownership of the shares through the date of the company's annual or special meeting.

(c) *Question 3:* How many proposals may I submit? Each shareholder may submit no more than one proposal to a company for a particular shareholders' meeting.

(d) *Question 4:* How long can my proposal be? The proposal, including any accompanying supporting statement, may not exceed 500 words.

(e) *Question 5:* What is the deadline for submitting a proposal? (1) If you are submitting your proposal for the company's annual meeting, you can in most cases find the deadline in last year's proxy statement. However, if the company did not hold an annual meeting last year, or has changed the date of its meeting for this year more than 30 days from last year's meeting, you can usually find the deadline in one of the company's quarterly reports on Form 10-Q (§249.308a of this chapter) or 10-QSB (§249.308b of this chapter), or in shareholder reports of investment companies under §270.30d-1 of this chapter of the Investment Company Act of 1940. In order to avoid controversy, shareholders should submit their proposals by means, including electronic means, that permit them to prove the date of delivery.

(2) The deadline is calculated in the following manner if the proposal is submitted for a regularly scheduled annual meeting. The proposal must be re-

ceived at the company's principal executive offices not less than 120 calendar days before the date of the company's proxy statement released to shareholders in connection with the previous year's annual meeting. However, if the company did not hold an annual meeting the previous year, or if the date of this year's annual meeting has been changed by more than 30 days from the date of the previous year's meeting, then the deadline is a reasonable time before the company begins to print and mail its proxy materials.

(3) If you are submitting your proposal for a meeting of shareholders other than a regularly scheduled annual meeting, the deadline is a reasonable time before the company begins to print and mail its proxy materials.

(f) *Question 6:* What if I fail to follow one of the eligibility or procedural requirements explained in answers to Questions 1 through 4 of this section?

(1) The company may exclude your proposal, but only after it has notified you of the problem, and you have failed adequately to correct it. Within 14 calendar days of receiving your proposal, the company must notify you in writing of any procedural or eligibility deficiencies, as well as of the time frame for your response. Your response must be postmarked, or transmitted electronically, no later than 14 days from the date you received the company's notification. A company need not provide you such notice of a deficiency if the deficiency cannot be remedied, such as if you fail to submit a proposal by the company's properly determined deadline. If the company intends to exclude the proposal, it will later have to make a submission under §240.14a-8 and provide you with a copy under Question 10 below, §240.14a-8(j).

(2) If you fail in your promise to hold the required number of securities through the date of the meeting of shareholders, then the company will be permitted to exclude all of your proposals from its proxy materials for any meeting held in the following two calendar years.

(g) *Question 7:* Who has the burden of persuading the Commission or its staff that my proposal can be excluded? Except as otherwise noted, the burden is

on the company to demonstrate that it is entitled to exclude a proposal.

(h) *Question 8:* Must I appear personally at the shareholders' meeting to present the proposal? (1) Either you, or your representative who is qualified under state law to present the proposal on your behalf, must attend the meeting to present the proposal. Whether you attend the meeting yourself or send a qualified representative to the meeting in your place, you should make sure that you, or your representative, follow the proper state law procedures for attending the meeting and/or presenting your proposal.

(2) If the company holds its shareholder meeting in whole or in part via electronic media, and the company permits you or your representative to present your proposal via such media, then you may appear through electronic media rather than traveling to the meeting to appear in person.

(3) If you or your qualified representative fail to appear and present the proposal, without good cause, the company will be permitted to exclude all of your proposals from its proxy materials for any meetings held in the following two calendar years.

(i) *Question 9:* If I have complied with the procedural requirements, on what other bases may a company rely to exclude my proposal? (1) Improper under state law: If the proposal is not a proper subject for action by shareholders under the laws of the jurisdiction of the company's organization;

NOTE TO PARAGRAPH (i)(1): Depending on the subject matter, some proposals are not considered proper under state law if they would be binding on the company if approved by shareholders. In our experience, most proposals that are cast as recommendations or requests that the board of directors take specified action are proper under state law. Accordingly, we will assume that a proposal drafted as a recommendation or suggestion is proper unless the company demonstrates otherwise.

(2) *Violation of law:* If the proposal would, if implemented, cause the company to violate any state, federal, or foreign law to which it is subject;

NOTE TO PARAGRAPH (i)(2): We will not apply this basis for exclusion to permit exclusion of a proposal on grounds that it would violate foreign law if compliance with

the foreign law would result in a violation of any state or federal law.

(3) *Violation of proxy rules:* If the proposal or supporting statement is contrary to any of the Commission's proxy rules, including §240.14a-9, which prohibits materially false or misleading statements in proxy soliciting materials;

(4) *Personal grievance; special interest:* If the proposal relates to the redress of a personal claim or grievance against the company or any other person, or if it is designed to result in a benefit to you, or to further a personal interest, which is not shared by the other shareholders at large;

(5) *Relevance:* If the proposal relates to operations which account for less than 5 percent of the company's total assets at the end of its most recent fiscal year, and for less than 5 percent of its net earnings and gross sales for its most recent fiscal year, and is not otherwise significantly related to the company's business;

(6) *Absence of power/authority:* If the company would lack the power or authority to implement the proposal;

(7) *Management functions:* If the proposal deals with a matter relating to the company's ordinary business operations;

(8) *Relates to election:* If the proposal relates to an election for membership on the company's board of directors or analogous governing body;

(9) *Conflicts with company's proposal:* If the proposal directly conflicts with one of the company's own proposals to be submitted to shareholders at the same meeting;

NOTE TO PARAGRAPH (i)(9): A company's submission to the Commission under this section should specify the points of conflict with the company's proposal.

(10) *Substantially implemented:* If the company has already substantially implemented the proposal;

(11) *Duplication:* If the proposal substantially duplicates another proposal previously submitted to the company by another proponent that will be included in the company's proxy materials for the same meeting;

(12) *Resubmissions*: If the proposal deals with substantially the same subject matter as another proposal or proposals that has or have been previously included in the company's proxy materials within the preceding 5 calendar years, a company may exclude it from its proxy materials for any meeting held within 3 calendar years of the last time it was included if the proposal received:

- (i) Less than 3% of the vote if proposed once within the preceding 5 calendar years;
- (ii) Less than 6% of the vote on its last submission to shareholders if proposed twice previously within the preceding 5 calendar years; or
- (iii) Less than 10% of the vote on its last submission to shareholders if proposed three times or more previously within the preceding 5 calendar years; and

(13) *Specific amount of dividends*: If the proposal relates to specific amounts of cash or stock dividends.

(j) *Question 10*: What procedures must the company follow if it intends to exclude my proposal? (1) If the company intends to exclude a proposal from its proxy materials, it must file its reasons with the Commission no later than 80 calendar days before it files its definitive proxy statement and form of proxy with the Commission. The company must simultaneously provide you with a copy of its submission. The Commission staff may permit the company to make its submission later than 80 days before the company files its definitive proxy statement and form of proxy, if the company demonstrates good cause for missing the deadline.

(2) The company must file six paper copies of the following:

- (i) The proposal;
- (ii) An explanation of why the company believes that it may exclude the proposal, which should, if possible, refer to the most recent applicable authority, such as prior Division letters issued under the rule; and
- (iii) A supporting opinion of counsel when such reasons are based on matters of state or foreign law.

(k) *Question 11*: May I submit my own statement to the Commission responding to the company's arguments?

Yes, you may submit a response, but it is not required. You should try to submit any response to us, with a copy to the company, as soon as possible after the company makes its submission. This way, the Commission staff will have time to consider fully your submission before it issues its response. You should submit six paper copies of your response.

(1) *Question 12*: If the company includes my shareholder proposal in its proxy materials, what information about me must it include along with the proposal itself?

(1) The company's proxy statement must include your name and address, as well as the number of the company's voting securities that you hold. However, instead of providing that information, the company may instead include a statement that it will provide the information to shareholders promptly upon receiving an oral or written request.

(2) The company is not responsible for the contents of your proposal or supporting statement.

(m) *Question 13*: What can I do if the company includes in its proxy statement reasons why it believes shareholders should not vote in favor of my proposal, and I disagree with some of its statements?

(1) The company may elect to include in its proxy statement reasons why it believes shareholders should vote against your proposal. The company is allowed to make arguments reflecting its own point of view, just as you may express your own point of view in your proposal's supporting statement.

(2) However, if you believe that the company's opposition to your proposal contains materially false or misleading statements that may violate our anti-fraud rule, § 240.14a-9, you should promptly send to the Commission staff and the company a letter explaining the reasons for your view, along with a copy of the company's statements opposing your proposal. To the extent possible, your letter should include specific factual information demonstrating the inaccuracy of the company's claims. Time permitting, you may wish to try to work out your differences with the company by yourself

§ 240.14a-9

before contacting the Commission staff.

(3) We require the company to send you a copy of its statements opposing your proposal before it mails its proxy materials, so that you may bring to our attention any materially false or misleading statements, under the following timeframes:

(i) If our no-action response requires that you make revisions to your proposal or supporting statement as a condition to requiring the company to include it in its proxy materials, then the company must provide you with a copy of its opposition statements no later than 5 calendar days after the company receives a copy of your revised proposal; or

(ii) In all other cases, the company must provide you with a copy of its opposition statements no later than 30 calendar days before its files definitive copies of its proxy statement and form of proxy under § 240.14a-6.

(b) The fact that a proxy statement, form of proxy or other soliciting material has been filed with or examined by the Commission shall not be deemed a finding by the Commission that such material is accurate or complete or not false or misleading, or that the Commission has passed upon the merits of or approved any statement contained therein or any matter to be acted upon by security holders. § 240.14a-11 [Reserved]

§ 240.14a-12 Solicitation before furnishing a proxy statement.

(a) Notwithstanding the provisions of § 240.14a-3(a), a solicitation may be made before furnishing security holders with a proxy statement meeting the requirements of § 240.14a-3(a) if:

(1) Each written communication includes:

(i) The identity of the participants in the solicitation (as defined in Instruction 3 to Item 4 of Schedule 14A (§ 240.14a-101)) and a description of their direct or indirect interests, by security

holdings or otherwise, or a prominent legend in clear, plain language advising security holders where they can obtain that information; and

(ii) A prominent legend in clear, plain language advising security holders to read the proxy statement when it is available because it contains important information. The legend also must explain to investors that they can get the proxy statement, and any other relevant documents, for free at the Commission's web site and describe which documents are available free from the participants; and

(2) A definitive proxy statement meeting the requirements of § 240.14a-3(a) is sent or given to security holders solicited in reliance on this section before or at the same time as the forms of proxy, consent or authorization are furnished to or requested from security holders.

(b) Any soliciting material published, sent or given to security holders in accordance with paragraph (a) of this section must be filed with the Commission no later than the date the material is first published, sent or given to security holders. Three copies of the material must at the same time be filed with, or mailed for filing to, each national securities exchange upon which any class of securities of the registrant is listed and registered. The soliciting material must include a cover page in the form set forth in Schedule 14A (§ 240.14a-101) and the appropriate box on the cover page must be marked. Soliciting material in connection with a registered offering is required to be filed only under § 230.424 or § 230.425 of this chapter, and will be deemed filed under this section.

(c) Solicitations by any person or group of persons for the purpose of opposing a solicitation subject to this regulation by any other person or group of persons with respect to the election or removal of directors at any annual or special meeting of security holders also are subject to the following provisions:

(1) *Application of this rule to annual report.* Notwithstanding the provisions of § 240.14a-3 (b) and (c), any portion of the annual report referred to in § 240.14a-3(b) that comments upon or refers to any solicitation subject to this rule, or

to any participant in the solicitation, other than the solicitation by the management, must be filed with the Commission as proxy material subject to this regulation. This must be filed in electronic format unless an exemption is available under Rules 201 or 202 of Regulation S-T (§ 232.201 or § 232.202 of this chapter).

(2) *Use of reprints or reproductions.* In any solicitation subject to this § 240.14a-12(c), soliciting material that includes, in whole or part, any reprints or reproductions of any previously published material must:

(i) State the name of the author and publication, the date of prior publication, and identify any person who is quoted without being named in the previously published material.

(ii) Except in the case of a public or official document or statement, state whether or not the consent of the author and publication has been obtained to the use of the previously published material as proxy soliciting material.

(iii) If any participant using the previously published material, or anyone on his or her behalf, paid, directly or indirectly, for the preparation or prior publication of the previously published material, or has made or proposes to make any payments or give any other consideration in connection with the publication or republication of the material, state the circumstances.

Instructions to § 240.14a-12:

1. If paper filing is permitted, file eight copies of the soliciting material with the Commission, except that only three copies of the material specified by § 240.14a-12(c)(1) need be filed.

2. Any communications made under this section after the definitive proxy statement is on file but before it is disseminated also must specify that the proxy statement is publicly available and the anticipated date of dissemination.

(a) If the registrant knows that securities of any class entitled to vote at a meeting (or by written consents or authorizations if no meeting is held) with respect to which the registrant intends to solicit proxies, consents or authorizations are held of record by a broker,

§ 240.14a-13

dealer, voting trustee, bank, association, or other entity that exercises fiduciary powers in nominee name or otherwise, the registrant shall:

(1) By first class mail or other equally prompt means:

(i) Inquire of each such record holder:

(A) Whether other persons are the beneficial owners of such securities and if so, the number of copies of the proxy and other soliciting material necessary to supply such material to such beneficial owners;

(B) In the case of an annual (or special meeting in lieu of the annual) meeting, or written consents in lieu of such meeting, at which directors are to be elected, the number of copies of the annual report to security holders necessary to supply such report to beneficial owners to whom such reports are to be distributed by such record holder or its nominee and not by the registrant;

(C) If the record holder has an obligation under § 240.14b-1(b)(3) or § 240.14b-2(b)(4)(ii) and (iii), whether an agent has been designated to act on its behalf in fulfilling such obligation and, if so, the name and address of such agent; and

(D) Whether it holds the registrant's securities on behalf of any respondent bank and, if so, the name and address of each such respondent bank; and

(ii) Indicate to each such record holder:

(A) Whether the registrant, pursuant to paragraph (c) of this section, intends to distribute the annual report to security holders to beneficial owners of its securities whose names, addresses and securities positions are disclosed pursuant to § 240.14b-1(b)(3) or § 240.14b-2(b)(4)(ii) and (iii);

(B) The record date; and

(C) At the option of the registrant, any employee benefit plan established by an affiliate of the registrant that holds securities of the registrant that the registrant elects to treat as exempt employee benefit plan securities;

(2) Upon receipt of a record holder's or respondent bank's response indicating, pursuant to § 240.14b-2(b)(1)(i), the names and addresses of its respondent banks, within one business day after the date such response is received, make an inquiry of and give no-

tification to each such respondent bank in the same manner required by paragraph (a)(1) of this section; *Provided, however*, the inquiry required by paragraphs (a)(1) and (a)(2) of this section shall not cover beneficial owners of exempt employee benefit plan securities;

(3) Make the inquiry required by paragraph (a)(1) of this section at least 20 business days prior to the record date of the meeting of security holders, or

(i) If such inquiry is impracticable 20 business days prior to the record date of a special meeting, as many days before the record date of such meeting as is practicable or,

(ii) If consents or authorizations are solicited, and such inquiry is impracticable 20 business days before the earliest date on which they may be used to effect corporate action, as many days before that date as is practicable, or

(iii) At such later time as the rules of a national securities exchange on which the class of securities in question is listed may permit for good cause shown; *Provided, however*, That if a record holder or respondent bank has informed the registrant that a designated office(s) or department(s) is to receive such inquiries, the inquiry shall be made to such designated office(s) or department(s); and

(4) Supply, in a timely manner, each record holder and respondent bank of whom the inquiries required by paragraphs (a)(1) and (a)(2) of this section are made with copies of the proxy, other proxy soliciting material, and/or the annual report to security holders, in such quantities, assembled in such form and at such place(s), as the record holder or respondent bank may reasonably request in order to send such material to each beneficial owner of securities who is to be furnished with such material by the record holder or respondent bank; and

(5) Upon the request of any record holder or respondent bank that is supplied with proxy soliciting material and/or annual reports to security holders pursuant to paragraph (a)(4) of this section, pay its reasonable expenses for completing the mailing of such material to beneficial owners.

Securities and Exchange Commission

§ 240.14a-13

NOTE 1: If the registrant's list of security holders indicates that some of its securities are registered in the name of a clearing agency registered pursuant to Section 17A of the Act (e.g., "Cede & Co.," nominee for the Depository Trust Company), the registrant shall make appropriate inquiry of the clearing agency and thereafter of the participants in such clearing agency who may hold on behalf of a beneficial owner or respondent bank, and shall comply with the above paragraph with respect to any such participant (see § 240.14a-1(i)).

NOTE 2: The attention of registrants is called to the fact that each broker, dealer, bank, association, and other entity that exercises fiduciary powers has an obligation pursuant to § 240.14b-1 and § 240.14b-2 (except as provided therein with respect to exempt employee benefit plan securities held in nominee name) and, with respect to brokers and dealers, applicable self-regulatory organization requirements to obtain and forward, within the time periods prescribed therein, (a) proxies (or in lieu thereof requests for voting instructions) and proxy soliciting materials to beneficial owners on whose behalf it holds securities, and (b) annual reports to security holders to beneficial owners on whose behalf it holds securities, unless the registrant has notified the record holder or respondent bank that it has assumed responsibility to mail such material to beneficial owners whose names, addresses, and securities positions are disclosed pursuant to § 240.14b-1(b)(3) and § 240.14b-2(b)(4)(ii) and (iii).

NOTE 3: The attention of registrants is called to the fact that registrants have an obligation, pursuant to paragraph (d) of this section, to cause proxies (or in lieu thereof requests for voting instructions), proxy soliciting material and annual reports to security holders to be furnished, in a timely manner, to beneficial owners of exempt employee benefit plan securities.

(b) Any registrant requesting pursuant to § 240.14b-1(b)(3) or § 240.14b-2(b)(4)(ii) and (iii) a list of names, addresses and securities positions of beneficial owners of its securities who either have consented or have not objected to disclosure of such information shall:

(1) By first class mail or other equally prompt means, inquire of each record holder and each respondent bank identified to the registrant pursuant to § 240.14b-2(b)(4)(i) whether such record holder or respondent bank holds the registrant's securities on behalf of any respondent banks and, if so, the name and address of each such respondent bank;

(2) Request such list to be compiled as of a date no earlier than five business days after the date the registrant's request is received by the record holder or respondent bank; *Provided, however*, That if the record holder or respondent bank has informed the registrant that a designated office(s) or department(s) is to receive such requests, the request shall be made to such designated office(s) or department(s);

(3) Make such request to the following persons that hold the registrant's securities on behalf of beneficial owners: all brokers, dealers, banks, associations and other entities that exercises fiduciary powers; *Provided however*, such request shall not cover beneficial owners of exempt employee benefit plan securities as defined in § 240.14a-1(d)(1); and, at the option of the registrant, such request may give notice of any employee benefit plan established by an affiliate of the registrant that holds securities of the registrant that the registrant elects to treat as exempt employee benefit plan securities;

(4) Use the information furnished in response to such request exclusively for purposes of corporate communications; and

(5) Upon the request of any record holder or respondent bank to whom such request is made, pay the reasonable expenses, both direct and indirect, of providing beneficial owner information.

NOTE: A registrant will be deemed to have satisfied its obligations under paragraph (b) of this section by requesting consenting and non-objecting beneficial owner lists from a designated agent acting on behalf of the record holder or respondent bank and paying to that designated agent the reasonable expenses of providing the beneficial owner information.

(c) A registrant, at its option, may mail its annual report to security holders to the beneficial owners whose identifying information is provided by record holders and respondent banks, pursuant to § 240.14b-1(b)(3) or § 240.14b-2(b)(4)(ii) and (iii), provided that such registrant notifies the record holders and respondent banks, at the time it

§ 240.14a-14

makes the inquiry required by paragraph (a) of this section, that the registrant will mail the annual report to security holders to the beneficial owners so identified.

(d) If a registrant solicits proxies, consents or authorizations from record holders and respondent banks who hold securities on behalf of beneficial owners, the registrant shall cause proxies (or in lieu thereof requests or voting instructions), proxy soliciting material and annual reports to security holders to be furnished, in a timely manner, to beneficial owners of exempt employee benefit plan securities.

§ 240.14a-14 Modified or superseded documents.

(a) Any statement contained in a document incorporated or deemed to be incorporated by reference shall be deemed to be modified or superseded, for purposes of the proxy statement, to the extent that a statement contained in the proxy statement or in any other subsequently filed document that also is or is deemed to be incorporated by reference modifies or replaces such statement.

(b) The modifying or superseding statement may, but need not, state it has modified or superseded a prior statement or include any other information set forth in the document that is not so modified or superseded. The making of a modifying or superseding statement shall not be deemed an admission that the modified or superseded statement, when made, constituted an untrue statement of a material fact, an omission to state a material fact necessary to make a statement not misleading, or the employment of a manipulative, deceptive, or fraudulent device, contrivance, scheme, transaction, act, practice, course of business or artifice to defraud, as those terms are used in the Securities Act of 1933, the Securities Exchange Act of 1934 ("the Act"), the Public Utility Holding Company Act of 1935, the Investment Company Act of 1940, or the rules and regulations thereunder.

NOTES

NOTES: A. Where any item calls for information with respect to any matter to be acted upon and such matter involves other matters with respect to which information is called for by other items of this schedule, the information called for by such other items also shall be given. For example, where a solicitation of security holders is for the purpose of approving the authorization of additional securities which are to be used

to acquire another specified company, and the registrants' security holders will not have a separate opportunity to vote upon the transaction, the solicitation to authorize the securities is also a solicitation with respect to the acquisition. Under those facts, information required by Items 11, 13 and 14 shall be furnished.

B. Where any item calls for information with respect to any matter to be acted upon at the meeting, such item need be answered in the registrant's soliciting material only with respect to proposals to be made by or on behalf of the registrant.

C. Except as otherwise specifically provided, where any item calls for information for a specified period with regard to directors, executive officers, officers or other persons holding specified positions or relationships, the information shall be given with regard to any person who held any of the specified positions or relationships at any time during the period. Information need not be included for any portion of the period during which such person did not hold any such position or relationship, provided a statement to that effect is made.

D. Information may be incorporated by reference only in the manner and to the extent specifically permitted in the items of this schedule. Where incorporation by reference is used, the following shall apply:

1. Any incorporation by reference of information pursuant to the provisions of this schedule shall be subject to the provisions of § 228.10(f) and § 229.10(d) of this chapter restricting incorporation by reference of documents which incorporate by reference other information. A registrant incorporating any documents, or portions of documents, shall include a statement on the last page(s) of the proxy statement as to which documents, or portions of documents, are incorporated by reference. Information shall not be incorporated by reference in any case where such incorporation would render the statement incomplete, unclear or confusing.

2. If a document is incorporated by reference but not delivered to security holders, include an undertaking to provide, without charge, to each person to whom a proxy statement is delivered, upon written or oral request of such person and by first class mail or other equally prompt means within one business day of receipt of such request, a copy of any and all of the information that has been incorporated by reference in the proxy statement (not including exhibits to the information that is incorporated by reference unless such exhibits are specifically incorporated by reference into the information that the proxy statement incorporates), and the address (including title or department) and telephone numbers to which such

§ 240.14a-101

a request is to be directed. This includes information contained in documents filed subsequent to the date on which definitive copies of the proxy statement are sent or given to security holders, up to the date of responding to the request.

3. If a document or portion of a document other than an annual report sent to security holders pursuant to the requirements of Rule 14a-3 (§ 240.14a-3 of this chapter) with respect to the same meeting or solicitation of consents or authorizations as that to which the proxy statement relates is incorporated by reference in the manner permitted by Item 13(b) or 14(e)(1) of this schedule, the proxy statement must be sent to security holders no later than 20 business days prior to the date on which the meeting of such security holders is held or, if no meeting is held, at least 20 business days prior to the date the votes, consents or authorizations may be used to effect the corporate action.

4. *Electronic filings.* If any of the information required by Items 13 or 14 of this Schedule is incorporated by reference from an annual or quarterly report to security holders, such report, or any portion thereof incorporated by reference, shall be filed in electronic format with the proxy statement. This provision shall not apply to registered investment companies.

E. Regulation S-B, small business issuers need not provide the information requested. Small business issuers shall provide the financial information in Item 310 of Regulation S-B in lieu of the financial statements required in Schedule 14A.

If paragraph G(2) or G(3), below, does not contain an alternative disclosure instruction, small business issuers should comply with the disclosure item in this schedule, as modified by Instruction F.

(2) Registrants and acquirers that relied upon Alternative 1 in their most recent Form 10-KSB may provide the following information (Question numbers are in reference to Model A of Form 1-A): (a) Questions 37 and 38 instead of Item 6(d); (b) Question 43 instead of Item 7(a); (c) Questions 29-36 and 39 instead of Item 7(b); (d) Questions 40-42 instead of Item 8; (e) Questions 40-42 instead of Item 10; (f) the information required in Part F/S of Form 10-SB instead of the financial statement requirements of Items 13 or 14; (g) Questions 4, 11, and 47-50 instead of Item 13(a)(1)(3); (h) Question 3 instead of the information specified in Items 101 and 102 of Regulation S-B (§§ 228.101 and 228.102 of this chapter); and (i) Questions 4, 11, and 47-50 instead of the information specified in Item 303 of Regulation S-B (§ 228.303 of this chapter).

(3) Registrants and acquirers that relied upon Alternative 2 in their most recent Form 10-KSB may provide the following information (“Model B” refers to Model B of Form 1-A): (a) Item 10 of Model B instead of Item 6(d) of Schedule 14A; (b) Item 8(d) of Model B instead of Item 7(a) of Schedule 14A; (c) Items 8(a)(8)(c) and Item 11 of Model B instead of Item 7(b) of Schedule 14A; (d) Item 9 of Model B instead of Item 8 of Schedule 14A; (e) Item 9 of Model B instead of Item 10 of Schedule 14A; (f) the information required in Part F/S of Form 10-SB instead of the financial statements requirements of Items 13 or 14 of Schedule 14A; (g) Item 6(a)(3)(i) of Model B instead of Item 13(a)(1)(3) of Schedule 14A; (h) Items 6 and 7 of Model B instead of the information specified in Items 101 and 102 of Regulation S-B (§§ 228.101 and 228.102 of this chapter); and (i) Item 6(a)(3)(i) of Model B instead of the information specified in Item 303 of Regulation S-B (§ 228.303 of this chapter).

Item 1. Date, time and place information. (a) State the date, time and place of the meeting of security holders, and the complete

mailing address, including ZIP Code, of the principal executive offices of the registrant, unless such information is otherwise disclosed in material furnished to security holders with or preceding the proxy statement. If action is to be taken by written consent, state the date by which consents are to be submitted if state law requires that such a date be specified or if the person soliciting intends to set a date.

(b) On the first page of the proxy statement, as delivered to security holders, state the approximate date on which the proxy statement and form of proxy are first sent or given to security holders.

(c) Furnish the information required to be in the proxy statement by Rule 14a-5(e) (§240.14a-5(e) of this chapter).

Item 2. Revocability of proxy. State whether or not the person giving the proxy has the power to revoke it. If the right of revocation before the proxy is exercised is limited or is subject to compliance with any formal procedure, briefly describe such limitation or procedure.

Item 3. Dissenters' right of appraisal. Outline briefly the rights of appraisal or similar rights of dissenters with respect to any matter to be acted upon and indicate any statutory procedure required to be followed by dissenting security holders in order to perfect such rights. Where such rights may be exercised only within a limited time after the date of adoption of a proposal, the filing of a charter amendment or other similar act, state whether the persons solicited will be notified of such date.

Instructions. 1. Indicate whether a security holder's failure to vote against a proposal will constitute a waiver of his appraisal or similar rights and whether a vote against a proposal will be deemed to satisfy any notice requirements under State law with respect to appraisal rights. If the State law is unclear, state what position will be taken in regard to these matters.

2. Open-end investment companies registered under the Investment Company Act of 1940 are not required to respond to this item.

Item 4. Persons Making the Solicitation—a) Solicitations not subject to Rule 14a-12(c) (§240.14a-12(c)). (1) If the solicitation is made by the registrant, so state. Give the name of any director of the registrant who has informed the registrant in writing that he intends to oppose any action intended to be taken by the registrant and indicate the action which he intends to oppose.

(2) If the solicitation is made otherwise than by the registrant, so state and give the names of the participants in the solicitation, as defined in paragraphs (a) (iii), (iv), (v) and (vi) of Instruction 3 to this Item.

(3) If the solicitation is to be made otherwise than by the use of the mails, describe the methods to be employed. If the solicita-

tion is to be made by specially, engaged employees or paid solicitors, state (i) the material features of any contract or arrangement for such solicitation and identify the parties, and (ii) the cost or anticipated cost thereof.

(4) State the names of the persons by whom the cost of solicitation has been or will be borne, directly or indirectly.

(b) *Solicitations subject to Rule 14a-12(c) (§240.14a-12(c)).* (1) State by whom the solicitation is made and describe the methods employed and to be employed to solicit security holders.

(2) If regular employees of the registrant or any other participant in a solicitation have been or are to be employed to solicit security holders, describe the class or classes of employees to be so employed, and the manner and nature of their employment for such purpose.

(3) If specially engaged employees, representatives or other persons have been or are to be employed to solicit security holders, state (i) the material features of any contract or arrangement for such solicitation and the identity of the parties, (ii) the cost or anticipated cost thereof and (iii) the approximate number of such employees of employees or any other person (naming such other person) who will solicit security holders).

(4) State the total amount estimated to be spent and the total expenditures to date for, in furtherance of, or in connection with the solicitation of security holders.

(5) State by whom the cost of the solicitation will be borne. If such cost is to be borne initially by any person other than the registrant, state whether reimbursement will be sought from the registrant, and, if so, whether the question of such reimbursement will be submitted to a vote of security holders.

(6) If any such solicitation is terminated pursuant to a settlement between the registrant and any other participant in such solicitation, describe the terms of such settlement, including the cost or anticipated cost thereof to the registrant.

Instructions. 1. With respect to solicitations subject to Rule 14a-12(c) (§240.14a-12(c)), costs and expenditures within the meaning of this Item 4 shall include fees for attorneys, accountants, public relations or financial advisers, solicitors, advertising, printing, transportation, litigation and other costs incidental to the solicitation, except that the registrant may exclude the amount of such costs represented by the amount normally expended for a solicitation for an election of directors in the absence of a contest, and costs represented by salaries and wages of regular employees and officers, provided a statement to that effect is included in the proxy statement.

2. The information required pursuant to paragraph (b)(6) of this Item should be included in any amended or revised proxy

statement or other soliciting materials relating to the same meeting or subject matter furnished to security holders by the registrant subsequent to the date of settlement.

3. For purposes of this Item 4 and Item 5 of this Schedule 14A:

(a) The terms “participant” and “participant in a solicitation” include the following:

- (i) The registrant;
- (ii) Any director of the registrant, and any nominee for whose election as a director proxies are solicited;
- (iii) Any committee or group which solicits proxies, any member of such committee or group, and any person whether or not named as a member who, acting alone or with one or more other persons, directly or indirectly takes the initiative, or engages, in organizing, directing, or arranging for the financing of any such committee or group;
- (iv) Any person who finances or joins with another to finance the solicitation of proxies, except persons who contribute not more than \$500 and who are not otherwise participants;
- (v) Any person who lends money or furnishes credit or enters into any other arrangements, pursuant to any contract or understanding with a participant, for the purpose of financing or otherwise inducing the purchase, sale, holding or voting of securities of the registrant by any participant or other persons, in support of or in opposition to a participant; except that such terms do not include a bank, broker or dealer who, in the ordinary course of business, lends money or executes orders for the purchase or sale of securities and who is not otherwise a participant; and
- (vi) Any person who solicits proxies.

(b) The terms “participant” and “participant in a solicitation” do not include:

- (ii) Any person who merely transmits proxy soliciting material or performs other ministerial or clerical duties;
- (iii) Any person employed by a participant in the capacity of attorney, accountant, or advertising, public relations or financial adviser, and whose activities are limited to the duties required to be performed in the course of such employment;
- (iv) Any person regularly employed as an officer or employee of the registrant or any of its subsidiaries who is not otherwise a participant; or
- (v) Any officer or director of, or any person regularly employed by, any other participant, if such officer, director or employee is not otherwise a participant.

(c) *Item 5. Interest of certain Persons in Matters To Be Acted Upon—*a) *Solicitations not subject to Rule 14a-12(c) (§ 240.14a-12(c)).* Describe

briefly any substantial interest, direct or indirect, by security holdings or otherwise, of each of the following persons in any matter to be acted upon, other than elections to office:

(1) If the solicitation is made on behalf of the registrant, each person who has been a director or executive officer of the registrant at any time since the beginning of the last fiscal year.

(2) If the solicitation is made otherwise than on behalf of the registrant, each participant in the solicitation, as defined in paragraphs (a) (iii), (iv), (v), and (vi) of Instruction 3 to Item 4 of this Schedule 14A.

(3) Each nominee for election as a director of the registrant.

(4) Each associate of any of the foregoing persons.

Instruction. Except in the case of a solicitation subject to this regulation made in opposition to another solicitation subject to this regulation, this sub-item (a) shall not apply to any interest arising from the ownership of securities of the registrant where the security holder receives no extra or special benefit not shared on a pro rata basis by all other holders of the same class.

(b) *Solicitation subject to Rule 14a-12(c) (§ 240.14a-12(c)).* With respect to any solicitation subject to Rule 14a-12(c) (§ 240.14a-12(c)):

(1) Describe briefly any substantial interest, direct or indirect, by security holdings or otherwise, of each participant as defined in paragraphs (a) (ii), (iii), (iv), (v) and (vi) of Instruction 3 to Item 4 of this Schedule 14A, in any matter to be acted upon at the meeting, and include with respect to each participant the following information, or a fair and accurate summary thereof:

(i) Name and business address of the participant.

(ii) The participant's present principal occupation or employment and the name, principal business and address of any corporation or other organization in which such employment is carried on.

(iii) State whether or not, during the past ten years, the participant has been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) and, if so, give dates, nature of conviction, name and location of court, and penalty imposed or other disposition of the case. A negative answer need not be included in the proxy statement or other soliciting material.

(iv) State the amount of each class of securities of the registrant which the participant owns beneficially, directly or indirectly.

(v) State the amount of each class of securities of the registrant which the participant owns of record but not beneficially.

(vi) State with respect to all securities of the registrant purchased or sold within the past two years, the dates on which they were purchased or sold and the amount purchased or sold on each such date.

(vii) If any part of the purchase price or market value of any of the shares specified in paragraph (b)(1)(vi) of this Item is represented by funds borrowed or otherwise obtained for the purpose of acquiring or holding such securities, so state and indicate the amount of the indebtedness as of the latest practicable date. If such funds were borrowed or obtained otherwise than pursuant to a margin account or bank loan in the regular course of business of a bank, broker or dealer, briefly describe the transaction, and state the names of the parties.

(viii) State whether or not the participant is, or was within the past year, a party to any contract, arrangements or understandings with any person with respect to any securities of the registrant, including, but not limited to joint ventures, loan or option arrangements, puts or calls, guarantees against loss or guarantees of profit, division of losses or profits, or the giving or withholding of proxies. If so, name the parties to such contracts, arrangements or understandings and give the details thereof.

(ix) State the amount of securities of the registrant owned beneficially, directly or indirectly, by each of the participant's associates and the name and address of each such associate.

(x) State the amount of each class of securities of any parent or subsidiary of the registrant which the participant owns beneficially, directly or indirectly.

(xi) Furnish for the participant and associates of the participant the information required by Item 404(a) of Regulation S-K (§229.404(a) of this chapter).

(xii) State whether or not the participant or any associates of the participant have any arrangement or understanding with any person—

(A) with respect to any future employment by the registrant or its affiliates; or

(B) with respect to any future transactions to which the registrant or any of its affiliates will or may be a party.

If so, describe such arrangement or understanding and state the names of the parties thereto.

(2) With respect to any person, other than a director or executive officer of the registrant acting solely in that capacity, who is a party to an arrangement or understanding pursuant to which a nominee for election as director is proposed to be elected, describe any substantial interest, direct or indirect, by security holdings or otherwise, that such person has in any matter to be acted upon at the meeting, and furnish the information called for by paragraphs (b)(1) (xi) and (xii) of this Item.

Instruction: For purposes of this Item 5, beneficial ownership shall be determined in accordance with Rule 13d-3 under the Act (Section 240.13d-3 of this chapter).

Item 6. Voting securities and principal holders thereof. (a) As to each class of voting securities of the registrant entitled to be voted at the meeting (or by written consents or authorizations if no meeting is held), state the number of shares outstanding and the number of votes to which each class is entitled.

(b) State the record date, if any, with respect to this solicitation. If the right to vote or give consent is not to be determined, in whole or in part, by reference to a record date, indicate the criteria for the determination of security holders entitled to vote or give consent.

(c) If action is to be taken with respect to the election of directors and if the persons solicited have cumulative voting rights: (1) Make a statement that they have such rights, (2) briefly describe such rights, (3) state briefly the conditions precedent to the exercise thereof, and (4) if discretionary authority to cumulate votes is solicited, so indicate.

(d) Furnish the information required by Item 403 of Regulation S-K (§229.403 of this chapter) to the extent known by the persons on whose behalf the solicitation is made.

(e) If, to the knowledge of the persons on whose behalf the solicitation is made, a change in control of the registrant has occurred since the beginning of its last fiscal year, state the name of the person(s) who acquired such control, the amount and the source of the consideration used by such person or persons; the basis of the control, the date and a description of the transaction(s) which resulted in the change of control and the percentage of voting securities of the registrant now beneficially owned directly or indirectly by the person(s) who acquired control; and the identity of the person(s) from whom control was assumed. If the source of all or any part of the consideration used is a loan made in the ordinary course of business by a bank as defined by section 3(a)(6) of the Act, the identity of such bank shall be omitted provided a request for confidentiality has been made pursuant to section 13(d)(1)(B) of the Act by the person(s) who acquired control. In lieu thereof, the material shall indicate that the identity of the bank has been so omitted and filed separately with the Commission.

Instruction. 1. State the terms of any loans or pledges obtained by the new control group for the purpose of acquiring control, and the names of the lenders or pledgees.

2. Any arrangements or understandings among members of both the former and new control groups and their associates with respect to election of directors or other matters should be described.

Item 7. Directors and executive officers. If action is to be taken with respect to the election of directors, furnish the following information in tabular form to the extent practicable. If, however, the solicitation is made

on behalf of persons other than the registrant, the information required need be furnished only as to nominees of the persons making the solicitation.

(a) The information required by instruction 4 to Item 103 of Regulation S-K (§ 229.103 of this chapter) with respect to directors and executive officers.

(b) The information required by Items 401, 404 (a) and (c), and 405 of Regulation S-K (§ 229.401, § 229.404 and § 229.405 of this chapter).

(c) The information required by Item 404(b) of Regulation S-K (§ 229.404 of this chapter).

(d)(1) State whether or not the registrant has standing audit, nominating and compensation committees of the Board of Directors, or committees performing similar functions. If the registrant has such committees, however designated, identify each committee member, state the number of committee meetings held by each such committee during the last fiscal year and describe briefly the functions performed by such committees. Such disclosure need not be provided to the extent it is duplicative of disclosure provided in accordance with Item 401(i) of Regulation S-K (§ 229.401(i) of this chapter).

(2)(i) If the registrant does not have a standing nominating committee or committee performing similar functions, state the basis for the view of the board of directors that it is appropriate for the registrant not to have such a committee and identify each director who participates in the consideration of director nominees;

(ii) Provide the following information regarding the registrant's director nomination process:

(A) If the nominating committee has a charter, disclose whether a current copy of the charter is available to security holders on the registrant's Web site. If the nominating committee has a charter and a current copy of the charter is available to security holders on the registrant's Web site, provide the registrant's Web site address. If the nominating committee has a charter and a current copy of the charter is not available to security holders on the registrant's Web site, include a copy of the charter as an appendix to the registrant's proxy statement at least once every three fiscal years. If a current copy of the charter is not available to security holders on the registrant's Web site, and is not included as an appendix to the registrant's proxy statement, identify in which of the prior fiscal years the charter was so included in satisfaction of this requirement;

(B) If the nominating committee does not have a charter, state that fact;

(C) If the registrant is a listed issuer (as defined in § 240.10A-3) whose securities are listed on a national securities exchange registered pursuant to section 6(a) of the Act (15 U.S.C. 78f(a)) or in an automated inter-dealer

quotation system of a national securities association registered pursuant to section 15A(a) of the Act (15 U.S.C. 78o-3(a)) that has independence requirements for nominating committee members, disclose whether the members of the nominating committee are independent, as independence for nominating committee members is defined in the listing standards applicable to the listed issuer;

(D) If the registrant is not a listed issuer (as defined in § 240.10A-3), disclose whether each of the members of the nominating committee is independent. In determining whether a member is independent, the registrant must use a definition of independence of a national securities exchange registered pursuant to section 6(a) of the Act (15 U.S.C. 78f(a)) or a national securities association registered pursuant to section 15A(a) of the Act (15 U.S.C. 78o-3(a)) that has been approved by the Commission (as that definition may be modified or supplemented), and state which definition it used. Whatever definition the registrant chooses, it must apply that definition consistently to all members of the nominating committee and use the independence standards of the same national securities exchange or national securities association for purposes of nominating committee disclosure under this requirement and audit committee disclosure required under paragraph (d)(3)(iv) of Item 7 of Schedule 14A (§ 240.14a-101);

(E) If the nominating committee has a policy with regard to the consideration of any director candidates recommended by security holders, provide a description of the material elements of that policy, which shall include, but need not be limited to, a statement as to whether the committee will consider director candidates recommended by security holders;

(F) If the nominating committee does not have a policy with regard to the consideration of any director candidates recommended by security holders, state that fact and state the basis for the view of the board of directors that it is appropriate for the registrant not to have such a policy;

(G) If the nominating committee will consider candidates recommended by security holders, describe the procedures to be followed by security holders in submitting such recommendations;

(H) Describe any specific, minimum qualifications that the nominating committee believes must be met by a nominating committee-recommended nominee for a position on the registrant's board of directors, and describe any specific qualities or skills that the nominating committee believes are necessary for one or more of the registrant's directors to possess;

(I) Describe the nominating committee's process for identifying and evaluating nominees for director, including nominees recommended by security holders, and any differences in the manner in which the nominating committee evaluates nominees for director based on whether the nominee is recommended by a security holder;

(J) With regard to each nominee approved by the nominating committee for inclusion on the registrant's proxy card (other than nominees who are executive officers or who are directors standing for re-election), state which one or more of the following categories of persons or entities recommended that nominee: security holder, non-management director, chief executive officer, other executive officer, third-party search firm, or other, specified source. With regard to each such nominee approved by a nominating committee of an investment company, state which one or more of the following additional categories of persons or entities recommended that nominee: security holder, director, chief executive officer, other executive officer, or employee of the investment company's investment adviser, principal underwriter, or any affiliated person of the investment adviser or principal underwriter;

(K) If the registrant pays a fee to any third party or parties to identify or evaluate or assist in identifying or evaluating potential nominees, disclose the function performed by each such third party; and

(L) If the registrant's nominating committee received, by a date not later than the 120th calendar day before the date of the registrant's proxy statement released to security holders in connection with the previous year's annual meeting, a recommended nominee from a security holder that beneficially owned more than 5% of the registrant's voting common stock for at least one year as of the date the recommendation was made, or from a group of security holders that beneficially owned, in the aggregate, more than 5% of the registrant's voting common stock, with each of the securities used to calculate that ownership held for at least one year as of the date the recommendation was made, identify the candidate and the security holder or security holder group that recommended the candidate and disclose whether the nominating committee chose to nominate the candidate, provided, however, that no such identification or disclosure is required without the written consent of both the security holder or security holder group and the candidate to be so identified.

Instructions to paragraph (d)(2)(ii)(L):

1. For purposes of Item 7(d)(2)(ii)(L), the percentage of securities held by a nominating security holder may be determined using information set forth in the registrant's most recent quarterly or annual report, and any current report subsequent thereto, filed with the Commission pursuant

to this Act (or, in the case of a registrant that is an investment company registered under the Investment Company Act of 1940, the registrant's most recent report on Form N-CSR (§§ 249.331 and 274.128)), unless the party relying on such report knows or has reason to believe that the information contained therein is inaccurate.

2. For purposes of the registrant's obligation to provide the disclosure specified in Item 7(d)(2)(ii)(L), where the date of the annual meeting has been changed by more than 30 days from the date of the previous year's meeting, the obligation under that Item will arise where the registrant receives the security holder recommendation a reasonable time before the registrant begins to print and mail its proxy materials.

3. For purposes of Item 7(d)(2)(ii)(L), the percentage of securities held by a recommending security holder, as well as the holding period of those securities, may be determined by the registrant if the security holder is the registered holder of the securities. If the security holder is not the registered owner of the securities, he or she can submit one of the following to the registrant to evidence the required ownership percentage and holding period:

A. A written statement from the "record" holder of the securities (usually a broker or bank) verifying that, at the time the security holder made the recommendation, he or she had held the required securities for at least one year; or

B. If the security holder has filed a Schedule 13D (§ 240.13d-101), Schedule 13G (§ 240.13d-102), Form 3 (§ 249.103), Form 4 (§ 249.104), and/or Form 5 (§ 249.105), or amendments to those documents or updated forms, reflecting ownership of the securities as of or before the date of the recommendation, a copy of the schedule and/or form, and any subsequent amendments reporting a change in ownership level, as well as a written statement that the security holder continuously held the securities for the one-year period as of the date of the recommendation.

4. For purposes of the registrant's obligation to provide the disclosure specified in Item 7(d)(2)(ii)(L), the security holder or group must have provided to the registrant, at the time of the recommendation, the written consent of all parties to be identified and, where the security holder or group members are not registered holders, proof that the security holder or group satisfied the required ownership percentage and holding period as of the date of the recommendation.

Instruction to paragraph (d)(2)(ii): For purposes of Item 7(d)(2)(ii), the term "nominating committee" refers not only to nominating committees and committees performing similar functions, but also to groups

§ 240.14a-101

17 CFR Ch. II (4-1-06 Edition)

of directors fulfilling the role of a nominating committee, including the entire board of directors.

(3) If the registrant has an audit committee:

(i) Provide the information required by Item 306 of Regulation S-K (17 CFR 229.306).

(ii) State whether the registrant's Board of Directors has adopted a written charter for the audit committee.

(iii) Include a copy of the written charter, if any, as an appendix to the registrant's proxy statement, unless a copy has been included as an appendix to the registrant's proxy statement within the registrant's past three fiscal years.

(iv)(A) If the registrant is a listed issuer, as defined in § 240.10A-3:

(1) Disclose whether the members of the audit committee are independent, as independence for audit committee members is defined in the listing standards applicable to the listed issuer. If the registrant does not have a separately designated audit committee, or committee performing similar functions, the registrant must provide the disclosure with respect to all members of its board of directors.

(2) If the listed issuer's board of directors determines, in accordance with the listing standards applicable to the listed issuer, to appoint a director to the audit committee who is not independent (apart from the requirements in § 240.10A-3) because of exceptional or limited or similar circumstances, disclose the nature of the relationship that makes that individual not independent and the reasons for the board of directors' determination.

(B) If the registrant, including a small business issuer, is not a listed issuer, disclose whether the registrant has an audit committee established in accordance with section 3(a)(58)(A) of the Act (15 U.S.C. 78c(a)(58)(A)) and, if so, whether the members of the committee are independent. In determining whether a member is independent, the registrant must use a definition for audit committee member independence of a national securities exchange registered pursuant to section 6(a) of the Act (15 U.S.C. 78f(a)) or a national securities association registered pursuant to section 15A(a) of the Act (15 U.S.C. 78o-3(a)) that has been approved by the Commission (as such definition may be modified or supplemented), and state which definition was used. Whichever definition is chosen must be applied consistently to all members of the audit committee.

(v) The information required by paragraph (d)(3) of this Item shall not be deemed to be "soliciting material," or to be "filed" with the Commission or subject to Regulation 14A or 14C (17 CFR 240.14a-1 *et seq.* or 240.14c-1 *et seq.*), other than as provided in this Item, or to the liabilities of section 18 of the Exchange Act (15 U.S.C. 78r), except to the ex-

tent that the registrant specifically requests that the information be treated as soliciting material or specifically incorporates it by reference into a document filed under the Securities Act or the Exchange Act. Such information will not be deemed to be incorporated by reference into any filing under the Securities Act or the Exchange Act, except to the extent that the registrant specifically incorporates it by reference.

(vi) The disclosure required by this paragraph (d)(3) need only be provided one time during any fiscal year.

(vii) Investment companies registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*), other than closed-end investment companies, need not provide the information required by this paragraph (d)(3).

(e) In lieu of paragraphs (a) through (d)(1) and (d)(2)(ii)(D) of this Item, investment companies registered under the Investment Company Act of 1940 (15 U.S.C. 80a) must furnish the information required by Item 22(b) of this Schedule 14A.

(f) State the total number of meetings of the board of directors (including regularly scheduled and special meetings) which were held during the last full fiscal year. Name each incumbent director who during the last full fiscal year attended fewer than 75 percent of the aggregate of (1) the total number of meetings of the board of directors (held during the period for which he has been a director) and (2) the total number of meetings held by all committees of the board on which he served (during the periods that he served).

(g) If a director has resigned or declined to stand for re-election to the board of directors since the date of the last annual meeting of security holders because of a disagreement with the registrant on any matter relating to the registrant's operations, policies or practices, and if the director has furnished the registrant with a letter describing such disagreement and requesting that the matter be disclosed, the registrant shall state the date of resignation or declination to stand for re-election and summarize the director's description of the disagreement.

If the registrant believes that the description provided by the director is incorrect or incomplete, it may include a brief statement presenting its view of the disagreement.

(h)(1) State whether or not the registrant's board of directors provides a process for security holders to send communications to the board of directors and, if the registrant does not have such a process for security holders to send communications to the board of directors, state the basis for the view of the board of directors that it is appropriate for the registrant not to have such a process;

(2) If the registrant has a process for security holders to send communications to the board of directors:

(i) Describe the manner in which security holders can send communications to the board and, if applicable, to specified individual directors; and

(ii) If all security holder communications are not sent directly to board members, describe the registrant's process for determining which communications will be relayed to board members; and

Instruction to paragraph (h)(2)(ii): For purposes of the disclosure required by this paragraph, a registrant's process for collecting and organizing security holder communications, as well as similar or related activities, need not be disclosed provided that the registrant's process is approved by a majority of the independent directors or, in the case of a registrant that is an investment company, a majority of the directors who are not "interested persons" of the investment company as defined in section 2(a)(19) of the Investment Company Act of 1940 (15 U.S.C. 80a-2(a)(19)).

(3) Describe the registrant's policy, if any, with regard to board members' attendance at annual meetings and state the number of board members who attended the prior year's annual meeting.

Instruction to paragraphs (h)(2) and (h)(3): In lieu of providing the information required by paragraphs (h)(2) and (h)(3) in the proxy statement, the registrant may instead provide the registrant's Website address where such information appears.

Instructions to paragraph (h):

1. For purposes of this paragraph, communications from an officer or director of the registrant will not be viewed as "security holder communications." Communications from an employee or agent of the registrant will be viewed as "security holder communications" for purposes of this paragraph only if those communications are made solely in such employee's or agent's capacity as a security holder.

2. For purposes of this paragraph, security holder proposals submitted pursuant to § 240.14a-8, and communications made in connection with such proposals, will not be viewed as "security holder communications."

(c) Any pension or retirement plan in which any such person will participate; or

(d) The granting or extension to any such person of any options, warrants or rights to purchase any securities, other than warrants

or rights issued to security holders as such, on a pro rata basis.

However, if the solicitation is made on behalf of persons other than the registrant, the information required need be furnished only as to nominees of the persons making the solicitation and associates of such nominees. In the case of investment companies registered under the Investment Company Act of 1940 and registrants that have elected to be regulated as business development companies, furnish the information required by Item 22(b)(13) of this Schedule.

Instruction. If an otherwise reportable compensation plan became subject to such requirements because of an acquisition or merger and, within one year of the acquisition or merger, such plan was terminated for purposes of prospective eligibility, the registrant may furnish a description of its obligation to the designated individuals pursuant to the compensation plan. Such description may be furnished in lieu of a description of the compensation plan in the proxy statement.

Item 9. Independent public accountants. If the solicitation is made on behalf of the registrant and relates to: (1) The annual (or special meeting in lieu of annual) meeting of security holders at which directors are to be elected, or a solicitation of consents or authorizations in lieu of such meeting or (2) the election, approval or ratification of the registrant's accountant, furnish the following information describing the registrant's relationship with its independent public accountant:

(a) The name of the principal accountant selected or being recommended to security holders for election, approval or ratification for the current year. If no accountant has been selected or recommended, so state and briefly describe the reasons therefor.

(b) The name of the principal accountant for the fiscal year most recently completed if different from the accountant selected or recommended for the current year or if no accountant has yet been selected or recommended for the current year.

(c) The proxy statement shall indicate: (1) Whether or not representatives of the principal accountant for the current year and for the most recently completed fiscal year are expected to be present at the security holders' meeting, (2) whether or not they will have the opportunity to make a statement if they desire to do so, and (3) whether or not such representatives are expected to be available to respond to appropriate questions.

(d) If during the registrant's two most recent fiscal years or any subsequent interim period, (1) an independent accountant who was previously engaged as the principal accountant to audit the registrant's financial statements, or an independent accountant on

whom the principal accountant expressed reliance in its report regarding a significant subsidiary, has resigned (or indicated it has declined to stand for re-election after the completion of the current audit) or was dismissed, or (2) a new independent accountant has been engaged as either the principal accountant to audit the registrant's financial statements or as an independent accountant on whom the principal accountant has expressed or is expected to express reliance in its report regarding a significant subsidiary, then, notwithstanding any previous disclosure, provide the information required by Item 304(a) of Regulation S-K (§ 229.304 of this chapter).

(e)(1) Disclose, under the caption *Audit Fees*, the aggregate fees billed for each of the last two fiscal years for professional services rendered by the principal accountant for the audit of the registrant's annual financial statements and review of financial statements included in the registrant's Form 10-Q (17 CFR 249.308a) or 10-QSB (17 CFR 249.308b) or services that are normally provided by the accountant in connection with statutory and regulatory filings or engagements for those fiscal years.

(2) Disclose, under the caption *Audit-Related Fees*, the aggregate fees billed in each of the last two fiscal years for assurance and related services by the principal accountant that are reasonably related to the performance of the audit or review of the registrant's financial statements and are not reported under paragraph (e)(1) of this section. Registrants shall describe the nature of the services comprising the fees disclosed under this category.

(4) Disclose, under the caption *All Other Fees*, the aggregate fees billed in each of the last two fiscal years for products and services provided by the principal accountant, other than the services reported in paragraphs (e)(1) through (e)(3) of this section. Registrants shall describe the nature of the services comprising the fees disclosed under this category.

(5)(i) Disclose the audit committee's pre-approval policies and procedures described in 17 CFR 210.2-01(c)(7)(i).

(ii) Disclose the percentage of services described in each of paragraphs (e)(2) through (e)(4) of this section that were approved by the audit committee pursuant to 17 CFR 210.2-01(c)(7)(i)(C).

(6) If greater than 50 percent, disclose the percentage of hours expended on the principal accountant's engagement to audit the

registrant's financial statements for the most recent fiscal year that were attributed to work performed by persons other than the principal accountant's full-time, permanent employees.

(7) If the registrant is an investment company, disclose the aggregate non-audit fees billed by the registrant's accountant for services rendered to the registrant, and to the registrant's investment adviser (not including any subadviser whose role is primarily portfolio management and is subcontracted with or overseen by another investment adviser), and any entity controlling, controlled by, or under common control with the adviser that provides ongoing services to the registrant for each of the last two fiscal years of the registrant.

(8) If the registrant is an investment company, disclose whether the audit committee of the board of directors has considered whether the provision of non-audit services that were rendered to the registrant's investment adviser (not including any subadviser whose role is primarily portfolio management and is subcontracted with or overseen by another investment adviser), and any entity controlling, controlled by, or under common control with the investment adviser that provides ongoing services to the registrant that were not pre-approved pursuant to 17 CFR 210.2-01(c)(7)(ii) is compatible with maintaining the principal accountant's independence.

Instruction to Item 9(e).

For purposes of Item 9(e)(2), (3), and (4), registrants that are investment companies must disclose fees billed for services rendered to the registrant and separately, disclose fees required to be approved by the investment company registrant's audit committee pursuant to 17 CFR 210.2-01(c)(7)(ii). Registered investment companies must also disclose the fee percentages as required by item 9(e)(5)(ii) for the registrant and separately, disclose the fee percentages as required by item 9(e)(5)(ii) for the fees required to be approved by the investment company registrant's audit committee pursuant to 17 CFR 210.2-01(c)(7)(ii).

Instructions

1. The term “plan” as used in this Item means any plan as defined in paragraph (a)(7)(ii) of Item 402 of Regulation S-K (§ 229.402(a)(7)(ii) of this chapter).

2. If action is to be taken with respect to a material amendment or modification of an existing plan, the item shall be answered with respect to the plan as proposed to be amended or modified and shall indicate any material differences from the existing plan.

3. If the plan to be acted upon is set forth in a written document, three copies thereof shall be filed with the Commission at the time copies of the proxy statement and form of proxy are first filed pursuant to paragraph (a) or (b) of § 240.14a-6. Electronic filers shall file with the Commission a copy of such written plan document in electronic format as an appendix to the proxy statement. It need not be provided to security holders unless it is a part of the proxy statement.

4. Paragraph (b)(2)(ii) does not apply to warrants or rights to be issued to security holders as such on a pro rata basis.

5. The Commission shall be informed, as supplemental information, when the proxy statement is first filed, as to when the op-

(a) State the title and amount of securities to be authorized or issued.

(b) Furnish the information required by Item 202 of Regulation S-K (§ 229.202 of this chapter). If the terms of the securities cannot be stated or estimated with respect to any or all of the securities to be authorized, because no offering thereof is contemplated in the proximate future, and if no further authorization by security holders for the issuance thereof is to be obtained, it should be stated that the terms of the securities to be authorized, including dividend or interest rates, conversion prices, voting rights, redemption prices, maturity dates, and similar matters will be determined by the board of directors. If the securities are additional shares of common stock of a class outstanding, the description may be omitted except for a statement of the preemptive rights, if any. Where the statutory provisions with respect to preemptive rights are so indefinite or complex that they cannot be stated in summarized form, it will suffice to make a statement in the form of an opinion of counsel as to the existence and extent of such rights.

(c) Describe briefly the transaction in which the securities are to be issued including a statement as to (1) the nature and approximate amount of consideration received or to be received by the registrant and (2) the approximate amount devoted to each purpose so far as determinable for which the net proceeds have been or are to be used. If it is impracticable to describe the transaction in which the securities are to be issued, state the reason, indicate the purpose of the authorization of the securities, and state whether further authorization for the issuance of the securities by a vote of security holders will be solicited prior to such issuance.

(d) If the securities are to be issued otherwise than in a public offering for cash, state the reasons for the proposed authorization or issuance and the general effect thereof upon the rights of existing security holders.

(d) Furnish a brief statement as to arrears in dividends or as to defaults in principal or interest in respect to the outstanding securities which are to be modified or exchanged and such other information as may be appropriate in the particular case to disclose adequately the nature and effect of the proposed action.

(e) Outline briefly any other material features of the proposed modification or exchange. If the plan of proposed action is set forth in a written document, file copies thereof with the Commission in accordance with § 240.14a-6.

(f) Furnish the information required by Item 13(a) of this Schedule.

Instruction. If the existing security is presently listed and registered on a national securities exchange, state whether the registrant intends to apply for listing and registration of the new or reclassified security on such exchange or any other exchange. If the registrant does not intend to make such application, state the effect of the termination of such listing and registration.

In the usual case the information is deemed material to the exercise of prudent judgment where the matter to be acted upon is the authorization or issuance of a material amount of senior securities, but the information is not deemed material where the matter to be acted upon is the authorization or issuance of common stock, otherwise than in an exchange, merger, consolidation, acquisition or similar transaction, the authorization of preferred stock without present intent to issue or the authorization of preferred stock for issuance for cash in an amount constituting fair value.

2. If the financial statements are incorporated by reference, a manually signed copy of the accountant's report shall be filed with the definitive proxy statement.

3. Notwithstanding the provisions of Regulation S-X, no schedules other than those prepared in accordance with Rules 12-15, 12-28 and 12-29 (or, for management investment companies, Rules 12-12 through 12-14) of that regulation need be furnished in the proxy statement.

4. Unless registered on a national securities exchange or otherwise required to furnish such information, registered investment companies need not furnish the information required by paragraph (a)(2) or (3) of this Item.

4. The information required by paragraphs (b)(8)—(11) and (c) need not be provided if the plan being voted on involves only the acquiring company and one or more of its totally held subsidiaries and does not involve a liquidation or a spin off.

5. To facilitate compliance with Rule 2-02(a) of Regulation S-X (§210.2-02(a) of this chapter) (technical requirements relating to accountants' reports), one copy of the definitive proxy statement filed with the Commission must include a signed copy of the accountant's report. (2) [Reserved]

(3) *General disclosure.* Furnish the following information in the proxy statement of a Fund or Funds:

(i) State the name and address of the Fund’s investment adviser, principal underwriter, and Administrator.

(ii) When a Fund proxy statement solicits a vote on proposals affecting more than one Fund or class of securities of a Fund (unless the proposal or proposals are the same and affect all Fund or class shareholders), present a summary of all of the proposals in tabular form on one of the first three pages of the proxy statement and indicate which Fund or class shareholders are solicited with respect to each proposal.

(iii) Unless the proxy statement is accompanied by a copy of the Fund’s most recent annual report, state prominently in the proxy statement that the Fund will furnish, without charge, a copy of the annual report and the most recent semi-annual report succeeding the annual report, if any, to a shareholder upon request, providing the name, address, and toll-free telephone number of the person to whom such request shall be directed (or, if no toll-free telephone number is provided, a self-addressed postage paid card for requesting the annual report). (iv) If the action to be taken would, directly or indirectly, establish a new fee or expense or increase any existing fee or expense to be paid by the Fund or its shareholders, provide a table showing the current and pro forma fees (with the required examples) using the format prescribed in the appropriate registration statement form under the Investment Company Act of 1940 (for open-end management investment companies, Item 3 of Form N-1A (§239.15A); for closed-end management investment companies, Item 3 of Form N-2 (§239.14); and for separate accounts that offer variable annuity contracts, Item 3 of Form N-3 (§239.17a)).

Instructions. 1. Where approval is sought only for a change in asset breakpoints for a

pre-existing fee that would not have increased the fee for the previous year (or have the effect of increasing fees or expenses, but for any other reason would not be reflected in a pro forma fee table), describe the likely effect of the change in lieu of providing pro forma fee information.

2. An action would indirectly establish or increase a fee or expense where, for example, the approval of a new investment advisory contract would result in higher custodial or transfer agency fees.

3. The tables should be prepared in a manner designed to facilitate understanding of the impact of any change in fees or expenses.

4. A Fund that offers its shares exclusively to one or more separate accounts and thus is not required to include a fee table in its prospectus (see Item 3 of Form N-1A (§239.15A)) should nonetheless prepare a table showing current and pro forma expenses and disclose that the table does not reflect separate account expenses, including sales load.

(v) If action is to be taken with respect to the election of directors or the approval of an advisory contract, describe any purchases or sales of securities of the investment adviser or its Parents, or Subsidiaries of either, since the beginning of the most recently completed fiscal year by any director or any nominee for election as a director of the Fund.

§ 240.14a-101

within the meaning of section 2(a)(19) of the Investment Company Act of 1940 (15 U.S.C. 80a-2(a)(19)) separately from the information for directors or nominees who are not or would not be interested persons of the Fund. For example, when furnishing information in a table, you should provide separate tables (or separate sections of a single table) for directors and nominees who are or would be interested persons and for directors or nominees who are not or would not be interested persons. When furnishing information in narrative form, indicate by heading or otherwise the directors or nominees who are or would be interested persons and the directors or

nominees who are not or would not be interested persons.

4. No information need be given about any director whose term of office as a director will not continue after the meeting to which the proxy statement relates.

(1) Provide the information required by the following table for each director, nominee for election as director, Officer of the Fund, person chosen to become an Officer of the Fund, and, if the Fund has an advisory board, member of the board. Explain in a footnote to the table any family relationship between the persons listed.

Instructions to paragraph (b)(1). 1. For purposes of this paragraph, the term “family relationship” means any relationship by blood, marriage, or adoption, not more remote than first cousin.

2. No nominee or person chosen to become a director or Officer who has not consented to act as such may be named in response to this Item. In this regard, see Rule 14a-4(d) under the Exchange Act (§240.14a-4(d)).

3. If fewer nominees are named than the number fixed by or pursuant to the governing instruments, state the reasons for this procedure and that the proxies cannot be voted for a greater number of persons than the number of nominees named.

4. For each director or nominee for election as director who is or would be an “interested person” of the Fund within the meaning of section 2(a)(19) of the Investment Company Act of 1940 (15 U.S.C. 80a-2(a)(19)), describe, in a footnote or otherwise, the relationship, events, or transactions by reason of which the director or nominee is or would be an interested person.

under the Investment Company Act of 1940, (15 U.S.C. 80a), as amended, and name the companies in which the directorships are held. Where the other directorships include directorships overseeing two or more portfolios in the same Fund Complex, identify the Fund Complex and provide the number of portfolios overseen as a director in the Fund Complex rather than listing each portfolio separately.

(2) For each individual listed in column (1) of the table required by paragraph (b)(1) of this Item, except for any director or nominee for election as director who is not or would not be an “interested person” of the Fund within the meaning of section 2(a)(19) of the Investment Company Act of 1940 (15 U.S.C. 80a-2(a)(19)), describe any positions, including as an officer, employee, director, or general partner, held with affiliated persons or principal underwriters of the Fund.

Instruction to paragraph (b)(2). When an individual holds the same position(s) with two or more registered investment companies that are part of the same Fund Complex, identify the Fund Complex and provide the number of registered investment companies for which the position(s) are held rather than listing each registered investment company separately.

(3) Describe briefly any arrangement or understanding between any director, nominee for election as director, Officer, or person chosen to become an Officer, and any other person(s) (naming the person(s)) pursuant to which he was or is to be selected as a director, nominee, or Officer.

(vii) A person directly or indirectly controlling, controlled by, or under common control with an investment adviser, principal underwriter, or Sponsoring Insurance Company of the Fund; or

(viii) An Officer of a person directly or indirectly controlling, controlled by, or under common control with an investment adviser, principal underwriter, or Sponsoring Insurance Company of the Fund.

Instructions to paragraph (b)(8). 1. Include the name of each director, nominee, or Immediate Family Member whose interest in any transaction or series of similar transactions is described and the nature of the circumstances by reason of which the interest is required to be described.

2. State the nature of the interest, the approximate dollar amount involved in the transaction, and, where practicable, the approximate dollar amount of the interest.

3. In computing the amount involved in the transaction or series of similar transactions, include all periodic payments in the case of any lease or other agreement providing for periodic payments.

4. Compute the amount of the interest of any director, nominee, or Immediate Family Member of the director or nominee without regard to the amount of profit or loss involved in the transaction(s).

5. As to any transaction involving the purchase or sale of assets, state the cost of the assets to the purchaser and, if acquired by the seller within two years prior to the transaction, the cost to the seller. Describe the method used in determining the purchase or sale price and the name of the person making the determination.

6. If the proxy statement relates to multiple portfolios of a series Fund with different fiscal years, then, in determining the date that is the beginning of the last two completed fiscal years of the Fund, use the

earliest date of any series covered by the proxy statement.

7. Disclose indirect, as well as direct, material interests in transactions. A person who has a position or relationship with, or interest in, a company that engages in a transaction with one of the persons listed in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item may have an indirect interest in the transaction by reason of the position, relationship, or interest. The interest in the transaction, however, will not be deemed “material” within the meaning of paragraph (b)(8) of this Item where the interest of the director, nominee, or Immediate Family Member arises solely from the holding of an equity interest (including a limited partnership interest, but excluding a general partnership interest) or a creditor interest in a company that is a party to the transaction with one of the persons specified in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item, and the transaction is not material to the company.

8. The materiality of any interest is to be determined on the basis of the significance of the information to investors in light of all the circumstances of the particular case. The importance of the interest to the person having the interest, the relationship of the parties to the transaction with each other, and the amount involved in the transaction are among the factors to be considered in determining the significance of the information to investors.

9. No information need be given as to any transaction where the interest of the director, nominee, or Immediate Family Member arises solely from the ownership of securities of a person specified in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item and the director, nominee, or Immediate Family Member receives no extra or special benefit not shared on a pro rata basis by all holders of the class of securities.

10. Transactions include loans, lines of credit, and other indebtedness. For indebtedness, indicate the largest aggregate amount of indebtedness outstanding at any time during the period, the nature of the indebtedness and the transaction in which it was incurred, the amount outstanding as of the latest practicable date, and the rate of interest paid or charged.

11. No information need be given as to any routine, retail transaction. For example, the Fund need not disclose that a director has a credit card, bank or brokerage account, residential mortgage, or insurance policy with a person specified in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item unless the director is accorded special treatment.

(9) Describe briefly any direct or indirect relationship, in which the amount involved exceeds \$60,000, of any director or nominee for election as director who is not or would not be an “interested person” of the Fund

within the meaning of section 2(a)(19) of the Investment Company Act of 1940 (15 U.S.C. 80a-2(a)(19)), or Immediate Family Member of the director or nominee, that exists, or has existed at any time since the beginning of the last two completed fiscal years of the Fund, or is currently proposed, with any of the persons specified in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item. Relationships include:

(i) Payments for property or services to or from any person specified in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item;

(ii) Provision of legal services to any person specified in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item;

(iii) Provision of investment banking services to any person specified in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item, other than as a participating underwriter in a syndicate; and

(iv) Any consulting or other relationship that is substantially similar in nature and scope to the relationships listed in paragraphs (b)(9)(i) through (b)(9)(iii) of this Item.

Instructions to paragraph (b)(9). 1. Include the name of each director, nominee, or Immediate Family Member whose relationship is described and the nature of the circumstances by reason of which the relationship is required to be described.

2. State the nature of the relationship and the amount of business conducted between the director, nominee, or Immediate Family Member and the person specified in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item as a result of the relationship since the beginning of the last two completed fiscal years of the Fund or proposed to be done during the Fund’s current fiscal year.

3. In computing the amount involved in a relationship, include all periodic payments in the case of any agreement providing for periodic payments.

4. If the proxy statement relates to multiple portfolios of a series Fund with different fiscal years, then, in determining the date that is the beginning of the last two completed fiscal years of the Fund, use the earliest date of any series covered by the proxy statement.

5. Disclose indirect, as well as direct, relationships. A person who has a position or relationship with, or interest in, a company that has a relationship with one of the persons listed in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item may have an indirect relationship by reason of the position, relationship, or interest.

6. In determining whether the amount involved in a relationship exceeds \$60,000, amounts involved in a relationship of the director (or nominee) should be aggregated with those of his Immediate Family Members.

Securities and Exchange Commission

§ 240.14a-101

7. In the case of an indirect interest, identify the company with which a person specified in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item has a relationship; the name of the director, nominee, or Immediate Family Member affiliated with the company and the nature of the affiliation; and the amount of business conducted between the company and the person specified in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item since the beginning of the last two completed fiscal years of the Fund or proposed to be done during the Fund's current fiscal year.

8. In calculating payments for property and services for purposes of paragraph (b)(9)(i) of this Item, the following may be excluded:

A. Payments where the transaction involves the rendering of services as a common contract carrier, or public utility, at rates or charges fixed in conformity with law or governmental authority; or

B. Payments that arise solely from the ownership of securities of a person specified in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item and no extra or special benefit not shared on a pro rata basis by all holders of the class of securities is received.

9. No information need be given as to any routine, retail relationship. For example, the Fund need not disclose that a director has a credit card, bank or brokerage account, residential mortgage, or insurance policy with a person specified in paragraphs (b)(8)(i) through (b)(8)(viii) of this Item unless the director is accorded special treatment.

(10) If an Officer of an investment adviser, principal underwriter, or Sponsoring Insurance Company of the Fund, or an Officer of a person directly or indirectly controlling, controlled by, or under common control with an investment adviser, principal underwriter, or Sponsoring Insurance Company of the Fund, serves, or has served since the beginning of the last two completed fiscal years of the Fund, on the board of directors of a company where a director of the Fund or nominee for election as director who is not or would not be an "interested person" of the Fund within the meaning of section 2(a)(19) of the Investment Company Act of 1940 (15 U.S.C. 80a-2(a)(19)), or Immediate Family Member of the director or nominee, is, or was since the beginning of the last two completed fiscal years of the Fund, an Officer, identify:

(i) The company;

(ii) The individual who serves or has served as a director of the company and the period of service as director;

(iii) The investment adviser, principal underwriter, or Sponsoring Insurance Company or person controlling, controlled by, or under common control with the investment adviser, principal underwriter, or Sponsoring Insurance Company where the individual named in paragraph (b)(10)(ii) of this Item holds or held office and the office held; and

(iv) The director of the Fund, nominee for election as director, or Immediate Family Member who is or was an Officer of the company; the office held; and the period of holding the office.

Instruction to paragraph (b)(10). If the proxy statement relates to multiple portfolios of a series Fund with different fiscal years, then, in determining the date that is the beginning of the last two completed fiscal years of the Fund, use the earliest date of any series covered by the proxy statement.

(11) Provide in tabular form, to the extent practicable, the information required by Items 401(f) and (g), 404(a) and (c), and 405 of Regulation S-K (§§ 229.401(f) and (g), 229.404(a) and (c), and 229.405 of this chapter).

Instruction to paragraph (b)(11). Information provided under paragraph (b)(8) of this Item 22 is deemed to satisfy the requirements of Items 404(a) and (c) of Regulation S-K for information about directors, nominees for election as directors, and Immediate Family Members of directors and nominees, and need not be provided under this paragraph (b)(11).

(12) Describe briefly any material pending legal proceedings, other than ordinary routine litigation incidental to the Fund's business, to which any director or nominee for director or affiliated person of such director or nominee is a party adverse to the Fund or any of its affiliated persons or has a material interest adverse to the Fund or any of its affiliated persons. Include the name of the court where the case is pending, the date instituted, the principal parties, a description of the factual basis alleged to underlie the proceeding, and the relief sought.

(13) For all directors, and for each of the three highest-paid Officers that have aggregate compensation from the Fund for the most recently completed fiscal year in excess of \$60,000 ("Compensated Persons"):

(i) Furnish the information required by the following table for the last fiscal year:

COMPENSATION TABLE

(1)	(2)	(3)	(4)	(5)
Name of Person, Position.	Aggregate Compensation From Fund.	Pension or Retirement Benefits Accrued as Part of Fund Expenses.	Estimated Annual Benefits Upon Retirement.	Total Compensation From Fund and Complex Paid to Directors

Instructions to paragraph (b)(13)(i). 1. For column (1), indicate, if necessary, the capacity in which the remuneration is received. For Compensated Persons that are directors of the Fund, compensation is amounts received for service as a director.

2. If the Fund has not completed its first full year since its organization, furnish the information for the current fiscal year, estimating future payments that would be made pursuant to an existing agreement or understanding. Disclose in a footnote to the Compensation Table the period for which the information is furnished.

3. Include in column (2) amounts deferred at the election of the Compensated Person, whether pursuant to a plan established under Section 401(k) of the Internal Revenue Code (26 U.S.C. 401(k)) or otherwise, for the fiscal year in which earned. Disclose in a footnote to the Compensation Table the total amount of deferred compensation (including interest) payable to or accrued for any Compensated Person.

4. Include in columns (3) and (4) all pension or retirement benefits proposed to be paid under any existing plan in the event of retirement at normal retirement date, directly or indirectly, by the Fund or any of its Subsidiaries, or by other companies in the Fund Complex. Omit column (4) where retirement benefits are not determinable.

5. For any defined benefit or actuarial plan under which benefits are determined primarily by final compensation (or average final compensation) and years of service, provide the information required in column (4) in a separate table showing estimated annual benefits payable upon retirement (including amounts attributable to any defined benefit supplementary or excess pension award plans) in specified compensation and years of service classifications. Also provide the estimated credited years of service for each Compensated Person.

6. Include in column (5) only aggregate compensation paid to a director for service on the board and other boards of investment companies in a Fund Complex specifying the number of such other investment companies.

(ii) Describe briefly the material provisions of any pension, retirement, or other plan or any arrangement other than fee arrangements disclosed in paragraph (b)(13)(i) of this Item pursuant to which Compensated Persons are or may be compensated for any services provided, including amounts paid, if any, to the Compensated Person under any such arrangements during the most recently completed fiscal year. Specifically include the criteria used to determine amounts payable under any plan, the length of service or vesting period required by the plan, the retirement age or other event that gives rise to payments under the plan, and whether the payment of benefits is secured or funded by the Fund.

(iii) With respect to each Compensated Person, business development companies must include the information required by Items 402(b)(2)(iv) and 402(c) of Regulation S-K (§§ 229.402(b)(2)(iv) and 229.402(c) of this chapter).

(14) State whether or not the Fund has a separately designated audit committee established in accordance with section 3(a)(58)(A) of the Act (15 U.S.C. 78c(a)(58)(A)). If the entire board of directors is acting as the Fund's audit committee as specified in section 3(a)(58)(B) of the Act (15 U.S.C. 78c(a)(58)(B)), so state. If applicable, provide the disclosure required by § 240.10A-3(d) regarding an exemption from the listing standards for audit committees. Identify the other standing committees of the Fund's board of directors, and provide the following information about each committee, including any separately designated audit committee and any nominating committee:

(i) A concise statement of the functions of the committee;

(ii) The members of the committee and, in the case of a nominating committee, whether or not the members of the committee are "interested persons" of the Fund as defined in section 2(a)(19) of the Investment Company Act of 1940 (15 U.S.C. 80a-2(a)(19)); and

(iii) The number of committee meetings held during the last fiscal year.

Instruction to paragraph (b)(14): For purposes of Item 22(b)(14), the term "nominating committee" refers not only to nominating committees and committees performing similar functions, but also to groups of directors fulfilling the role of a nominating committee, including the entire board of directors.

(c) *Approval of investment advisory contract.* If action is to be taken with respect to an investment advisory contract, include the following information in the proxy statement.

Instruction. Furnish information with respect to a prospective investment adviser to the extent applicable (including the name and address of the prospective investment adviser).

(1) With respect to the existing investment advisory contract:

(i) State the date of the contract and the date on which it was last submitted to a vote of security holders of the Fund, including the purpose of such submission;

(ii) Briefly describe the terms of the contract, including the rate of compensation of the investment adviser;

(iii) State the aggregate amount of the investment adviser's fee and the amount and purpose of any other material payments by the Fund to the investment adviser, or any affiliated person of the investment adviser, during the last fiscal year of the Fund;

(iv) If any person is acting as an investment adviser of the Fund other than pursuant to a written contract that has been approved by the security holders of the company, identify the person and describe the nature of the services and arrangements;

(v) Describe any action taken with respect to the investment advisory contract since the beginning of the Fund's last fiscal year by the board of directors of the Fund (unless described in response to paragraph (c)(1)(vi)) of this Item 22); and

(vi) If an investment advisory contract was terminated or not renewed for any reason, state the date of such termination or non-renewal, identify the parties involved, and describe the circumstances of such termination or non-renewal.

(2) State the name, address and principal occupation of the principal executive officer and each director or general partner of the investment adviser.

Instruction. If the investment adviser is a partnership with more than ten general partners, name:

(i) The general partners with the five largest economic interests in the partnership, and, if different, those general partners comprising the management or executive committee of the partnership or exercising similar authority;

(ii) The general partners with significant management responsibilities relating to the fund.

(3) State the names and addresses of all Parents of the investment adviser and show the basis of control of the investment adviser and each Parent by its immediate Parent.

Instructions. 1. If any person named is a corporation, include the percentage of its voting securities owned by its immediate Parent.

2. If any person named is a partnership, name the general partners having the three largest partnership interests (computed by whatever method is appropriate in the particular case).

(4) If the investment adviser is a corporation and if, to the knowledge of the persons making the solicitation or the persons on whose behalf the solicitation is made, any person not named in answer to paragraph (c)(3) of this Item 22 owns, of record or beneficially, ten percent or more of the outstanding voting securities of the investment adviser, indicate that fact and state the name and address of each such person.

(5) Name each officer or director of the Fund who is an officer, employee, director, general partner or shareholder of the investment adviser. As to any officer or director who is not a director or general partner of the investment adviser and who owns securities or has any other material direct or indirect interest in the investment adviser or any other person controlling, controlled by

or under common control with the investment adviser, describe the nature of such interest.

(6) Describe briefly and state the approximate amount of, where practicable, any material interest, direct or indirect, of any director of the Fund in any material transactions since the beginning of the most recently completed fiscal year, or in any material proposed transactions, to which the investment adviser of the Fund, any Parent or Subsidiary of the investment adviser (other than another Fund), or any Subsidiary of the Parent of such entities was or is to be a party.

Instructions. 1. Include the name of each person whose interest in any transaction is described and the nature of the relationship by reason of which such interest is required to be described. Where it is not practicable to state the approximate amount of the interest, indicate the approximate amount involved in the transaction.

2. As to any transaction involving the purchase or sale of assets by or to the investment adviser, state the cost of the assets to the purchaser and the cost thereof to the seller if acquired by the seller within two years prior to the transaction.

3. If the interest of any person arises from the position of the person as a partner in a partnership, the proportionate interest of such person in transactions to which the partnership is a party need not be set forth, but state the amount involved in the transaction with the partnership.

4. No information need be given in response to this paragraph (c)(6) of Item 22 with respect to any transaction that is not related to the business or operations of the Fund and to which neither the Fund nor any of its Parents or Subsidiaries is a party.

(7) Disclose any financial condition of the investment adviser that is reasonably likely to impair the financial ability of the adviser to fulfill its commitment to the fund under the proposed investment advisory contract.

(8) Describe the nature of the action to be taken on the investment advisory contract and the reasons therefor, the terms of the contract to be acted upon, and, if the action is an amendment to, or a replacement of, an investment advisory contract, the material differences between the current and proposed contract.

(9) If a change in the investment advisory fee is sought, state:

(i) The aggregate amount of the investment adviser's fee during the last year;

(ii) The amount that the adviser would have received had the proposed fee been in effect; and

(iii) The difference between the aggregate amounts stated in response to paragraphs (i) and (ii) of this item (c)(9) as a percentage of the amount stated in response to paragraph (i) of this item (c)(9).

(10) If the investment adviser acts as such with respect to any other Fund having a similar investment objective, identify and state the size of such other Fund and the rate of the investment adviser's compensation. Also indicate for any Fund identified whether the investment adviser has waived, reduced, or otherwise agreed to reduce its compensation under any applicable contract.

Instruction. Furnish the information in response to this paragraph (c)(10) of Item 22 in tabular form.

(11) Discuss in reasonable detail the material factors and the conclusions with respect thereto that form the basis for the recommendation of the board of directors that the shareholders approve an investment advisory contract. Include the following in the discussion:

(i) Factors relating to both the board's selection of the investment adviser and approval of the advisory fee and any other amounts to be paid by the Fund under the contract. This would include, but not be limited to, a discussion of the nature, extent, and quality of the services to be provided by the investment adviser; the investment performance of the Fund and the investment adviser; the costs of the services to be provided and profits to be realized by the investment adviser and its affiliates from the relationship with the Fund; the extent to which economies of scale would be realized as the Fund grows; and whether fee levels reflect these economies of scale for the benefit of Fund investors. Also indicate in the discussion whether the board relied upon comparisons of the services to be rendered and the amounts to be paid under the contract with those under other investment advisory contracts, such as contracts of the same and other investment advisers with other registered investment companies or other types of clients (*e.g.*, pension funds and other institutional investors). If the board relied upon such comparisons, describe the comparisons that were relied on and how they assisted the board in determining to recommend that the shareholders approve the advisory contract; and

(ii) If applicable, any benefits derived or to be derived by the investment adviser from the relationship with the Fund such as soft dollar arrangements by which brokers provide research to the Fund or its investment adviser in return for allocating Fund brokerage.

Instructions. 1. Conclusory statements or a list of factors will not be considered sufficient disclosure. Relate the factors to the specific circumstances of the Fund and the investment advisory contract for which approval is sought and state how the board evaluated each factor. For example, it is not sufficient to state that the board considered the amount of the investment advisory fee without stating what the board concluded

about the amount of the fee and how that affected its determination to recommend approval of the contract.

2. If any factor enumerated in paragraph (c)(11)(i) of this Item 22 is not relevant to the board's evaluation of the investment advisory contract for which approval is sought, note this and explain the reasons why that factor is not relevant.

(12) Describe any arrangement or understanding made in connection with the proposed investment advisory contract with respect to the composition of the board of directors of the Fund or the investment adviser or with respect to the selection or appointment of any person to any office with either such company.

(13) For the most recently completed fiscal year, state:

(i) The aggregate amount of commissions paid to any Affiliated Broker; and

(ii) The percentage of the Fund's aggregate brokerage commissions paid to any such Affiliated Broker.

Instruction. Identify each Affiliated Broker and the relationships that cause the broker to be an Affiliated Broker.

(14) Disclose the amount of any fees paid by the Fund to the investment adviser, its affiliated persons or any affiliated person of such person during the most recent fiscal year for services provided to the Fund (other than under the investment advisory contract or for brokerage commissions). State whether these services will continue to be provided after the investment advisory contract is approved.

(d) *Approval of distribution plan.* If action is to be taken with respect to a Distribution Plan, include the following information in the proxy statement.

Instruction. Furnish information on a prospective basis to the extent applicable.

(1) Describe the nature of the action to be taken on the Distribution Plan and the reason therefor, the terms of the Distribution Plan to be acted upon, and, if the action is an amendment to, or a replacement of, a Distribution Plan, the material differences between the current and proposed Distribution Plan.

(2) If the Fund has a Distribution Plan in effect:

(i) Provide the date that the Distribution Plan was adopted and the date of the last amendment, if any;

(ii) Disclose the persons to whom payments may be made under the Distribution Plan, the rate of the distribution fee and the purposes for which such fee may be used;

(iii) Disclose the amount of distribution fees paid by the Fund pursuant to the plan during its most recent fiscal year, both in the aggregate and as a percentage of the Fund's average net assets during the period;

(iv) Disclose the name of, and the amount of any payments made under the Distribution Plan by the Fund during its most recent fiscal year to, any person who is an affiliated person of the Fund, its investment adviser, principal underwriter, or Administrator, an affiliated person of such person, or a person that during the most recent fiscal year received 10% or more of the aggregate amount paid under the Distribution Plan by the Fund;

(v) Describe any action taken with respect to the Distribution Plan since the beginning of the Fund's most recent fiscal year by the board of directors of the Fund; and

(vi) If a Distribution Plan was or is to be terminated or not renewed for any reason, state the date or prospective date of such termination or non-renewal, identify the parties involved, and describe the circumstances of such termination or non-renewal.

(3) Describe briefly and state the approximate amount of, where practicable, any material interest, direct or indirect, of any director or nominee for election as a director of the Fund in any material transactions since the beginning of the most recently completed fiscal year, or in any material proposed transactions, to which any person identified in response to Item 22(d)(2)(iv) was or is to be a party.

Instructions. 1. Include the name of each person whose interest in any transaction is described and the nature of the relationship by reason of which such interest is required to be described. Where it is not practicable to state the approximate amount of the interest, indicate the approximate amount involved in the transaction.

2. As to any transaction involving the purchase or sale of assets, state the cost of the assets to the purchaser and the cost thereof to the seller if acquired by the seller within two years prior to the transaction.

3. If the interest of any person arises from the position of the person as a partner in a partnership, the proportionate interest of such person in transactions to which the partnership is a party need not be set forth but state the amount involved in the transaction with the partnership.

4. No information need be given in response to this paragraph (d)(3) of Item 22 with respect to any transaction that is not related to the business or operations of the Fund and to which neither the Fund nor any of its Parents or Subsidiaries is a party.

(4) Discuss in reasonable detail the material factors and the conclusions with respect thereto which form the basis for the conclusion of the board of directors that there is a reasonable likelihood that the proposed Distribution Plan (or amendment thereto) will benefit the Fund and its shareholders.

Instruction. Conclusory statements or a list of factors will not be considered sufficient disclosure.

Item 23. Delivery of documents to security holders sharing an address. If one annual report or proxy statement is being delivered to two or more security holders who share an address in accordance with § 240.14a-3(e)(1), furnish the following information:

(a) State that only one annual report or proxy statement, as applicable, is being delivered to multiple security holders sharing an address unless the registrant has received contrary instructions from one or more of the security holders;

(b) Undertake to deliver promptly upon written or oral request a separate copy of the annual report or proxy statement, as applicable, to a security holder at a shared address to which a single copy of the documents was delivered and provide instructions as to how a security holder can notify the registrant that the security holder wishes to receive a separate copy of an annual report or proxy statement, as applicable;

(c) Provide the phone number and mailing address to which a security holder can direct a notification to the registrant that the security holder wishes to receive a separate annual report or proxy statement, as applicable, in the future; and

(d) Provide instructions how security holders sharing an address can request delivery of a single copy of annual reports or proxy statements if they are receiving multiple copies of annual reports or proxy statements.

§ 240.14c-3 Annual report to be furnished security holders.

(a) If the information statement relates to an annual (or special meeting in lieu of the annual) meeting, or written consent in lieu of such meeting, of security holders at which directors of the registrant, other than an investment company registered under the Investment Company Act of 1940, are to be elected, it shall be accompanied or preceded by an annual report to security holders:

NOTE TO SMALL BUSINESS ISSUERS —In responding to the disclosure items under paragraph (b) of Rule 14a-3, (§ 240.14a-3 of this chapter) a “small business issuer,” defined under Rule 12b-2 of the Exchange Act (§ 240.12b-2), shall refer to the disclosure items in Regulation S-B (§ 228.10–702 of this chapter) rather than Regulation S-K (§ 229.10–702 of this chapter). If there is no comparable disclosure item in Regulation S-B, a small business issuer need not provide the information requested. A small business issuer shall provide the information in Item 310(a) of Regulation S-B in lieu of the financial information required by Rule 14a-3(b)(1) (§ 240.14a-3(b)(1)). Small business issuers using the transitional small business issuers disclosure format in the filing of their most recent annual report on Form 10-KSB (§ 249.310b of this chapter) need not provide the information required by paragraph (b) of Rule 14a-3. Rather, those small business issuers shall provide only the financial statements required to be filed in their most recent Form 10-KSB. The inclusion of additional information, including information required of non-transitional small business issuers, in the annual report to security holders will not cause the issuer to be ineligible for the transitional disclosure forms.

(b) Seven copies of the report sent to security holders pursuant to this rule

shall be mailed to the Commission, solely for its information, not later than the date on which such report is first sent or given to security holders or the date on which preliminary copies, or definitive copies, if preliminary filing was not required, of the information statement are filed with the Commission pursuant to Rule 14c-5, whichever date is later. The report is not deemed to be “filed” with the Commission or subject to this regulation otherwise than as provided in this rule, or to the liabilities of section 18 of the Act, except to the extent that the registrant specifically requests that it be treated as a part of the information statement or incorporates it in the information statement or other filed report by reference.

(c) A registrant will be considered to have delivered an annual report or information statement to security holders of record who share an address if the requirements set forth in § 240.14a-3(e)(1) are satisfied with respect to the annual report or information statement, as applicable.

§ 240.14c-5 Filing requirements.

(a) *Preliminary information statement.* Five preliminary copies of the information statement shall be filed with the Commission at least 10 calendar days prior to the date definitive copies of such statement are first sent or given to security holders, or such shorter period prior to that date as the Commission may authorize upon a showing of good cause therefor. In computing the 10-day period, the filing date of the preliminary copies is to be counted as the first day and the 11th day is the date on which definitive copies of the information statement may be mailed to se-

curity holders. A registrant, however, shall not file with the Commission a preliminary information statement if it relates to an annual (or special meeting in lieu of the annual) meeting, of security holders at which the only matters to be acted upon are:

- (1) The election of directors;
- (2) The election, approval or ratification of accountant(s);
- (3) A security holder proposal identified in the registrant's information statement pursuant to Item 4 of Schedule 14C (§ 240.14c-101); and/or
- (4) The approval or ratification of a plan as defined in paragraph (a)(7)(ii) of Item 402 of Regulation S-K (§ 229.402(a)(7)(ii) of this chapter) or amendments to such a plan.

This exclusion from filing a preliminary information statement does not apply if the registrant comments upon or refers to a solicitation in opposition in connection with the meeting in its information statement.

NOTE 1: The filing of revised material does not recommence the ten day time period unless the revised material contains material revisions or material new proposal(s) that constitute a fundamental change in the information statement.

NOTE 2: The officials responsible for the preparation of the information statement should make every effort to verify the accuracy and completeness of the information required by the applicable rules. The preliminary statement should be filed with the Commission at the earliest practicable date.

NOTE 3: Solicitation in Opposition—For purposes of the exclusion from filing a preliminary information statement, a “solicitation in opposition” includes: (a) Any solicitation opposing a proposal supported by the registrant; and (b) any solicitation supporting a proposal that the registrant does not expressly support, other than a security holder proposal identified in the registrant's information statement pursuant to Item 4 of Schedule 14C (§ 240.14c-101 of this chapter). The identification of a security holder proposal in the registrant's information statement does not constitute a “solicitation in opposition,” even if the registrant opposes the proposal and/or includes a statement in opposition to the proposal.

NOTE 4: A registrant that is filing an information statement in preliminary form only because the registrant has commented on or referred to an opposing solicitation should indicate that fact in a transmittal letter when filing the preliminary material with the Commission.

(b) *Definitive information statement.* Eight definitive copies of the information statement, in the form in which it is furnished to security holders, must be filed with the Commission no later than the date the information statement is first sent or given to security holders. Three copies of these materials also must be filed with, or mailed for filing to, each national securities exchange on which the registrant has a class of securities listed and registered.

(c) *Release dates.* All preliminary material filed pursuant to paragraph (a) of this section shall be accompanied by a statement of the date on which copies thereof filed pursuant to paragraph (b) of this section are intended to be released to security holders. All definitive material filed pursuant to paragraph (b) of this section shall be accompanied by a statement of the date on which copies of such material have been released to security holders or, if not released, the date on which copies thereof are intended to be released.

(d)(1) *Public availability of information.* All copies of material filed pursuant to paragraph (a) of this section shall be clearly marked "Preliminary Copies," and shall be deemed immediately available for public inspection unless confidential treatment is obtained pursuant to paragraph (d)(2) of this section.

(2) *Confidential treatment.* If action will be taken on any matter specified in Item 14 of Schedule 14A (§ 240.14a-101), all copies of the preliminary information statement filed under paragraph (a) of this section will be for the information of the Commission only and will not be deemed available for public inspection until filed with the Commission in definitive form so long as:

(i) The information statement does not relate to a matter or proposal subject to § 240.13e-3 or a roll-up transaction as defined in Item 901(c) of Regulation S-K (§ 229.901(c) of this chapter);

(ii) Neither the parties to the transaction nor any persons authorized to act on their behalf have made any public communications relating to the transaction except for statements where the content is limited to the information specified in § 230.135 of this chapter; and

(iii) The materials are filed in paper and marked "Confidential, For Use of the Commission Only". In all cases, the materials may be disclosed to any department or agency of the United States Government and to the Congress, and the Commission may make any inquiries or investigation into the materials as may be necessary to conduct an adequate review by the Commission.

Instruction to paragraph (d)(2): If communications are made publicly that go beyond the information specified in § 230.135, the materials must be re-filed publicly with the Commission.

(e) *Revised information statements.* Where any information statement filed pursuant to this section is amended or revised, two of the copies of such amended or revised material filed pursuant to this section shall be marked to indicate clearly and precisely the changes effected therein. If the amendment or revision alters the text of the material, the changes in such text shall be indicated by means of underscoring or in some other appropriate manner.

(f) *Merger material.* Notwithstanding the foregoing provisions of this section, any information statement or other material included in a registration statement filed under the Securities Act of 1933 on Form N-14, S-4, or F-4 (§ 239.23, § 239.25 or § 239.34 of this chapter) shall be deemed filed both for the purposes of that Act and for the purposes of this section, but separate copies of such material need not be furnished pursuant to this section, nor shall any fee be required under paragraph (a) of this section. However, any additional material used after the effective date of the registration statement on Form N-14, S-4, or F-4 shall be filed in accordance with this section, unless separate copies of such material are required to be filed as an amendment of such registration statement.

(g) *Fees.* At the time of filing a preliminary information statement regarding an acquisition, merger, spinoff, consolidation or proposed sale or other disposition of substantially all the assets of the company, the registrant shall pay the Commission a fee, no part of which shall be refunded, established in accordance with § 240.0-11.

§ 240.14c-6 False or misleading statements.

(a) No information statement shall contain any statement which, at the time and in the light of the circumstances under which it is made, is false or misleading with respect to any material fact, or which omits to state any material fact necessary in order to make the statements therein not false or misleading or necessary to correct any statement in any earlier communication with respect to the same meeting or subject matter which has become false or misleading.

(b) The fact that an information statement has been filed with or examined by the Commission shall not be deemed a finding by the Commission that such material is accurate or complete or not false or misleading, or that the Commission has passed upon the merits of or approved any statement contained therein or any matter to be acted upon by security holders. No representation contrary to the foregoing shall be made.

§ 240.14c-7 Providing copies of material for certain beneficial owners.

(a) If the registrant knows that securities of any class entitled to vote at a meeting, or by written authorizations or consents if no meeting is held, are held of record by a broker, dealer, voting trustee, or bank, association, or other entity that exercises fiduciary powers in nominee name or otherwise, the registrant shall:

(1) By first class mail or other equally prompt means:

(C) If the record holder or respondent bank has an obligation under § 240.14b-1(b)(3) or § 240.14b-2(b)(4) (ii) and (iii), whether an agent has been designated to act on its behalf in fulfilling such obligation, and, if so, the name and address of such agent; and

(D) Whether it holds the registrant's securities on behalf of any respondent bank and, if so, the name and address of each such respondent bank; and

(ii) Indicate to each such record holder:

(A) Whether the registrant pursuant to paragraph (c) of this section, intends to distribute the annual report to security holders to beneficial owners of its securities whose names, addresses and securities positions are disclosed pursuant to § 240.14b-1(b)(3) and § 240.14b-2(b)(4) (ii) and (iii);

(2) Upon receipt of a record holder's or respondent bank's response indicating, pursuant to § 240.14b-2(a)(1), the names and addresses of its respondent banks, within one business day after the date such response is received, make an inquiry of and give notification to each such respondent bank in the same manner required by paragraph (a)(1) of this section; *Provided, however,* the inquiry required by paragraphs (a)(1) and (a)(2) of this section shall not cover beneficial owners of exempt employee benefit plan securities;

Securities and Exchange Commission

§ 240.14c-7

(3) Make the inquiry required by paragraph (a)(1) of this section on the earlier of:

(i) At least 20 business days prior to the record date of the meeting of security holders or the record date of written consents in lieu of a meeting; or

(ii) At least 20 business days prior to the date the information statement is required to be sent or given pursuant to § 240.14c-2(b);

Provided, however, That, if a record holder or respondent bank has informed the registrant that a designated office(s) or department(s) is to receive such inquiries, the inquiry shall be made to such designated office(s) or department(s);

(4) Supply, in a timely manner, each record holder and respondent bank of whom the inquiries required by paragraphs (a)(1) and (a)(2) of this section are made with copies of the information statement and/or the annual report to security holders, in such quantities, assembled in such form and at such place(s), as the record holder or respondent bank may reasonably request in order to send such material to each beneficial owner of securities who is to be furnished with such material by the record holder or respondent bank; and

(5) Upon the request of any record holder or respondent bank that is supplied with information statements and/or annual reports to security holders pursuant to paragraph (a)(3) of this section, pay its reasonable expenses for completing the mailing of such material to beneficial owners.

NOTE 1: If the registrant's list of security holders indicates that some of its securities are registered in the name of a clearing agency registered pursuant to section 17A of the Act (*e.g.*, "Cede & Co.," nominee for the Depository Trust Company), the registrant shall make appropriate inquiry of the clearing agency and thereafter of the participants in such clearing agency who may hold on behalf of a beneficial owner or respondent bank, and shall comply with the above paragraph with respect to any such participant (*see* § 240.14c-1 (h)).

NOTE 2: The attention of registrants is called to the fact that each broker, dealer, bank, association, and other entity that exercises fiduciary powers has an obligation pursuant to § 240.14b-1 and § 240.14b-2 (except as provided therein with respect to exempt

employee benefit plan securities held in nominee name) and, with respect to brokers and dealers, applicable self-regulatory organization requirements to obtain and forward, within the time periods prescribed therein, (a) information statements to beneficial owners on whose behalf it holds securities, and (b) annual reports to security holders to beneficial owners on whose behalf it holds securities, unless the registrant has notified the record holder or respondent bank that it has assumed responsibility to mail such material to beneficial owners whose names, addresses, and securities positions are disclosed pursuant to § 240.14b-1(b)(3) and § 240.14b-2(b)(4) (ii) and (iii).

NOTE 3: The attention of registrants is called to the fact that registrants have an obligation, pursuant to paragraph (d) of this section, to cause information statements and annual reports to security holders to be furnished, in accordance with § 240.14c-2, to beneficial owners of exempt employee benefit plan securities.

(b) Any registrant requesting pursuant to § 240.14b-1(b)(3) and § 240.14b-2(b)(4) (ii) and (iii) a list of names, addresses and securities positions of beneficial owners of its securities who either have consented or have not objected to disclosure of such information shall:

(1) By first class mail or other equally prompt means, inquire of each record holder and each respondent bank identified to the registrant pursuant to § 240.14b-2(e)(1) whether such record holder or respondent bank holds the registrant's securities on behalf of any respondent banks and, if so, the name and address of each such respondent bank;

(4) Use the information furnished in response to such request exclusively for purposes of corporate communications; and

(5) Upon the request of any record holder or respondent bank to whom such request is made, pay the reasonable expenses, both direct and indirect, of providing beneficial owner information.

NOTE: A registrant will be deemed to have satisfied its obligations under paragraph (b) of this section by requesting consenting and non-objecting beneficial owner lists from a designated agent acting on behalf of the record holder or respondent bank and paying to that designated agent the reasonable expenses of providing the beneficial owner information.

(c) A registrant, at its option, may send by mail or other equally prompt means, its annual report to security holders to the beneficial owners whose identifying information is provided by record holders and respondent banks, pursuant to § 240.14b-1(b)(3) and § 240.14b-2(b)(4) (ii) and (iii), provided that such registrant notifies the record holders and respondent banks at the time it makes the inquiry required by paragraph (a) of this section that the registrant will send the annual report to security holders to the beneficial owners so identified.

(d) If a registrant furnishes information statements to record holders and respondent banks who hold securities on behalf of beneficial owners, the registrant shall cause information statements and annual reports to security holders to be furnished, in accordance with § 240.14c-2, to beneficial owners of exempt employee benefit plan securities.

Instructions. 1. This item need not be answered as to any proposal submitted with respect to an annual meeting if such proposal is submitted less than 60 days in advance of a day corresponding to the date of mailing a proxy statement or information statement in connection with the last annual meeting of security holders.

REGULATION 14D

ATTENTION ELECTRONIC FILERS

THIS REGULATION SHOULD BE READ IN CONJUNCTION WITH REGULATION S-T (PART 232 OF THIS CHAPTER), WHICH GOVERNS THE PREPARATION AND SUBMISSION OF DOCUMENTS IN ELECTRONIC FORMAT. MANY PROVISIONS RELATING TO THE PREPARATION AND SUBMISSION OF DOCUMENTS IN PAPER FORMAT CONTAINED IN THIS REGULATION ARE SUPERSEDED BY THE PROVISIONS OF REGULATION S-T FOR DOCUMENTS REQUIRED TO BE FILED IN ELECTRONIC FORMAT.

§ 240.14d-1 Scope of and definitions applicable to Regulations 14D and 14E.

(a) *Scope.* Regulation 14D (§§ 240.14d-1 through 240.14d-101) shall apply to any tender offer which is subject to section 14(d)(1) of the Act, including, but not limited to, any tender offer for securities of a class described in that section which is made by an affiliate of the issuer of such class. Regulation 14E (§§ 240.14e-1 and 240.14e-2) shall apply to any tender offer for securities (other than exempted securities) unless otherwise noted therein.

(b) The requirements imposed by sections 14(d)(1) through 14(d)(7) of the Act, Regulation 14D and Schedules TO and 14D-9 thereunder, and Rule 14e-1 of Regulation 14E under the Act, shall be deemed satisfied with respect to any tender offer, including any exchange offer, for the securities of an issuer incorporated or organized under the laws of Canada or any Canadian province or territory, if such issuer is a foreign private issuer and is not an investment company registered or required to be registered under the Investment Company Act of 1940, if less than 40 percent of the class of securities outstanding that is the subject of the tender offer is held by U.S. holders, and the tender offer is subject to, and the bidder complies with, the laws, regulations and policies of Canada and/or any of its provinces or territories governing the conduct of the offer (unless the bidder has received an exemption(s) from, and the tender offer does not comply with, requirements that otherwise would be prescribed by Regulation 14D or 14E), *provided that:*

(1) In the case of tender offers subject to section 14(d)(1) of the Act, where the consideration for a tender offer subject to this section consists solely of cash, the entire disclosure document or documents required to be furnished to holders of the class of securities to be acquired shall be filed with the Commission on Schedule 14D-1F (§ 240.14d-102) and disseminated to shareholders of the subject company residing in the United States in accordance with such Canadian laws, regulations and policies; or

(2) Where the consideration for a tender offer subject to this section includes securities of the bidder to be issued pursuant to the offer, any registration statement and/or prospectus relating thereto shall be filed with the Commission along with the Schedule 14D-1F referred to in paragraph (b)(1) of this section, and shall be disseminated, together with the home jurisdiction document(s) accompanying such Schedule, to shareholders of the subject company residing in the United States in accordance with such Canadian laws, regulations and policies.

NOTES: 1. For purposes of any tender offer, including any exchange offer, otherwise eligible to proceed in accordance with Rule 14d-1(b) under the Act, the issuer of the subject securities will be presumed to be a foreign private issuer and U.S. holders will be presumed to hold less than 40 percent of such outstanding securities, unless (a) the aggregate trading volume of that class on national securities exchanges in the United States and on NASDAQ exceeded its aggregate trading volume on securities exchanges in Canada and on the Canadian Dealing Network, Inc. ("CDN") over the 12 calendar month period prior to commencement of this offer, or if commenced in response to a prior offer, over the 12 calendar month period prior to the commencement of the initial offer (based on volume figures published by such exchanges and NASDAQ and CDN); (b) the most recent annual report or annual information form filed or submitted by the issuer with securities regulators of Ontario, Quebec, British Columbia or Alberta (or, if the issuer of the subject securities is not a reporting issuer in any of such provinces, with any other Canadian securities regulator) or with the Commission indicates that U.S. holders hold 40 percent or more of the outstanding subject class of securities; or (c) the offeror has actual knowledge that the level of U.S. ownership equals or exceeds 40 percent of such securities.

2. Notwithstanding the grant of an exemption from one or more of the applicable Canadian regulatory provisions imposing requirements that otherwise would be prescribed by Regulation 14D or 14E, the tender offer will be eligible to proceed in accordance with the requirements of this section if the Commission by order determines that the applicable Canadian regulatory provisions are adequate to protect the interest of investors.

(c) *Tier I.* Any tender offer for the securities of a foreign private issuer as defined in § 240.3b-4 is exempt from the requirements of sections 14(d)(1) through 14(d)(7) of the Act (15 U.S.C. 78n(d)(1) through 78n(d)(7)), Regulation 14D (§§ 240.14d-1 through 240.14d-10) and Schedules TO (§ 240.14d-100) and 14D-9 (§ 240.14d-101) thereunder, and § 240.14e-1 and § 240.14e-2 of Regulation 14E under the Act if the following conditions are satisfied:

(1) *U.S. ownership limitation.* Except in the case of a tender offer which is commenced during the pendency of a tender offer made by a prior bidder in reliance on this paragraph or § 240.13e-4(h)(8), U.S. holders do not hold more than 10 percent of the class of securities sought in the offer (as determined under Instruction 2 to paragraphs (c) and (d) of this section).

(2) *Equal treatment.* The bidder must permit U.S. holders to participate in the offer on terms at least as favorable as those offered any other holder of the same class of securities that is the subject of the tender offer; however:

(i) *Registered exchange offers.* If the bidder offers securities registered under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*), the bidder need not extend the offer to security holders in those states or jurisdictions that prohibit the offer or sale of the securities after the bidder has made a good faith effort to register or qualify the offer and sale of securities in that state or jurisdiction, except that the bidder must offer the same cash alternative to security holders in any such state or jurisdiction that it has offered to security holders in any other state or jurisdiction.

(ii) *Exempt exchange offers.* If the bidder offers securities exempt from registration under § 230.802 of this chapter, the bidder need not extend the offer to security holders in those states or jurisdictions that require registration or

qualification, except that the bidder must offer the same cash alternative to security holders in any such state or jurisdiction that it has offered to security holders in any other state or jurisdiction.

(iii) *Cash only consideration.* The bidder may offer U.S. holders only a cash consideration for the tender of the subject securities, notwithstanding the fact that the bidder is offering security holders outside the United States a consideration that consists in whole or in part of securities of the bidder, so long as the bidder has a reasonable basis for believing that the amount of cash is substantially equivalent to the value of the consideration offered to non-U.S. holders, and either of the following conditions are satisfied:

(A) The offered security is a “margin security” within the meaning of Regulation T (12 CFR 220.2) and the issuer undertakes to provide, upon the request of any U.S. holder or the Commission staff, the closing price and daily trading volume of the security on the principal trading market for the security as of the last trading day of each of the six months preceding the announcement of the offer and each of the trading days thereafter; or

(B) If the offered security is not a “margin security” within the meaning of Regulation T (12 CFR 220.2) the issuer undertakes to provide, upon the request of any U.S. holder or the Commission staff, an opinion of an independent expert stating that the cash consideration offered to U.S. holders is substantially equivalent to the value of the consideration offered security holders outside the United States.

(iv) *Disparate tax treatment.* If the bidder offers loan notes solely to offer sellers tax advantages not available in the United States and these notes are neither listed on any organized securities market nor registered under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*), the loan notes need not be offered to U.S. holders.

(3) *Informational documents.* (i) The bidder must disseminate any informational document to U.S. holders, including any amendments thereto, in English, on a comparable basis to that provided to security holders in the home jurisdiction.

§ 240.14d-1

17 CFR Ch. II (4-1-06 Edition)

(ii) If the bidder disseminates by publication in its home jurisdiction, the bidder must publish the information in the United States in a manner reasonably calculated to inform U.S. holders of the offer.

(iii) In the case of tender offers for securities described in section 14(d)(1) of the Act (15 U.S.C. 78n(d)(1)), if the bidder publishes or otherwise disseminates an informational document to the holders of the securities in connection with the tender offer, the bidder must furnish that informational document, including any amendments thereto, in English, to the Commission on Form CB (§249.480 of this chapter) by the first business day after publication or dissemination. If the bidder is a foreign company, it must also file a Form F-X (§239.42 of this chapter) with the Commission at the same time as the submission of Form CB to appoint an agent for service in the United States.

(4) *Investment companies.* The issuer of the securities that are the subject of the tender offer is not an investment company registered or required to be registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*), other than a registered closed-end investment company.

(d) *Tier II.* A person conducting a tender offer (including any exchange offer) that meets the conditions in paragraph (d)(1) of this section shall be entitled to the exemptive relief specified in paragraph (d)(2) of this section provided that such tender offer complies with all the requirements of this section other than those for which an exemption has been specifically provided in paragraph (d)(2) of this section:

(1) *Conditions.* (i) The subject company is a foreign private issuer as defined in §240.3b-4 and is not an investment company registered or required to be registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*), other than a registered closed-end investment company;

(ii) Except in the case of a tender offer which is commenced during the pendency of a tender offer made by a prior bidder in reliance on this paragraph or §240.13e-4(i), U.S. holders do not hold more than 40 percent of the class of securities sought in the offer

(as determined under Instruction 2 to paragraphs (c) and (d) of this section); and

(iii) The bidder complies with all applicable U.S. tender offer laws and regulations, other than those for which an exemption has been provided for in paragraph (d)(2) of this section.

(2) *Exemptions*—i) *Equal treatment—loan notes.* If the bidder offers loan notes solely to offer sellers tax advantages not available in the United States and these notes are neither listed on any organized securities market nor registered under the Securities Act of 1933 (15 U.S.C. 77a *et seq.*), the loan notes need not be offered to U.S. holders, notwithstanding §240.14d-10.

(ii) *Equal treatment—separate U.S. and foreign offers.* Notwithstanding the provisions of §240.14d-10, a bidder conducting a tender offer meeting the conditions of paragraph (d)(1) of this section may separate the offer into two offers: one offer made only to U.S. holders and another offer made only to non-U.S. holders. The offer to U.S. holders must be made on terms at least as favorable as those offered any other holder of the same class of securities that is the subject of the tender offers.

(iii) *Notice of extensions.* Notice of extensions made in accordance with the requirements of the home jurisdiction law or practice will satisfy the requirements of §240.14e-1(d).

(iv) *Prompt payment.* Payment made in accordance with the requirements of the home jurisdiction law or practice will satisfy the requirements of §240.14e-1(c).

(v) *Subsequent offering period/Withdrawal rights.* A bidder will satisfy the announcement and prompt payment requirements of §240.14d-11(d), if the bidder announces the results of the tender offer, including the approximate number of securities deposited to date, and pays for tendered securities in accordance with the requirements of the home jurisdiction law or practice and the subsequent offering period commences immediately following such announcement. Notwithstanding section 14(d)(5) of the Act (15 U.S.C. 78n(d)(5)), the bidder need not extend withdrawal rights following the close of the offer and prior to the commencement of the subsequent offering period.

Securities and Exchange Commission

§ 240.14d-1

Instructions to paragraphs (c) and (d):

1. *Home jurisdiction* means both the jurisdiction of the subject company's incorporation, organization or chartering and the principal foreign market where the subject company's securities are listed or quoted.

2. *U.S. holder* means any security holder resident in the United States. Except as otherwise provided in Instruction 3 below, to determine the percentage of outstanding securities held by U.S. holders:

i. Calculate the U.S. ownership as of 30 days before the commencement of the tender offer;

ii. Include securities underlying American Depositary Shares convertible or exchangeable into the securities that are the subject of the tender offer when calculating the number of subject securities outstanding, as well as the number held by U.S. holders. Exclude from the calculations other types of securities that are convertible or exchangeable into the securities that are the subject of the tender offer, such as warrants, options and convertible securities. Exclude from those calculations securities held by persons who hold more than 10 percent of the subject securities, or that are held by the bidder;

iii. Use the method of calculating record ownership in Rule 12g3-2(a) under the Act (§240.12g3-2(a) of this chapter), except that your inquiry as to the amount of securities represented by accounts of customers resident in the United States may be limited to brokers, dealers, banks and other nominees located in the United States, the subject company's jurisdiction of incorporation or that of each participant in a business combination, and the jurisdiction that is the primary trading market for the subject securities, if different than the subject company's jurisdiction of incorporation;

iv. If, after reasonable inquiry, you are unable to obtain information about the amount of securities represented by accounts of customers resident in the United States, you may assume, for purposes of this definition, that the customers are residents of the jurisdiction in which the nominee has its principal place of business; and

v. Count securities as beneficially owned by residents of the United States as reported on reports of beneficial ownership that are provided to you or publicly filed and based on information otherwise provided to you.

3. In a tender offer by a bidder other than an affiliate of the issuer of the subject securities, the issuer of the subject securities will be presumed to be a foreign private issuer and U.S. holders will be presumed to hold 10 percent or less (40 percent or less in the case of 14d-1(d)) of such outstanding securities, unless:

i. The tender offer is made pursuant to an agreement with the issuer of the subject securities;

ii. The aggregate trading volume of the subject class of securities on all national securities exchanges in the United States, on the Nasdaq market, or on the OTC market, as reported to the NASD, over the 12-calendar-month period ending 30 days before commencement of the offer, exceeds 10 percent (40 percent in the case of 14d-1(d)) of the worldwide aggregate trading volume of that class of securities over the same period;

iii. The most recent annual report or annual information filed or submitted by the issuer with securities regulators of the home jurisdiction or with the Commission indicates that U.S. holders hold more than 10 percent (40 percent in the case of 14d-1(d)) of the outstanding subject class of securities; or

iv. The bidder knows or has reason to know that the level of U.S. ownership exceeds 10 percent (40 percent in the case of 14d-1(d)) of such securities.

4. *United States*. *United States* means the United States of America, its territories and possessions, any State of the United States, and the District of Columbia.

5. The exemptions provided by paragraphs (c) and (d) of this section are not available for any securities transaction or series of transactions that technically complies with paragraph (c) or (d) of this section but are part of a plan or scheme to evade the provisions of Regulations 14D or 14E.

(e) Notwithstanding paragraph (a) of this section, the requirements imposed by sections 14(d)(1) through 14(d)(7) of the Act [15 U.S.C. 78n(d)(1) through 78n(d)(7)], Regulation 14D promulgated thereunder (§§ 240.14d-1 through 240.14d-10), and §§ 240.14e-1 and 240.14e-2 shall not apply by virtue of the fact that a bidder for the securities of a foreign private issuer, as defined in § 240.3b-4, the subject company of such a tender offer, their representatives, or any other person specified in § 240.14d-9(d), provides any journalist with access to its press conferences held outside of the United States, to meetings with its representatives conducted outside of the United States, or to written press-related materials released outside the United States, at or in which a present or proposed tender offer is discussed, if:

(1) Access is provided to both U.S. and foreign journalists; and

(2) With respect to any written press-related materials released by the bidder or its representatives that discuss a present or proposed tender offer for equity securities registered under Section 12 of the Act [15 U.S.C. 78l], the written press-related materials must

state that these written press-related materials are not an extension of a tender offer in the United States for a class of equity securities of the subject company. If the bidder intends to extend the tender offer in the United States at some future time, a statement regarding this intention, and that the procedural and filing requirements of the Williams Act will be satisfied at that time, also must be included in these written press-related materials. No means to tender securities, or coupons that could be returned to indicate interest in the tender offer, may be provided as part of, or attached to, these written press-related materials.

(f) For the purpose of § 240.14d-1(e), a bidder may presume that a target company qualifies as a foreign private issuer if the target company is a foreign issuer and files registration statements or reports on the disclosure forms specifically designated for foreign private issuers, claims the exemption from registration under the Act pursuant to § 240.12g3-2(b), or is not reporting in the United States.

(g) *Definitions.* Unless the context otherwise requires, all terms used in Regulation 14D and Regulation 14E have the same meaning as in the Act and in Rule 12b-2 (§ 240.12b-2) promulgated thereunder. In addition, for purposes of sections 14(d) and 14(e) of the Act and Regulations 14D and 14E, the following definitions apply:

(4) The term *initial offering period* means the period from the time the offer commences until all minimum time periods, including extensions, required by Regulations 14D (§§ 240.14d-1 through 240.14d-103) and 14E (§§ 240.14e-1 through 240.14e-8) have been satisfied and all conditions to the offer have been satisfied or waived within these time periods.

(a) *Date of commencement.* A bidder will have commenced its tender offer for purposes of section 14(d) of the Act (15 U.S.C. 78n) and the rules under that section at 12:01 a.m. on the date when the bidder has first published, sent or given the means to tender to security holders. For purposes of this section, the means to tender includes the transmittal form or a statement regarding how the transmittal form may be obtained.

(b) *Pre-commencement communications.* A communication by the bidder will not be deemed to constitute commencement of a tender offer if:

3. Each pre-commencement written communication must include a prominent legend in clear, plain language advising security holders to read the tender offer statement when it is available because it contains important information. The legend also must advise investors that they can get the tender offer statement and other filed documents for free at the Commission's web site and explain which documents are free from the offeror.

4. See §§ 230.135, 230.165 and 230.166 of this chapter for pre-commencement communications made in connection with registered exchange offers.

(1) The subject company shall notify promptly transfer agents and any other person who will assist the subject company in complying with the requirements of this section of the receipt by the subject company of a request by a bidder pursuant to this section.

(2) The subject company shall promptly ascertain whether the most recently prepared stockholder list, written or otherwise, within the access of the subject company was prepared as of a date earlier than ten business days before the date of the bidder's request and, if so, the subject company shall promptly prepare or cause to be prepared a stockholder list as of the most recent practicable date which shall not be more than ten business days before the date of the bidder's request.

(3) The subject company shall make an election to comply and shall comply with all of the provisions of either paragraph (b) or paragraph (c) of this section. The subject company's election once made shall not be modified or revoked during the bidder's tender offer and extensions thereof.

(4) No later than the second business day after the date of the bidder's re-

quest, the subject company shall orally notify the bidder, which notification shall be confirmed in writing, of the subject company's election made pursuant to paragraph (a)(3) of this section. Such notification shall indicate (i) the approximate number of security holders of the class of securities being sought by the bidder and, (ii) if the subject company elects to comply with paragraph (b) of this section, appropriate information concerning the location for delivery of the bidder's tender offer materials and the approximate direct costs incidental to the mailing to security holders of the bidder's tender offer materials computed in accordance with paragraph (g)(2) of this section.

(b) *Mailing of tender offer materials by the subject company.* A subject company which elects pursuant to paragraph (a)(3) of this section to comply with the provisions of this paragraph shall perform the acts prescribed by the following paragraphs.

(1) The subject company shall promptly contact each participant named on the most recent security position listing of any clearing agency within the access of the subject company and make inquiry of each such participant as to the approximate number of beneficial owners of the subject company securities being sought in the tender offer held by each such participant.

(2) No later than the third business day after delivery of the bidder's tender offer materials pursuant to paragraph (g)(1) of this section, the subject company shall begin to mail or cause to be mailed by means of first class mail a copy of the bidder's tender offer materials to each person whose name appears as a record holder of the class of securities for which the offer is made on the most recent stockholder list referred to in paragraph (a)(2) of this section. The subject company shall use its best efforts to complete the mailing in a timely manner but in no event shall such mailing be completed in a substantially greater period of time than the subject company would complete a mailing to security holders of its own materials relating to the tender offer.

(3) No later than the third business day after the delivery of the bidder's

tender offer materials pursuant to paragraph (g)(1) of this section, the subject company shall begin to transmit or cause to be transmitted a sufficient number of sets of the bidder's tender offer materials to the participants named on the security position listings described in paragraph (b)(1) of this section. The subject company shall use its best efforts to complete the transmittal in a timely manner but in no event shall such transmittal be completed in a substantially greater period of time than the subject company would complete a transmittal to such participants pursuant to security position listings of clearing agencies of its own material relating to the tender offer.

(4) The subject company shall promptly give oral notification to the bidder, which notification shall be confirmed in writing, of the commencement of the mailing pursuant to paragraph (b)(2) of this section and of the transmittal pursuant to paragraph (b)(3) of this section.

(5) During the tender offer and any extension thereof the subject company shall use reasonable efforts to update the stockholder list and shall mail or cause to be mailed promptly following each update a copy of the bidder's tender offer materials (to the extent sufficient sets of such materials have been furnished by the bidder) to each person who has become a record holder since the later of (i) the date of preparation of the most recent stockholder list referred to in paragraph (a)(2) of this section or (ii) the last preceding update.

(6) If the bidder has elected pursuant to paragraph (f)(1) of this section to require the subject company to disseminate amendments disclosing material changes to the tender offer materials pursuant to this section, the subject company, promptly following delivery of each such amendment, shall mail or cause to be mailed a copy of each such amendment to each record holder whose name appears on the shareholder list described in paragraphs (a)(2) and (b)(5) of this section and shall transmit or cause to be transmitted sufficient copies of such amendment to each participant named on security position listings who received sets of the bid-

der's tender offer materials pursuant to paragraph (b)(3) of this section.

(7) The subject company shall not include any communication other than the bidder's tender offer materials or amendments thereto in the envelopes or other containers furnished by the bidder.

(8) Promptly following the termination of the tender offer, the subject company shall reimburse the bidder the excess, if any, of the amounts advanced pursuant to paragraph (f)(3)(iii) over the direct costs incidental to compliance by the subject company and its agents in performing the acts required by this section computed in accordance with paragraph (g)(2) of this section.

(c) *Delivery of stockholder lists and security position listings.* A subject company which elects pursuant to paragraph (a)(3) of this section to comply with the provisions of this paragraph shall perform the acts prescribed by the following paragraphs.

(1) No later than the third business day after the date of the bidder's request, the subject company must furnish to the bidder at the subject company's principal executive office a copy of the names and addresses of the record holders on the most recent stockholder list referred to in paragraph (a)(2) of this section; the names and addresses of participants identified on the most recent security position listing of any clearing agency that is within the access of the subject company; and the most recent list of names, addresses and security positions of beneficial owners as specified in § 240.14a-13(b), in the possession of the subject company, or that subsequently comes into its possession. All security holder list information must be in the format requested by the bidder to the extent the format is available to the subject company without undue burden or expense.

(2) If the bidder has elected pursuant to paragraph (f)(1) of this section to require the subject company to disseminate amendments disclosing material changes to the tender offer materials, the subject company shall update the stockholder list by furnishing the bidder with the name and address of each

record holder named on the stockholder list, and not previously furnished to the bidder, promptly after such information becomes available to the subject company during the tender offer and any extensions thereof.

(d) *Liability of subject company and others.* Neither the subject company nor any affiliate or agent of the subject company nor any clearing agency shall be:

(1) Deemed to have made a solicitation or recommendation respecting the tender offer within the meaning of section 14(d)(4) based solely upon the compliance or noncompliance by the subject company or any affiliate or agent of the subject company with one or more requirements of this section;

(2) Liable under any provision of the Federal securities laws to the bidder or to any security holder based solely upon the inaccuracy of the current names or addresses on the stockholder list or security position listing, unless such inaccuracy results from a lack of reasonable care on the part of the subject company or any affiliate or agent of the subject company;

(3) Deemed to be an “underwriter” within the meaning of section (2)(11) of the Securities Act of 1933 for any purpose of that Act or any rule or regulation promulgated thereunder based solely upon the compliance or noncompliance by the subject company or any affiliate or agent of the subject company with one or more of the requirements of this section;

(4) Liable under any provision of the Federal securities laws for the disclosure in the bidder’s tender offer materials, including any amendment thereto, based solely upon the compliance or noncompliance by the subject company or any affiliate or agent of the subject company with one or more of the requirements of this section.

(6) The name, address and telephone number of the person whom the subject company shall contact pursuant to paragraph (a)(4) of this section.

(f) *Obligations of the bidder.* Any bidder who requests that a subject company comply with the provisions of paragraph (a) of this section shall comply with the following paragraphs.

(1) The bidder shall make an election whether or not to require the subject company to disseminate amendments disclosing material changes to the tender offer materials pursuant to this section, which election shall be included in the request referred to in paragraph (a) of this section and shall not be revocable by the bidder during the tender offer and extensions thereof.

(2) With respect to a tender offer subject to section 14(d)(1) of the Act in which the consideration consists solely of cash and/or securities exempt from registration under section 3 of the Securities Act of 1933, the bidder shall comply with the requirements of Rule 14d-4(a)(3).

(3) If the subject company elects to comply with paragraph (b) of this section,

(i) The bidder shall promptly deliver the tender offer materials after receipt of the notification from the subject company as provided in paragraph (a)(4) of this section;

(ii) The bidder shall promptly notify the subject company of any amendment to the bidder’s tender offer materials requiring compliance by the subject company with paragraph (b)(6) of this section and shall promptly deliver such amendment to the subject company pursuant to paragraph (g)(1) of this section;

(iii) The bidder shall advance to the subject company an amount equal to

the approximate cost of conducting mailings to security holders computed in accordance with paragraph (g)(2) of this section;

(iv) The bidder shall promptly reimburse the subject company for the direct costs incidental to compliance by the subject company and its agents in performing the acts required by this section computed in accordance with paragraph (g)(2) of this section which are in excess of the amount advanced pursuant to paragraph (f)(2)(iii) of this section; and

(v) The bidder shall mail by means of first class mail or otherwise furnish with reasonable promptness the tender offer materials to any security holder who requests such materials.

(4) If the subject company elects to comply with paragraph (c) of this section,

(i) The bidder shall use the stockholder list and security position listings furnished to the bidder pursuant to paragraph (c) of this section exclusively in the dissemination of tender offer materials to security holders in connection with the bidder's tender offer and extensions thereof;

(ii) The bidder shall return the stockholder lists and security position listings furnished to the bidder pursuant to paragraph (c) of this section promptly after the termination of the bidder's tender offer;

(iii) The bidder shall accept, handle and return the stockholder lists and security position listings furnished to the bidder pursuant to paragraph (c) of this section to the subject company on a confidential basis;

(iv) The bidder shall not retain any stockholder list or security position listing furnished by the subject company pursuant to paragraph (c) of this section, or any copy thereof, nor retain any information derived from any such list or listing or copy thereof after the termination of the bidder's tender offer;

(v) The bidder shall mail by means of first class mail, at its own expense, a copy of its tender offer materials to each person whose identity appears on the stockholder list as furnished and updated by the subject company pursuant to paragraphs (c)(1) and (2) of this section;

(vi) The bidder shall contact the participants named on the security position listing of any clearing agency, make inquiry of each participant as to the approximate number of sets of tender offer materials required by each such participant, and furnish, at its own expense, sufficient sets of tender offer materials and any amendment thereto to each such participant for subsequent transmission to the beneficial owners of the securities being sought by the bidder;

(vii) The bidder shall mail by means of first class mail or otherwise furnish with reasonable promptness the tender offer materials to any security holder who requests such materials; and

(viii) The bidder shall promptly reimburse the subject company for direct costs incidental to compliance by the subject company and its agents in performing the acts required by this section computed in accordance with paragraph (g)(2) of this section.

(g) *Delivery of materials, computation of direct costs.* (1) Whenever the bidder is required to deliver tender offer materials or amendments to tender offer materials, the bidder shall deliver to the subject company at the location specified by the subject company in its notice given pursuant to paragraph (a)(4) of this section a number of sets of the materials or of the amendment, as the case may be, at least equal to the approximate number of security holders specified by the subject company in such notice, together with appropriate envelopes or other containers therefor: *Provided, however,* That such delivery shall be deemed not to have been made unless the bidder has complied with paragraph (f)(3)(iii) of this section at the time the materials or amendments, as the case may be, are delivered.

(2) The approximate direct cost of mailing the bidder's tender offer materials shall be computed by adding (i) the direct cost incidental to the mailing of the subject company's last annual report to shareholders (excluding employee time), less the costs of preparation and printing of the report, and postage, plus (ii) the amount of first class postage required to mail the bidder's tender offer materials. The approximate direct costs incidental to the mailing of the amendments to the

bidder's tender offer materials shall be computed by adding (iii) the estimated direct costs of preparing mailing labels, of updating shareholder lists and of third party handling charges plus (iv) the amount of first class postage required to mail the bidder's amendment. Direct costs incidental to the mailing of the bidder's tender offer materials and amendments thereto when finally computed may include all reasonable charges paid by the subject company to third parties for supplies or services, including costs attendant to preparing shareholder lists, mailing labels, handling the bidder's materials, contacting participants named on security position listings and for postage, but shall exclude indirect costs, such as employee time which is devoted to either contesting or supporting the tender offer on behalf of the subject company. The final billing for direct costs shall be accompanied by an appropriate accounting in reasonable detail.

NOTE TO § 240.14d-5. Reasonably prompt methods of distribution to security holders may be used instead of mailing. If alternative methods are chosen, the approximate direct costs of distribution shall be computed by adding the estimated direct costs of preparing the document for distribution through the chosen medium (including updating of shareholder lists) plus the estimated reasonable cost of distribution through that medium. Direct costs incidental to the distribution of tender offer materials and amendments thereto may include all reasonable charges paid by the subject company to third parties for supplies or services, including costs attendant to preparing shareholder lists, handling the bidder's materials, and contacting participants named on security position listings, but shall not include indirect costs, such as employee time which is devoted to either contesting or supporting the tender offer on behalf of the subject company.

General Instructions:

A. File eight copies of the statement, including all exhibits, with the Commission if paper filing is permitted.

B. This filing must be accompanied by a fee payable to the Commission as required by § 240.0-11.

C. If the statement is filed by a general or limited partnership, syndicate or other group, the information called for by Items 3 and 5-8 for a third-party tender offer and Items 5-8 for an issuer tender offer must be given with respect to: (i) Each partner of the general partnership; (ii) each partner who is, or functions as, a general partner of the limited partnership; (iii) each member of the syndicate or group; and (iv) each person controlling the partner or member. If the statement is filed by a corporation or if a person referred to in (i), (ii), (iii) or (iv) of this Instruction is a corporation, the information called for by the items specified above must be given with respect to: (a) Each executive officer and director of the corporation; (b) each person controlling the corporation; and (c) each executive officer and director of any corporation or other person ultimately in control of the corporation.

D. If the filing contains only preliminary communications made before the commencement of a tender offer, no signature or filing fee is required. The filer need not respond to the items in the schedule. Any pre-commencement communications that are filed under cover of this schedule need not be incorporated by reference into the schedule.

E. If an item is inapplicable or the answer is in the negative, so state. The statement published, sent or given to security holders may omit negative and not applicable responses. If the schedule includes any information that is not published, sent or given to security holders, provide that information or specifically incorporate it by reference under the appropriate item number and heading in the schedule. Do not recite the text of disclosure requirements in the schedule or any document published, sent or given to security holders. Indicate clearly the coverage of the requirements without referring to the text of the items.

F. Information contained in exhibits to the statement may be incorporated by reference in answer or partial answer to any item unless it would render the answer misleading, incomplete, unclear or confusing. A copy of any information that is incorporated by reference or a copy of the pertinent pages of a document containing the information must be submitted with this statement as an exhibit, unless it was previously filed with the Commission electronically on EDGAR. If an exhibit contains information responding to more than one item in the schedule, all in-

formation in that exhibit may be incorporated by reference once in response to the several items in the schedule for which it provides an answer. Information incorporated by reference is deemed filed with the Commission for all purposes of the Act.

G. A filing person may amend its previously filed Schedule 13D (§ 240.13d-101) on Schedule TO (§ 240.14d-100) if the appropriate box on the cover page is checked to indicate a combined filing and the information called for by the fourteen disclosure items on the cover page of Schedule 13D (§ 240.13d-101) is provided on the cover page of the combined filing with respect to each filing person.

H. The final amendment required by § 240.14d-3(b)(2) and § 240.13e-4(c)(4) will satisfy the reporting requirements of section 13(d) of the Act with respect to all securities acquired by the offeror in the tender offer.

I. Amendments disclosing a material change in the information set forth in this statement may omit any information previously disclosed in this statement.

J. If the tender offer disclosed on this statement involves a going-private transaction, a combined Schedule TO (§ 240.14d-100) and Schedule 13E-3 (§ 240.13e-100) may be filed with the Commission under cover of Schedule TO. The Rule 13e-3 box on the cover page of the Schedule TO must be checked to indicate a combined filing. All information called for by both schedules must be provided except that Items 1-3, 5, 8 and 9 of Schedule TO may be omitted to the extent those items call for information that duplicates the item requirements in Schedule 13E-3.

K. For purposes of this statement, the following definitions apply:

(1) The term *offeror* means any person who makes a tender offer or on whose behalf a tender offer is made;

(2) The term *issuer tender offer* has the same meaning as in Rule 13e-4(a)(2); and

(3) The term *third-party tender offer* means a tender offer that is not an issuer tender offer.

SPECIAL INSTRUCTIONS FOR COMPLYING WITH SCHEDULE TO

Under Sections 13(e), 14(d) and 23 of the Act and the rules and regulations of the Act, the Commission is authorized to solicit the information required to be supplied by this schedule.

Disclosure of the information specified in this schedule is mandatory, except for I.R.S. identification numbers, disclosure of which is voluntary. The information will be used for the primary purpose of disclosing tender offer and going-private transactions. This statement will be made a matter of public record. Therefore, any information given will be available for inspection by any member of the public.

Securities and Exchange Commission

§ 240.14d-100

Because of the public nature of the information, the Commission can use it for a variety of purposes, including referral to other governmental authorities or securities self-regulatory organizations for investigatory purposes or in connection with litigation involving the Federal securities laws or other civil, criminal or regulatory statutes or provisions. I.R.S. identification numbers, if furnished, will assist the Commission in identifying security holders and, therefore, in promptly processing tender offer and going-private statements.

Failure to disclose the information required by this schedule, except for I.R.S. identification numbers, may result in civil or criminal action against the persons involved for violation of the Federal securities laws and rules.

Item 9. Persons/Assets, Retained, Employed, Compensated or Used

Item 10. Financial Statements

If material, furnish the information required by Item 1010(a) and (b) of Regulation M-A (§229.1010 of this chapter) for the issuer in an issuer tender offer and for the offeror in a third-party tender offer.

Instructions to Item 10:

1. Financial statements must be provided when the offeror's financial condition is material to security holder's decision whether to sell, tender or hold the securities sought. The facts and circumstances of a tender offer, particularly the terms of the tender offer, may influence a determination as to whether financial statements are material, and thus required to be disclosed.

2. Financial statements are *not* considered material when: (a) The consideration offered consists solely of cash; (b) the offer is not subject to any financing condition; and either: (c) the offeror is a public reporting company under Section 13(a) or 15(d) of the Act that files reports electronically on EDGAR, or (d) the offer is for all outstanding securities of the subject class. Financial information may be required, however, in a two-tier transaction. See Instruction 5 below.

3. The filing person may incorporate by reference financial statements contained in any document filed with the Commission, solely for the purposes of this schedule, if: (a) The financial statements substantially meet the requirements of this item; (b) an express statement is made that the financial statements are incorporated by reference; (c) the information incorporated by reference is clearly identified by page, paragraph, caption or otherwise; and (d) if the information incorporated by reference is not filed with this schedule, an indication is made where the information may be inspected and copies obtained. Financial statements that are required to be presented in comparative form for two or more fiscal years or periods may

§ 240.14d-101

not be incorporated by reference unless the material incorporated by reference includes the entire period for which the comparative data is required to be given. See General Instruction F to this schedule.

4. If the offeror in a third-party tender offer is a natural person, and such person's financial information is material, disclose the net worth of the offeror. If the offeror's net worth is derived from material amounts of assets that are not readily marketable or there are material guarantees and contingencies, disclose the nature and approximate amount of the individual's net worth that consists of illiquid assets and the magnitude of any guarantees or contingencies that may negatively affect the natural person's net worth.

5. Pro forma financial information is required in a negotiated third-party cash tender offer when securities are intended to be offered in a subsequent merger or other transaction in which remaining target securities are acquired and the acquisition of the subject company is significant to the offeror under § 210.11-01(b)(1) of this chapter. The offeror must disclose the financial information specified in Item 3(f) and Item 5 of Form S-4 (§ 239.25 of this chapter) in the schedule filed with the Commission, but may furnish only the summary financial information specified in Item 3(d), (e) and (f) of Form S-4 in the disclosure document sent to security holders. If pro forma financial information is required by this instruction, the historical financial statements specified in Item 1010 of Regulation M-A (§ 229.1010 of this chapter) are required for the bidder.

6. The disclosure materials disseminated to security holders may contain the summarized financial information specified by Item 1010(c) of Regulation M-A (§ 229.1010 of this chapter) instead of the financial information required by Item 1010(a) and (b). In that case, the financial information required by Item 1010(a) and (b) of Regulation M-A must be disclosed in the statement. If summarized financial information is disseminated to security holders, include appropriate instructions on how more complete financial information can be obtained. If the summarized financial information is prepared on the basis of a comprehensive body of accounting principles other than U.S. GAAP, the summarized financial information must be accompanied by a reconciliation as described in Instruction 8 of this Item.

7. If the offeror is not subject to the periodic reporting requirements of the Act, the financial statements required by this Item need not be audited if audited financial statements are not available or obtainable without unreasonable cost or expense. Make a statement to that effect and the reasons for their unavailability.

8. If the financial statements required by this Item are prepared on the basis of a com-

17 CFR Ch. II (4-1-06 Edition)

prehensive body of accounting principles other than U.S. GAAP, provide a reconciliation to U.S. GAAP in accordance with Item 17 of Form 20-F (§ 249.220f of this chapter), unless a reconciliation is unavailable or not obtainable without unreasonable cost or expense. At a minimum, however, when financial statements are prepared on a basis other than U.S. GAAP, a narrative description of all material variations in accounting principles, practices and methods used in preparing the non-U.S. GAAP financial statements from those accepted in the U.S. must be presented.

Item 11. Additional Information

Furnish the information required by Item 1011 of Regulation M-A (§ 229.1011 of this chapter).

Item 12. Exhibits

File as an exhibit to the Schedule all documents specified by Item 1016 (a), (b), (d), (g) and (h) of Regulation M-A (§ 229.1016 of this chapter).

General Instructions

I. ELIGIBILITY REQUIREMENTS FOR USE OF SCHEDULE 14D-1F

A. Schedule 14D-1F may be used by any person making a cash tender or exchange offer (the "bidder") for securities of any issuer incorporated or organized under the laws of Canada or any Canadian province or territory that is a foreign private issuer, where less than 40 percent of the outstanding class of such issuer's securities that is the subject of the offer is held by U.S. holders. The calculation of U.S. holders shall be made as of the end of the subject issuer's last quarter or, if such quarter terminated within 60 days of the filing date, as of the end of such issuer's preceding quarter.

Instructions

1. For purposes of this Schedule, "foreign private issuer" shall be construed in accordance with Rule 405 under the Securities Act.

2. For purposes of this Schedule, the term "U. S. holder" shall mean any person whose address appears on the records of the issuer, any voting trustee, any depositary, any share transfer agent or any person acting in a similar capacity on behalf of the issuer as being located in the United States.

3. With respect to any tender offer, including any exchange offer, otherwise eligible to proceed in accordance with Rule 14d-1(b) under the Securities Exchange Act of 1934 (the "Exchange Act"), the issuer of the subject securities will be presumed to be a foreign private issuer and U. S. holders will be presumed to hold less than 40 percent of such outstanding securities, unless (a) the aggregate trading volume of that class on national securities exchanges in the United States and on NASDAQ exceeded its aggregate trading volume on securities exchanges in Canada and on the Canadian Dealing Network, Inc. ("CDN") over the 12 calendar month period prior to commencement of this offer, or if commenced in response to a prior offer, over the 12 calendar month period prior to commencement of the initial offer (based on volume figures published by such exchanges and NASDAQ and CDN); (b) the most recent annual report or annual information form filed or submitted by the issuer with securities regulators of Ontario, Quebec, British Columbia or Alberta (or, if the issuer of the

subject securities is not a reporting issuer in any of such provinces, with any other Canadian securities regulator) or with the Commission indicates that U. S. holders hold 40 percent or more of the subject class of securities; or (c) the offeror has actual knowledge that the level of U. S. ownership equals or exceeds 40 percent of such securities.

4. S. ownership for purposes of this Schedule shall be the same as that date used by the initial bidder or issuer.

5. For purposes of this Schedule, the class of subject securities shall not include any securities that may be converted into or are exchangeable for the subject securities.

B. Any bidder using this Schedule must extend the cash tender or exchange offer to U. S. holders of securities of the subject company upon terms and conditions not less favorable than those extended to any other holder of such securities, and must comply with the requirements of any Canadian federal, provincial and/or territorial law, regulation or policy relating to the terms and conditions of the offer.

C. This Schedule shall not be used if the subject company is an investment company registered or required to be registered under the Investment Company Act of 1940.

D. This Schedule shall not be used to comply with the reporting requirements of section 13(d) of the Exchange Act. Persons using this Schedule are reminded of their obligation to file or update a Schedule 13D where required by section 13(d)(1) of the Exchange Act and the Commission's rules and regulations thereunder.

II. FILING INSTRUCTIONS AND FEE

A.(1) The bidder must file this Schedule and any amendment to the Schedule (see Part I, Item 1.(b)), including all exhibits and other documents filed as part of the Schedule or amendment, in electronic format via the Commission's Electronic Data Gathering, Analysis, and Retrieval (EDGAR) system in accordance with the EDGAR rules set forth in Regulation S-T (17 CFR Part 232). For assistance with technical questions about EDGAR or to request an access code, call the EDGAR Filer Support Office at (202) 942-8900. For assistance with the EDGAR rules, call the Office of EDGAR and Information Analysis at (202) 942-2940.

(2) If filing the Schedule in paper under a hardship exemption in 17 CFR 232.201 or 232.202 of Regulation S-T, or as otherwise permitted, the bidder must file with the Commission at its principal office five copies of the complete Schedule and any amend-

ment, including exhibits and all other documents filed as a part of the Schedule or amendment. The bidder must bind, staple or otherwise compile each copy in one or more parts without stiff covers. The bidder must further bind the Schedule or amendment on the side or stitching margin in a manner that leaves the reading matter legible. The bidder must provide three additional copies of the Schedule or amendment without exhibits to the Commission.

B. An electronic filer must provide the signatures required for the Schedule or amendment in accordance with 17 CFR 232.302 of Regulation S-T. (1) Where the bidder is offering securities or other non-cash consideration for some or all of the securities to be acquired, whether or not in combination with a cash payment for the same securities, the value of the consideration shall be based on the market value of the securities to be received by the bidder as established by paragraph 3 of this section.

(2) If there is no market for the securities to be acquired by the bidder, the book value of such securities computed as of the latest practicable date prior to the date of filing the Schedule shall be used, unless the issuer of such securities is in bankruptcy or receivership or has an accumulated capital deficit, in which case one-third of the principal amount, par value or stated value of such securities shall be used.

(3) When the fee is based upon the market value of the securities, such market value shall be calculated upon the basis of either the average of the high and low prices reported in the consolidated reporting system (for exchange traded securities and last sale reported for over-the-counter securities) or the average of the bid and asked price (for other over-the-counter securities) as of a specified date within five business days prior to the date of filing the Schedule.

D. If at any time after the initial payment of the fee the aggregate consideration offered is increased, an additional filing fee based upon such increase shall be paid with the required amended filing.

E. The bidder must file the Schedule or amendment in electronic format in the English language in accordance with 17 CFR

For both an electronic filing and a paper filing, the bidder may provide an English translation or English summary of a foreign language document as an exhibit or other attachment to the Schedule or amendment as permitted by the rules of the applicable Canadian securities administrator.

A paper filer must number sequentially the signed original of the Schedule or amendment (in addition to any internal numbering that otherwise may be present) by handwritten, typed, printed or other legible form of notation from the first page through the last page of the Schedule or amendment, including any exhibits or attachments. A paper filer must disclose the total number of pages on the first page of the sequentially numbered Schedule or amendment.

As a means reasonably designed to prevent fraudulent, deceptive or manipulative acts or practices within the meaning of section 14(e) of the Act, no person who makes a tender offer shall:

(a) Hold such tender offer open for less than twenty business days from the date such tender offer is first published or sent to security holders; provided, however, that if the tender offer involves a roll-up transaction as defined in Item 901(c) of Regulation S-K (17 CFR 229.901(c)) and the securities being offered are registered (or authorized to be registered) on Form S-4 (17 CFR 229.25) or Form F-4 (17 CFR 229.34), the offer shall not be open for less than sixty calendar days from the date the tender offer is first published or sent to security holders;

Provided, however, That, for purposes of this paragraph, the acceptance for payment of an additional amount of securities not to exceed two percent of the class of securities that is the subject of the tender offer shall not be deemed to be an increase. For purposes of this paragraph, the percentage of a class of securities shall be calculated in accordance with section 14(d)(3) of the Act.

(d) Extend the length of a tender offer without issuing a notice of such extension by press release or other public announcement, which notice shall include disclosure of the approximate number of securities deposited to date and shall be issued no later than the

- (a) *Definitions.* For purposes of this section:
 - (1) The amount of a person's "net long position" in a subject security shall equal the excess, if any, of such

person's "long position" over such person's "short position." For the purposes of determining the net long position as of the end of the proration period and for tendering concurrently to two or more partial tender offers, securities that have been tendered in accordance with the rule and not withdrawn are deemed to be part of the person's long position.

(i) Such person's *long position* is the amount of subject securities that such person:

(A) Or his agent has title to or would have title to but for having lent such securities; or

(B) Has purchased, or has entered into an unconditional contract, binding on both parties thereto, to purchase but has not yet received; or

(D) Has converted, exchanged, or exercised an equivalent security for; or

(E) Is entitled to receive upon conversion, exchange, or exercise of an equivalent security.

(D) Is obligated to deliver upon exercise of a standardized call option sold on or after the date that a tender offer is first publicly announced or otherwise made known by the bidder to holders of the security to be acquired, if the exercise price of such option is lower than the highest tender offer price or stated amount of the consideration offered for the subject security. For the purpose of this paragraph, if one or more tender offers for the same security are ongoing on such date, the announcement date shall be that of the first announced offer.

(2) The term *equivalent security* means:

(i) Any security (including any option, warrant, or other right to purchase the subject security), issued by

the person whose securities are the subject of the offer, that is immediately convertible into, or exchangeable or exercisable for, a subject security, or

(ii) Any other right or option (other than a standardized call option) that entitles the holder thereof to acquire a subject security, but only if the holder thereof reasonably believes that the maker or writer of the right or option has title to and possession of the subject security and upon exercise will promptly deliver the subject security.

(3) The term *subject security* means a security that is the subject of any tender offer or request or invitation for tenders.

(ii) Causes such delivery to be made,

(iii) Guarantees delivery of a subject security pursuant to a tender offer,

(iv) Causes a guarantee of such delivery to be given by another person, or

(v) Uses any other method by which acceptance of a tender offer may be made.

(5) The term *partial tender offer* means a tender offer or request or invitation for tenders for less than all of the outstanding securities subject to the offer in which tenders are accepted either by lot or on a *pro rata* basis for a specified period, or a tender offer for all of the outstanding shares that offers a choice of consideration in which tenders for different forms of consideration may be accepted either by lot or on a *pro rata* basis for a specified period.

(6) The term *standardized call option* means any call option that is traded on an exchange, or for which quotation information is disseminated in an electronic interdealer quotation system of a registered national securities association.

(b) It shall be unlawful for any person acting alone or in concert with others, directly or indirectly, to tender any subject security in a partial tender offer:

(1) For his own account unless at the time of tender, and at the end of the proration period or period during which

§ 240.14e-5

17 CFR Ch. II (4-1-06 Edition)

securities are accepted by lot (including any extensions thereof), he has a net long position equal to or greater than the amount tendered in:

(i) The subject security and will deliver or cause to be delivered such security for the purpose of tender to the person making the offer within the period specified in the offer; or

(ii) An equivalent security and, upon the acceptance of his tender will acquire the subject security by conversion, exchange, or exercise of such equivalent security to the extent required by the terms of the offer, and will deliver or cause to be delivered the subject security so acquired for the purpose of tender to the person making the offer within the period specified in the offer; or

(2) For the account of another person unless the person making the tender:

(i) Possesses the subject security or an equivalent security, or

EXEMPTION OF CERTAIN OTC DERIVATIVES DEALERS

§ 240.15a-1 Securities activities of OTC derivatives dealers.

PRELIMINARY NOTE: OTC derivatives dealers are a special class of broker-dealers that are exempt from certain broker-dealer requirements, including membership in a self-regulatory organization (§240.15b9-2), regular broker-dealer margin rules (§240.36a1-1), and application of the Securities Investor Protection Act of 1970 (§240.36a1-2). OTC derivative dealers are subject to special requirements, including limitations on the scope of their securities activities (§240.15a-1), specified internal risk management control systems (§240.15c3-4), recordkeeping obligations (§240.17a-3(a)(10)), and reporting responsibilities (§240.17a-12). They are also subject to alternative net capital treatment (§240.15c3-1(a)(5)). This rule 15a-1 uses a number of defined terms in setting forth the securities activities in which an OTC derivatives dealer may engage: "OTC derivatives dealer," "eligible OTC derivative instrument," "cash management securities activities," and "ancillary portfolio management securities activities." These terms are defined under Rules 3b-12 through 3b-15 (§240.3b-12 through §240.3b-15).

(a) The securities activities of an OTC derivatives dealer shall:

(2) Determine that a class of fungible instruments that are standardized as to their material economic terms is within the scope of eligible OTC derivative instrument;

(3) Clarify whether certain contracts, agreements, or transactions are within the scope of eligible OTC derivative instrument; or

(4) Clarify whether certain securities activities are within the scope of ancillary portfolio management securities activities.

(c) To the extent an OTC derivatives dealer engages in any securities transaction pursuant to paragraphs (a)(1)(i) through (a)(1)(v) of this section, such transaction shall be effected through a registered broker or dealer (other than an OTC derivatives dealer) that, in the case of any securities transaction pursuant to paragraphs (a)(1)(i), or (a)(1)(iii) through (a)(1)(v) of this section, is an affiliate of the OTC derivatives dealer, except that this paragraph (c) shall not apply if:

(d) To the extent an OTC derivatives dealer induces or attempts to induce any counterparty to enter into any securities transaction pursuant to paragraphs (a)(1)(i) through (a)(1)(v) of this section, any communication or contact with the counterparty concerning the transaction (other than clerical and ministerial activities conducted by an associated person of the OTC derivatives dealer) shall be conducted by one or more registered persons that, in the case of any securities transaction pursuant to paragraphs (a)(1)(i), or (a)(1)(iii) through (a)(1)(v) of this section, is associated with an affiliate of the OTC derivatives dealer, except that this paragraph (d) shall not apply if the counterparty to the transaction with the OTC derivatives dealer is:

Securities and Exchange Commission

§ 240.15a-4

(h) For purposes of this section, the term *foreign security* means any security (including a depositary share issued by a United States bank, provided that the depositary share is initially offered and sold outside the United States in accordance with Regulation S (17 CFR 230.901 through 230.904)) issued by a person not organized or incorporated under the laws of the United States, provided the transaction that involves such security is not effected on a national securities exchange or on a market operated by a registered national securities association; or a debt security (including a convertible debt security) issued by an issuer organized or incorporated under the laws of the United States that is initially offered and sold outside the United States in accordance with Regulation S (17 CFR 230.901 through 230.904).

(i) For purposes of this section, the term *registered person* is:

(A) A natural person who is associated with a registered broker or dealer and is registered or approved under the rules of a self-regulatory organization of which such broker or dealer is a member; or

(B) If the counterparty to the transaction with the OTC derivatives dealer is a resident of a jurisdiction other than the United States, a natural person who is not resident in the United States and is associated with a broker or dealer that is registered or licensed by a foreign financial regulatory authority in the jurisdiction in which such counterparty is resident or in

which such natural person is located, in accordance with applicable legal requirements, if any.

(iii) Securities sold, but not appropriated, by such broker or dealer to a customer who has made any payment therefor, to the extent that such broker or dealer owns and has received delivery of securities of like kind, except that if such securities were subject to a lien when such payment was made they shall not be deemed to be "securities carried for the account of any customer" pending their release from such lien as promptly as practicable;

(3) *Aggregate indebtedness* shall not be deemed to be reduced by reason of uncollected items. In computing aggregate indebtedness, related guaranteed and guarantor accounts shall be treated as a single account and considered on a consolidated basis, and balances in accounts carrying both long and short positions shall be adjusted by treating the market value of the securities required to cover such short positions as though such market value were a debit; and

(4) In computing the sum of the liens or claims to which securities carried for the account of customers of a broker or dealer are subject, any rehypothecation of such securities by another broker or dealer who is subject

to this section or to § 240.8c-1 shall be disregarded.

(c) *Exemption for cash accounts.* The provisions of paragraph (a)(1) of this section shall not apply to any hypothecation of securities carried for the account of a customer in a special cash account within the meaning of 12 CFR 220.4(c): *Provided*, That at or before the completion of the transaction of purchase of such securities for, or of sale of such securities to, such customer, written notice is given or sent to such customer disclosing that such securities are or may be hypothecated under circumstances which will permit the commingling thereof with securities carried for the account of other customers. The term *the completion of the transaction* shall have the meaning given to such term by § 240.15c1-1(b).

(d) *Exemption for clearing house liens.* The provisions of paragraphs (a)(2), (a)(3), and (f) of this section shall not apply to any lien or claim of the clearing corporation, or similar department or association, of a national securities exchange or a registered national securities association, for a loan made and to be repaid on the same calendar day, which is incidental to the clearing of transactions in securities or loans through such corporation, department, or association: *Provided, however*, That for the purpose of paragraph (a)(3) of this section, "aggregate indebtedness of all customers in respect of securities carried for their accounts" shall not include indebtedness in respect of any securities subject to any lien or claim exempted by this paragraph.

(e) *Exemption for certain liens on securities of noncustomers.* The provisions of paragraph (a)(2) of this section shall not be deemed to prevent such broker or dealer from permitting securities not carried for the account of a customer to be subjected (1) to a lien for a loan made against securities carried for the account of customers, or (2) to a lien for a loan made and to be repaid on the same calendar day. For the purpose of this exemption, a loan shall be deemed to be "made against securities carried for the account of customers" if only securities carried for the account of customers are used to obtain or to increase such loan or as sub-

stitutes for other securities carried for the account of customers.

(f) *Notice and certification requirements.* No person subject to this section shall hypothecate any security carried for the account of a customer unless, at or prior to the time of each such hypothecation, he gives written notice to the pledgee that the security pledged is carried for the account of a customer and that such hypothecation does not contravene any provision of this section, except that in the case of an omnibus account the broker or dealer for whom such account is carried may furnish a signed statement to the person carrying such account that all securities carried therein by such broker or dealer will be securities carried for the account of his customers and that the hypothecation thereof by such broker or dealer will not contravene any provision of this section. The provisions of this paragraph shall not apply to any hypothecation of securities under any lien or claim of a pledgee securing a loan made and to be repaid on the same calendar day.

(g) The fact that securities carried for the accounts of customers and securities carried for the accounts of others are represented by one or more certificates in the custody of a clearing corporation or other subsidiary organization of either a national securities exchange or of a registered national securities association, or of a custodian bank, in accordance with a system for the central handling of securities established by a national securities exchange or a registered national securities association, pursuant to which system the hypothecation of such securities is effected by bookkeeping entries without physical delivery of such securities, shall not, in and of itself, result in a commingling of securities prohibited by paragraph (a)(1) or (a)(2) of this section, whenever a participating member, broker or dealer hypothecates securities in accordance with such system: *Provided, however*, That (1) any such custodian of any securities held by or for such system shall agree that it will not for any reason, including the assertion of any claim, right or lien of any kind, refuse or refrain from

Securities and Exchange Commission

§ 240.15c2-5

promptly delivering any such securities (other than securities then hypothecated in accordance with such system) to such clearing corporation or other subsidiary organization or as directed by it, except that nothing in such agreement shall be deemed to require the custodian to deliver any securities in contravention of any notice of levy, seizure or similar notice, or order or judgment, issued or directed by a governmental agency or court, or officer thereof, having jurisdiction over such custodian, which on its face affects such securities; (2) such systems shall have safeguards in the handling, transfer and delivery of securities and provisions for fidelity bond coverage of the employees and agents of the clearing corporation or other subsidiary organization and for periodic examinations by independent public accountants; and (3) the provisions of this paragraph (g) shall not be effective with respect to any particular system unless the agreement required by paragraph (g)(1) of this section and the safeguards and provisions required by paragraph (g)(2) of this section shall have been deemed adequate by the Commission for the protection of investors, and unless any subsequent amendments to such agreement, safeguards or provisions shall have been deemed adequate by the Commission for the protection of investors.

(1) Delivers to such person a written statement setting forth the exact nature and extent of (i) such person’s obligations under the particular loan arrangement, including among other things, the specific charges which such person will incur under such loan in each period during which the loan may continue or be extended, (ii) the risks

(2) Obtains from such person information concerning his financial situation and needs, reasonably determines that the entire transaction, including the loan arrangement, is suitable for such person, and retains in his files a written statement setting forth the basis upon which the broker or dealer made such determination; *Provided, however,* That the written statement referred to in this paragraph must be made available to the customer on request.

(b) This section shall not apply to any credit extended or any loan arranged by any broker or dealer subject to the provisions of Regulation T (12 CFR part 220) if such credit is extended or such loan is arranged, in compliance with the requirements of such regulation, only for the purpose of purchasing or carrying the security offered or sold; *Provided, however,* That notwithstanding this paragraph, the provisions of paragraph (a) shall apply in full force with respect to any transaction involving the extension of or arrangement for credit by a broker or dealer (i) in a special insurance premium funding account within the meaning of section 4(k) of Regulation T (12 CFR 220.4(k)) or (ii) in compliance with the terms of § 240.3a12-5 of this chapter.

(d) This section shall not apply to a transaction involving the extension of credit by an OTC derivatives dealer, as defined in § 240.3b-12, if the transaction is exempt from the provisions of Section 7(c) of the Act (15 U.S.C. 78g(c)) pursuant to § 240.36a1-1.

§ 240.15c2-6 [Reserved]

§ 240.15c2-7 Identification of quotations.

(a) It shall constitute an attempt to induce the purchase or sale of a security by “making a ‘fictitious quotation’” within the meaning of section 15(c)(2) of the Act, for any broker or dealer to furnish or submit, directly or indirectly, any quotation for a security (other than a municipal security) to an inter-dealer quotation system unless:

(1) The inter-dealer-quotation-system is informed, if such is the case, that the quotation is furnished or submitted;

(i) By a correspondent broker or dealer for the account or in behalf of another broker or dealer, and if so, the identity of such other broker or dealer; and/or

(ii) In furtherance of one or more other arrangements (including a joint account, guarantee of profit, guarantee against loss, commission, markup, markdown, indication of interest and accommodation arrangement) between or among brokers or dealers, and if so, the identity of each broker or dealer participating in any such arrangement or arrangements; *Provided, however,* That the provisions of this subparagraph shall not apply if only one of the brokers or dealers participating in any

(2) The inter-dealer-quotation-system to which the quotation is furnished or submitted makes it a general practice to disclose with each published quotation, by appropriate symbol or otherwise, the category or categories (paragraph (a)(1)(i) and/or (ii) of this section) in furtherance of which the quotation is submitted, and the identities of all other brokers and dealers referred to in paragraph (a)(1) of this section where such information is supplied to the inter-dealer-quotation-system under the provisions of paragraph (a)(1) of this section.

(b) It shall constitute an attempt to induce the purchase or sale of a security by making a “fictitious quotation,” within the meaning of section 15(c)(2) of the Act, for a broker or dealer to enter into any correspondent or other arrangement (including a joint account, guarantee of profit, guarantee against loss, commission, markup, markdown, indication of interest and accommodation arrangement) in furtherance of which two or more brokers or dealers furnish or submit quotations with respect to a particular security unless such broker or dealer informs all brokers or dealers furnishing or submitting such quotations of the existence of such correspondent and other arrangements, and the identity of the parties thereto.

(c) For purposes of this section:

(1) The term *inter-dealer-quotation-system* shall mean any system of general circulation to brokers and dealers which regularly disseminates quotations of identified brokers or dealers but shall not include a quotation sheet prepared and distributed by a broker or dealer in the regular course of his business and containing only quotations of such broker or dealer.

(2) The term *quotation* shall mean any bid or offer, or any indication of interest (such as OW or BW) in any bid or offer.

(3) The term *correspondent* shall mean a broker or dealer who has a direct line of communication to another broker or

dealer located in a different city or geographic area.

§ 240.15c2-8 Delivery of prospectus.

(a) It shall constitute a deceptive act or practice, as those terms are used in section 15(c)(2) of the Act, for a broker or dealer to participate in a distribution of securities with respect to which a registration statement has been filed under the Securities Act of 1933 unless he complies with the requirements set forth in paragraphs (b) through (h) of this section. For the purposes of this section, a broker or dealer participating in the distribution shall mean any underwriter and any member or proposed member of the selling group.

(b) In connection with an issue of securities, the issuer of which has not previously been required to file reports pursuant to sections 13(a) or 15(d) of the Securities Exchange Act of 1934, unless such issuer has been exempted from the requirement to file reports thereunder pursuant to section 12(h) of the Act, such broker or dealer shall deliver a copy of the preliminary prospectus to any person who is expected to receive a confirmation of sale at least 48 hours prior to the sending of such confirmation. This paragraph (b) does not apply with respect to asset-backed securities (as defined in § 229.1101 of this chapter) that meet the requirements of General Instruction I.B.5 of Form S-3 (§ 239.13 of this chapter).

(c) Such broker or dealer shall take reasonable steps to furnish to any person who makes written request for a preliminary prospectus between the filing date and a reasonable time prior to the effective date of the registration statement to which such prospectus relates, a copy of the latest preliminary prospectus on file with the Commission. Reasonable steps shall include receiving an undertaking by the managing underwriter or underwriters to send such copy to the address given in the requests.

(d) Such broker or dealer shall take reasonable steps to comply promptly with the written request of any person

for a copy of the final prospectus relating to such securities during the period between the effective date of the registration statement and the later of either the termination of such distribution, or the expiration of the applicable 40- or 90-day period under section 4(3) of the Securities Act of 1933. Reasonable steps shall include receiving an undertaking by the managing underwriter or underwriters to send such copy to the address given in the requests. (The 40-day and 90-day periods referred to above shall be deemed to apply for purposes of this rule irrespective of the provisions of paragraphs (b) and (d) of § 230.174 of this chapter).

(e) Such broker or dealer shall take reasonable steps (1) to make available a copy of the preliminary prospectus relating to such securities to each of his associated persons who is expected, prior to the effective date, to solicit customers' order for such securities before the making of any such solicitation by such associated persons and (2) to make available to each such associated person a copy of any amended preliminary prospectus promptly after the filing thereof.

(f) Such broker or dealer shall take reasonable steps to make available a copy of the final prospectus relating to such securities to each of his associated persons who is expected, after the effective date, to solicit customers orders for such securities prior to the making of any such solicitation by such associated persons, unless a preliminary prospectus which is substantially the same as the final prospectus except for matters relating to the price of the stocks, has been so made available.

(g) If the broker or dealer is a managing underwriter of such distribution, he shall take reasonable steps to see to it that all other brokers or dealers participating in such distribution are promptly furnished with sufficient copies, as requested by them, of each preliminary prospectus, each amended preliminary prospectus and the final prospectus to enable them to comply with paragraphs (b), (c), (d), and (e) of this section.

(h) If the broker or dealer is a managing underwriter of such distribution, he shall take reasonable steps to see

that any broker or dealer participating in the distribution or trading in the registered security is furnished reasonable quantities of the final prospectus relating to such securities, as requested by him, in order to enable him to comply with the prospectus delivery requirements of section 5(b) (1) and (2) of the Securities Act of 1933.

(i) This section shall not require the furnishing of prospectuses in any state where such furnishing would be unlawful under the laws of such state: *Provided, however*, That this provision is not to be construed to relieve a broker or dealer from complying with the requirements of section 5(b)(1) and (2) of the Securities Act of 1933.

(j) For purposes of this section, the term *preliminary prospectus* shall include the term *prospectus subject to completion* as used in 17 CFR 230.434(a), and the term *final prospectus* shall include the term *Section 10(a) prospectus* as used in 17 CFR 230.434(a).

§ 240.15c2-11 Initiation or resumption of quotations without specific information.

PRELIMINARY NOTE: Brokers and dealers may wish to refer to Securities Exchange Act Release No. 29094 (April 17, 1991), for a discussion of procedures for gathering and reviewing the information required by this rule and the requirement that a broker or dealer have a reasonable basis for believing that the information is accurate and obtained from reliable sources.

(a) As a means reasonably designed to prevent fraudulent, deceptive, or manipulative acts or practices, it shall be unlawful for a broker or dealer to publish any quotation for a security or, directly or indirectly, to submit any such quotation for publication, in any quotation medium (as defined in this section) unless such broker or dealer has in its records the documents and information required by this paragraph (for purposes of this section, "paragraph (a) information"), and, based upon a review of the paragraph (a) information together with any other documents and information required by paragraph (b) of this section, has a reasonable basis under the circumstances

for believing that the paragraph (a) information is accurate in all material respects, and that the sources of the paragraph (a) information are reliable. The information required pursuant to this paragraph is:

(1) A copy of the prospectus specified by section 10(a) of the Securities Act of 1933 for an issuer that has filed a registration statement under the Securities Act of 1933, other than a registration statement on Form F-6, which became effective less than 90 calendar days prior to the day on which such broker or dealer publishes or submits the quotation to the quotation medium, *Provided* That such registration statement has not thereafter been the subject of a stop order which is still in effect when the quotation is published or submitted; or

(2) A copy of the offering circular provided for under Regulation A under the Securities Act of 1933 for an issuer that has filed a notification under Regulation A and was authorized to commence the offering less than 40 calendar days prior to the day on which such broker or dealer publishes or submits the quotation to the quotation medium, *Provided* That the offering circular provided for under Regulation A has not thereafter become the subject of a suspension order which is still in effect when the quotation is published or submitted; or

(3) A copy of the issuer's most recent annual report filed pursuant to section 13 or 15(d) of the Act or a copy of the annual statement referred to in section 12(g)(2)(G)(i) of the Act, in the case of an issuer required to file reports pursuant to section 13 or 15(d) of the Act or an issuer of a security covered by section 12(g)(2)(B) or (G) of the Act, together with any quarterly and current reports that have been filed under the provisions of the Act by the issuer after such annual report or annual statement; *Provided, however*, That until such issuer has filed its first annual report pursuant to section 13 or 15(d) of the Act or annual statement referred to in section 12(g)(2)(G)(i) of the Act, the broker or dealer has in its records a copy of the prospectus specified by section 10(a) of the Securities Act of 1933 included in a registration statement filed by the issuer under the

Securities Act of 1933, other than a registration statement on Form F-6, that became effective within the prior 16 months, or a copy of any registration statement filed by the issuer under section 12 of the Act that became effective within the prior 16 months, together with any quarterly and current reports filed thereafter under section 13 or 15(d) of the Act; and *Provided further*, That the broker or dealer has a reasonable basis under the circumstances for believing that the issuer is current in filing annual, quarterly, and current reports filed pursuant to section 13 or 15(d) of the Act, or, in the case of an insurance company exempted from section 12(g) of the Act by reason of section 12(g)(2)(G) thereof, the annual statement referred to in section 12(g)(2)(G)(i) of the Act; or

(4) The information furnished to the Commission pursuant to §240.12g3-2(b) since the beginning of the issuer's last fiscal year, in the case of an issuer exempt from section 12(g) of the Act by reason of compliance with the provisions of §240.12g3-2(b), which information the broker or dealer shall make reasonably available upon request to any person expressing an interest in a proposed transaction in the security with such broker or dealer; or

(5) The following information, which shall be reasonably current in relation to the day the quotation is submitted and which the broker or dealer shall make reasonably available upon request to any person expressing an interest in a proposed transaction in the security with such broker or dealer:

(i) The exact name of the issuer and its predecessor (if any);

(ii) The address of its principal executive offices;

(iii) The state of incorporation, if it is a corporation;

(iv) The exact title and class of the security;

(v) The par or stated value of the security;

(vi) The number of shares or total amount of the securities outstanding as of the end of the issuer's most recent fiscal year;

(vii) The name and address of the transfer agent;

(viii) The nature of the issuer's business;

(ix) The nature of products or services offered;

(x) The nature and extent of the issuer's facilities;

(xi) The name of the chief executive officer and members of the board of directors;

(xii) The issuer's most recent balance sheet and profit and loss and retained earnings statements;

(xiii) Similar financial information for such part of the 2 preceding fiscal years as the issuer or its predecessor has been in existence;

(xiv) Whether the broker or dealer or any associated person is affiliated, directly or indirectly with the issuer;

(xv) Whether the quotation is being published or submitted on behalf of any other broker or dealer, and, if so, the name of such broker or dealer; and

(xvi) Whether the quotation is being submitted or published directly or indirectly on behalf of the issuer, or any director, officer or any person, directly or indirectly the beneficial owner of more than 10 percent of the outstanding units or shares of any equity security of the issuer, and, if so, the name of such person, and the basis for any exemption under the federal securities laws for any sales of such securities on behalf of such person.

If such information is made available to others upon request pursuant to this paragraph, such delivery, unless otherwise represented, shall not constitute a representation by such broker or dealer that such information is accurate, but shall constitute a representation by such broker or dealer that the information is reasonably current in relation to the day the quotation is submitted, that the broker or dealer has a reasonable basis under the circumstances for believing the information is accurate in all material respects, and that the information was obtained from sources which the broker or dealer has a reasonable basis for believing are reliable. This paragraph (a)(5) shall not apply to any security of an issuer included in paragraph (a)(3) of this section unless a report or statement of such issuer described in paragraph (a)(3) of this section is not reasonably available to the broker or dealer. A report or statement of an issuer described in paragraph (a)(3) of this section shall be "reason-

ably available" when such report or statement is filed with the Commission.

(b) With respect to any security the quotation of which is within the provisions of this section, the broker or dealer submitting or publishing such quotation shall have in its records the following documents and information:

(1) A record of the circumstances involved in the submission of publication of such quotation, including the identity of the person or persons for whom the quotation is being submitted or published and any information regarding the transactions provided to the broker or dealer by such person or persons;

(2) A copy of any trading suspension order issued by the Commission pursuant to section 12(k) of the Act respecting any securities of the issuer or its predecessor (if any) during the 12 months preceding the date of the publication or submission of the quotation, or a copy of the public release issued by the Commission announcing such trading suspension order; and

(3) A copy or a written record of any other material information (including adverse information) regarding the issuer which comes to the broker's or dealer's knowledge or possession before the publication or submission of the quotation.

(c) The broker or dealer shall preserve the documents and information required under paragraphs (a) and (b) of this section for a period of not less than three years, the first two years in an easily accessible place.

(d)(1) For any security of an issuer included in paragraph (a)(5) of this section, the broker or dealer submitting the quotation shall furnish to the interdealer quotation system (as defined in paragraph (e)(2) of this section), in such form as such system shall prescribe, at least 3 business days before the quotation is published or submitted, the information regarding the security and the issuer which such broker or dealer is required to maintain pursuant to said paragraph (a)(5) of this section.

(2) For any security of an issuer included in paragraph (a)(3) of this section,

(i) A broker-dealer shall be in compliance with the requirement to obtain current reports filed by the issuer if the broker-dealer obtains all current reports filed with the Commission by the issuer as of a date up to five business days in advance of the earlier of the date of submission of the quotation to the quotation medium and the date of submission of the paragraph (a) information pursuant to Schedule H of the By-Laws of the National Association of Securities Dealers, Inc.; and

(ii) A broker-dealer shall be in compliance with the requirement to obtain the annual, quarterly, and current reports filed by the issuer, if the broker-dealer has made arrangements to receive all such reports when filed by the issuer and it has regularly received reports from the issuer on a timely basis, unless the broker-dealer has a reasonable basis under the circumstances for believing that the issuer has failed to file a required report or has filed a report but has not sent it to the broker-dealer.

(e) For purposes of this section:

(1) *Quotation medium* shall mean any “interdealer quotation system” or any publication or electronic communications network or other device which is used by brokers or dealers to make known to others their interest in transactions in any security, including offers to buy or sell at a stated price or otherwise, or invitations of offers to buy or sell.

(2) *Interdealer quotation system* shall mean any system of general circulation to brokers or dealers which regularly disseminates quotations of identified brokers or dealers.

(3) Except as otherwise specified in this rule, *quotation* shall mean any bid or offer at a specified price with respect to a security, or any indication of interest by a broker or dealer in receiving bids or offers from others for a security, or any indication by a broker or dealer that he wishes to advertise his general interest in buying or selling a particular security.

(4) *Issuer*, in the case of quotations for American Depositary Receipts, shall mean the issuer of the deposited shares represented by such American Depositary Receipts.

(f) The provisions of this section shall not apply to:

(1) The publication or submission of a quotation respecting a security admitted to trading on a national securities exchange and which is traded on such an exchange on the same day as, or on the business day next preceding, the day the quotation is published or submitted.

(2) The publication or submission by a broker or dealer, solely on behalf of a customer (other than a person acting as or for a dealer), of a quotation that represents the customer’s indication of interest and does not involve the solicitation of the customer’s interest; *Provided, however*, That this paragraph (f)(2) shall not apply to a quotation consisting of both a bid and an offer, each of which is at a specified price, unless the quotation medium specifically identifies the quotation as representing such an unsolicited customer interest.

(3)(i) The publication or submission, in an interdealer quotation system that specifically identifies as such unsolicited customer indications of interest of the kind described in paragraph (f)(2) of this section, of a quotation respecting a security which has been the subject of quotations (exclusive of any identified customer interests) in such a system on each of at least 12 days within the previous 30 calendar days, with no more than 4 business days in succession without a quotation; or

(ii) The publication or submission, in an interdealer quotation system that does not so identify any such unsolicited customer indications of interest, of a quotation respecting a security which has been the subject of both bid and ask quotations in an interdealer quotation system at specified prices on each of at least 12 days within the previous 30 calendar days, with no more than 4 business days in succession without such a two-way quotation;

(iii) A dealer acting in the capacity of market maker, as defined in section 3(a)(38) of the Act, that has published or submitted a quotation respecting a security in an interdealer quotation system and such quotation has qualified for an exception provided in this

paragraph (f)(3), may continue to publish or submit quotations for such security in the interdealer quotation system without compliance with this section unless and until such dealer ceases to submit or publish a quotation or ceases to act in the capacity of market maker respecting such security.

(4) The publication or submission of a quotation respecting a municipal security.

(5) The publication or submission of a quotation respecting a Nasdaq security (as defined in § 242.600 of this chapter), and such security's listing is not suspended, terminated, or prohibited.

Securities and Exchange Commission

§ 240.15c3-1

set forth in paragraph (e) of this section, and to the prohibitions against reduction, prepayment and repayment of subordination agreements set forth in paragraph (b)(11) of § 240.15c3-1d, as if such broker or dealer's net capital were below the minimum standards specified by each of the aforementioned paragraphs.

ALTERNATIVE NET CAPITAL COMPUTATION FOR BROKER-DEALERS THAT ELECT TO BE SUPERVISED ON A CONSOLIDATED BASIS

(7) In accordance with Appendix E to this section (§ 240.15c3-1e), the Commission may approve, in whole or in part, an application or an amendment to an application by a broker or dealer to calculate net capital using the market risk standards of Appendix E to compute a deduction for market risk on some or all of its positions, instead of the provisions of paragraphs (c)(2)(vi) and (c)(2)(vii) of this section, and using the credit risk standards of Appendix E to compute a deduction for credit risk on certain credit exposures arising from transactions in derivatives instruments, instead of the provisions of paragraph (c)(2)(iv) of this section, subject to any conditions or limitations on the broker or dealer the Commission may require as necessary or appropriate in the public interest or for the protection of investors. A broker or dealer that has been approved to calculate its net capital under Appendix E must:

(i) At all times maintain tentative net capital of not less than \$1 billion and net capital of not less than \$500 million;

(ii) Provide notice that same day in accordance with § 240.17a-11(g) if the broker's or dealer's tentative net capital is less than \$5 billion. The Commission may, upon written application, lower the threshold at which notification is necessary under this paragraph (a)(7)(ii), either unconditionally or on specified terms and conditions, if a broker or dealer satisfies the Commission that notification at the \$5 billion threshold is unnecessary because of, among other factors, the special nature of its business, its financial position, its internal risk management system, or its compliance history; and

(iii) Comply with § 240.15c3-4 as though it were an OTC derivatives dealer with respect to all of its business activities, except that paragraphs (c)(5)(xiii), (c)(5)(xiv), (d)(8), and (d)(9) of § 240.15c3-4 shall not apply.

(8) *Municipal securities brokers' brokers.* (i) A municipal securities brokers' brokers, as defined in subsection (ii) of this paragraph (a)(8), may elect not to be subject to the limitations of paragraph (c)(2)(ix) of this section provided that such brokers' broker complies with the requirements set out in paragraphs (a)(8) (iii), (iv) and (v) of this section.

(ii) The term *municipal securities brokers' broker* shall mean a municipal securities broker or dealer who acts exclusively as an undisclosed agent in the purchase or sale of municipal securities for a registered broker or dealer or registered municipal securities dealer, who has no "customers" as defined in this rule and who does not have or maintain any municipal securities in its proprietary or other accounts.

(iii) In order to qualify to operate under this paragraph (a)(8), a brokers' broker shall at all times have and maintain net capital of not less than \$150,000.

(iv) For purposes of this paragraph (a)(8), a brokers' broker shall deduct from net worth 1% of the contract value of each municipal failed to deliver contract which is outstanding 21 business days or longer. Such deduction shall be increased by any excess of the contract price of the fail to deliver over the market value of the underlying security.

(v) For purposes of this paragraph (a)(8), a brokers' broker may exclude from its aggregate indebtedness computation indebtedness adequately collateralized by municipal securities outstanding for not more than one business day and offset by municipal securities failed to deliver of the same issue and quantity. In no event may a brokers' broker exclude any overnight bank loan attributable to the same municipal securities failed to deliver contract for more than one business day. A brokers' broker need not deduct from net worth the amount by which the market value of securities failed to receive outstanding longer than thirty

(30) calendar days exceeds the contract value of those failed to receive as required by Rule 15c3-1(c)(2)(iv)(E).

Certain Additional Capital Requirements for Brokers or Dealers Engaging in Reverse Repurchase Agreements

(9) A broker or dealer shall maintain net capital in addition to the amounts required under paragraph (a) of this section in an amount equal to 10 percent of:

(i) The excess of the market value of United States Treasury Bills, Bonds and Notes subject to reverse repurchase agreements with any one party over 105 percent of the contract prices (including accrued interest) for reverse repurchase agreements with that party;

(ii) The excess of the market value of securities issued or guaranteed as to principal or interest by an agency of the United States or mortgage related securities as defined in section 3(a)(41) of the Act subject to reverse repurchase agreements with any one party over 110 percent of the contract prices (including accrued interest) for reverse repurchase agreements with that party; and

(iii) The excess of the market value of other securities subject to reverse repurchase agreements with any one party over 120 percent of the contract prices (including accrued interest) for reverse repurchase agreements with that party.

(ii) That is a member in good standing and subject to the capital requirements of a national securities exchange;

(3) The Commission may, upon written application, exempt from the provisions of this section, either unconditionally or on specified terms and conditions, any broker or dealer who satisfies the Commission that, because of the special nature of its business, its financial position, and the safeguards it has established for the protection of customers' funds and securities, it is not necessary in the public interest or for the protection of investors to subject the particular broker or dealer to the provisions of this section.

Securities and Exchange Commission

§ 240.15c3-1

(ii) In the case where there are regular quotations in an inter-dealer quotations system for the securities by only one or two independent market-makers (exclusive of the computing broker or dealer) and where each such quotation represents a bona fide offer to brokers or dealers both to buy and sell in reasonable quantities, at stated prices, the deduction on both the long and short position shall be 40 percent.

(L) Where a broker or dealer demonstrates that there is sufficient li-

quidity for any securities long or short in the proprietary or other accounts of the broker or dealer which are subject to a deduction required by paragraph (c)(2)(vi)(K) of this section, such deduction, upon a proper showing to the Examining Authority for the broker or dealer, may be appropriately decreased, but in no case shall such deduction be less than that prescribed in paragraph (c)(2)(vi)(J) of this section.

Undue Concentration

(M)(1) In the case of money market instruments, or securities of a single class or series of an issuer, including any option written, endorsed or held to purchase or sell securities of such a single class or series of an issuer (other than “exempted securities” and redeemable securities of an investment company registered pursuant to the Investment Company Act of 1940), and securities underwritten (in which case the deduction provided for herein shall be applied after 11 business days), which are long or short in the proprietary or other accounts of a broker or dealer, including securities that are collateral to secured demand notes defined in Appendix D, § 240.15c3-1d, and that have a market value of more than 10 percent of the “net capital” of a broker or dealer before the application of paragraph (c)(2)(vi) of this section or Appendix A, § 240.15c3-1a, there shall be an additional deduction from net worth and/or the Collateral Value for securities collateralizing a secured demand note defined in Appendix D, § 240.15c3-1d, equal to 50 percent of the percentage deduction otherwise provided by this paragraph (c)(2)(vi) of this section or Appendix A, § 240.15c3-1a, on that portion of the securities position in excess of 10 percent of the “net capital” of the broker or dealer before the application of paragraph (c)(2)(vi) of this section and Appendix A, § 240.15c3-1a. In the case of securities described in paragraph (c)(2)(vi)(J), the additional deduction required by this paragraph (c)(2)(vi)(M) shall be 15 percent.

(2) This paragraph (c)(2)(vi)(M) shall apply notwithstanding any long or short position exemption provided for in paragraph (c)(2)(vi)(J) of this section

(except for long or short position exemptions arising out of the first proviso to paragraph (c)(2)(vi)(J)) and the deduction on any such exempted position shall be 15 percent of that portion of the securities position in excess of 10 percent of the broker or dealer's net capital before the application of paragraph (c)(2)(vi) of this section and Appendix A, § 240.15c3-1a.

(3) This paragraph (c)(2)(vi)(M) shall be applied to an issue of equity securities only on the market value of such securities in excess of \$10,000 or the market value of 500 shares, whichever is greater, or \$25,000 in the case of a debt security.

(4) This paragraph (c)(2)(vi)(M) will be applied to an issue of municipal securities having the same security provisions, date of issue, interest rate, day, month and year of maturity only if such securities have a market value in excess of \$500,000 in bonds (\$5,000,000 in notes) or 10 percent of tentative net capital, whichever is greater, and are held in position longer than 20 business days from the date the securities are received by the syndicate manager from the issuer.

(5) Any specialist that is subject to a deduction required by this paragraph (c)(2)(vi)(M), respecting its specialty stock, that can demonstrate to the satisfaction of the Examining Authority for such broker or dealer that there is sufficient liquidity for such specialist's specialty stock and that such deduction need not be applied in the public interest for the protection of investors, may upon a proper showing to such Examining Authority have such undue concentration deduction appropriately decreased, but in no case shall the deduction prescribed in paragraph (c)(2)(vi)(J) of this section above be reduced. Each such Examining Authority shall make and preserve for a period of not less than 3 years a record of each application granted pursuant to this paragraph (c)(2)(vi)(M)(5), which shall contain a summary of the justification for the granting of the application.

(N) Any specialist that limits its securities business to that of a specialist (except for an occasional non-specialist related securities transaction for its own account), that does not transact a business in securities with other than a

broker or dealer registered with the Commission under section 15 or 15C of the Act or a member of a national securities exchange, and that is not a clearing member of The Options Clearing Corporation need not deduct from net worth in computing net capital those deductions, as to its specialty securities, set forth in paragraph (c)(2)(vi) of this section or Appendix A to this section, except for paragraph (e) of this section limiting withdrawals of equity capital and Appendix D to this section relating to satisfactory subordination agreements. As to a specialist that is solely an options specialist, in paragraph (e) the term "net capital" shall be deemed to mean "net capital before the application of paragraph (c)(2)(vi) of this section or Appendix A to this section" and "excess net capital" shall be deemed to be the amount of net capital before the application of paragraph (c)(2)(vi) of this section or Appendix A to this section in excess of the amount of net capital required under paragraph (a) of this section. In reports filed pursuant to § 240.17a-5 and in making the record required by § 240.17a-3(a)(11) each specialists shall include the deductions that would otherwise have been required by paragraph (c)(2)(vi) of this section or Appendix A to this section in the absence of this paragraph (c)(2)(vi)(N).

Open Contractual Commitments

(viii) Deducting, in the case of a broker or dealer that has open contractual commitments (other than those option positions subject to Appendix A, § 240.15c3-1a), the respective deductions as specified in paragraph (c)(2)(vi) of this section or Appendix B, § 240.15c3-1b, from the value (which shall be the

Securities and Exchange Commission

§ 240.15c3-1

market value whenever there is a market) of each net long and each net short position contemplated by any open contractual commitment in the proprietary or other accounts of the broker or dealer.

(A) The deduction for contractual commitments in those securities that are treated in paragraph (c)(2)(vi)(J) of this section shall be 30 percent unless the class and issue of the securities subject to the open contractual commitment deduction are listed for trading on a national securities exchange or are designated as NASDAQ National Market System Securities.

(B) A broker or dealer that maintains in excess of \$250,000 of net capital may add back to net worth up to \$150,000 of any deduction computed under this paragraph (c)(2)(viii)(B).

(C) The deduction with respect to any single commitment shall be reduced by the unrealized profit in such commitment, in an amount not greater than the deduction provided for by this paragraph (or increased by the unrealized loss), in such commitment, and in no event shall an unrealized profit on any closed transactions operate to increase net capital.

(ix) Deducting from the contract value of each failed to deliver contract that is outstanding five business days or longer (21 business days or longer in the case of municipal securities) the percentages of the market value of the underlying security that would be required by application of the deduction required by paragraph (c)(2)(vi) of this section. Such deduction, however, shall be increased by any excess of the contract price of the failed to deliver contract over the market value of the underlying security or reduced by any excess of the market value of the underlying security over the contract value of the failed to deliver contract, but not to exceed the amount of such deduction. The designated examining authority for the broker or dealer may, upon application of the broker or dealer, extend for a period up to 5 business days, any period herein specified when it is satisfied that the extension is warranted. The designated examining authority upon expiration of the extension may extend for one additional period of up to 5 business days, any pe-

The required deductions may be reduced by any liquidating equity that exists in such specialist's market-maker account as of that time and shall be increased to the extent of any liquidating deficit in such account. Noon shall be determined according to the local time where the broker or dealer is headquartered. In no event shall excess equity in the specialist's market-maker account result in an increase of the net capital of any such guarantor, endorser, or carrying broker or dealer.

(B) *Definitions.* (1) The term *listed option* shall mean any option traded on a registered national securities exchange or automated facility of a registered national securities association.

(2) For purposes of this section, the equity in an individual specialist's market-maker account shall be computed by:

§ 240.15c3-1

17 CFR Ch. II (4-1-06 Edition)

(1) Immediately transmit telegraphic or facsimile notice of such event to the Division of Market Regulation in the headquarters office of the Commission in Washington, D.C., to the district or regional office of the Commission for the district or region in which the broker or dealer maintains its principal place of business, and to its examining authority designated pursuant to section 17(d) of the Act (15 U.S.C. 78q(d)) ("Designated Examining Authority"); and

(2) Be subject to the prohibitions against withdrawal of equity capital set forth in § 240.15c3-1(e) and to the prohibitions against reduction, prepayment, and repayment of subordination agreements set forth in paragraph (b)(11) of § 240.15c3-1d, as if such broker or dealer's net capital were below the minimum standards specified by each of those paragraphs.

(D) If at any time there is a liquidating deficit in a specialist's market-maker account, then the broker or dealer guaranteeing, endorsing, or carrying listed options transactions in such specialist's market-maker account may not extend any further credit in that account, and shall take steps to liquidate promptly existing positions in the account. This paragraph shall not prevent the broker or dealer from, upon approval by the broker's or dealer's Designated Examining Authority, entering into hedging positions in the specialist's market-maker account. The broker or dealer also shall transmit telegraphic or facsimile notice of the deficit and its amount by the close of business of the following business day to its Designated Examining Authority and the Designated Examining Authority of the specialist, if different from its own.

(E) Upon written application to the Commission by the specialist and the broker or dealer guaranteeing, endorsing, or carrying options transactions in such specialist's market-maker account, the Commission may approve upon specified terms and conditions

lesser adjustments to net worth than those specified in § 240.15c3-1a.

(xii) *Deduction from net worth for certain undermargined accounts.* Deducting the amount of cash required in each customer's or non-customer's account to meet the maintenance margin requirements of the Examining Authority for the broker or dealer, after application of calls for margin, marks to the market or other required deposits which are outstanding 5 business days or less.

(xiii) *Deduction from net worth for indebtedness collateralized by exempted securities.* Deducting, at the option of the broker or dealer, in lieu of including such amounts in aggregate indebtedness, 4 percent of the amount of any indebtedness secured by exempted securities or municipal securities if such indebtedness would otherwise be includable in aggregate indebtedness.

(6) The term *customer* shall mean any person from whom, or on whose behalf, a broker or dealer has received, acquired or holds funds or securities for the account of such person, but shall not include a broker or dealer or a registered municipal securities dealer, or a general, special or limited partner or director or officer of the broker or dealer, or any person to the extent that such person has a claim for property or funds which by contract, agreement, or understanding, or by operation of law, is part of the capital of the broker or dealer. *Provided, however,* That the term “customer” shall also include a broker or dealer, but only insofar as such broker or dealer maintains a special omnibus account carried with another broker or dealer in compliance with 12 CFR 220.4(b) of Regulation T under the Securities Exchange Act of 1934.

(11)(i) The term *ready market* shall include a recognized established securities market in which there exists independent bona fide offers to buy and sell so that a price reasonably related to the last sales price or current bona fide competitive bid and offer quotations can be determined for a particular security almost instantaneously and where payment will be received in settlement of a sale at such price within a relatively short time conforming to trade custom.

(ii) A *ready market* shall also be deemed to exist where securities have been accepted as collateral for a loan by a bank as defined in section 3(a)(6) of the Securities Exchange Act of 1934 and where the broker or dealer demonstrates to its Examining Authority that such securities adequately secure such loans as that term is defined in paragraph (c)(5) of this section.

In the case of a sole proprietorship, the debt-equity total shall include the sum of its outstanding principal amounts of satisfactory subordination agreements, capital accounts of the sole proprietorship and unrealized profit and loss. *Provided, however,* That a satisfactory subordination agreement entered into by a partner or stockholder which has an initial term of at least three years and has a remaining term of not less than 12 months shall be considered equity for the purposes of this paragraph (d) if:

(1) It does not have any of the provisions for accelerated maturity provided for by paragraphs (b)(9)(i), (10)(i) or (10)(ii) of Appendix (D) (17 CFR 240.15c3-1d) and is maintained as capital subject to the provisions restricting the withdrawal thereof required by paragraph (e) of this section or

(2) The partnership agreement provides that capital contributed pursuant to a satisfactory subordination agreement as defined in Appendix (D) (17 CFR 240.15c3-1d) shall in all respects be partnership capital subject to the provisions restricting the withdrawal thereof required by paragraph (e) of this section.

(e)(1) *Notice provisions relating to limitations on the withdrawal of equity capital.* No equity capital of the broker or dealer or a subsidiary or affiliate consolidated pursuant to appendix C (17 CFR 240.15c3-1c) may be withdrawn by action of a stockholder or a partner or by redemption or repurchase of shares of stock by any of the consolidated entities or through the payment of dividends or any similar distribution, nor may any unsecured advance or loan be made to a stockholder, partner, sole proprietor, employee or affiliate without written notice given in accordance with paragraph (e)(1)(iv) of this section:

(i) Two business days prior to any withdrawals, advances or loans if those withdrawals, advances or loans on a net basis exceed in the aggregate in any 30 calendar day period, 30 percent

of the broker or dealer's excess net capital. A broker or dealer, in an emergency situation, may make withdrawals, advances or loans that on a net basis exceed 30 percent of the broker or dealer's excess net capital in any 30 calendar day period without giving the advance notice required by this paragraph, with the prior approval of its Examining Authority. Where a broker or dealer makes a withdrawal with the consent of its Examining Authority, it shall in any event comply with paragraph (e)(1)(ii) of this section; or

(ii) Two business days after any withdrawals, advances or loans if those withdrawals, advances or loans on a net basis exceed in the aggregate in any 30 calendar day period, 20 percent of the broker or dealer's excess net capital.

(iii) This paragraph (e)(1) does not apply to:

(A) Securities or commodities transactions in the ordinary course of business between a broker or dealer and an affiliate where the broker or dealer makes payment to or on behalf of such affiliate for such transaction and then receives payment from such affiliate for the securities or commodities transaction within two business days from the date of the transaction; or

(B) Withdrawals, advances or loans which in the aggregate in any thirty calendar day period, on a net basis, equal \$500,000 or less.

(iv) Each required notice shall be effective when received by the Commission in Washington, DC, the regional or district office of the Commission for the region or district in which the broker or dealer has its principal place of business, the broker or dealer's Examining Authority and the Commodity Futures Trading Commission if such broker or dealer is registered with that Commission.

(2) *Limitations on Withdrawal of equity capital.* No equity capital of the broker or dealer or a subsidiary or affiliate consolidated pursuant to appendix C (17 CFR 240.15c3-1c) may be withdrawn by action of a stockholder or a partner or by redemption or repurchase of shares of stock by any of the consolidated entities or through the payment of dividends or any similar distribution, nor

may any unsecured advance or loan be made to a stockholder, partner, sole proprietor, employee or affiliate, if after giving effect thereto and to any other such withdrawals, advances or loans and any Payments of Payment Obligations (as defined in appendix D (17 CFR 240.15c3-1d)) under satisfactory subordination agreements which are scheduled to occur within 180 days following such withdrawal, advance or loan if:

(i) The broker or dealer's net capital would be less than 120 percent of the minimum dollar amount required by paragraph (a) of this section;

(ii) The broker-dealer is registered as a futures commission merchant, its net capital would be less than 7 percent of the funds required to be segregated pursuant to the Commodity Exchange Act and the regulations thereunder (less the market value of commodity options purchased by option customers on or subject to the rules of a contract market, each such deduction not to exceed the amount of funds in the option customer's account);

(iii) The broker-dealer's net capital would be less than 25 percent of deductions from net worth in computing net capital required by paragraphs (c)(2)(vi), (f) and appendix A, of this section, unless the broker or dealer has the prior approval of the Commission to make such withdrawal;

(iv) The total outstanding principal amounts of satisfactory subordination agreements of the broker or dealer and any subsidiaries or affiliates consolidated pursuant to appendix C (17 CFR 240.15c3-1c) (other than such agreements which qualify as equity under paragraph (d) of this section) would exceed 70% of the debt-equity total as defined in paragraph (d) of this section;

(v) The broker or dealer is subject to the aggregate indebtedness limitations of paragraph (a) of this section, the aggregate indebtedness of any of the consolidated entities exceeds 1000 percent of its net capital; or

(vi) The broker or dealer is subject to the alternative net capital requirement of paragraph (f) of this section, its net capital would be less than 5 percent of aggregate debit items computed in accordance with 17 CFR 240.15c3-3a.

(3)(i) *Temporary Restrictions on Withdrawal of Net Capital.* The Commission may by order restrict, for a period up to twenty business days, any withdrawal by the broker or dealer of equity capital or unsecured loan or advance to a stockholder, partner, sole proprietor, employee or affiliate if such withdrawal, advance or loan:

(A) When aggregated with all other withdrawals, advances or loans on a net basis during a 30 calendar day period exceeds 30 percent of the broker or dealer's excess net capital; and

(B) The Commission, based on the facts and information available, concludes that the withdrawal, advance or loan may be detrimental to the financial integrity of the broker or dealer, or may unduly jeopardize the broker or dealer's ability to repay its customer claims or other liabilities which may cause a significant impact on the markets or expose the customers or creditors of the broker or dealer to loss without taking into account the application of the Securities Investor Protection Act.

(ii) An order temporarily prohibiting the withdrawal of capital shall be rescinded if the Commission determines that the restriction on capital withdrawal should not remain in effect. The hearing will be held within two business days from the date of the request in writing by the broker or dealer.

(4)(i) *Miscellaneous provisions.* Excess net capital is that amount in excess of the amount required under paragraph (a) of this section. For the purposes of paragraphs (e)(1) and (e)(2) of this section, a broker or dealer may use the amount of excess net capital and deductions required under paragraphs (c)(2)(vi), (f) and appendix A of this section reported in its most recently required filed Form X-17A-5 for the purposes of calculating the effect of a projected withdrawal, advance or loan relative to excess net capital or deductions. The broker or dealer must assure itself that the excess net capital or the deductions reported on the most recently required filed Form X-17A-5 have not materially changed since the time such report was filed.

(ii) The term equity capital includes capital contributions by partners, par or stated value of capital stock, paid-in

capital in excess of par, retained earnings or other capital accounts. The term equity capital does not include securities in the securities accounts of partners and balances in limited partners' capital accounts in excess of their stated capital contributions.

(iii) Paragraphs (e)(1) and (e)(2) of this section shall not preclude a broker or dealer from making required tax payments or preclude the payment to partners of reasonable compensation, and such payments shall not be included in the calculation of withdrawals, advances, or loans for purposes of paragraphs (e)(1) and (e)(2) of this section.

(iv) For the purpose of this paragraph (e) of this section, any transaction between a broker or dealer and a stockholder, partner, sole proprietor, employee or affiliate that results in a diminution of the broker or dealer's net capital shall be deemed to be an advance or loan of net capital.

§ 240.15c3-1a Options (Appendix A to 17 CFR 240.15c3-1).

(a) *Definitions.* (1) The term *unlisted option* shall mean any option not included in the definition of listed option provided in paragraph (c)(2)(x) of § 240.15c3-1.

(2) The term *option series* refers to listed option contracts of the same type (either a call or a put) and exercise style, covering the same underlying security with the same exercise price, expiration date, and number of underlying units.

(3) The term *related instrument* within an option class or product group refers to futures contracts and options on futures contracts covering the same underlying instrument. In relation to options on foreign currencies a related instrument within an option class also shall include forward contracts on the same underlying currency.

(4) The term *underlying instrument* refers to long and short positions, as appropriate, covering the same foreign

currency, the same security, or a security which is exchangeable for or convertible into the underlying security within a period of 90 days. If the exchange or conversion requires the payment of money or results in a loss upon conversion at the time when the security is deemed an underlying instrument for purposes of this Appendix A, the broker or dealer will deduct from net worth the full amount of the conversion loss. The term underlying instrument shall not be deemed to include securities options, futures contracts, options on futures contracts, qualified stock baskets, or unlisted instruments.

(5) The term *options class* refers to all options contracts covering the same underlying instrument.

(6) The term *product group* refers to two or more option classes, related instruments, underlying instruments, and qualified stock baskets in the same portfolio type (see paragraph (b)(1)(ii) of this section) for which it has been determined that a percentage of offsetting profits may be applied to losses at the same valuation point.

(b) The deduction under this Appendix A to § 240.15c3-1 shall equal the sum of the deductions specified in paragraphs (b)(1)(v)(C) or (b)(2) of this section.

THEORETICAL PRICING CHARGES

(1)(i) *Definitions.* (A) The terms *theoretical gains* and *losses* shall mean the gain and loss in the value of individual option series, the value of underlying instruments, related instruments, and qualified stock baskets within that option's class, at 10 equidistant intervals (valuation points) ranging from an assumed movement (both up and down) in the current market value of the underlying instrument equal to the percentage corresponding to the deductions otherwise required under § 240.15c3-1 for the underlying instrument (See paragraph (a)(1)(iii) of this section). Theoretical gains and losses shall be calculated using a theoretical options pricing model that satisfies the criteria set forth in paragraph (a)(1)(i)(B) of this section.

(B) The term *theoretical options pricing model* shall mean any mathematical model, other than a broker-dealer pro-

prietary model, approved by a Designated Examining Authority. Such Designated Examining Authority shall submit the model to the Commission, together with a description of its methods for approving models. Any such model shall calculate theoretical gains and losses as described in paragraph (a)(1)(i)(A) of this section for all series and issues of equity, index and foreign currency options and related instruments, and shall be made available equally and on the same terms to all registered brokers or dealers. Its procedures shall include the arrangement of the vendor to supply accurate and timely data to each broker-dealer with respect to its services, and the fees for distribution of the services. The data provided to brokers or dealers shall also contain the minimum requirements set forth in paragraphs (b)(1)(v)(C) of this section and the product group offsets set forth in paragraphs (b)(1)(v)(B) of this section. At a minimum, the model shall consider the following factors in pricing the option:

(1) The current spot price of the underlying asset;

(2) The exercise price of the option;

(3) The remaining time until the option's expiration;

(4) The volatility of the underlying asset;

(5) Any cash flows associated with ownership of the underlying asset that can reasonably be expected to occur during the remaining life of the option; and

(6) The current term structure of interest rates.

(C) The term *major market foreign currency* shall mean the currency of a sovereign nation whose short-term debt is rated in one of the two highest categories by at least two nationally recognized statistical rating organizations and for which there is a substantial inter-bank forward currency market. For purposes of this section, the European Currency Unit (ECU) shall be deemed a major market foreign currency.

(D) The term *qualified stock basket* shall mean a set or basket of stock positions which represents no less than 50% of the capitalization for a high-capitalization or non-high-capitalization diversified market index, or, in

Securities and Exchange Commission

§ 240.15c3-1a

the case of a narrow-based index, no less than 95% of the capitalization for such narrow-based index.

(ii) With respect to positions involving listed options in a single specialist's market-maker account, and, separately, with respect to positions involving listed option positions in its proprietary or other account, the broker or dealer shall group long and short positions into the following portfolio types:

(A) Equity options on the same underlying instrument and positions in that underlying instrument;

(B) Options on the same major market foreign currency, positions in that major market foreign currency, and related instruments within those options' classes;

(C) High-capitalization diversified market index options, related instruments within the option's class, and qualified stock baskets in the same index;

(D) Non-high-capitalization diversified index options, related instruments within the index option's class, and qualified stock baskets in the same index; and

(E) Narrow-based index options, related instruments within the index option's class, and qualified stock baskets in the same index.

(iii) Before making the computation, each broker or dealer shall obtain the theoretical gains and losses for each options series and for the related and underlying instruments within those options' class in each specialist's market-maker account guaranteed, endorsed, or carried by a broker or dealer, or in the proprietary or other accounts of that broker or dealer. For each option series, the theoretical options pricing model shall calculate theoretical prices at 10 equidistant valuation points within a range consisting of an increase or a decrease of the following percentages of the daily market price of the underlying instrument:

(A) $+(-)15\%$ for equity securities with a ready market, narrow-based indexes, and non-high-capitalization diversified indexes;

(B) $+(-)6\%$ for major market foreign currencies;

(C) $+(-)20\%$ for all other currencies; and

(D) $+(-)10\%$ for high-capitalization diversified indexes.

(iv)(A) As to non-clearing option specialists and market-makers, the percentages of the daily market price of the underlying instrument shall be:

(1) $+(-)4\frac{1}{2}\%$ for major market foreign currencies; and

(2) $+6(-)8\%$ for high-capitalization diversified indexes.

(3) $+(-)10\%$ for a non-clearing market-maker, or specialist in non-high capitalization diversified index product group.

(B) The provisions of this paragraph (b)(1)(iv) shall expire two years from September 1, 1997, unless otherwise extended by the Commission.

(v)(A) The broker or dealer shall multiply the corresponding theoretical gains and losses at each of the 10 equidistant valuation points by the number of positions held in a particular options series, the related instruments and qualified stock baskets within the option's class, and the positions in the same underlying instrument.

(B) In determining the aggregate profit or loss for each portfolio type, the broker or dealer will be allowed the following offsets in the following order, provided, that in the case of qualified stock baskets, the broker or dealer may elect to net individual stocks between qualified stock baskets and take the appropriate deduction on the remaining, if any, securities:

(1) First, a broker or dealer is allowed the following offsets within an option's class:

(i) Between options on the same underlying instrument, positions covering the same underlying instrument, and related instruments within the option's class, 100% of a position's gain shall offset another position's loss at the same valuation point;

(ii) Between index options, related instruments within the option's class, and qualified stock baskets on the same index, 95%, or such other amount as designated by the Commission, of gains shall offset losses at the same valuation point;

(2) Second, a broker-dealer is allowed the following offsets within an index product group:

(i) Among positions involving different high-capitalization diversified

index option classes within the same product group, 90% of the gain in a high-capitalization diversified market index option, related instruments, and qualified stock baskets within that index option's class shall offset the loss at the same valuation point in a different high-capitalization diversified market index option, related instruments, and qualified stock baskets within that index option's class;

(ii) Among positions involving different non-high-capitalization diversified index option classes within the same product group, 75% of the gain in a non-high-capitalization diversified market index option, related instruments, and qualified stock baskets within that index option's class shall offset the loss at the same valuation point in another non-high-capitalization diversified market index option, related instruments, and qualified stock baskets within that index option's class or product group;

(iii) Among positions involving different narrow-based index option classes within the same product group, 90% of the gain in a narrow-based market index option, related instruments, and qualified stock baskets within that index option's class shall offset the loss at the same valuation point in another narrow-based market index option, related instruments, and qualified stock baskets within that index option's class or product group;

(iv) No qualified stock basket should offset another qualified stock basket; and

(3) Third, a broker-dealer is allowed the following offsets between product groups: Among positions involving different diversified index product groups within the same market group, 50% of the gain in a diversified market index option, a related instrument, or a qualified stock basket within that index option's product group shall offset the loss at the same valuation point in another product group;

(C) For each portfolio type, the total deduction shall be the larger of:

(1) The amount for any of the 10 equidistant valuation points representing the largest theoretical loss after applying the offsets provided in paragraph (b)(1)(v)(B) if this section; or

(2) A minimum charge equal to 25% times the multiplier for each equity and index option contract and each related instrument within the option's class or product group, or \$25 for each option on a major market foreign currency with the minimum charge for futures contracts and options on futures contracts adjusted for contract size differentials, not to exceed market value in the case of long positions in options and options on futures contracts; plus

(3) In the case of portfolio types involving index options and related instruments offset by a qualified stock basket, there will be a minimum charge of 5% of the market value of the qualified stock basket for high-capitalization diversified and narrow-based indexes; and

(4) In the case of portfolio types involving index options and related instruments offset by a qualified stock basket, there will be a minimum charge of 7½% of the market value of the qualified stock basket for non-high-capitalization diversified indexes.

ALTERNATIVE STRATEGY BASED METHOD

(2) A broker or dealer may elect to apply the alternative strategy based method in accordance with the provisions of this paragraph (b)(2).

(i) *Definitions.* (A) The term *intrinsic value* or *in-the-money amount* shall mean the amount by which the exercise value, in the case of a call, is less than the current market value of the underlying instrument, and, in the case of a put, is greater than the current market value of the underlying instrument.

(B) The term *out-of-the-money amount* shall mean the amount by which the exercise value, in the case of a call, is greater than the current market value of the underlying instrument, and, in the case of a put, is less than the current market value of the underlying instrument.

(C) The term *time value* shall mean the current market value of an option contract that is in excess of its intrinsic value.

(ii) Every broker or dealer electing to calculate adjustments to net worth in accordance with the provisions of this paragraph (b)(2) must make the following adjustments to net worth:

Securities and Exchange Commission

§ 240.15c3-1a

(A) Add the time value of a short position in a listed option; and

(B) Deduct the time value of a long position in a listed option, which relates to a position in the same underlying instrument or in a related instrument within the option class or product group as recognized in the strategies enumerated in paragraph (b)(2)(iii)(D) of this section; and

(C) Add the net short market value or deduct the long market value of listed options as recognized in the strategies enumerated in paragraphs (b)(2)(iii)(E)(1) and (2) of this section.

(iii) In computing net capital after the adjustments provided for in paragraph (b)(2)(ii) of this section, every broker or dealer shall deduct the percentages specified in this paragraph (b)(2)(iii) for all listed option positions, positions covering the same underlying instrument and related instruments within the options' class or product group.

UNCOVERED CALLS

(A) Where a broker or dealer is short a call, deducting the percentage required by paragraphs (c)(2)(vi) (A) through (K) of § 240.15c3-1 of the current market value of the underlying instrument for such option reduced by its out-of-the-money amount, to the extent that such reduction does not operate to increase net capital. In no event shall this deduction be less than the greater of \$250 for each short call option contract for 100 shares or 50% of the aforementioned percentage.

UNCOVERED PUTS

(B) Where a broker or dealer is short a put, deducting the percentage required by paragraphs (c)(2)(vi) (A) through (K) of § 240.15c3-1 of the current market value of the underlying instrument for such option reduced by its out-of-the-money amount, to the extent that such reduction does not operate to increase net capital. In no event shall the deduction provided by this paragraph be less than the greater of \$250 for each short put option contract for 100 shares or 50% of the aforementioned percentage.

LONG POSITIONS

(C) Where a broker or dealer is long puts or calls, deducting 50 percent of the market value of the net long put and call positions in the same options series.

CERTAIN SECURITY POSITIONS WITH OFFSETTING OPTIONS

(D)(1) Where a broker or dealer is long a put for which it has an offsetting long position in the same number of units of the same underlying instrument, deducting the percentage required by paragraphs (c)(2)(vi) (A) through (K) of § 240.15c3-1 of the current market value of the underlying instrument for the long offsetting position, not to exceed the out-of-the-money amount of the option. In no event shall the deduction provided by this paragraph be less than \$25 for each option contract for 100 shares, provided that the minimum charge need not exceed the intrinsic value of the option.

(2) Where a broker or dealer is long a call for which it has an offsetting short position in the same number of units of the same underlying instrument, deducting the percentage required by paragraphs (c)(2)(vi) (A) through (K) of § 240.15c3-1 of the current market value of the underlying instrument for the short offsetting position, not to exceed the out-of-the-money amount of the option. In no event shall the deduction provided by this paragraph be less than \$25 for each option contract for 100 shares, provided that the minimum charge need not exceed the intrinsic value of the option.

(3) Where a broker or dealer is short a call for which it has an offsetting long position in the same number of units of the same underlying instrument, deducting the percentage required by paragraphs (c)(2)(vi) (A) through (K) of § 240.15c3-1 of the current market value of the underlying instrument for the offsetting long position reduced by the short call's intrinsic value. In no event shall the deduction provided by this paragraph be less than \$25 for each option contract for 100 shares.

§ 240.15c3-1a

17 CFR Ch. II (4-1-06 Edition)

CERTAIN SPREAD POSITIONS

(E)(1) Where a broker or dealer is short a listed call and is also long a listed call in the same class of options contracts and the long option expires on the same date as or subsequent to the short option, the deduction, after adjustments required in paragraph (b) of this section, shall be the amount by which the exercise value of the long call exceeds the exercise value of the short call. If the exercise value of the long call is less than or equal to the exercise value of the short call, no deduction is required.

(2) Where a broker or dealer is short a listed put and is also long a listed put in the same class of options contracts and the long option expires on the same date as or subsequent to the short option, the deduction, after the adjustments required in paragraph (b) of this section, shall be the amount by which the exercise value of the short put exceeds the exercise value of the long put. If the exercise value of the long put is equal to or greater than the exercise value of the short put, no deduction is required.

(c) With respect to transactions involving unlisted options, every broker or dealer shall determine the value of unlisted option positions in accordance with the provision of paragraph (c)(2)(i) of § 240.15c3-1, and shall deduct the percentages of all securities positions or unlisted options in the proprietary or other accounts of the broker or dealer specified in this paragraph (c). However, where computing the deduction required for a security position as if the security position had no related unlisted option position and positions in unlisted options as if uncovered would result in a lesser deduction from net worth, the broker or dealer may compute such deductions separately.

UNCOVERED CALLS

(1) Where a broker or dealer is short a call, deducting 15 percent (or such other percentage required by paragraphs (c)(2)(vi) (A) through (K) of § 240.15c3-1) of the current market value of the security underlying such option reduced by any excess of the exercise value of the call over the current market value of the underlying secu-

rity. In no event shall the deduction provided by this paragraph be less than \$250 for each option contract for 100 shares.

UNCOVERED PUTS

(2) Where a broker or dealer is short a put, deducting 15 percent (or such other percentage required by paragraphs (c)(2)(vi) (A) through (K) of § 240.15c3-1) of the current market value of the security underlying the option reduced by any excess of the market value of the underlying security over the exercise value of the put. In no event shall the deduction provided by this paragraph be less than \$250 for each option contract for 100 shares.

COVERED CALLS

(3) Where a broker or dealer is short a call and long equivalent units of the underlying security, deducting 15 percent (or such other percentage required by paragraphs (c)(2)(vi) (A) through (K) of § 240.15c3-1) of the current market value of the underlying security reduced by any excess of the current market value of the underlying security over the exercise value of the call. No reduction under this paragraph shall have the effect of increasing net capital.

COVERED PUTS

(4) Where a broker or dealer is short a put and short equivalent units of the underlying security, deducting 15 percent (or such other percentage required by paragraphs (c)(2)(vi) (A) through (K) of § 240.15c3-1) of the current market value of the underlying security reduced by any excess of the exercise value of the put over the market value of the underlying security. No such reduction shall have the effect of increasing net capital.

CONVERSION ACCOUNTS

(5) Where a broker or dealer is long equivalent units of the underlying security, long a put written or endorsed by a broker or dealer and short a call in its proprietary or other accounts, deducting 5 percent (or 50 percent of such other percentage required by paragraphs (c)(2)(vi) (A) through (K) of

Securities and Exchange Commission

§ 240.15c3-1b

§ 240.15c3-1) of the current market value of the underlying security.

(6) Where a broker or dealer is short equivalent units of the underlying security, long a call written or endorsed by a broker or dealer and short a put in his proprietary or other accounts, deducting 5 percent (or 50 percent of such other percentage required by paragraphs (c)(2)(vi) (A) through (K) of § 240.15c3-1) of the market value of the underlying security.

LONG OPTIONS

(7) Where a broker or dealer is long a put or call endorsed or written by a broker or dealer, deducting 15 percent (or such other percentage required by paragraphs (c)(2)(vi) (A) through (K) of § 240.15c3-1) of the market value of the underlying security, not to exceed any value attributed to such option in paragraph (c)(2)(i) of § 240.15c3-1.

[62 FR 6481, Feb. 12, 1997]

§ 240.15c3-1b Adjustments to net worth and aggregate indebtedness for certain commodities transactions (Appendix B to 17 CFR 240.15c3-1).

(a) Every broker or dealer in computing net capital pursuant to 17 CFR 240.15c3-1 shall comply with the following:

(1) Where a broker or dealer has an asset or liability which is treated or defined in paragraph (c) of 17 CFR 240.15c3-1, the inclusion or exclusion of all or part of such asset or liability for the computation of aggregate indebtedness and net capital shall be in accordance with paragraph (c) of 17 CFR 240.15c3-1, except as specifically provided otherwise in this Appendix B. Where a commodity related asset or liability is specifically treated or defined in 17 CFR 1.17 and is not generally or specifically treated or defined in 17 CFR 240.15c3-1 or this Appendix B, the inclusion or exclusion of all or part of such asset or liability for the computation of aggregate indebtedness and net capital shall be in accordance with 17 CFR 1.17.

AGGREGATE INDEBTEDNESS

(2) The term *aggregate indebtedness* as defined in paragraph (c)(1) of this sec-

tion shall exclude with respect to commodity-related transactions:

(i) Indebtedness arising in connection with an advance to a non-proprietary account when such indebtedness is adequately collateralized by spot commodities eligible for delivery on a contract market and when such spot commodities are covered.

(ii) Advances received by the broker or dealer against bills of lading issued in connection with the shipment of commodities sold by the broker or dealer; and

(iii) Equity balances in the accounts of general partners.

NET CAPITAL

(3) In computing net capital as defined in paragraph (c)(2) of this section, the net worth of a broker or dealer shall be adjusted as follows with respect to commodity-related transactions:

(i) *Unrealized profit or loss for certain commodities transactions.* (A) Unrealized profits shall be added and unrealized losses shall be deducted in the commodities accounts of the broker or dealer, including unrealized profits and losses on fixed price commitments and forward contracts; and

(B) The value attributed to any commodity option which is not traded on a contract market shall be the difference between the option's strike price and the market value for the physical or futures contract which is the subject of the option. In the case of a long call commodity option, if the market value for the physical or futures contract which is the subject of the option is less than the strike price of the option, it shall be given no value. In the case of a long put commodity option, if the market value for the physical commodity or futures contract which is the subject of the option is more than the striking price of the option, it shall be given no value.

(ii) Deduct any unsecured commodity futures or option account containing a ledger balance and open trades, the combination of which liquidates to a deficit or containing a debit ledger balance only: *Provided, however,* Deficits or debit ledger balances in unsecured customers', non-customers' and proprietary accounts, which are the subject

of calls for margin or other required deposits need not be deducted until the close of business on the business day following the date on which such deficit or debit ledger balance originated;

(iii) Deduct all unsecured receivables, advances and loans except for:

(A) Management fees receivable from commodity pools outstanding no longer than thirty (30) days from the date they are due;

(B) Receivables from foreign clearing organizations;

(C) Receivables from registered futures commission merchants or brokers, resulting from commodity futures or option transactions, except those specifically excluded under paragraph (3)(ii) of this Appendix B. In the case of an introducing broker or an applicant for registration as an introducing broker, include 50 percent of the value of a guarantee or security deposit with a futures commission merchant which carries or intends to carry accounts for the customers of the introducing broker.

(iv) Deduct all inventories (including work in process, finished goods, raw materials and inventories held for resale) except for readily marketable spot commodities; or spot commodities which adequately collateralize indebtedness under paragraph (c)(7) of 17 CFR 1.17;

(v) Guarantee deposits with commodities clearing organizations are not required to be deducted from net worth;

(vi) Stock in commodities clearing organizations to the extent of its margin value is not required to be deducted from net worth;

(vii) Deduct from net worth the amount by which any advances paid by the broker or dealer on cash commodity contracts and used in computing net capital exceeds 95 percent of the market value of the commodities covered by such contracts.

(viii) Do not include equity in the commodity accounts of partners in net worth.

(ix) In the case of all inventory, fixed price commitments and forward contracts, except for inventory and forward contracts in the inter-bank market in those foreign currencies which are purchased or sold for further delivery on or subject to the rules of a con-

tract market and covered by an open futures contract for which there will be no charge, deduct the applicable percentage of the net position specified below:

(A) Inventory which is currently registered as deliverable on a contract market and covered by an open futures contract or by a commodity option on a physical—No charge.

(B) Inventory which is covered by an open futures contract or commodity option—5% of the market value.

If there are no such maintenance margin requirements or clearing organization margin requirements on such accounts, then deduct the amount of funds required to provide margin equal to the amount necessary after application of calls for margin, or other required deposits outstanding three days or less to restore original margin when the original margin has been depleted by 50 percent or more. *Provided*, To the extent a deficit is deducted from net worth in accordance with paragraph (a)(3)(ii) of this Appendix B, such amount shall not also be deducted under this paragraph (a)(3)(xii). In the event that an owner of a customer account has deposited an

asset other than cash to margin, guarantee or secure his account, the value attributable to such asset for purposes of this paragraph shall be the lesser of (A) the value attributable to such asset pursuant to the margin rules of the applicable board of trade, or (B) the market value of such asset after application of the percentage deductions specified in paragraph (a)(3)(ix) of this Appendix B or, where appropriate, specified in paragraph (c)(2)(vi) or (c)(2)(vii) of § 240.15c3-1 this chapter;

(xiii) Deduct for undermargined non-customer and omnibus commodity futures accounts the amount of funds required in each such account to meet maintenance margin requirements of the applicable board of trade or, if there are no such maintenance margin requirements, clearing organization margin requirements applicable to such positions, after application of calls for margin, or other required deposits which are outstanding two business days or less. If there are no such maintenance margin requirements or clearing organization margin requirements, then deduct the amount of funds required to provide margin equal to the amount necessary after application of calls for margin, or other required deposits outstanding two days or less to restore original margin when the original margin has been depleted by 50 percent or more. *Provided*, To the extent a deficit is deducted from net worth in accordance with paragraph (a)(3)(ii) of this Appendix B such amount shall not also be deducted under this paragraph (a)(3)(xiii). carried by the broker or dealer which are not covered by a position held by the broker or dealer or which are not the result of a "changer trade made in accordance with the rules of a contract market, deduct:

(A) For a broker or dealer which is a clearing member of a contract market for the positions on such contract market cleared by such member, the applicable margin requirement of the applicable clearing organization;

(B) For a broker or dealer which is a member of a self-regulatory organization 150% of the applicable maintenance margin requirement of the applicable board of trade or clearing organization, whichever is greater; or

(C) For all other brokers or dealers, 200% of the applicable maintenance margin requirement of the applicable board of trade or clearing organization, whichever is greater; or

(D) For open contracts or granted (sold) commodity options for which there are no applicable maintenance margin requirements, 200% of the applicable initial margin requirement;

(xv) In the case of a broker or dealer which is a purchaser of a commodity option which is traded on a contract market the deduction shall be the same safety factor as if the broker or dealer were the grantor of such option in accordance with paragraph (a)(3)(xiv), but in no event shall the safety factor be greater than the market value attributed to such option.

(xvi) In the case of a broker or dealer which is a purchaser of a commodity option not traded on a contract market which has value and such value is used to increase net capital, the deduction is ten percent of the market value of the physical or futures contract which is the subject of such option but in no event more than the value attributed to such option.

(xvii) Deduction 5% of all unsecured receivables includable under paragraph (a)(3)(iii)(C) of this Appendix B used by the broker or dealer in computing "net capital" and which are not receivable

from (A) a futures commission merchant registered as such with the Commodity Futures Trading Commission, or (B) a broker or dealer which is registered as such with the Securities and Exchange Commission.

(xviii) A loan or advance or any other form of receivable shall not be considered “secured” for the purposes of paragraph (a)(3) of this Appendix B unless the following conditions exist:

(A) The receivable is secured by readily marketable collateral which is otherwise unencumbered and which can be readily converted into cash: *Provided, however,* That the receivable will be considered secured only to the extent of the market value of such collateral after application of the percentage deductions specified in paragraph (a)(3)(ix) of this Appendix B; and

(B)(1) The readily marketable collateral is in the possession or control of the broker or dealer; or

(2) The broker or dealer has a legally enforceable, written security agreement, signed by the debtor, and has a perfected security interest in the readily marketable collateral within the meaning of the laws of the State in which the readily marketable collateral is located.

§ 240.15c3-1c Consolidated computations of net capital and aggregate indebtedness for certain subsidiaries and affiliates (Appendix C to 17 CFR 240.15c3-1).

(a) *Flow Through Capital Benefits.* Every broker or dealer in computing its net capital and aggregate indebtedness pursuant to 17 CFR 240.15c3-1 shall, subject to the provisions of paragraphs (b) and (d) of this Appendix, consolidate in a single computation as-

sets and liabilities of any subsidiary or affiliate for which it guarantees, endorses or assumes directly or indirectly the obligations or liabilities. The assets and liabilities of a subsidiary or affiliate whose liabilities and obligations have not been guaranteed, endorsed, or assumed directly or indirectly by the broker or dealer may also be so consolidated if an opinion of counsel is obtained as provided for in paragraph (b) of this section.

(b) *Required Counsel Opinions.*(1) If the consolidation, provided for in paragraph (a) of this section, of any such subsidiary or affiliate results in the increase of the broker’s or dealer’s net capital and/or the decrease of the broker’s or dealer’s minimum net capital requirement under paragraph (a) of § 240.15c3-1 and an opinion of counsel described in paragraph (b)(2) of this section has not been obtained, such benefits shall not be recognized in the broker’s or dealer’s computation required by this section.

(2) Except as provided for in paragraph (b)(1) of this section, consolidation shall be permitted with respect to any subsidiaries or affiliates which are majority owned and controlled by the broker or dealer for which the broker or dealer can demonstrate to the satisfaction of the Commission, through the Examining Authority, by an opinion of counsel that the net asset values, or the portion thereof related to the parent’s ownership interest in the subsidiary or affiliate may be caused by the broker or dealer or a trustee appointed pursuant to the Securities Investor Protection Act of 1970 or otherwise, to be distributed to the broker or dealer within 30 calendar days. Such opinion shall also set forth the actions necessary to cause such a distribution to be made, identify the parties having the authority to take such actions, identify and describe the rights of other parties or classes of parties, including but not limited to customers, general creditors, subordinated lenders, minority shareholders, employees, litigants and governmental or regulatory authorities, who may delay or prevent such a distribution and such other assurances as the Commission or the Examining Authority by rule or interpretation may require. Such opinion shall

be current and periodically renewed in connection with the broker's or dealer's annual audit pursuant to 17 CFR 240.17a-5 under the Securities Exchange Act of 1934 or upon any material change in circumstances.

(c) *Principles of Consolidation.* In preparing a consolidated computation of net capital and/or aggregate indebtedness pursuant to this section, the following minimum and non-exclusive requirements shall be observed:

(1) Consolidated net worth shall be reduced by the estimated amount of any tax reasonably anticipated to be incurred upon distribution of the assets of the subsidiary or affiliate.

(2) Liabilities of a consolidated subsidiary or affiliate which are subordinated to the claims of present and future creditors pursuant to a satisfactory subordination agreement shall not be added to consolidated net worth unless such subordination extends also to the claims of present or future creditors of the parent broker or dealer and all consolidated subsidiaries.

(3) Subordinated liabilities of a consolidated subsidiary or affiliate which are consolidated in accordance with paragraph (c)(2) of this section may not be prepaid, repaid or accelerated if any of the entities included in such consolidation would otherwise be unable to comply with the provisions of Appendix (D), 17 CFR 240.15c3-1d.

(4) Each broker or dealer included within the consolidation shall at all times be in compliance with the net capital requirement to which it is subject.

(d) *Certain Precluded Acts.* No broker or dealer shall guarantee, endorse or assume directly or indirectly any obligation or liability of a subsidiary or affiliate unless the obligation or liability is reflected in the computation of net capital and/or aggregate indebtedness pursuant to 17 CFR 240.15c3-1 or this Appendix (C), except as provided in paragraph (b)(1) of this section.

§ 240.15c3-1d Satisfactory Subordination Agreements (Appendix D to 17 CFR 240.15c3-1).

(a) *Introduction.* (1) This Appendix sets forth minimum and non-exclusive

requirements for satisfactory subordination agreements (hereinafter "subordination agreement"). The Examining Authority may require or the broker or dealer may include such other provisions as deemed necessary or appropriate to the extent such provisions do not cause the subordination agreement to fail to meet the minimum requirements of this Appendix (D).

(2) *Certain Definitions.* For purposes of 17 CFR 240.15c3-1 and this Appendix (D):

(i) A subordination agreement may be either a subordinated loan agreement or a secured demand note agreement.

(ii) The term *subordinated loan agreement* shall mean the agreement or agreements evidencing or governing a subordinated borrowing of cash.

(iii) The term *Collateral Value* of any securities pledged to secure a secured demand note shall mean the market value of such securities after giving effect to the percentage deductions set forth in paragraph (c)(2)(vi) of § 240.15c3-1 except for paragraph (c)(2)(vi)(J). In lieu of the deduction under (c)(2)(vi)(J), the broker or dealer shall reduce the market value of the securities pledged to secure the secured demand note by 30 percent.

(iv) The term *Payment Obligation* shall mean the obligation of a broker or dealer in respect to any subordination agreement (A) to repay cash loaned to the broker or dealer pursuant to a subordinated loan agreement or (B) to return a secured demand note contributed to the broker or dealer or reduce the unpaid principal amount thereof and to return cash or securities pledged as collateral to secure the secured demand note and (C) "Payment" shall mean the performance by a broker or dealer of a Payment Obligation.

(v)(A) The term *secured demand note agreement* shall mean an agreement (including the related secured demand note) evidencing or governing the contribution of a secured demand note to a broker or dealer and the pledge of securities and/or cash with the broker or dealer as collateral to secure payment

of such secured demand note. The secured demand note agreement may provide that neither the lender, his heirs, executors, administrators or assigns shall be personally liable on such note and that in the event of default the broker or dealer shall look for payment of such note solely to the collateral then pledged to secure the same.

(B) The secured demand note shall be a promissory note executed by the lender and shall be payable on the demand of the broker or dealer to which it is contributed; provided, however, that the making of such demand may be conditioned upon the occurrence of any of certain events which are acceptable to the Commission and to the Examining Authority for such broker or dealer.

(C) If such note is not paid upon presentment and demand as provided for therein, the broker or dealer shall have the right to liquidate all or any part of the securities then pledged as collateral to secure payment of the same and to apply the net proceeds of such liquidation, together with any cash then included in the collateral, in payment of such note. Subject to the prior rights of the broker or dealer as pledgee, the lender, as defined herein, may retain ownership of the collateral and have the benefit of any increases and bear the risks of any decreases in the value of the collateral and may retain the right to vote securities contained within the collateral and any right to income therefrom or distributions thereon, except the broker or dealer shall have the right to receive and hold as pledgee all dividends payable in securities and all partial and complete liquidating dividends.

(D) Subject to the prior rights of the broker or dealer as pledgee, the lender may have the right to direct the sale of any securities included in the collateral, to direct the purchases of securities with any cash included therein, to withdraw excess collateral or to substitute cash or other securities as collateral, provided that the net proceeds of any such sale and the cash so substituted and the securities so purchased or substituted are held by the broker or dealer, as pledgee, and are included within the collateral to secure payment of the secured demand note,

and provided further that no such transaction shall be permitted if, after giving effect thereto, the sum of the amount of any cash, plus the Collateral Value of the securities, then pledged as collateral to secure the secured demand note would be less than the unpaid principal amount of the secured demand note.

(E) Upon payment by the lender, as distinguished from a reduction by the lender which is provided for in (b)(6)(iii) or reduction by the broker or dealer as provided for in subparagraph (b)(7) of this Appendix (D), of all or any part of the unpaid principal amount of the secured demand note, a broker or dealer shall issue to the lender a subordinated loan agreement in the amount of such payment (or in the case of a broker or dealer that is a partnership credit a capital account of the lender) or issue preferred or common stock of the broker or dealer in the amount of such payment, or any combination of the foregoing, as provided for in the secured demand note agreement.

(F) The term *lender* shall mean the person who lends cash to a broker or dealer pursuant to a subordinated loan agreement and the person who contributes a secured demand note to a broker or dealer pursuant to a secured demand note agreement.

(b) *Minimum Requirements for Subordination Agreements.* (1) Subject to paragraph (a) of this section, a subordination agreement shall mean a written agreement between the broker or dealer and the lender, which (i) has a minimum term of one year, except for temporary subordination agreements provided for in paragraph (c)(5) of this Appendix (D), and (ii) is a valid and binding obligation enforceable in accordance with its terms (subject as to enforcement to applicable bankruptcy, insolvency, reorganization, moratorium and other similar laws) against the broker or dealer and the lender and their respective heirs, executors, administrators, successors and assigns.

(2) *Specific Amount.* All subordination agreements shall be for a specific dollar amount which shall not be reduced for the duration of the agreement except by installments as specifically provided for therein and except as otherwise provided in this Appendix (D).

(3) *Effective Subordination.* The subordination agreement shall effectively subordinate any right of the lender to receive any Payment with respect thereto, together with accrued interest or compensation, to the prior payment or provision for payment in full of all claims of all present and future creditors of the broker or dealer arising out of any matter occurring prior to the date on which the related Payment Obligation matures consistent with the provisions of 17 CFR 240.15c3-1 and 240.15c3-1d, except for claims which are the subject of subordination agreements which rank on the same priority as or junior to the claim of the lender under such subordination agreements.

(4) *Proceeds of Subordinated Loan Agreements.* The subordinated loan agreement shall provide that the cash proceeds thereof shall be used and dealt with by the broker or dealer as part of its capital and shall be subject to the risks of the business.

(5) *Certain Rights of the Broker or Dealer.* The subordination agreement shall provide that the broker or dealer shall have the right to:

(i) Deposit any cash proceeds of a subordinated loan agreement and any cash pledged as collateral to secure a secured demand note in an account or accounts in its own name in any bank or trust company;

(ii) Pledge, repledge, hypothecate and rehypothecate, any or all of the securities pledged as collateral to secure a secured demand note, without notice, separately or in common with other securities or property for the purpose of securing any indebtedness of the broker or dealer; and

(iii) Lend to itself or others any or all of the securities and cash pledged as collateral to secure a secured demand note.

(6) *Collateral for Secured Demand Notes.* Only cash and securities which are fully paid for and which may be publicly offered or sold without registration under the Securities Act of 1933, and the offer, sale and transfer of which are not otherwise restricted, may be pledged as collateral to secure a secured demand note. The secured demand note agreement shall provide that if at any time the sum of the amount of any cash, plus the Collateral

Value of any securities, then pledged as collateral to secure the secured demand note is less than the unpaid principal amount of the secured demand note, the broker or dealer must immediately transmit written notice to that effect to the lender and the Examining Authority for such broker or dealer. The secured demand note agreement shall also require that following such transmittal:

(i) The lender, prior to noon of the business day next succeeding the transmittal of such notice, may pledge as collateral additional cash or securities sufficient, after giving effect to such pledge, to bring the sum of the amount of any cash plus the Collateral Value of any securities, then pledged as collateral to secure the secured demand note, up to an amount not less than the unpaid principal amount of the secured demand note; and

(ii) Unless additional cash or securities are pledged by the lender as provided in paragraph (b)(6)(i) of this section, the broker or dealer at noon on the business day next succeeding the transmittal of notice to the lender must commence sale, for the account of the lender, of such of the securities then pledged as collateral to secure the secured demand note and apply so much of the net proceeds thereof, together with such of the cash then pledged as collateral to secure the secured demand note as may be necessary to eliminate the unpaid principal amount of the secured demand note; *Provided, however,* That the unpaid principal amount of the secured demand note need not be reduced below the sum of the amount of any remaining cash, plus the Collateral Value of the remaining securities, then pledged as collateral to secure the secured demand note. The broker or dealer may not purchase for its own account any securities subject to such a sale.

(iii) The secured demand note agreement also may provide that, in lieu of the procedures specified in the provisions required by paragraph (b)(6)(ii) of this section, the lender with the prior written consent of the broker or dealer and the Examining Authority for the broker or dealer may reduce the unpaid principal amount of the secured demand note. After giving effect to such

§240.15c3-1d

reduction, the aggregate indebtedness of the broker or dealer may not exceed 1000 percent of its net capital or, in the case of a broker or dealer operating pursuant to paragraph (a)(1)(ii) of §240.15c3-1, net capital may not be less than 5 percent of aggregate debit items computed in accordance with §240.15c3-3a, or, if registered as a futures commission merchant, 7 percent of the funds required to be segregated pursuant to the Commodity Exchange Act and the regulations thereunder (less the market value of commodity options purchased by option customers subject to the rules of a contract market, each such deduction not to exceed the amount of funds in the option customer's account), if greater. No single secured demand note shall be permitted to be reduced by more than 15 percent of its original principal amount and after such reduction no excess collateral may be withdrawn. No Examining Authority shall consent to a reduction of the principal amount of a secured demand note if, after giving effect to such reduction, net capital would be less than 120 percent of the minimum dollar amount required by §240.15c3-1.

Permissive Prepayments

(7) A broker or dealer at its option but not at the option of the lender may, if the subordination agreement so provides, make a Payment of all or any portion of the Payment Obligation thereunder prior to the scheduled maturity date of such Payment Obligation (hereinafter referred to as a "Prepayment"), but in no event may any Prepayment be made before the expiration of one year from the date such subordination agreement became effective. This restriction shall not apply to temporary subordination agreements that comply with the provisions of paragraph (c)(5) of this Appendix D. No Prepayment shall be made, if, after giving effect thereto (and to all Payments of Payment Obligations under any other subordinated agreements then outstanding the maturity or accelerated maturities of which are scheduled to fall due within six months after the date such Prepayment is to occur pursuant to this provision or on or prior to the date on which the Payment Obliga-

17 CFR Ch. II (4-1-06 Edition)

tion in respect of such Prepayment is scheduled to mature disregarding this provision, whichever date is earlier) without reference to any projected profit or loss of the broker or dealer, either aggregate indebtedness of the broker or dealer would exceed 1000 percent of its net capital or its net capital would be less than 120 percent of the minimum dollar amount required by §240.15c3-1 or, in the case of a broker or dealer operating pursuant to paragraph (a)(1)(ii) of §240.15c3-1, its net capital would be less than 5 percent of its aggregate debit items computed in accordance with §240.15c3-3a, or if registered as a futures commission merchant, 7 percent of the funds required to be segregated pursuant to the Commodity Exchange Act and the regulations thereunder (less the market value of commodity options purchased by option customers subject to the rules of a contract market, each such deduction not to exceed the amount of funds in the option customer's account), if greater, or its net capital would be less than 120 percent of the minimum dollar amount required by paragraph (a)(1)(ii) of §240.15c3-1. Notwithstanding the above, no Prepayment shall occur without the prior written approval of the Examining Authority for such broker or dealer.

Suspended Repayment

(8)(i) The Payment Obligation of the broker or dealer in respect of any subordination agreement shall be suspended and shall not mature if, after giving effect to Payment of such Payment Obligation (and to all Payments of Payment Obligations of such broker or dealer under any other subordination agreement(s) then outstanding that are scheduled to mature on or before such Payment Obligation) either (A) the aggregate indebtedness of the broker or dealer would exceed 1200 percent of its net capital, or in the case of a broker or dealer operating pursuant to paragraph (a)(1)(ii) of §240.15c3-1, its net capital would be less than 5 percent of aggregate debit items computed in accordance with §240.15c3-3a or, if registered as a futures commission merchant, 6 percent of the funds required

to be segregated pursuant to the Commodity Exchange Act and the regulations thereunder (less the market value of commodity options purchased by option customers on or subject to the rules of a contract market, each such deduction not to exceed the amount of funds in the option customer's account), if greater, or (B) its net capital would be less than 120 percent of the minimum dollar amount required by § 240.15c3-1 including paragraph (a)(1)(ii), if applicable. The subordination agreement may provide that if the Payment Obligation of the broker or dealer thereunder does not mature and is suspended as a result of the requirement of this paragraph (b)(8) for a period of not less than six months, the broker or dealer shall thereupon commence the rapid and orderly liquidation of its business, but the right of the lender to receive Payment, together with accrued interest or compensation, shall remain subordinate as required by the provisions of § 240.15c3-1 and § 240.15c3-1d.

(9) *Accelerated Maturity-Obligation to Repay to Remain Subordinate.* (i) Subject to the provisions of paragraph (b)(8) of this appendix, a subordination agreement may provide that the lender may, upon prior written notice to the broker or dealer and the Examining Authority given not earlier than six months after the effective date of such subordination agreement, accelerate the date on which the Payment Obligation of the broker or dealer, together with accrued interest or compensation, is scheduled to mature to a date not earlier than six months after the giving of such notice, but the right of the lender to receive Payment, together with accrued interest or compensation, shall remain subordinate as required by the provisions of 17 CFR 240.15c3-1 and 240.15c3-1d.

(ii) Notwithstanding the provisions of paragraph (b)(8) of this appendix, the Payment Obligation of the broker or dealer with respect to a subordination agreement, together with accrued interest and compensation, shall mature in the event of any receivership, insolvency, liquidation pursuant to the Securities Investor Protection Act of 1970 or otherwise, bankruptcy, assignment for the benefit of creditors, reorganization whether or not pursuant to the

bankruptcy laws, or any other marshalling of the assets and liabilities of the broker or dealer but the right of the lender to receive Payment, together with accrued interest or compensation, shall remain subordinate as required by the provisions of 17 CFR 240.15c3-1 and 240.15c3-1d.

(10)(i) *Accelerated Maturity of Subordination Agreements on Event of Default and Event of Acceleration—Obligation to Repay to Remain Subordinate.* A subordination agreement may provide that the lender may, upon prior written notice to the broker or dealer and the Examining Authority of the broker or dealer of the occurrence of any Event of Acceleration (as hereinafter defined) given no sooner than six months after the effective date of such subordination agreement, accelerate the date on which the Payment Obligation of the broker or dealer, together with accrued interest or compensation, is scheduled to mature, to the last business day of a calendar month which is not less than six months after notice of acceleration is received by the broker or dealer and the Examining Authority for the broker or dealer. Any subordination agreement containing such Events of Acceleration may also provide, that if upon such accelerated maturity date the Payment Obligation of the broker or dealer is suspended as required by paragraph (b)(8) of this Appendix (D) and liquidation of the broker or dealer has not commenced on or prior to such accelerated maturity date, then notwithstanding paragraph (b)(8) of this appendix the Payment Obligation of the broker or dealer with respect to such subordination agreement shall mature on the day immediately following such accelerated maturity date and in any such event the Payment Obligations of the broker or dealer with respect to all other subordination agreements then outstanding shall also mature at the same time but the rights of the respective lenders to receive Payment, together with accrued interest or compensation, shall remain subordinate as required by the provisions of this Appendix (D). Events of Acceleration which may be included in a subordination agreement complying with this paragraph (b)(10) shall be limited to:

§ 240.15c3-1d

(A) Failure to pay interest or any installment of principal on a subordination agreement as scheduled;

(B) Failure to pay when due other money obligations of a specified material amount;

(C) Discovery that any material, specified representation or warranty of the broker or dealer which is included in the subordination agreement and on which the subordination agreement was based or continued was inaccurate in a material respect at the time made;

(D) Any specified and clearly measurable event which is included in the subordination agreement and which the lender and the broker or dealer agree (1) is a significant indication that the financial position of the broker or dealer has changed materially and adversely from agreed upon specified norms or (2) could materially and adversely affect the ability of the broker or dealer to conduct its business as conducted on the date the subordination agreement was made; or (3) is a significant change in the senior management of the broker or dealer or in the general business conducted by the broker or dealer from that which obtained on the date the subordination agreement became effective;

(E) Any continued failure to perform agreed covenants included in the subordination agreement relating to the conduct of the business of the broker or dealer or relating to the maintenance and reporting of its financial position; and

(ii) Notwithstanding the provisions of paragraph (b)(8) of this appendix, a subordination agreement may provide that, if liquidation of the business of the broker or dealer has not already commenced, the Payment Obligation of the broker or dealer shall mature, together with accrued interest or compensation, upon the occurrence of an Event of Default (as hereinafter defined). Such agreement may also provide that, if liquidation of the business of the broker or dealer has not already commenced, the rapid and orderly liquidation of the business of the broker or dealer shall then commence upon the happening of an Event of Default. Any subordination agreement which so provides for maturity of the Payment Obligation upon the occurrence of an

Event of Default shall also provide that the date on which such Event of Default occurs shall, if liquidation of the broker or dealer has not already commenced, be the date on which the Payment Obligations of the broker or dealer with respect to all other subordination agreements then outstanding shall mature but the rights of the respective lenders to receive Payment, together with accrued interest or compensation, shall remain subordinate as required by the provisions of this Appendix (D). Events of Default which may be included in a subordination agreement shall be limited to:

(11) A subordination agreement which becomes effective on or after August 1, 1977 in favor of a broker or dealer who guarantees, endorses, carries or clears specialist or market maker transactions in options listed on a national securities exchange or facility of a national securities association shall provide that reduction, prepayment or repayment of the unpaid principal amount thereof, pursuant to those terms of the agreement required or permitted by paragraphs (b)(6)(iii), (b)(7), or (b)(8)(i) of this section, shall not occur in contravention of paragraphs (a)(6)(v), (a)(7)(iv), or (c)(2)(x)(B)(I) of § 240.15c3-1 insofar as they apply to such broker or dealer.

(c) *Miscellaneous Provisions*—(1) *Prohibited Cancellation*. The subordination agreement shall not be subject to cancellation by either party; no Payment shall be made with respect thereto and the agreement shall not be terminated, rescinded or modified by mutual consent or otherwise if the effect thereof would be inconsistent with the requirements of 17 CFR 240.15c3-1 and 240.15c3-1d.

(2) Every broker or dealer shall immediately notify the Examining Authority for such broker or dealer if, after giving effect to all Payments of Payment Obligations under subordination agreements then outstanding that are then due or mature within the following six months without reference to any projected profit or loss of the broker or dealer either the aggregate indebtedness of the broker or dealer would exceed 1200 percent of its net

capital or its net capital would be less than 120 percent of the minimum dollar amount required by § 240.15c3-1, or, in the case of a broker or dealer operating pursuant to paragraph (a)(1)(ii) of § 240.15c3-1, its net capital would be less than 5 percent of aggregate debit items computed in accordance with § 240.15c3-3a, or, if registered as a futures commission merchant, 6 percent of the funds required to be segregated pursuant to the Commodity Exchange Act and the regulations thereunder (less the market value of commodity options purchased by option customers on or subject to the rules of a contract market, each such deduction not to exceed the amount of funds in the option customer's account), if greater, or less than 120 percent of the minimum dollar amount required by paragraph (a)(1)(ii) of § 240.15c3-1.

(3) *Certain Legends*. If all the provisions of a satisfactory subordination agreement do not appear in a single instrument, then the debenture or other evidence of indebtedness shall bear on its face an appropriate legend stating that it is issued subject to the provisions of a satisfactory subordination agreement which shall be adequately referred to and incorporated by reference.

(4) *Legal Title to Securities*. All securities pledged as collateral to secure a secured demand note must be in bearer form, or registered in the name of the broker or dealer or the name of its nominee or custodian.

Temporary and Revolving Subordination Agreements

(5)(i) For the purpose of enabling a broker or dealer to participate as an underwriter of securities or other extraordinary activities in compliance with the net capital requirements of § 240.15c3-1, a broker or dealer shall be permitted, on no more than three occasions in any 12 month period, to enter into a subordination agreement on a temporary basis that has a stated term of no more than 45 days from the date such subordination agreement became effective. This temporary relief shall not apply to a broker or dealer if, within the preceding thirty calendar days, it has given notice pursuant to § 240.17a-11, or if immediately prior to

§ 240.15c3-1d

17 CFR Ch. II (4-1-06 Edition)

entering into such subordination agreement, either:

(A) The aggregate indebtedness of the broker or dealer exceeds 1000 percent of its net capital or its net capital is less than 120 percent of the minimum dollar amount required by § 240.15c3-1, or

(B) In the case of a broker or dealer operating pursuant to paragraph (a)(1)(ii) of § 240.15c3-1, its net capital is less than 5 percent of aggregate debits computed in accordance with § 240.15c3-1, or, if registered as a futures commission merchant, less than 7 percent of the funds required to be segregated pursuant to the Commodity Exchange Act and the regulations thereunder (less the market value of commodity options purchased by option customers on or subject to the rules of a contract market, each such deduction not to exceed the amount of funds in the option customer's account), if greater, or less than 120 percent of the minimum dollar amount required by paragraph (a)(1)(ii) of this section, or

(C) The amount of its then outstanding subordination agreements exceeds the limits specified in paragraph (d) of § 240.15c3-1. Such temporary subordination agreement shall be subject to all other provisions of this Appendix D.

(ii) A broker or dealer shall be permitted to enter into a revolving subordinated loan agreement which provides for prepayment within less than one year of all or any portion of the Payment Obligation thereunder at the option of the broker or dealer upon the prior written approval of the Examining Authority for the broker or dealer. The Examining Authority, however, shall not approve any prepayment if:

(A) After giving effect thereto (and to all Payments of Payment Obligations under any other subordinated agreements then outstanding, the maturity or accelerated maturities of which are scheduled to fall due within six months after the date such prepayment is to occur pursuant to this provision or on or prior to the date on which the Payment Obligation in respect of such prepayment is scheduled to mature disregarding this provision, whichever date is earlier) without reference to any projected profit or loss of the broker or dealer, either aggregate in-

debtedness of the broker or dealer would exceed 900 percent of its net capital or its net capital would be less than 200 percent of the minimum dollar amount required by § 240.15c3-1 or, in the case of a broker or dealer operating pursuant to paragraph (a)(1)(ii) of § 240.15c3-1, its net capital would be less than 6 percent of aggregate debit items computed in accordance with § 240.15c3-3a, or, if registered as a futures commission merchant, 10 percent of the funds required to be segregated pursuant to the Commodity Exchange Act and the regulations thereunder (less the market value of commodity options purchased by option customers on or subject to the rules of a contract market, each such deduction not to exceed the amount of funds in the option customer's account), if greater, or its net capital would be less than 200 percent of the minimum dollar amount required by paragraph (a)(1)(ii) of this section or

(B) Pre-tax losses during the latest three-month period equalled more than 15% of current excess net capital.

Any subordination agreement entered into pursuant to this paragraph (c)(5)(ii) shall be subject to all the other provisions of this Appendix D. Any such subordination agreement shall not be considered equity for purposes of subsection (d) of section 15c3-1, despite the length of the initial term of the loan.

(6)(i) *Filing.* Two copies of any proposed subordination agreement (including nonconforming subordination agreements) shall be filed at least 10 days prior to the proposed execution date of the agreement with the Commission's Regional or District Office for the region or district in which the broker or dealer maintains its principal place of business or at such other time as the Regional or District Office for good cause shall accept such filing. Copies of the proposed agreement shall also be filed with the Examining Authority in such quantities and at such time as the Examining Authority may require. The broker or dealer shall also file with said parties a statement setting forth the name and address of the lender, the business relationship of the lender to the broker or dealer, and whether the broker or dealer carried

Securities and Exchange Commission

§ 240.15c3-1e

funds or securities for the lender at or about the time the proposed agreement was so filed. All agreements shall be examined by the Commission's Regional or District Office or the Examining Authority with whom such agreement is required to be filed prior to their becoming effective. No proposed agreement shall be a satisfactory subordination agreement for the purposes of this section unless and until the Examining Authority has found the agreement acceptable and such agreement has become effective in the form found acceptable.

(ii) The broker or dealer need not file with the Regional or District Office for the region or district in which the broker or dealer maintains its principal place of business (if a Regional or District Office is not its Examining Authority) copies of any proposed subordination agreement or the statement described above if the Examining Authority for that broker or dealer has consented to file with the Commission periodic reports (not less than monthly) summarizing for the period, on a firm-by-firm basis, the subordination agreements it has approved for that period. Such reports should include at the minimum, the amount of the loan and its duration, the name of the lender and the business relationship of the lender to the broker or dealer.

(7) *Subordination Agreements in Effect Prior to Adoption.* Any subordination agreement which has been entered into prior to December 20, 1978 and which has been deemed to be satisfactorily subordinated pursuant to 17 CFR 240.15c3-1 as in effect prior to December 20, 1978, shall continue to be deemed a satisfactory subordination agreement until the maturity of such agreement. *Provided,* That no renewal of an agreement which provides for automatic or optional renewal by the broker or dealer or lender shall be deemed to be a satisfactory subordination agreement unless such renewed agreement meets the requirements of this Appendix within 6 months from December 20, 1978. *Provided, further,* That all subordination agreements must meet the re-

quirements of this Appendix within 5 years of December 20, 1978.

§ 240.15c3-1e Deductions for market and credit risk for certain brokers or dealers (Appendix E to 17 CFR 240.15c3-1).

PRELIMINARY NOTE: Appendices E and G to the net capital rule set forth a program that allows a broker or dealer to use an alternative approach to computing net capital deductions, subject to the conditions described in the Appendices, including supervision of the broker's or dealer's ultimate holding company under the program. The program is designed to reduce the likelihood that financial and operational weakness in the holding company will destabilize the broker or dealer, or the broader financial system. The focus of this supervision of the ultimate holding company is its financial and operational condition and its risk management controls and methodologies.

Application

(a) A broker or dealer may apply to the Commission for authorization to compute deductions for market risk pursuant to this Appendix E in lieu of computing deductions pursuant to §§ 240.15c3-1(c)(2)(vi) and (c)(2)(vii) and to compute deductions for credit risk pursuant to this Appendix E on credit exposures arising from transactions in derivatives instruments (if this Appendix E is used to calculate deductions for market risk on these instruments) in lieu of computing deductions pursuant to § 240.15c3-1(c)(2)(iv):

(1) A broker-dealer shall submit the following information to the Commission with its application:

(i) An executive summary of the information provided to the Commission with its application and an identification of the ultimate holding company of the broker or dealer;

(v) If the broker or dealer is applying to the Commission for approval to use scenario analysis to calculate deductions for market risk for certain positions, a list of those types of positions, a description of how those deductions will be calculated using scenario analysis, and an explanation of why each scenario analysis is appropriate to calculate deductions for market risk on those types of positions;

(vi) A description of how the broker or dealer will calculate current exposure;

(B) Comply with all applicable provisions of § 240.15c3-1g;

(C) Comply with the provisions of § 240.15c3-4 with respect to an internal risk management control system for the affiliate group as though it were an OTC derivatives dealer with respect to all of its business activities, except that paragraphs (c)(5)(xiii), (c)(5)(xiv), (d)(8), and (d)(9) of § 240.15c3-4 shall not apply;

(D) As part of the internal risk management control system for the affiliate group, establish, document, and maintain procedures for the detection and prevention of money laundering and terrorist financing;

(E) Permit the Commission to examine the books and records of the ultimate holding company and any of its affiliates, if the affiliate is not an entity that has a principal regulator;

(F) If the disclosure to the Commission of any information required as a condition for the broker or dealer to compute deductions for market and credit risk pursuant to this Appendix E could be prohibited by law or otherwise, cooperate with the Commission, to the extent permissible, including by describing any secrecy laws or other impediments that could restrict the ability of material affiliates to provide information on their operations or activities and by discussing the manner in which the ultimate holding company and the broker or dealer propose to provide the Commission with adequate information or assurances of access to information;

the ultimate holding company to calculate an allowance for market risk or to calculate maximum potential exposure for that same product or counterparty, a description of the difference(s) between the mathematical models; and

(7) The Commission may approve the application or an amendment to the application, in whole or in part, subject to any conditions or limitations the Commission may require, if the Commission finds the approval to be necessary or appropriate in the public interest or for the protection of investors, after determining, among other things, whether the broker or dealer has met the requirements of this Ap-

pendix E and is in compliance with other applicable rules promulgated under the Act and by self-regulatory organizations, and whether the ultimate holding company of the broker or dealer is in compliance with the terms of its undertakings, as provided to the Commission;

(8) A broker or dealer shall amend its application to calculate certain deductions for market and credit risk under this Appendix E and submit the amendment to the Commission for approval before it may change materially a mathematical model used to calculate market or credit risk or before it may change materially its internal risk management control system;

(9) As a condition to the broker's or dealer's calculation of deductions for market and credit risk under this Appendix E, an ultimate holding company that does not have a principal regulator shall submit to the Commission, as an amendment to the broker's or dealer's application, any material changes to a mathematical model or other methods used to calculate allowances for market, credit, and operational risk, and any material changes to the internal risk management control system for the affiliate group. The ultimate holding company must submit these material changes to the Commission before making them;

(10) As a condition for the broker or dealer to compute deductions for market and credit risk under this Appendix E, the broker or dealer agrees that:

(i) It will notify the Commission 45 days before it ceases to compute deductions for market and credit risk under this Appendix E; and

(ii) The Commission may determine by order that the notice will become effective after a shorter or longer period of time if the broker or dealer consents or if the Commission determines that a shorter or longer period of time is necessary or appropriate in the public interest or for the protection of investors; and

(11) Notwithstanding paragraph (a)(10) of this section, the Commission, by order, may revoke a broker's or dealer's exemption that allows it to use the market risk standards of this Appendix E to calculate deductions for market risk, instead of the provisions

of § 240.15c3-1(c)(2)(vi) and (c)(2)(vii), and the exemption to use the credit risk standards of this Appendix E to calculate deductions for credit risk on certain credit exposures arising from transactions in derivatives instruments, instead of the provisions of § 240.15c3-1(c)(2)(iv), if the Commission finds that such exemption is no longer necessary or appropriate in the public interest or for the protection of investors. In making its finding, the Commission will consider the compliance history of the broker or dealer related to its use of models, the financial and operational strength of the broker or dealer and its ultimate holding company, the broker's or dealer's compliance with its internal risk management controls, and the ultimate holding company's compliance with its undertakings.

Market Risk

(b) A broker or dealer whose application, including amendments, has been approved under paragraph (a) of this Appendix E shall compute a deduction for market risk in an amount equal to the sum of the following:

(1) For positions for which the Commission has approved the broker's or dealer's use of value-at risk ("VaR") models, the VaR of the positions multiplied by the appropriate multiplication factor determined according to paragraph (d)(1)(iii) of this Appendix E, except that the initial multiplication factor shall be three, unless the Commission determines, based on a review of the broker's or dealer's application or an amendment to the application under paragraph (a) of this Appendix E, including a review of its internal risk management control system and practices and VaR models, that another multiplication factor is appropriate;

(2) For positions for which the VaR model does not incorporate specific risk, a deduction for specific risk to be determined by the Commission based on a review of the broker's or dealer's application or an amendment to the application under paragraph (a) of this Appendix E and the positions involved;

(3) For positions for which the Commission has approved the broker's or dealer's application to use scenario analysis, the greatest loss resulting

from a range of adverse movements in relevant risk factors, prices, or spreads designed to represent a negative movement greater than, or equal to, the worst ten-day movement over the four years preceding calculation of the greatest loss, or some multiple of the greatest loss based on the liquidity of the positions subject to scenario analysis. If historical data is insufficient, the deduction shall be the largest loss within a three standard deviation movement in those risk factors, prices, or spreads over a ten-day period, multiplied by an appropriate liquidity adjustment factor. Irrespective of the deduction otherwise indicated under scenario analysis, the resulting deduction for market risk must be at least \$25 per 100 share equivalent contract for equity positions, or one-half of one percent of the face value of the contract for all other types of contracts, even if the scenario analysis indicates a lower amount. A qualifying scenario must include the following:

(i) A set of pricing equations for the positions based on, for example, arbitrage relations, statistical analysis, historic relationships, merger evaluation, or fundamental valuation of an offering of securities;

(ii) Auxiliary relationships mapping risk factors to prices; and

(iii) Data demonstrating the effectiveness of the scenario in capturing market risk, including specific risk; and

(4) For all remaining positions, the deductions specified in §§ 240.15c3-1(c)(2)(vi), (c)(2)(vii), and applicable appendices to § 240.15c3-1.

Credit Risk

(c) A broker or dealer whose application, including amendments, has been approved under paragraph (a) of this Appendix E shall compute a deduction for credit risk on transactions in derivative instruments (if this Appendix E is used to calculate a deduction for market risk on those instruments) in an amount equal to the sum of the following:

(1) A counterparty exposure charge in an amount equal to the sum of the following:

(i) The net replacement value in the account of each counterparty that is

insolvent, or in bankruptcy, or that has senior unsecured long-term debt in default; and

(ii) For a counterparty not otherwise described in paragraph (c)(1)(i) of this Appendix E, the credit equivalent amount of the broker's or dealer's exposure to the counterparty, as defined in paragraph (c)(4)(i) of this Appendix E, multiplied by the credit risk weight of the counterparty, as defined in paragraph (c)(4)(vi) of this Appendix E, multiplied by 8%;

(2) A concentration charge by counterparty in an amount equal to the sum of the following:

(i) For each counterparty with a credit risk weight of 20% or less, 5% of the amount of the current exposure to the counterparty in excess of 5% of the tentative net capital of the broker or dealer;

(ii) For each counterparty with a credit risk weight of greater than 20% but less than 50%, 20% of the amount of the current exposure to the counterparty in excess of 5% of the tentative net capital of the broker or dealer; and

(iii) For each counterparty with a credit risk weight of greater than 50%, 50% of the amount of the current exposure to the counterparty in excess of 5% of the tentative net capital of the broker or dealer; and

(3) A portfolio concentration charge of 100% of the amount of the broker's or dealer's aggregate current exposure for all counterparties in excess of 50% of the tentative net capital of the broker or dealer;

(4) *Terms.* (i) The *credit equivalent amount* of the broker's or dealer's exposure to a counterparty is the sum of the broker's or dealer's maximum potential exposure to the counterparty, as defined in paragraph (c)(4)(ii) of this Appendix E, multiplied by the appropriate multiplication factor, and the broker's or dealer's current exposure to the counterparty, as defined in paragraph (c)(4)(iii) of this Appendix E. The broker or dealer must use the multiplication factor determined according to paragraph (d)(1)(v) of this Appendix E, except that the initial multiplication factor shall be one, unless the Commission determines, based on a review of the broker's or dealer's applica-

tion or an amendment to the application approved under paragraph (a) of this Appendix E, including a review of its internal risk management control system and practices and VaR models, that another multiplication factor is appropriate;

(ii) The *maximum potential exposure* is the VaR of the counterparty's positions with the broker or dealer, after applying netting agreements with the counterparty meeting the requirements of paragraph (c)(4)(iv) of this Appendix E, taking into account the value of collateral from the counterparty held by the broker or dealer in accordance with paragraph (c)(4)(v) of this Appendix E, and taking into account the current replacement value of the counterparty's positions with the broker or dealer;

(iii) The *current exposure* of the broker or dealer to a counterparty is the current replacement value of the counterparty's positions with the broker or dealer, after applying netting agreements with the counterparty meeting the requirements of paragraph (c)(4)(iv) of this Appendix E and taking into account the value of collateral from the counterparty held by the broker or dealer in accordance with paragraph (c)(4)(v) of this Appendix E;

(iv) *Netting agreements.* A broker or dealer may include the effect of a netting agreement that allows the broker or dealer to net gross receivables from and gross payables to a counterparty upon default of the counterparty if:

(A) The netting agreement is legally enforceable in each relevant jurisdiction, including in insolvency proceedings;

(B) The gross receivables and gross payables that are subject to the netting agreement with a counterparty can be determined at any time; and

(C) For internal risk management purposes, the broker-dealer monitors and controls its exposure to the counterparty on a net basis;

(v) *Collateral.* When calculating maximum potential exposure and current exposure to a counterparty, the fair market value of collateral pledged and held may be taken into account provided:

(A) The collateral is marked to market each day and is subject to a daily margin maintenance requirement;

(B) The collateral is subject to the broker's or dealer's physical possession or control;

(C) The collateral is liquid and transferable;

(D) The collateral may be liquidated promptly by the firm without intervention by any other party;

(E) The collateral agreement is legally enforceable by the broker or dealer against the counterparty and any other parties to the agreement;

(F) The collateral does not consist of securities issued by the counterparty or a party related to the broker or dealer or to the counterparty;

(G) The Commission has approved the broker's or dealer's use of a VaR model to calculate deductions for market risk for the type of collateral in accordance with this Appendix E; and

(H) The collateral is not used in determining the credit rating of the counterparty;

(vi) *Credit risk weights of counterparties.* A broker or dealer that computes its deductions for credit risk pursuant to this Appendix E shall determine the credit risk weight of a counterparty as follows:

(A) 20% credit risk weight for transactions with counterparties with ratings for senior unsecured long-term debt or commercial paper in one of the two highest rating categories by an NRSRO or equivalent internal rating, if applicable;

(B) 50% credit risk weight for transactions with counterparties with ratings for senior unsecured long-term debt in the third and fourth highest rating categories by an NRSRO or equivalent internal rating, if applicable;

(C) 150% credit risk weight for transactions with counterparties with ratings for senior unsecured long-term debt below the fourth highest rating category by an NRSRO or equivalent internal rating, if applicable;

(D) As part of its initial application or in an amendment, the broker or dealer may request Commission approval to determine credit ratings using internal calculations for counterparties that are not rated by an

NRSRO, and the broker or dealer may use these internal credit ratings in lieu of ratings issued by an NRSRO for purposes of determining credit risk weights. Based on the strength of the broker's or dealer's internal credit risk management system, the Commission may approve the application. The broker or dealer must make and keep current a record of the basis for the credit rating for each counterparty;

(E) As part of its initial application or in an amendment, the broker or dealer may request Commission approval to determine credit risk weights based on internal calculations, including internal estimates of the maturity adjustment. Based on the strength of the broker's or dealer's internal credit risk management system, the Commission may approve the application. The broker or dealer must make and keep current a record of the basis for the credit risk weight of each counterparty;

(F) For the portion of a current exposure covered by a written guarantee where that guarantee is an unconditional and irrevocable guarantee of the due and punctual payment and performance of the obligation and the broker or dealer can demand immediate payment from the guarantor after any payment is missed without having to make collection efforts, the broker or dealer may substitute the credit risk weight of the guarantor for the credit risk weight of the counterparty; and

(G) As part of its initial application or in an amendment, the broker or dealer may request Commission approval to reduce deductions for credit risk through the use of credit derivatives.

VaR Models

(d) To be approved, each VaR model must meet the following minimum qualitative and quantitative requirements:

(1) *Qualitative requirements.* (i) The VaR model used to calculate market or credit risk for a position must be integrated into the daily internal risk management system of the broker or dealer;

(ii) The VaR model must be reviewed both periodically and annually. The

periodic review may be conducted by the broker's or dealer's internal audit staff, but the annual review must be conducted by a registered public accounting firm, as that term is defined in section 2(a)(12) of the Sarbanes-Oxley Act of 2002 (15 U.S.C. 7201 *et seq.*); and

(iii) For purposes of computing market risk, the broker or dealer must determine the appropriate multiplication factor as follows:

(A) Beginning three months after the broker or dealer begins using the VaR model to calculate market risk, the broker or dealer must conduct backtesting of the model by comparing its actual daily net trading profit or loss with the corresponding VaR measure generated by the VaR model, using a 99 percent, one-tailed confidence level with price changes equivalent to a one business-day movement in rates and prices, for each of the past 250 business days, or other period as may be appropriate for the first year of its use;

(B) On the last business day of each quarter, the broker or dealer must identify the number of backtesting exceptions of the VaR model, that is, the number of business days in the past 250 business days, or other period as may be appropriate for the first year of its use, for which the actual net trading loss, if any, exceeds the corresponding VaR measure; and

(C) The broker or dealer must use the multiplication factor indicated in Table 1 of this Appendix E in determining its market risk until it obtains the next quarter's backtesting results;

TABLE 1—MULTIPLICATION FACTOR BASED ON THE NUMBER OF BACKTESTING EXCEPTIONS OF THE VAR MODEL

Number of exceptions	Multiplication factor
4 or fewer	3.00
5	3.40
6	3.50
7	3.65
8	3.75
9	3.85
10 or more	4.00

(iv) For purposes of incorporating specific risk into a VaR model, a broker or dealer must demonstrate that it has methodologies in place to capture liquidity, event, and default

risk adequately for each position. Furthermore, the models used to calculate deductions for specific risk must:

(A) Explain the historical price variation in the portfolio;

(B) Capture concentration (magnitude and changes in composition);

(C) Be robust to an adverse environment; and

(D) Be validated through backtesting; and

(v) For purposes of computing the credit equivalent amount of the broker's or dealer's exposures to a counterparty, the broker or dealer must determine the appropriate multiplication factor as follows:

(A) Beginning three months after it begins using the VaR model to calculate maximum potential exposure, the broker or dealer must conduct backtesting of the model by comparing, for at least 80 counterparties with widely varying types and sizes of positions with the firm, the ten-business day change in its current exposure to the counterparty based on its positions held at the beginning of the ten-business day period with the corresponding ten-business day maximum potential exposure for the counterparty generated by the VaR model;

(B) As of the last business day of each quarter, the broker or dealer must identify the number of backtesting exceptions of the VaR model, that is, the number of ten-business day periods in the past 250 business days, or other period as may be appropriate for the first year of its use, for which the change in current exposure to a counterparty exceeds the corresponding maximum potential exposure; and

(C) The broker or dealer will propose, as part of its application, a schedule of multiplication factors, which must be approved by the Commission based on the number of backtesting exceptions of the VaR model. The broker or dealer must use the multiplication factor indicated in the approved schedule in determining the credit equivalent amount of its exposures to a counterparty until it obtains the next quarter's backtesting results, unless the Commission determines, based on, among other relevant factors, a review of the broker's or dealer's internal risk

management control system, including a review of the VaR model, that a different adjustment or other action is appropriate;

(2) *Quantitative requirements.* (i) For purposes of determining market risk, the VaR model must use a 99 percent, one-tailed confidence level with price changes equivalent to a ten business-day movement in rates and prices;

(ii) For purposes of determining maximum potential exposure, the VaR model must use a 99 percent, one-tailed confidence level with price changes equivalent to a one-year movement in rates and prices; or based on a review of the broker's or dealer's procedures for managing collateral and if the collateral is marked to market daily and the broker or dealer has the ability to call for additional collateral daily, the Commission may approve a time horizon of not less than ten business days;

(iii) The VaR model must use an effective historical observation period of at least one year. The broker or dealer must consider the effects of market stress in its construction of the model. Historical data sets must be updated at least monthly and reassessed whenever market prices or volatilities change significantly; and

(iv) The VaR model must take into account and incorporate all significant, identifiable market risk factors applicable to positions in the accounts of the broker or dealer, including:

(A) Risks arising from the non-linear price characteristics of derivatives and the sensitivity of the market value of those positions to changes in the volatility of the derivatives' underlying rates and prices;

(B) Empirical correlations with and across risk factors or, alternatively, risk factors sufficient to cover all the market risk inherent in the positions in the proprietary or other trading accounts of the broker or dealer, including interest rate risk, equity price risk, foreign exchange risk, and commodity price risk;

(C) Spread risk, where applicable, and segments of the yield curve sufficient to capture differences in volatility and imperfect correlation of rates along the yield curve for securities and derivatives that are sensitive to different interest rates; and

(D) Specific risk for individual positions.

Additional Conditions

(e) As a condition for the broker or dealer to use this Appendix E to calculate certain of its capital charges, the Commission may impose additional conditions on the broker or dealer, which may include, but are not limited to restricting the broker's or dealer's business on a product-specific, category-specific, or general basis; submitting to the Commission a plan to increase the broker's or dealer's net capital or tentative net capital; filing more frequent reports with the Commission; modifying the broker's or dealer's internal risk management control procedures; or computing the broker's or dealer's deductions for market and credit risk in accordance with § 240.15c3-1(c)(2)(vi), (c)(2)(vii), and (c)(2)(iv), as appropriate. If it is not an ultimate holding company that has a principal regulator, the Commission also may require, as a condition of continuation of the exemption, the ultimate holding company of the broker or dealer to file more frequent reports or to modify its group-wide internal risk management control procedures. If the Commission finds it is necessary or appropriate in the public interest or for the protection of investors, the Commission may impose additional conditions on either the broker-dealer, or the ultimate holding company, if it is an ultimate holding company that does not have a principal regulator, if:

(1) The broker or dealer is required by § 240.15c3-1(a)(7)(ii) to provide notice to the Commission that the broker's or dealer's tentative net capital is less than \$5 billion;

(2) The broker or dealer or the ultimate holding company of the broker or dealer fails to meet the reporting requirements set forth in § 240.17a-5 or 240.15c3-1g(b), as applicable;

(3) Any event specified in § 240.17a-11 occurs;

(4) There is a material deficiency in the internal risk management control system or in the mathematical models used to price securities or to calculate deductions for market and credit risk or allowances for market and credit risk, as applicable, of the broker or

Securities and Exchange Commission

§ 240.15c3-1f

dealer or the ultimate holding company of the broker or dealer;

(5) The ultimate holding company of the broker or dealer fails to comply with its undertakings that the broker or dealer has filed with its application pursuant to paragraph (a)(1)(viii) or (a)(1)(ix) of this Appendix E;

(6) The broker or dealer fails to comply with this Appendix E; or

(7) The Commission finds that imposition of other conditions is necessary or appropriate in the public interest or for the protection of investors.

§ 240.15c3-1f Optional market and credit risk requirements for OTC derivatives dealers (Appendix F to 17 CFR 240.15c3-1).

Application Requirements

(a) An OTC derivatives dealer may apply to the Commission for authorization to compute capital charges for market and credit risk pursuant to this Appendix F in lieu of computing securities haircuts pursuant to § 240.15c3-1(c)(2)(vi).

(1) An OTC derivatives dealer's application shall contain the following information:

(i) *Executive summary.* An OTC derivatives dealer shall include in its application an Executive Summary of information provided to the Commission.

(ii) *Description of methods for computing market risk charges.* An OTC derivatives dealer shall provide a description of all statistical models used for pricing OTC derivative instruments and for computing value-at-risk ("VAR"), a description of the applicant's controls over those models, and a statement regarding whether the firm has developed its own internal VAR models. If the OTC derivatives dealer's VAR model incorporates empirical correlations across risk categories, the dealer shall describe its process for measuring correlations and describe the qualitative and quantitative aspects of the model which at a minimum must adhere to the criteria set forth in paragraph (e) of this Appendix F. The application shall further state whether the OTC derivatives dealer intends to use an alternative method for computing its market risk

charge for equity instruments and, if applicable, a description of how its own theoretical pricing model contains the minimum pricing factors set forth in Appendix A (§ 240.15c3-1a). The application shall also describe any category of securities having no ready market or any category of debt securities which are below investment grade for which the OTC derivatives dealer wishes to use its VAR model to calculate its market risk charge or for which it wishes to use an alternative method for computing this charge and a description of how those charges would be determined.

(iii) *Internal risk management control systems.* An OTC derivatives dealer shall provide a comprehensive description of its internal risk management control systems and how those systems adhere to the requirements set forth in § 240.15c3-4(a) through (d).

(2) The Commission may approve the application after reviewing the application to determine whether the OTC derivatives dealer:

(i) Has adopted internal risk management control systems that meet the requirements set forth in § 240.15c3-4; and

(ii) Has adopted a VAR model that meets the requirements set forth in paragraphs (e)(1) and (e)(2) of this Appendix F.

(3) If the OTC derivatives dealer materially amends its VAR model or internal risk management control systems as described in its application, including any material change in the categories of non-marketable securities that it wishes to include in its VAR model, the dealer shall file an application describing the changes which must be approved by the Commission before the changes may be implemented. After reviewing the application for changes to the dealer's VAR model or internal risk management control systems to determine whether, with the changes, the OTC derivatives dealer's VAR model and internal risk management control systems would meet the requirements set forth in this Appendix F and § 240.15c3-4, the Commission may approve the application.

(4) The applications provided for in this paragraph (a) shall be considered filed when received at the Commission's principal office in Washington,

§ 240.15c3-1f

DC. All applications filed pursuant to this paragraph (a) shall be deemed to be confidential.

Compliance With § 240.15c3-4

(b) An OTC derivatives dealer must be in compliance in all material respects with § 240.15c3-4 regarding its internal risk management control systems in order to be in compliance with § 240.15c3-1.

Market Risk

(c) An OTC derivatives dealer electing to apply this Appendix F shall compute a capital charge for market risk which shall be the aggregate of the charges computed below:

(1) *Value-at-Risk*. An OTC derivatives dealer shall deduct from net worth an amount for market risk for eligible OTC derivative instruments and other positions in its proprietary or other accounts equal to the VAR of these positions obtained from its proprietary VAR model, multiplied by the appropriate multiplication factor in paragraph (e)(1)(iv)(C) of this Appendix F. The OTC derivatives dealer may not elect to calculate its capital charges under this paragraph (c)(1) until its application to use the VAR model has been approved by the Commission.

(2) *Alternative method for equities*. An OTC derivatives dealer may elect to use this alternative method to calculate its market risk for equity instruments, including OTC options, upon approval by the Commission on application by the dealer. Under this alternative method, the deduction for market risk must be the amount computed pursuant to Appendix A to Rule 15c3-1

(§ 240.15c3-1a). In this computation, the OTC derivatives dealer may use its own theoretical pricing model provided that it contains the minimum pricing factors set forth in Appendix A.

(3) *Non-marketable securities*. An OTC derivatives dealer may not use a VAR model to determine a capital charge for any category of securities having no ready market or any category of debt securities which are below investment grade or any derivative instrument based on the value of these categories of securities, unless the Com-

17 CFR Ch. II (4-1-06 Edition)

mission has granted, pursuant to paragraph (a)(1) of this Appendix F, its application to use its VAR model for any such category of securities. The dealer in any event may apply, pursuant to paragraph (a)(1) of this Appendix F, for an alternative treatment for any such category of securities, rather than calculate the market risk capital charge for such category of securities under § 240.15c3-1(c)(2)(vi) and (vii).

(4) *Residual positions*. To the extent that a position has not been included in the calculation of the market risk charge in paragraphs (c)(1) through (c)(3) of this section, the market risk charge for the position shall be computed under § 240.15c3-1(c)(2)(vi).

Credit Risk

(d) The capital charge for credit risk arising from an OTC derivatives dealer's transactions in eligible OTC derivative instruments shall be:

(1) The net replacement value in the account of a counterparty (including the effect of legally enforceable netting agreements and the application of liquid collateral) that is insolvent, or in bankruptcy, or that has senior unsecured long-term debt in default;

(2) As to a counterparty not otherwise described in paragraph (d)(1) of this section, the net replacement value in the account of the counterparty (including the effect of legally enforceable netting agreements and the application of liquid collateral) multiplied by 8%, and further multiplied by the counterparty factor. The counterparty factors are:

(i) 20% for counterparties with ratings for senior unsecured long-term debt or commercial paper in the two highest rating categories by a nationally recognized statistical rating organization ("NRSRO");

(ii) 50% for counterparties with ratings for senior unsecured long-term debt in the third and fourth highest ratings categories by an NRSRO; and

(iii) 100% for counterparties with ratings for senior unsecured long-term debt below the four highest rating categories; and

(3) A concentration charge where the net replacement value in the account of any one counterparty (other than a counterparty described in paragraph

(d)(1) of this section) exceeds 25% of the OTC derivatives dealer's tentative net capital, calculated as follows:

(i) For counterparties with ratings for senior unsecured long-term debt or commercial paper in the two highest rating categories by an NRSRO, 5% of the amount of the net replacement value in excess of 25% of the OTC derivatives dealer's tentative net capital;

(ii) For counterparties with ratings for senior unsecured long-term debt in the third and fourth highest rating categories by an NRSRO, 20% of the amount of the net replacement value in excess of 25% of the OTC derivatives dealer's tentative net capital; and

(iii) For counterparties with ratings for senior unsecured long-term debt below the four highest rating categories, 50% of the amount of the net replacement value in excess of 25% of the OTC derivatives dealer's tentative net capital.

(4) Counterparties that are not rated by an NRSRO may be rated by the OTC derivatives dealer, or by an affiliated bank or affiliated broker-dealer of the OTC derivatives dealer, upon approval by the Commission on application by the OTC derivatives dealer. After reviewing the application to determine whether the credit rating procedures and rating categories are equivalent to those used by NRSROs and that such ratings are current, the Commission may approve the application. The OTC derivatives dealer must make and keep current a record of the basis for the credit rating for each counterparty. The record must be preserved for a period of not less than three years, the first two years in an easily accessible place.

VAR Models

(e) An OTC derivatives dealer's VAR model must meet the following qualitative and quantitative requirements:

(1) *Qualitative requirements.* An OTC derivatives dealer applying this Appendix F must have a VAR model that meets the following minimum qualitative requirements:

(i) The OTC derivatives dealer's VAR model must be integrated into the firm's daily risk management process;

(ii) The OTC derivatives dealer must conduct appropriate stress tests of the

VAR model, and develop appropriate procedures to follow in response to the results of such tests;

(iii) The OTC derivatives dealer must conduct periodic reviews (which may be performed by internal audit staff) of its VAR model. The OTC derivatives dealer's VAR model also must be subject to annual reviews conducted by independent public accountants; and

(iv) The OTC derivatives dealer must conduct backtesting of the VAR model pursuant to the following procedures:

(A) Beginning one year after the OTC derivatives dealer begins using its VAR model to calculate its net capital, the OTC derivatives dealer must conduct backtesting by comparing each of its most recent 250 business days' actual net trading profit or loss with the corresponding daily VAR measures generated for determining market risk capital charges and calibrated to a one-day holding period and a 99 percent, one-tailed confidence level;

(B) Once each quarter, the OTC derivatives dealer must identify the number of exceptions, that is, the number of business days for which the actual daily net trading loss, if any, exceeded the corresponding daily VAR measure; and

(C) An OTC derivatives dealer must use the multiplication factor indicated in Table 1 of this Appendix F in determining its capital charge for market risk until it obtains the next quarter's backtesting results, unless the Commission determines that a different adjustment or other action is appropriate.

TABLE 5—MULTIPLICATION FACTOR BASED ON RESULTS OF BACKTESTING

Number of exceptions	Multiplication factor
4 or fewer	3.00
5	3.40
6	3.50
7	3.65
8	3.75
9	3.85
10 or more	4.00

(2) *Quantitative requirements.* An OTC derivatives dealer applying this Appendix F must have a VAR model that meets the following minimum quantitative requirements:

§ 240.15c3-1g

17 CFR Ch. II (4-1-06 Edition)

(i) The VAR measures must be calculated on a daily basis using a 99 percent, one-tailed confidence level with a price change equivalent to a ten-business day movement in rates and prices;

(ii) The effective historical observation period for VAR measures must be at least one year, and the weighted average time lag of the individual observations cannot be less than six months. Historical data sets must be updated at least every three months and reassessed whenever market prices or volatilities are subject to large changes;

(iii) The VAR measures must include the risks arising from the non-linear price characteristics of options positions and the sensitivity of the market value of the positions to changes in the volatility of the underlying rates or prices. An OTC derivatives dealer must measure the volatility of options positions by different maturities;

(iv) The VAR measures may incorporate empirical correlations within and across risk categories, provided that the OTC derivatives dealer has described its process for measuring correlations in its application to apply this Appendix F and the Commission has approved its application. In the event that the VAR measures do not incorporate empirical correlations across risk categories, the OTC derivatives dealer must add the separate VAR measures for the four major risk categories in paragraph (e)(2)(v) of this Appendix F to determine its aggregate VAR measure; and

(v) The OTC derivatives dealer's VAR model must use risk factors sufficient to measure the market risk inherent in all covered positions. The risk factors must address, at a minimum, the following major risk categories: interest rate risk, equity price risk, foreign exchange rate risk, and commodity price risk. For material exposures in the major currencies and markets, modeling techniques must capture, at a minimum, spread risk and must incorporate enough segments of the yield curve to capture differences in volatility and less-than-perfect correlation of rates along the yield curve. An OTC derivatives dealer must provide the Commission with evidence that the OTC derivatives dealer's VAR model

takes account of specific risk in positions, including specific equity risk, if the OTC derivatives dealer intends to utilize its VAR model to compute capital charges for equity price risk.

§ 240.15c3-1g Conditions for ultimate holding companies of certain brokers or dealers (Appendix G to 17 CFR 240.15c3-1).

As a condition for a broker or dealer to compute certain of its deductions to capital in accordance with § 240.15c3-1e, pursuant to its undertaking, the ultimate holding company of the broker or dealer shall:

CONDITIONS REGARDING COMPUTATION OF ALLOWABLE CAPITAL AND RISK ALLOWANCES

(a) If it is not an ultimate holding company that has a principal regulator, as that term is defined in § 240.15c3-1(c)(13), calculate allowable capital and allowances for market, credit, and operational risk on a consolidated basis as follows:

(1) *Allowable capital.* The ultimate holding company must compute allowable capital as the sum of:

(i) Common shareholders' equity on the consolidated balance sheet of the holding company less:

(A) Goodwill;

(B) Deferred tax assets, except those permitted for inclusion in Tier 1 capital by the Board of Governors of the Federal Reserve System ("Federal Reserve") (12 CFR 225, Appendix A);

(C) Other intangible assets; and

(D) Other deductions from common stockholders' equity as required by the Federal Reserve in calculating Tier 1 capital (as defined in 12 CFR 225, Appendix A);

(ii) Cumulative and non-cumulative preferred stock, except that the amount of cumulative preferred stock may not exceed 33% of the items included in allowable capital pursuant to paragraph (a)(1)(i) of this Appendix G, excluding cumulative preferred stock, provided that:

(A) The stock does not have a maturity date;

(B) The stock cannot be redeemed at the option of the holder of the instrument;

(C) The stock has no other provisions that will require future redemption of the issue; and

(D) The issuer of the stock can defer or eliminate dividends;

(iii) The sum of the following items on the consolidated balance sheet, to the extent that the sum does not exceed the sum of the items included in allowable capital pursuant to paragraphs (a)(1)(i) and (ii) of this Appendix G:

(A) Cumulative preferred stock in excess of the 33% limit specified in paragraph (a)(1)(ii) of this Appendix G and subject to the conditions of paragraphs (a)(1)(ii)(A) through (D) of this Appendix G;

(B) Subordinated debt if the original weighted average maturity of the subordinated debt is at least five years; each subordinated debt instrument states clearly on its face that repayment of the debt is not protected by any Federal agency or the Securities Investor Protection Corporation; the subordinated debt is unsecured and subordinated in right of payment to all senior indebtedness of the ultimate holding company; and the subordinated debt instrument permits acceleration only in the event of bankruptcy or reorganization of the ultimate holding company under Chapters 7 (liquidation) and 11 (reorganization) of the U.S. Bankruptcy Code; and

(C) As part of the broker's or dealer's application to calculate deductions for market and credit risk under § 240.15c3-1e, an ultimate holding company may request to include, for a period of three years after adoption of this Appendix G, long-term debt that has an original weighted average maturity of at least five years and that cannot be accelerated, except upon the occurrence of certain events as the Commission may approve. As part of a subsequent amendment to the broker's or dealer's application, the broker or dealer may request permission for the ultimate holding company to include long-term debt that meets these criteria in allowable capital for up to an additional two years; and

(iv) Hybrid capital instruments that are permitted for inclusion in Tier 2 capital by the Federal Reserve (as defined in 12 CFR 225, Appendix A);

(2) *Allowance for market risk.* The ultimate holding company shall compute an allowance for market risk for all proprietary positions, including debt instruments, equity instruments, commodity instruments, foreign exchange contracts, and derivative contracts, as the aggregate of the following:

(i) *Value at risk.* The VaR of its positions, multiplied by the appropriate multiplication factor as set forth in § 240.15c3-1e(d). The VaR of the positions must be obtained using approved VaR models meeting the applicable qualitative and quantitative requirements of § 240.15c3-1e(d); and

(ii) *Alternative method.* For positions for which there does not exist adequate historical data to support a VaR model, the ultimate holding company must propose a model that produces a suitable allowance for market risk for those positions;

(3) *Allowance for credit risk.* The ultimate holding company shall compute an allowance for credit risk for certain assets on the consolidated balance sheet and certain off-balance sheet items, including loans and loan commitments, exposures due to derivatives contracts, structured financial products, and other extensions of credit, and credit substitutes as follows:

(i) By multiplying the credit equivalent amount of the ultimate holding company's exposure to the counterparty, as defined in paragraphs (a)(3)(i)(A), (B) and (C) of this Appendix G, by the appropriate credit risk weight, as defined in paragraph (a)(3)(i)(F) of this Appendix G, of the asset, off-balance sheet item, or counterparty, then multiplying that product by 8%, in accordance with the following:

(A) For certain loans and loan commitments, the credit equivalent amount is determined by multiplying the nominal amount of the contract by the following credit conversion factors:

(1) 0% credit conversion factor for loan commitments that:

(i) May be unconditionally cancelled by the lender; or

(ii) May be cancelled by the lender due to credit deterioration of the borrower;

(2) 20% credit conversion factor for:

(i) Loan commitments of less than one year; or

(ii) Short-term self-liquidating trade related contingencies, including letters of credit;

(3) 50% credit conversion factor for loan commitments with an original maturity of greater than one year that contain transaction contingencies, including performance bonds, revolving underwriting facilities, note issuance facilities and bid bonds; and

(4) 100% credit conversion factor for bankers' acceptances, stand-by letters of credit, and forward purchases of assets, and similar direct credit substitutes;

(B) For derivatives contracts and for repurchase agreements, reverse repurchase agreements, stock lending and borrowing, and similar collateralized transactions, the credit equivalent amount is the sum of the ultimate holding company's maximum potential exposure to the counterparty, as defined in paragraph (a)(3)(i)(E) of this Appendix G, multiplied by the appropriate multiplication factor, and the ultimate holding company's current exposure to the counterparty, as defined in paragraph (a)(3)(i)(D) of this Appendix G. The ultimate holding company must use the multiplication factor determined according to § 240.15c3-1e(d)(1)(v), except that the initial multiplication factor shall be one, unless the Commission determines, based on a review of the group-wide internal risk management control system and practices, including a review of the VaR models, that another multiplication factor is appropriate;

(C) The credit equivalent amount for other assets shall be the asset's book value on the ultimate holding company's consolidated balance sheet or other amount as determined according to the standards published by the Basel Committee on Banking Supervision, as amended from time to time;

(D) The *current exposure* is the current replacement value of a counterparty's positions, after applying netting agreements with that counterparty meeting the requirements of § 240.15c3-1e(c)(4)(iv) and taking into account the value of collateral from the counterparty in accordance with § 240.15c3-1e(c)(4)(v);

(E) The *maximum potential exposure* is the VaR of the counterparty's positions with the member of the affiliate group, after applying netting agreements with the counterparty meeting the requirements of paragraph (c)(4)(iv) of § 240.15c3-1e, taking into account the value of collateral from the counterparty held by the member of the affiliate in accordance with paragraph (c)(4)(v) of § 240.15c3-1e, and taking into account the current replacement value of the counterparty's positions with the member of the affiliate group, except that for repurchase agreements, reverse repurchase agreements, stock lending and borrowing, and similar collateralized transactions, maximum potential exposure must be calculated using a time horizon of not less than five days;

(F) Credit ratings and credit risk weights shall be determined according to the provisions of paragraphs (c)(4)(vi)(D) and (c)(4)(vi)(E) of § 240.15c3-1e, respectively;

(G) As part of the broker's or dealer's initial application or in an amendment, the ultimate holding company may request Commission approval to reduce allowances for credit risk through the use of credit derivatives;

(H) For the portion of a current exposure covered by a written guarantee, where that guarantee is an unconditional and irrevocable guarantee of the due and punctual payment and performance of the obligation and the ultimate holding company or member of the affiliate group can demand payment after any payment is missed without having to make collection efforts, the ultimate holding company or member of the affiliate group may substitute the credit risk weight of the guarantor for the credit risk weight of the counterparty; or

(ii) As part of the broker's or dealer's initial application or in an amendment to the application, the ultimate holding company may request Commission approval to use a method of calculating credit risk that is consistent with standards published by the Basel Committee on Banking Supervision in International Convergence of Capital Measurement and Capital Standards (July 1988), as amended from time to time; and

Securities and Exchange Commission

§ 240.15c3-1g

(4) *Allowance for operational risk.* The ultimate holding company shall compute an allowance for operational risk in accordance with the standards published by the Basel Committee on Banking Supervision, as amended from time to time.

CONDITIONS REGARDING REPORTING REQUIREMENTS

(b) File reports with the Commission in accordance with the following:

(1) If it is not an ultimate holding company that has a principal regulator, as that term is defined in § 240.15c3-1(c)(13), the ultimate holding company shall file with the Commission:

The term also shall not include a counterparty who has delivered collateral to an OTC derivatives dealer pursuant to a transaction in an eligible OTC derivative instrument, or pursuant to the OTC derivatives dealer’s cash management securities activities or ancillary portfolio management securities activities, and who has received a prominent written notice from the OTC derivatives dealer that:

(ii) In the event of the OTC derivatives dealer’s failure, the counterparty will likely be considered an unsecured creditor of the dealer as to that collateral;

(iii) The Securities Investor Protection Act of 1970 (15 U.S.C. 78aaa *et seq.*) does not protect the counterparty; and

(iv) The collateral will not be subject to the requirements of §240.8c-1, §240.15c2-1, §240.15c3-2, or §240.15c3-3;

(2) The term *securities carried for the account of a customer* (hereinafter also “customer securities”) shall mean:

(4) The term *margin securities* shall mean those securities carried for the account of a customer in a general account as defined in Regulation T, as well as securities carried in any special account (such general or special accounts hereinafter referred to as “margin accounts”) other than the securities referred to in paragraph (a)(3) of this section.

(5) The term *excess margin securities* shall mean those securities referred to in paragraph (a)(4) of this section carried for the account of a customer having a market value in excess of 140 percent of the total of the debit balances in the customer’s account or accounts encompassed by paragraph (a)(4) of this section which the broker or dealer

identifies as not constituting margin securities.

(6) The term *qualified security* shall mean a security issued by the United States or a security in respect of which the principal and interest are guaranteed by the United States.

(7) The term *bank* shall mean a bank as defined in section 3(a)(6) of the Act and shall also mean any building and loan, savings and loan or similar banking institution subject to supervision by a Federal banking authority. With respect to a broker or dealer who maintains his principal place of business in the Dominion of Canada, the term “bank” shall also mean a Canadian bank subject to supervision by an authority of the Dominion of Canada.

(8) The term *free credit balances* shall mean liabilities of a broker or dealer to customers which are subject to immediate cash payment to customers on demand, whether resulting from sales of securities, dividends, interest, deposits or otherwise, excluding, however, funds in commodity accounts which are segregated in accordance with the Commodity Exchange Act or in a similar manner.

(12) The term *household members and other persons related to principals* includes husbands or wives, children, sons-in-law or daughters-in-law and any household relative to whose support a principal contributes directly or indirectly. For purposes of this paragraph (a)(12), a principal shall be deemed to be a director, general partner, or principal officer of the broker or dealer.

(13) The term *affiliated person* includes any person who directly or indirectly controls a broker or dealer or

any person who is directly or indirectly controlled by or under common control with the broker or dealer. Ownership of 10% or more of the common stock of the relevant entity will be deemed prima facie control of that entity for purposes of this paragraph.

(14) The term *securities account* shall mean an account that is maintained in accordance with the requirements of section 15(c)(3) of the Act (15 U.S.C. 78o(c)(3)) and § 240.15c3-3.

(b) *Physical possession or control of securities.* (1) A broker or dealer shall promptly obtain and shall thereafter maintain the physical possession or control of all fully-paid securities and excess margin securities carried by a broker or dealer for the account of customers.

(2) A broker or dealer shall not be deemed to be in violation of the provisions of paragraph (b)(1) of this section regarding physical possession or control of customers’ securities if, solely as the result of normal business operations, temporary lags occur between the time when a security is required to be in the possession or control of the broker or dealer and the time that it is placed in his physical possession or under his control, provided that the broker or dealer takes timely steps in good faith to establish prompt physical possession or control. The burden of proof shall be on the broker or dealer to establish that the failure to obtain physical possession or control of securities carried for the account of customers as required by paragraph (b)(1) of this section is merely temporary and solely the result of normal business operations including same day receipt and redelivery (turnaround), and to establish that he has taken timely steps in good faith to place them in his physical possession or control.

(3) A broker or dealer shall not be deemed to be in violation of the provisions of paragraph (b)(1) of this section

regarding physical possession or control of fully-paid or excess margin securities borrowed from any person, provided that the broker or dealer and the lender, at or before the time of the loan, enter into a written agreement that, at a minimum;

(i) Sets forth in a separate schedule or schedules the basis of compensation for any loan and generally the rights and liabilities of the parties as to the borrowed securities;

(ii) Provides that the lender will be given a schedule of the securities actually borrowed at the time of the borrowing of the securities;

(iii) Specifies that the broker or dealer:

(A) Must provide to the lender, upon the execution of the agreement or by the close of the business day of the loan if the loan occurs subsequent to the execution of the agreement, collateral, which fully secures the loan of securities, consisting exclusively of cash or United States Treasury bills and Treasury notes or an irrevocable letter of credit issued by a bank as defined in section 3(a)(6)(A)-(C) of the Act (15 U.S.C. 78c(a)(6)(A)-(C)) or such other collateral as the Commission designates as permissible by order as necessary or appropriate in the public interest and consistent with the protection of investors after giving consideration to the collateral's liquidity, volatility, market depth and location, and the issuer's creditworthiness; and

(B) Must mark the loan to the market not less than daily and, in the event that the market value of all the outstanding securities loaned at the close of trading at the end of the business day exceeds 100 percent of the collateral then held by the lender, the borrowing broker or dealer must provide additional collateral of the type described in paragraph (b)(3)(iii)(A) of this section to the lender by the close of the next business day as necessary to equal, together with the collateral then held by the lender, not less than 100 percent of the market value of the securities loaned; and

(iv) Contains a prominent notice that the provisions of the Securities Investor Protection Act of 1970 may not protect the lender with respect to the securities loan transaction and that,

therefore, the collateral delivered to the lender may constitute the only source of satisfaction of the broker's or dealer's obligation in the event the broker or dealer fails to return the securities.

(4)(i) Notwithstanding paragraph (k)(2)(i) of this section, a broker or dealer that retains custody of securities that are the subject of a repurchase agreement between the broker or dealer and a counterparty shall:

(A) Obtain the repurchase agreement in writing;

(B) Confirm in writing the specific securities that are the subject of a repurchase transaction pursuant to such agreement at the end of the trading day on which the transaction is initiated and at the end of any other day during which other securities are substituted if the substitution results in a change to issuer, maturity date, par amount or coupon rate as specified in the previous confirmation;

(C) Advise the counterparty in the repurchase agreement that the Securities Investor Protection Corporation has taken the position that the provisions of the Securities Investor Protection Act of 1970 do not protect the counterparty with respect to the repurchase agreement;

(D) Maintain possession or control of securities that are the subject of the agreement.

(ii) For purpose of this paragraph (b)(4), securities are in the broker's or dealer's control only if they are in the control of the broker or dealer within the meaning of § 240.15c3-3 (c)(1), (c)(3), (c)(5) or (c)(6) of this title.

(iii) A broker or dealer shall not be in violation of the requirement to maintain possession or control pursuant to paragraph (b)(4)(i)(D) during the trading day if:

(A) In the written repurchase agreement, the counterparty grants the broker or dealer the right to substitute other securities for those subject to the agreement; and

(B) The provision in the written repurchase agreement governing the right, if any, to substitute is immediately preceded by the following disclosure statement, which must be prominently displayed:

REQUIRED DISCLOSURE

The [seller] is not permitted to substitute other securities for those subject to this agreement and therefore must keep the [buyer's] securities segregated at all times, unless in this agreement the [buyer] grants the [seller] the right to substitute other securities. If the [buyer] grants the right to substitute, this means that the [buyer's] securities will likely be commingled with the [seller's] own securities during the trading day. The [buyer] is advised that, during any trading day that the [buyer's] securities are commingled with the [seller's] securities, they will be subject to liens granted by the [seller] to its clearing bank and may be used by the [seller] for deliveries on other securities transactions. Whenever the securities are commingled, the [seller's] ability to resegment substitute securities for the [buyer] will be subject to the [seller's] ability to satisfy the clearing lien or to obtain substitute securities.

(iv) A confirmation issued in accordance with paragraph (b)(4)(i)(B) of this section shall specify the issuer, maturity date, coupon rate, par amount and market value of the security and shall further identify a CUSIP or mortgage-backed security pool number, as appropriate, except that a CUSIP or a pool number is not required on the confirmation if it is identified in internal records of the broker or dealer that designate the specific security of the counterparty. For purposes of this paragraph (b)(4)(iv), the market value of any security that is the subject of the repurchase transaction shall be the most recently available bid price plus accrued interest, obtained by any reasonable and consistent methodology.

(v) This paragraph (b)(4) shall not apply to a repurchase agreement between the broker or dealer and another broker or dealer (including a government securities broker or dealer), a registered municipal securities dealer, or a general partner or director or principal officer of the broker or dealer or any person to the extent that his claim is explicitly subordinated to the claims of creditors of the broker or dealer.

(c) *Control of securities.* Securities under the control of a broker or dealer shall be deemed to be securities which:

(1) Are represented by one or more certificates in the custody or control of a clearing corporation or other subsidiary organization of either national securities exchanges or of a registered

national securities association, or of a custodian bank in accordance with a system for the central handling of securities complying with the provisions of §§ 240.8c-1(g) and 240.15c2-1(g) the delivery of which certificates to the broker or dealer does not require the payment of money or value, and if the books or records of the broker or dealer identify the customers entitled to receive specified quantities or units of the securities so held for such customers collectively; or

(2) Are carried for the account of any customer by a broker or dealer and are carried in a special omnibus account in the name of such broker or dealer with another broker or dealer in compliance with the requirements of section 4(b) of Regulation T under the Act (12 CFR 220.4(b)), such securities being deemed to be under the control of such broker or dealer to the extent that he has instructed such carrying broker or dealer to maintain physical possession or control of them free of any charge, lien, or claim of any kind in favor of such carrying broker or dealer or any persons claiming through such carrying broker or dealer; or

(3) Are the subject of bona fide items of transfer; provided that securities shall be deemed not to be the subject of bona fide items of transfer if, within 40 calendar days after they have been transmitted for transfer by the broker or dealer to the issuer or its transfer agent, new certificates conforming to the instructions of the broker or dealer have not been received by him, he has not received a written statement by the issuer or its transfer agent acknowledging the transfer instructions and the possession of the securities or he has not obtained a revalidation of a window ticket from a transfer agent with respect to the certificate delivered for transfer; or

(4) Are in the custody of a foreign depository, foreign clearing agency or foreign custodian bank which the Commission upon application from a broker or dealer, a registered national securities exchange or a registered national securities association, or upon its own motion shall designate as a satisfactory control location for securities; or

(5) Are in the custody or control of a bank as defined in section 3(a)(6) of the

Act, the delivery of which securities to the broker or dealer does not require the payment of money or value and the bank having acknowledged in writing that the securities in its custody or control are not subject to any right, charge, security interest, lien or claim of any kind in favor of a bank or any person claiming through the bank; or

(6)(i) Are held in or are in transit between offices of the broker or dealer; or (ii) are held by a corporate subsidiary if the broker or dealer owns and exercises a majority of the voting rights of all of the voting securities of such subsidiary, assumes or guarantees all of the subsidiary's obligations and liabilities, operates the subsidiary as a branch office of the broker or dealer, and assumes full responsibility for compliance by the subsidiary and all of its associated persons with the provisions of the Federal securities laws as well as for all of the other acts of the subsidiary and such associated persons; or

(7) Are held in such other locations as the Commission shall upon application from a broker or dealer find and designate to be adequate for the protection of customer securities.

(d) *Requirement to reduce securities to possession or control.* Not later than the next business day, a broker or dealer, as of the close of the preceding business day, shall determine from his books or records the quantity of fully paid securities and excess margin securities in his possession or control and the quantity of fully paid securities and excess margin securities not in his possession or control. In making this daily determination inactive margin accounts (accounts having no activity by reason of purchase or sale of securities, receipt or delivery of cash or securities or similar type events) may be computed not less than once weekly. If such books or records indicate, as of such close of the business day, that such broker or dealer has not obtained physical possession or control of all fully paid and excess margin securities as required by this section and there are securities of the same issue and class in any of the following noncontrol locations:

(1) Securities subject to a lien securing moneys borrowed by the broker or

dealer or securities loaned to another broker or dealer or a clearing corporation, then the broker or dealer shall, not later than the business day following the day on which such determination is made, issue instructions for the release of such securities from the lien or return of such loaned securities and shall obtain physical possession or control of such securities within two business days following the date of issuance of the instructions in the case of securities subject to lien securing borrowed moneys and within five business days following the date of issuance of instructions in the case of securities loaned; or

(2) Securities included on his books or records as failed to receive more than 30 calendar days, then the broker or dealer shall, not later than the business day following the day on which such determination is made, take prompt steps to obtain physical possession or control of securities so failed to receive through a buy-in procedure or otherwise; or

(3) Securities receivable by the broker or dealer as a security dividend receivable, stock split or similar distribution for more than 45 calendar days, then the broker or dealer shall, not later than the business day following the day on which such determination is made, take prompt steps to obtain physical possession or control of securities so receivable through a buy-in procedure or otherwise.

(4) A broker or dealer which is subject to the requirements of §240.15c3-3 with respect to physical possession or control of fully paid and excess margin securities shall prepare and maintain a current and detailed description of the procedures which it utilizes to comply with the possession or control requirements set forth in this section. The records required herein shall be made available upon request to the Commission and to the designated examining authority for such broker or dealer.

(e) *Special reserve bank account for the exclusive benefit of customers.* (1) Every broker or dealer shall maintain with a bank or banks at all times when deposits are required or hereinafter specified a "Special Reserve Bank Account for the Exclusive Benefit of Customers" (hereinafter referred to as the "Reserve

Bank Account”), and it shall be separate from any other bank account of the broker or dealer. Such broker or dealer shall at all times maintain in such Reserve Bank Account, through deposits made therein, cash and/or qualified securities in an amount not less than the amount computed in accordance with the formula set forth in § 240.15c3-3a.

If a broker or dealer, computing on a monthly basis, has, at the time of any required computation, aggregate indebtedness in excess of 800 percent of net capital, such broker or dealer shall thereafter compute weekly as aforesaid until four successive weekly computa-

Computations in addition to the computations required in this paragraph (3), may be made as of the close of any other business day, and the deposits so computed shall be made no later than 1 hour after the opening of banking business on the second following business day. On any business day on which a withdrawal is made, the broker or dealer shall make

a record of the computation on the basis of which he makes such withdrawal, and he shall preserve such computation in accordance with § 240.17a-4.

Each such exchange or association shall make and preserve for a period of not less than 3 years a record of each extension granted pursuant to paragraph (n) of this section which shall contain a summary of the justification for the granting of the extension.

15. Excess of total credits (sum of items 1-9) over total debits (sum of items 10-14) required to be on deposit in the "Reserve Bank Account" (§ 240.15c3-3(e)). If the computation is made monthly as permitted by this section, the deposit shall be not less than 105 percent of the excess of total credits over total debits	XXX

NOTE A. Item 1 shall include all outstanding drafts payable to customers which have been applied against free credit balances or other credit balances and shall also include checks drawn in excess of bank balances per the records of the broker or dealer.

NOTE B. Item 2 shall include the amount of options-related or security futures product-related Letters of Credit obtained by a member of a registered clearing agency or a derivatives clearing organization which are collateralized by customers' securities, to the extent of the member's margin requirement at the registered clearing agency or derivatives clearing organization.

NOTE C. Item 3 shall include in addition to monies payable against customer's securities loaned the amount by which the market value of securities loaned exceeds the collateral value received from the lending of such securities.

NOTE D. Item 4 shall include in addition to customers' securities failed to receive the amount by which the market value of securities failed to receive and outstanding more than thirty (30) calendar days exceeds their contract value.

NOTE E. (1) Debit balances in margin accounts shall be reduced by the amount by which a specific security (other than an exempted security) which is collateral for margin accounts exceeds in aggregate value 15 percent of the aggregate value of all securities which collateralize all margin accounts receivable; provided, however, the required reduction shall not be in excess of the amount of the debit balance required to be excluded because of this concentration rule. A specified security is deemed to be collateral for a margin account only to the extent it represents in value not more than 140 percent of the customer debit balance in a margin account.

(2) Debit balances in special omnibus accounts, maintained in compliance with the requirements of section 4(b) of Regulation T under the Act (12 CFR 220.4(b)) or similar accounts carried on behalf of another broker or dealer, shall be reduced by any deficits in such accounts (or if a credit, such credit shall be increased) less any calls for margin, marks to the market, or other required deposits which are outstanding 5 business days or less.

(3) Debit balances in customers' cash and margin accounts included in the formula under item 10 shall be reduced by an amount equal to 1 percent of their aggregate value.

(4) Debit balances in cash and margin accounts of household members and other persons related to principals of a broker or dealer and debit balances in cash and margin accounts of affiliated persons of a broker or dealer shall be excluded from the Reserve Formula, unless the broker or dealer can demonstrate that such debit balances are directly related to credit items in the formula.

(5) Debit balances in margin accounts (other than omnibus accounts) shall be reduced by the amount by which any single customer's debit balance exceeds 25% (to the extent such amount is greater than \$50,000) of the broker-dealer's tentative net capital (*i.e.*, net capital prior to securities haircuts) unless the broker or dealer can demonstrate that the debit balance is directly related to credit items in the Reserve Formula. Related accounts (*e.g.*, the separate accounts of an individual, accounts under common control or subject to cross guarantees) shall be deemed to be a single customer's accounts for purposes of this provision.

If the registered national securities exchange or the registered national securities association having responsibility for examining the broker or dealer ("designated examining authority") is satisfied, after taking into account the circumstances of the concentrated account including the quality, diversity, and marketability of the collateral securing the debit balances or margin accounts subject to this provision, that the concentration of debit balances is appropriate, then such designated examining authority may grant a partial or plenary exception from this provision.

The debit balance may be included in the reserve formula computation for five business days from the day the request is made.

(6) Debit balances of joint accounts, custodian accounts, participations in hedge funds or limited partnerships or similar type accounts or arrangements of a person who would be excluded from the definition of customer ("non-customer") which persons includible in the definition of customer shall be included in the Reserve Formula in the following manner: if the percentage ownership of the non-customer is less than 5 percent then the entire debit balance shall be included in the formula; if such percentage ownership is between 5 percent and 50 percent then the portion of the debit balance attributable to the non-customer shall be excluded from the formula unless the broker or dealer can demonstrate that the debit balance is directly related to credit items in the formula; if such percentage ownership is greater than 50 percent, then the entire debit balance shall be excluded from the formula unless the broker or dealer can demonstrate that the debit balance is directly related to credit items in the formula.

NOTE F. Item 13 shall include the amount of margin required and on deposit with Options Clearing Corporation to the extent such margin is represented by cash, proprietary qualified securities, and letters of credit collateralized by customers' securities.

NOTE G. (a) Item 14 shall include the amount of margin required and on deposit with a clearing agency registered with the Commission under section 17A of the Act (15 U.S.C. 78q-1) or a derivatives clearing organization registered with the Commodity Futures Trading Commission under section 5b of the Commodity Exchange Act (7 U.S.C. 7a-1) for customer accounts to the extent that the margin is represented by cash, proprietary qualified securities, and letters of credit collateralized by customers' securities.

(b) Item 14 shall apply only if the broker or dealer has the margin related to security futures products on deposit with:

(1) A registered clearing agency or derivatives clearing organization that:

(i) Maintains the highest investment-grade rating from a nationally recognized statistical rating organization; or

(ii) Maintains security deposits from clearing members in connection with regulated options or futures transactions and assessment power over member firms that equal a combined total of at least \$2 billion, at least \$500 million of which must be in the form of security deposits. For purposes of this Note G, the term "security deposits" refers to a general fund, other than margin deposits or their equivalent, that consists of cash or securities held by a registered clearing agency or derivative clearing organization; or

(iii) Maintains at least \$3 billion in margin deposits; or

(iv) Does not meet the requirements of paragraphs (b)(1)(i) through (b)(1)(iii) of this Note G, if the Commission has determined, upon a written request for exemption by or for the benefit of the broker or dealer, that the broker or dealer may utilize such a registered clearing agency or derivatives clearing organization. The Commission may, in its sole discretion, grant such an exemption subject to such conditions as are appropriate under the circumstances, if the Commission determines that such conditional or unconditional exemption is necessary or appropriate in the public interest, and is consistent with the protection of investors; and

The written notification shall state that all funds and/or securities deposited with the bank as margin (including customer security futures products margin), or held by the bank and pledged to such registered clearing agency or derivatives clearing agency as margin, are being held by the bank for the exclusive benefit of clearing members of the registered clearing agency or derivatives clearing organization (subject to the interest of such registered clearing agency or derivatives clearing organization therein), and are being kept separate from any other accounts maintained by the registered clearing agency or derivatives clearing organization with the bank. The written notification also shall provide that such funds and/or securities shall at no time be used directly or indirectly as security for a loan to the registered clearing agency or derivatives clearing organization by the bank, and shall be subject to no right, charge, security interest, lien, or claim of any kind in favor of the bank or any person claiming through the bank. This provision, however, shall not prohibit a registered clearing agency or derivatives clearing organization from pledging customer funds or securities as collateral to a bank for any purpose that the rules of the Commission or the registered clearing agency or derivatives clearing organization otherwise permit; and

(3) A registered clearing agency or derivatives clearing organization that establishes, documents, and maintains:

(i) Safeguards in the handling, transfer, and delivery of cash and securities;

(ii) Fidelity bond coverage for its employees and agents who handle customer funds or securities. In the case of agents of a registered clearing agency or derivatives clearing organization, the agent may provide the fidelity bond coverage; and

(iii) Provisions for periodic examination by independent public accountants; and

(4) A derivatives clearing organization that, if it is not otherwise registered with the Commission, has provided the Commission with a written undertaking, in a form acceptable to the Commission, executed by a duly authorized person at the derivatives clearing organization, to the effect that, with respect to the clearance and settlement of the customer security futures products of the broker-dealer, the derivatives clearing organization will permit the Commission to examine the books and records of the derivatives clearing organization for compliance with the requirements set forth in § 240.15c3-3a, Note G. (b)(1) through (3).

(c) Item 14 shall apply only if a broker or dealer determines, at least annually, that the registered clearing agency or derivatives clearing organization with which the broker or dealer has on deposit margin related to securities future products meets the conditions of this Note G.

(2) For the purchase or sale of securities that the Commission may from time to time, taking into account then existing market practices, exempt by order from the requirements of paragraph (a) of this section, either unconditionally or on specified terms and conditions, if the Commission determines that such exemption is consistent with the public interest and the protection of investors.

(c) Paragraph (a) of this section shall not apply to contracts for the sale for cash of securities that are priced after 4:30 p.m. Eastern time on the date such securities are priced and that are sold by an issuer to an underwriter pursuant to a firm commitment underwritten offering registered under the Securities Act of 1933 or sold to an initial purchaser by a broker-dealer participating in such offering provided that a broker or dealer shall not effect or enter into a contract for the purchase or sale of such securities that provides for payment of funds and delivery of securities later than the fourth business day after the date of the contract unless otherwise expressly agreed to by the parties at the time of the transaction.

(d) For purposes of paragraphs (a) and (c) of this section, the parties to a contract shall be deemed to have expressly agreed to an alternate date for payment of funds and delivery of securities at the time of the transaction for a contract for the sale for cash of securities pursuant to a firm commitment

offering if the managing underwriter and the issuer have agreed to such date for all securities sold pursuant to such offering and the parties to the contract have not expressly agreed to another date for payment of funds and delivery of securities at the time of the transaction.

OTHER REPORTS

§ 240.15d-10 Transition reports.

(a) Every issuer that changes its fiscal closing date shall file a report covering the resulting transition period between the closing date of its most recent fiscal year and the opening date of its new fiscal year; *Provided, however,*

that an issuer shall file an annual report for any fiscal year that ended before the date on which the issuer determined to change its fiscal year end. In no event shall the transition report cover a period of 12 or more months.

(b) The report pursuant to this section shall be filed for the transition period not more than the number of days specified in paragraph (j) of this section after either the close of the transition period or the date of the determination to change the fiscal closing date, whichever is later. The report shall be filed on the form appropriate for annual reports of the issuer, shall cover the period from the close of the last fiscal year end and shall indicate clearly the period covered. The financial statements for the transition period filed therewith shall be audited. Financial statements, which may be unaudited, shall be filed for the comparable period of the prior year, or a footnote, which may be unaudited, shall state for the comparable period of the prior year, revenues, gross profits, income taxes, income or loss from continuing operations before extraordinary items and cumulative effect of a change in accounting principles and net income or loss. The effects of any discontinued operations and/or extraordinary items as classified under the provisions of generally accepted accounting principles also shall be shown, if applicable. Per share data based upon such income or loss and net income or loss shall be presented in conformity with applicable accounting standards. Where called for by the time span to be covered, the comparable period financial statements or footnote shall be included in subsequent filings.

(c) If the transition period covers a period of less than six months, in lieu of the report required by paragraph (b) of this section, a report may be filed for the transition period on Form 10-Q and Form 10-QSB (§249.308a of this chapter) not more than the number of days specified in paragraph (j) of this section after either the close of the transition period or the date of the determination to change the fiscal closing date, whichever is later. The report on Form 10-Q and Form 10-QSB shall cover the period from the close of the last fiscal year end and shall indicate

clearly the period covered. The financial statements filed therewith need not be audited but, if they are not audited, the issuer shall file with the first annual report for the newly adopted fiscal year separate audited statements of income and cash flows covering the transition period. The notes to financial statements for the transition period included in such first annual report may be integrated with the notes to financial statements for the full fiscal period. A separate audited balance sheet as of the end of the transition period shall be filed in the annual report only if the audited balance sheet as of the end of the fiscal year prior to the transition period is not filed. Schedules need not be filed in transition reports on Form 10-Q and Form 10-QSB.

(d) Notwithstanding the foregoing in paragraphs (a), (b), and (c) of this section, if the transition period covers a period of one month or less, the issuer need not file a separate transition report if either:

(1) The first report required to be filed by the issuer for the newly adopted fiscal year after the date of the determination to change the fiscal year end is an annual report, and that report covers the transition period as well as the fiscal year; or

(2)(i) The issuer files with the first annual report for the newly adopted fiscal year separate audited statements of income and cash flows covering the transition period; and

(ii) The first report required to be filed by the issuer for the newly adopted fiscal year after the date of the determination to change the fiscal year end is a quarterly report on Form 10-Q and Form 10-QSB; and

(iii) Information on the transition period is included in the issuer's quarterly report on Form 10-Q and Form 10-QSB for the first quarterly period (except the fourth quarter) of the newly adopted fiscal year that ends after the date of the determination to change the fiscal year. The information covering the transition period required by Part II and Item 2 of Part I may be combined with the information regarding the quarter. However, the financial statements required by Part I, which may be unaudited, shall be furnished separately for the transition period.

§ 240.15d-10

17 CFR Ch. II (4-1-06 Edition)

(e) Every issuer required to file quarterly reports on Form 10-Q and Form 10-QSB pursuant to § 240.15d-13 of this chapter that changes its fiscal year end shall:

(1) File a quarterly report on Form 10-Q and Form 10-QSB within the time period specified in General Instruction A.1. to that form for any quarterly period (except the fourth quarter) of the old fiscal year that ends before the date on which the issuer determined to change its fiscal year end, except that the issuer need not file such quarterly report if the date on which the quarterly period ends also is the date on which the transition period ends;

(2) File a quarterly report on Form 10-Q and Form 10-QSB within the time specified in General Instruction A.1. to that form for each quarterly period of the old fiscal year within the transition period. In lieu of a quarterly report for any quarter of the old fiscal year within the transition period, the issuer may file a quarterly report on Form 10-Q and Form 10-QSB for any period of three months within the transition period that coincides with a quarter of the newly adopted fiscal year if the quarterly report is filed within the number of days specified in paragraph (j) of this section after the end of such three month period, provided the issuer thereafter continues filing quarterly reports on the basis of the quarters of the newly adopted fiscal year;

(3) Commence filing quarterly reports for the quarters of the new fiscal year no later than the quarterly report for the first quarter of the new fiscal year that ends after the date on which the issuer determined to change the fiscal year end; and

(4) Unless such information is or will be included in the transition report, or the first annual report on Form 10-K and Form 10-KSB for the newly adopted fiscal year, include in the initial quarterly report on Form 10-Q and Form 10-QSB for the newly adopted fiscal year information on any period beginning on the first day subsequent to the period covered by the issuer's final quarterly report on Form 10-Q and Form 10-QSB or annual report on Form 10-K and Form 10-KSB for the old fiscal year. The information covering

such period required by Part II and Item 2 of Part I may be combined with the information regarding the quarter. However, the financial statements required by Part I, which may be unaudited, shall be furnished separately for such period.

NOTE TO PARAGRAPHS (c) AND (e): If it is not practicable or cannot be cost-justified to furnish in a transition report on Form 10-Q and Form 10-QSB or a quarterly report for the newly adopted fiscal year financial statements for corresponding periods of the prior year where required, financial statements may be furnished for the quarters of the preceding fiscal year that most nearly are comparable if the issuer furnishes an adequate discussion of seasonal and other factors that could affect the comparability of information or trends reflected, an assessment of the comparability of the data, and a representation as to the reason recasting has not been undertaken.

(f) Every successor issuer that has a different fiscal year from that of its predecessor(s) shall file a transition report pursuant to this section, containing the required information about each predecessor, for the transition period, if any, between the close of the fiscal year covered by the last annual report of each predecessor and the date of succession. The report shall be filed for the transition period on the form appropriate for annual reports of the issuer not more than the number of days specified in paragraph (j) of this section after the date of the succession, with financial statements in conformity with the requirements set forth in paragraph (b) of this section. If the transition period covers a period of less than six months, in lieu of a transition report on the form appropriate for the issuer's annual reports, the report may be filed for the transition period on Form 10-Q and Form 10-QSB not more than the number of days specified in paragraph (j) of this section after the date of the succession, with financial statements in conformity with the requirements set forth in paragraph (c) of this section. Notwithstanding the foregoing, if the transition period covers a period of one month or less, the successor issuer need not file a separate transition report if the information is reported by the successor issuer in conformity with

the requirements set forth in paragraph (d) of this section.

(g)(1) Paragraphs (a) through (f) of this section shall not apply to foreign private issuers.

(2) Every foreign private issuer that changes its fiscal closing date shall file a report covering the resulting transition period between the closing date of its most recent year and the opening date of its new fiscal year. In no event shall a transition report cover a period longer than 12 months.

(3) The report for the transition period shall be filed on Form 20-F responding to all items to which such issuer is required to respond when Form 20-F is used as an annual report. Such report shall be filed within six months after either the close of the transition period or the date on which the issuer made the determination to change the fiscal closing date, whichever is later. The financial statements for the transition period filed therewith shall be audited.

(4) If the transition period covers a period of six or fewer months, in lieu of the report required by paragraph (g)(3) of this section, a report for the transition period may be filed on Form 20-F responding to Items 5, 8.A.7., 13, 14, and 17 or 18 within three months after either the close of the transition period or the date on which the issuer made the determination to change the fiscal closing date, whichever is later. The financial statements required by either Item 17 or Item 18 shall be furnished for the transition period. Such financial statements may be unaudited and condensed as permitted in Article 10 of Regulation S-X (§ 210.10-01 of this chapter), but if the financial statements are unaudited and condensed, the issuer shall file with the first annual report for the newly adopted fiscal year separate audited statements of income and cash flows covering the transition period.

(5) Notwithstanding the foregoing in paragraphs (g)(2), (g)(3), and (g)(4) of this section, if the transition period covers a period of one month or less, a foreign private issuer need not file a separate transition report if the first annual report for the newly adopted fiscal year covers the transition period as well as the fiscal year.

(h) The provisions of this rule shall not apply to investment companies required to file reports pursuant to Rule 30b1-1 (§ 270.30b1-1 of this chapter) under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*).

(i) No filing fee shall be required for a transition report filed pursuant to this section.

(j)(1) For transition reports to be filed on the form appropriate for annual reports of the issuer, the number of days shall be:

(i) 60 days (75 days for fiscal years ending before December 15, 2006) for large accelerated filers (as defined in § 240.12b-2);

(ii) 75 days for accelerated filers (as defined in § 240.12b-2); and

(iii) 90 days for all other issuers; and

(2) For transition reports to be filed on Form 10-Q or Form 10-QSB (§ 249.308a or § 249.308b of this chapter), the number of days shall be:

(i) 40 days for large accelerated filers and accelerated filers (as defined in § 240.12b-2); and

(ii) 45 days for all other issuers.

(k)(1) Paragraphs (a) through (g) of this section shall not apply to asset-backed issuers.

(2) Every asset-backed issuer that changes its fiscal closing date shall file a report covering the resulting transition period between the closing date of its most recent fiscal year and the opening date of its new fiscal year. In no event shall a transition report cover a period longer than 12 months.

(3) The report for the transition period shall be filed on Form 10-K (§ 249.310 of this chapter) responding to all items to which such asset-backed issuer is required to respond pursuant to General Instruction J. of Form 10-K. Such report shall be filed within 90 days after the later of either the close of the transition period or the date on which the issuer made the determination to change the fiscal closing date.

(4) Notwithstanding the foregoing in paragraphs (k)(2) and (k)(3) of this section, if the transition period covers a period of one month or less, an asset-backed issuer need not file a separate transition report if the first annual report for the newly adopted fiscal year covers the transition period as well as the fiscal year.

§ 240.15d-11

(5) Any obligation of the asset-backed issuer to file distribution reports pursuant to § 240.15d-17 will continue to apply regardless of a change in the asset-backed issuer's fiscal closing date.

NOTE 1: In addition to the report or reports required to be filed pursuant to this section, every issuer, except a foreign private issuer or an investment company required to file reports pursuant to § 270.30b1-1 of this chapter, that changes its fiscal closing date is required to file a Form 8-K (§ 249.308 of this chapter) report that includes the information required by Item 5.03 of Form 8-K within the period specified in General Instruction B.1. to that form.

NOTE 2: The report or reports to be filed pursuant to this section must include the certification required by § 240.15d-14.

§ 240.15d-15 Controls and procedures.

(a) Every issuer that files reports under section 15(d) of the Act (15 U.S.C. 78o(d)), other than an Asset-Backed Issuer (as defined in § 229.1101 of this chapter), a small business investment company registered on Form N-5 (§§ 239.24 and 274.5 of this chapter), or a unit investment trust as defined in section 4(2) of the Investment Company Act of 1940 (15 U.S.C. 80a-4(2)), must maintain disclosure controls and procedures (as defined in paragraph (e) of this section) and internal control over financial reporting (as defined in paragraph (f) of this section).

(b) Each such issuer's management must evaluate, with the participation of the issuer's principal executive and principal financial officers, or persons performing similar functions, the effectiveness of the issuer's disclosure controls and procedures, as of the end of each fiscal quarter, except that management must perform this evaluation:

(1) In the case of a foreign private issuer (as defined in § 240.3b-4) as of the end of each fiscal year; and

(2) In the case of an investment company registered under section 8 of the Investment Company Act of 1940 (15 U.S.C. 80a-8), within the 90-day period prior to the filing date of each report requiring certification under § 270.30a-2 of this chapter.

(c) The management of each such issuer, other than an investment company registered under section 8 of the Investment Company Act of 1940, must evaluate, with the participation of the

issuer's principal executive and principal financial officers, or persons performing similar functions, the effectiveness, as of the end of each fiscal year, of the issuer's internal control over financial reporting. The framework on which management's evaluation of the issuer's internal control over financial reporting is based must be a suitable, recognized control framework that is established by a body or group that has followed due-process procedures, including the broad distribution of the framework for public comment.

(d) The management of each such issuer, other than an investment company registered under section 8 of the Investment Company Act of 1940, must evaluate, with the participation of the issuer's principal executive and principal financial officers, or persons performing similar functions, any change in the issuer's internal control over financial reporting, that occurred during each of the issuer's fiscal quarters, or fiscal year in the case of a foreign private issuer, that has materially affected, or is reasonably likely to materially affect, the issuer's internal control over financial reporting.

(e) For purposes of this section, the term disclosure controls and procedures means controls and other procedures of an issuer that are designed to ensure that information required to be disclosed by the issuer in the reports that it files or submits under the Act (15 U.S.C. 78a *et seq.*) is recorded, processed, summarized and reported, within the time periods specified in the Commission's rules and forms. Disclosure controls and procedures include, without limitation, controls and procedures designed to ensure that information required to be disclosed by an issuer in the reports that it files or submits under the Act is accumulated and communicated to the issuer's management, including its principal executive and principal financial officers, or persons performing similar functions, as appropriate to allow timely decisions regarding required disclosure.

(f) The term *internal control over financial reporting* is defined as a process designed by, or under the supervision of, the issuer's principal executive and principal financial officers, or persons

(1) Pertain to the maintenance of records that in reasonable detail accurately and fairly reflect the transactions and dispositions of the assets of the issuer;

(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the issuer are being made only in accordance with authorizations of management and directors of the issuer; and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use or disposition of the issuer's assets that could have a material effect on the financial statements.

§ 240.15g-3 Broker or dealer disclosure of quotations and other information relating to the penny stock market.

(a) *Requirement.* It shall be unlawful for a broker or dealer to effect a transaction in any penny stock with or for the account of a customer unless such broker or dealer discloses to such customer, within the time periods and in the manner required by paragraph (b) of this section, the following information:

(1) The inside bid quotation and the inside offer quotation for the penny stock.

(2) If paragraph (a)(1) of this section does not apply because of the absence of an inside bid quotation and an inside offer quotation:

(i) With respect to a transaction effected with or for a customer on a principal basis (other than as provided in paragraph (a)(2)(ii) of this section):

(A) The dealer shall disclose its offer price for the security:

(1) If during the previous five days the dealer has effected no fewer than three *bona fide* sales to other dealers consistently at its offer price for the security current at the time of those sales, and

(2) If the dealer reasonably believes in good faith at the time of the transaction with the customer that its offer price accurately reflects the price at which it is willing to sell one or more round lots to another dealer. For purposes of paragraph (a)(2)(i)(A) of this section, "consistently" shall constitute, at a minimum, seventy-five percent of the dealer's *bona fide* inter-dealer sales during the previous five-day period, and, if the dealer has effected only three *bona fide* inter-dealer sales during such period, all three of such sales.

(B) The dealer shall disclose its bid price for the security:

(1) If during the previous five days the dealer has effected no fewer than three *bona fide* purchases from other dealers consistently at its bid price for the security current at the time of those purchases, and

(2) If the dealer reasonably believes in good faith at the time of the transaction with the customer that its bid price accurately reflects the price at which it is willing to buy one or more

round lots from another dealer. For purposes of paragraph (a)(2)(i)(B) of this section, “consistently” shall constitute, at a minimum, seventy-five percent of the dealer’s *bona fide* inter-dealer purchases during the previous five-day period, and, if the dealer has effected only three *bona fide* inter-dealer purchases during such period, all three of such purchases.

(C) If the dealer’s bid or offer prices to the customer do not satisfy the criteria of paragraphs (a)(2)(i)(A) or (a)(2)(i)(B) of this section, the dealer shall disclose to the customer:

(1) That it has not effected inter-dealer purchases or sales of the penny stock consistently at its bid or offer price, and

(2) The price at which it last purchased the penny stock from, or sold the penny stock to, respectively, another dealer in a *bona fide* transaction.

(ii) With respect to transactions effected by a broker or dealer with or for the account of the customer:

(A) On an agency basis or

(B) On a basis other than as a market maker in the security, where, after having received an order from the customer to purchase a penny stock, the dealer effects the purchase from another person to offset a contemporaneous sale of the penny stock to such customer, or, after having received an order from the customer to sell the penny stock, the dealer effects the sale to another person to offset a contemporaneous purchase from such customer, the broker or dealer shall disclose the best independent interdealer bid and offer prices for the penny stock that the broker or dealer obtains through reasonable diligence. A broker-dealer shall be deemed to have exercised reasonable diligence if it obtains quotations from three market makers in the security (or all known market makers if there are fewer than three).

(3) With respect to bid or offer prices and transaction prices disclosed pursuant to paragraph (a) of this section, the broker or dealer shall disclose the number of shares to which the bid and offer prices apply.

§ 240.15g-4 Disclosure of compensation to brokers or dealers.

PRELIMINARY NOTE: Brokers and dealers may wish to refer to Securities Exchange Act Release No. 30608 (April 20, 1992) for a discussion of the procedures for computing compensation in active and competitive markets, inactive and competitive markets, and dominated and controlled markets.

(a) *Disclosure requirement.* It shall be unlawful for any broker or dealer to effect a transaction in any penny stock for or with the account of a customer unless such broker or dealer discloses to such customer, within the time periods and in the manner required by paragraph (b) of this section, the aggregate amount of any compensation received by such broker or dealer in connection with such transaction.

(b) *Timing.* (1) The information described in paragraph (a) of this section:

(i) Shall be provided to the customer orally or in writing prior to effecting any transaction with or for the customer for the purchase or sale of such penny stock; and

(ii) Shall be given or sent to the customer in writing, at or prior to the time that any written confirmation of the transaction is given or sent to the customer pursuant to 17 CFR 240.10b-10.

(2) A broker or dealer, at the time of making the disclosure pursuant to paragraph (b)(1)(i) of this section, shall make and preserve as part of its records, a record of such disclosure for the period specified in 17 CFR 240.17a-4(b).

(c) *Definition of compensation.* For purposes of this section, *compensation* means, with respect to a transaction in a penny stock:

(1) If a broker is acting as agent for a customer, the amount of any remuneration received or to be received by it from such customer in connection with such transaction;

(2) If, after having received a buy order from a customer, a dealer other than a market maker purchased the penny stock as principal from another person to offset a contemporaneous

17 CFR Ch. II (4-1-06 Edition)

sale to such customer or, after having received a sell order from a customer, sold the penny stock as principal to another person to offset a contemporaneous purchase from such customer, the difference between the price to the customer and such contemporaneous purchase or sale price; or

(3) If the dealer otherwise is acting as principal for its own account, the difference between the price to the customer and the prevailing market price.

(d) *Active and competitive market.* For purposes of this section only, a market may be deemed to be "active and competitive" in determining the prevailing market price with respect to a transaction by a market maker in a penny stock if the aggregate number of transactions effected by such market maker in the penny stock in the five business days preceding such transaction is less than twenty percent of the aggregate number of all transactions in the penny stock reported on a Qualifying Electronic Quotation System (as defined in 17 CFR 240.15g-3(c)(5)) during such five-day period. No presumption shall arise that a market is not "active and competitive" solely by reason of a market maker not meeting the conditions specified in this paragraph.

[next page]

Important Information on Penny Stocks

The U.S. Securities and Exchange Commission (SEC) requires your broker to give this statement to you, and to obtain your signature to show that you have received it, before your first trade in a penny stock. This statement contains important information—and you should read it carefully before you sign it, and before you decide to purchase or sell a penny stock.

In addition to obtaining your signature, the SEC requires your broker to wait at least two business days after sending you this statement before executing your first trade to give you time to carefully consider your trade.

Penny Stocks Can Be Very Risky

Penny stocks are low-priced shares of small companies. Penny stocks may trade infrequently—which means that it may be difficult to sell penny stock shares once you have them. Because it may also be difficult to find quotations for penny stocks, they may be impossible to accurately price. Investors in

penny stock should be prepared for the possibility that they may lose their whole investment.

While penny stocks generally trade over-the-counter, they may also trade on U.S. securities exchanges, facilities of U.S. exchanges, or foreign exchanges. You should learn about the market in which the penny stock trades to determine how much demand there is for this stock and how difficult it will be to sell. Be especially careful if your broker is offering to sell you newly issued penny stock that has no established trading market.

The securities you are considering have not been approved or disapproved by the SEC. Moreover, the SEC has not passed upon the fairness or the merits of this transaction nor upon the accuracy or adequacy of the information contained in any prospectus or any other information provided by an issuer or a broker or dealer.

Information You Should Get

In addition to this statement, your broker is required to give you a statement of your financial situation and investment goals explaining why his or her firm has determined that penny stocks are a suitable investment for you. In addition, your broker is required to obtain your agreement to the proposed penny stock transaction.

Before you buy penny stock, Federal law requires your salesperson to tell you the “offer” and the “bid” on the stock, and the “compensation” the salesperson and the firm receive for the trade. The firm also must send a confirmation of these prices to you after the trade. You will need this price information to determine what profit or loss, if any, you will have when you sell your stock.

The offer price is the wholesale price at which the dealer is willing to sell stock to other dealers. The bid price is the wholesale price at which the dealer is willing to buy the stock from other dealers. In its trade with you, the dealer may add a retail charge to these wholesale prices as compensation (called a “markup” or “markdown”).

The difference between the bid and the offer price is the dealer’s “spread.” A spread that is large compared with the purchase price can make a resale of

a stock very costly. To be profitable when you sell, the bid price of your stock must rise above the amount of this spread and the compensation charged by both your selling and purchasing dealers. *Remember that if the dealer has no bid price, you may not be able to sell the stock after you buy it, and may lose your whole investment.*

After you buy penny stock, your brokerage firm must send you a monthly account statement that gives an estimate of the value of each penny stock in your account, if there is enough information to make an estimate. If the firm has not bought or sold any penny stocks for your account for six months, it can provide these statements every three months.

Additional information about low-priced securities—including penny stocks—is available on the SEC’s Web site at <http://www.sec.gov/investor/pubs/microcapstock.htm>. In addition, your broker will send you a copy of this information upon request. The SEC encourages you to learn all you can before making this investment.

Brokers’ Duties and Customers’ Rights and Remedies

Remember that your salesperson is not an impartial advisor—he or she is being paid to sell you stock. Do not rely only on the salesperson, but seek outside advice before you buy any stock. You can get the disciplinary history of a salesperson or firm from NASD at 1-800-289-9999 or contact NASD via the Internet at <http://www.nasd.com>. You can also get additional information from your state securities official. The North American Securities Administrators Association, Inc. can give you contact information for your state. You can reach NASAA at (202) 737-0900 or via the Internet at <http://www.nasaa.org>.

If you have problems with a salesperson, contact the firm’s compliance officer. You can also contact the securities regulators listed above. Finally, if you are a victim of fraud, you may have rights and remedies under state and Federal law. In addition to the regulators listed above, you also may contact the SEC with complaints at (800)

(3) Indications of the violations of each Board rule found in examinations that formed the basis for the report.

(4) Copies of public notices issued during the report period of any formal actions and non-public information regarding any actions taken on violations of Board rules.

(5) Any comments concerning any questionable practices relating to municipal securities activities, whether or not covered by provisions of the Act and the rules and regulations thereunder, including the rules of the Board.

(6) Descriptions of any significant or recurring customer complaints relating to municipal securities activities received by the appropriate regulatory agency or registered securities association during the report period or by municipal securities dealers during the 12 month period preceding the examination.

(7) Description of any novel issues or interpretations arising under the Board's rules.

(8) Description of any changes to existing Board rules or additional rules that would improve the regulatory scheme for municipal securities professionals or assist in the enforcement of the Board's rules.

(c) Copies of any report of an examination of a municipal securities broker or municipal securities dealer made by the Commission or furnished to it pursuant to section 15B(c)(7)(B) or 17(c)(3) of the Act, or separate forms made available to the Commission pursuant to paragraph (b) of this section, will be maintained in a non-public file.

[64 FR 25148, May 10, 1999, as amended at 64 FR 42596, Aug. 5, 1999]

§ 240.16a-1 Definition of terms.

Terms defined in this rule shall apply solely to section 16 of the Act and the rules thereunder. These terms shall not be limited to section 16(a) of the Act but also shall apply to all other subsections under section 16 of the Act.

(a) The term *beneficial owner* shall have the following applications:

(1) Solely for purposes of determining whether a person is a beneficial owner of more than ten percent of any class of equity securities registered pursuant to section 12 of the Act, the term "beneficial owner" shall mean any person who is deemed a beneficial owner pursuant to section 13(d) of the Act and the rules thereunder; *provided, however*, that the following institutions or persons shall not be deemed the beneficial owner of securities of such class held for the benefit of third parties or in customer or fiduciary accounts in the ordinary course of business (or in the case of an employee benefit plan specified in paragraph (a)(1)(vi) of this section, of securities of such class allocated to plan participants where participants have voting power) as long as such shares are acquired by such institutions or persons without the purpose or effect of changing or influencing

Securities and Exchange Commission

§ 240.16a-1

control of the issuer or engaging in any arrangement subject to Rule 13d-3(b) (§ 240.13d-3(b)):

(i) A broker or dealer registered under section 15 of the Act (15 U.S.C. 78o);

(ii) A bank as defined in section 3(a)(6) of the Act (15 U.S.C. 78c);

(iii) An insurance company as defined in section 3(a)(19) of the Act (15 U.S.C. 78c);

(iv) An investment company registered under section 8 of the Investment Company Act of 1940 (15 U.S.C. 80a-8);

(v) Any person registered as an investment adviser under Section 203 of the Investment Advisers Act of 1940 (15 U.S.C. 80b-3) or under the laws of any state;

(vi) An employee benefit plan as defined in Section 3(3) of the Employee Retirement Income Security Act of 1974, as amended, 29 U.S.C. 1001 *et seq.* ("ERISA") that is subject to the provisions of ERISA, or any such plan that is not subject to ERISA that is maintained primarily for the benefit of the employees of a state or local government or instrumentality, or an endowment fund;

(vii) A parent holding company or control person, provided the aggregate amount held directly by the parent or control person, and directly and indirectly by their subsidiaries or affiliates that are not persons specified in paragraphs (a)(1)(i) through (ix), does not exceed one percent of the securities of the subject class;

(viii) A savings association as defined in Section 3(b) of the Federal Deposit Insurance Act (12 U.S.C. 1813);

(ix) A church plan that is excluded from the definition of an investment company under section 3(c)(14) of the Investment Company Act of 1940 (15 U.S.C. 80a-30); and

(x) A group, provided that all the members are persons specified in § 240.16a-1(a)(1)(i) through (ix).

(xi) A group, provided that all the members are persons specified in § 240.16a-1(a)(1) (i) through (vii).

NOTE TO PARAGRAPH (a): Pursuant to this section, a person deemed a beneficial owner of more than ten percent of any class of equity securities registered under section 12 of the Act would file a Form 3 (§ 249.103), but

the securities holdings disclosed on Form 3, and changes in beneficial ownership reported on subsequent Forms 4 (§ 249.104) or 5 (§ 249.105), would be determined by the definition of "beneficial owner" in paragraph (a)(2) of this section.

(2) Other than for purposes of determining whether a person is a beneficial owner of more than ten percent of any class of equity securities registered under Section 12 of the Act, the term *beneficial owner* shall mean any person who, directly or indirectly, through any contract, arrangement, understanding, relationship or otherwise, has or shares a direct or indirect pecuniary interest in the equity securities, subject to the following:

(i) The term *pecuniary interest* in any class of equity securities shall mean the opportunity, directly or indirectly, to profit or share in any profit derived from a transaction in the subject securities.

(ii) The term *indirect pecuniary interest* in any class of equity securities shall include, but not be limited to:

(A) Securities held by members of a person's immediate family sharing the same household; provided, however, that the presumption of such beneficial ownership may be rebutted; *see also* § 240.16a-1(a)(4);

(B) A general partner's proportionate interest in the portfolio securities held by a general or limited partnership. The general partner's proportionate interest, as evidenced by the partnership agreement in effect at the time of the transaction and the partnership's most recent financial statements, shall be the greater of:

(C) A performance-related fee, other than an asset-based fee, received by any broker, dealer, bank, insurance company, investment company, investment adviser, investment manager,

§ 240.16a-1

17 CFR Ch. II (4-1-06 Edition)

trustee or person or entity performing a similar function; *provided, however*, that no pecuniary interest shall be present where:

(1) The performance-related fee, regardless of when payable, is calculated based upon net capital gains and/or net capital appreciation generated from the portfolio or from the fiduciary's overall performance over a period of one year or more; and

(2) Equity securities of the issuer do not account for more than ten percent of the market value of the portfolio. A right to a nonperformance-related fee alone shall not represent a pecuniary interest in the securities;

(D) A person's right to dividends that is separated or separable from the underlying securities. Otherwise, a right to dividends alone shall not represent a pecuniary interest in the securities;

(E) A person's interest in securities held by a trust, as specified in § 240.16a-8(b); and

(F) A person's right to acquire equity securities through the exercise or conversion of any derivative security, whether or not presently exercisable.

(iii) A shareholder shall not be deemed to have a pecuniary interest in the portfolio securities held by a corporation or similar entity in which the person owns securities if the shareholder is not a controlling shareholder of the entity and does not have or share investment control over the entity's portfolio.

(3) Where more than one person subject to section 16 of the Act is deemed to be a beneficial owner of the same equity securities, all such persons must report as beneficial owners of the securities, either separately or jointly, as provided in § 240.16a-3(j). In such cases, the amount of short-swing profit recoverable shall not be increased above the amount recoverable if there were only one beneficial owner.

(4) Any person filing a statement pursuant to section 16(a) of the Act may state that the filing shall not be deemed an admission that such person is, for purposes of section 16 of the Act or otherwise, the beneficial owner of any equity securities covered by the statement.

(5) The following interests are deemed not to confer beneficial owner-

ship for purposes of section 16 of the Act:

(i) Interests in portfolio securities held by any holding company registered under the Public Utility Holding Company Act of 1935 (15 U.S.C. 79a *et seq.*);

(ii) Interests in portfolio securities held by any investment company registered under the Investment Company Act of 1940 (15 U.S.C. 80a-1 *et seq.*); and

(iii) Interests in securities comprising part of a broad-based, publicly traded market basket or index of stocks, approved for trading by the appropriate federal governmental authority.

(b) The term *call equivalent position* shall mean a derivative security position that increases in value as the value of the underlying equity increases, including, but not limited to, a long convertible security, a long call option, and a short put option position.

(c) The term *derivative securities* shall mean any option, warrant, convertible security, stock appreciation right, or similar right with an exercise or conversion privilege at a price related to an equity security, or similar securities with a value derived from the value of an equity security, but shall not include:

(1) Rights of a pledgee of securities to sell the pledged securities;

(2) Rights of all holders of a class of securities of an issuer to receive securities pro rata, or obligations to dispose of securities, as a result of a merger, exchange offer, or consolidation involving the issuer of the securities;

(3) Rights or obligations to surrender a security, or have a security withheld, upon the receipt or exercise of a derivative security or the receipt or vesting of equity securities, in order to satisfy the exercise price or the tax withholding consequences of receipt, exercise or vesting;

(5) Interests or rights to participate in employee benefit plans of the issuer;

Securities and Exchange Commission

§ 240.16a-2

(6) Rights with an exercise or conversion privilege at a price that is not fixed; or

(7) Options granted to an underwriter in a registered public offering for the purpose of satisfying over-allotments in such offering.

(d) The term *equity security of such issuer* shall mean any equity security or derivative security relating to an issuer, whether or not issued by that issuer.

(e) The term *immediate family* shall mean any child, stepchild, grandchild, parent, stepparent, grandparent, spouse, sibling, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law, or sister-in-law, and shall include adoptive relationships.

(f) The term “officer” shall mean an issuer’s president, principal financial officer, principal accounting officer (or, if there is no such accounting officer, the controller), any vice-president of the issuer in charge of a principal business unit, division or function (such as sales, administration or finance), any other officer who performs a policy-making function, or any other person who performs similar policy-making functions for the issuer. Officers of the issuer’s parent(s) or subsidiaries shall be deemed officers of the issuer if they perform such policy-making functions for the issuer. In addition, when the issuer is a limited partnership, officers or employees of the general partner(s) who perform policy-making functions for the limited partnership are deemed officers of the limited partnership. When the issuer is a trust, officers or employees of the trustee(s) who perform policy-making functions for the trust are deemed officers of the trust.

NOTE: “Policy-making function” is not intended to include policy-making functions that are not significant. If pursuant to Item 401(b) of Regulation S-K (§229.401(b)) the issuer identifies a person as an “executive officer,” it is presumed that the Board of Directors has made that judgment and that the persons so identified are the officers for purposes of Section 16 of the Act, as are such other persons enumerated in this paragraph (f) but not in Item 401(b).

(g) The term *portfolio securities* shall mean all securities owned by an entity, other than securities issued by the entity.

(h) The term *put equivalent position* shall mean a derivative security position that increases in value as the value of the underlying equity decreases, including, but not limited to, a long put option and a short call option position.

The rules under section 16 of the Act apply to any class of equity securities of an issuer whether or not registered under section 12 of the Act. The rules under section 16 of the Act also apply to non-equity securities as provided by the Public Utility Holding Company Act of 1935 and the Investment Company Act of 1940. With respect to transactions by persons subject to section 16 of the Act:

(a) A transaction(s) carried out by a director or officer in the six months prior to the director or officer becoming subject to section 16 of the Act shall be subject to section 16 of the Act and reported on the first required Form 4 only if the transaction(s) occurred within six months of the transaction giving rise to the Form 4 filing obligation and the director or officer became subject to section 16 of the Act solely as a result of the issuer registering a class of equity securities pursuant to section 12 of the Act.

(b) A transaction(s) following the cessation of director or officer status shall be subject to section 16 of the Act only if:

§ 240.16a-3

17 CFR Ch. II (4-1-06 Edition)

(2) Not otherwise exempted from section 16(b) of the Act pursuant to the provisions of this chapter.

NOTE TO PARAGRAPH (b): For purposes of this paragraph, an acquisition and a disposition each shall be an opposite transaction with respect to the other.

(c) The transaction that results in a person becoming a ten percent beneficial owner is not subject to section 16 of the Act unless the person otherwise is subject to section 16 of the Act. (a) Initial statements of beneficial ownership of equity securities required by section 16(a) of the Act shall be filed on Form 3. Statements of changes in beneficial ownership required by that section shall be filed on Form 4. Annual statements shall be filed on Form 5. At the election of the reporting person, any transaction required to be reported on Form 5 may be reported on an earlier filed Form 4. All such statements shall be prepared and filed in accordance with the requirements of the applicable form.

(b) A person filing statements pursuant to section 16(a) of the Act with respect to any class of equity securities registered pursuant to section 12 of the Act need not file an additional statement on Form 3:

(1) When an additional class of equity securities of the same issuer becomes registered pursuant to section 12 of the Act; or

(2) When such person assumes a different or an additional relationship to the same issuer (for example, when an officer becomes a director).

(c) Any issuer that has equity securities listed on more than one national securities exchange may designate one exchange as the only exchange with which reports pursuant to section 16(a) of the Act need be filed. Such designation shall be made in writing and shall be filed with the Commission and with each national securities exchange on which any equity security of the issuer is listed at the time of such election. The reporting person's obligation to file reports with each national securities exchange on which any equity security of the issuer is listed shall be satisfied by filing with the exchange so designated.

(d) Any person required to file a statement with respect to securities of a single issuer under both section 16(a) of the Act (15 U.S.C. 78p(a)) and either section 17(a) of the Public Utility Holding Company Act of 1935 (15 U.S.C. 79q(a)) or section 30(h) of the Investment Company Act of 1940 (15 U.S.C. 80a-29(h)) may file a single statement containing the required information, which will be deemed to be filed under both Acts.

Securities and Exchange Commission

§ 240.16a-3

(e) Any person required to file a statement under section 16(a) of the Act shall, not later than the time the statement is transmitted for filing with the Commission, send or deliver a duplicate to the person designated by the issuer to receive such statements, or, in the absence of such a designation, to the issuer's corporate secretary or person performing equivalent functions.

(f)(1) A Form 5 shall be filed by every person who at any time during the issuer's fiscal year was subject to section 16 of the Act with respect to such issuer, except as provided in paragraph (f)(2) of this section. The Form shall be filed within 45 days after the issuer's fiscal year end, and shall disclose the following holdings and transactions not reported previously on Forms 3, 4 or 5:

(i) All transactions during the most recent fiscal year that were exempt from section 16(b) of the Act, except:

(A) Exercises and conversions of derivative securities exempt under either § 240.16b-3 or § 240.16b-6(b), and any transaction exempt under § 240.16b-3(d), § 240.16b-3(e), or § 240.16b-3(f) (these are required to be reported on Form 4);

(B) Transactions exempt from section 16(b) of the Act pursuant to § 240.16b-3(c), which shall be exempt from section 16(a) of the Act; and

(C) Transactions exempt from section 16(a) of the Act pursuant to another rule;

(ii) Transactions that constituted small acquisitions pursuant to § 240.16a-6(a);

(iii) All holdings and transactions that should have been reported during the most recent fiscal year, but were not; and

(iv) With respect to the first Form 5 requirement for a reporting person, all holdings and transactions that should have been reported in each of the issuer's last two fiscal years but were not, based on the reporting person's reasonable belief in good faith in the completeness and accuracy of the information.

(2) Notwithstanding the above, no Form 5 shall be required where all transactions otherwise required to be reported on the Form 5 have been re-

ported before the due date of the Form 5.

Persons no longer subject to section 16 of the Act, but who were subject to the Section at any time during the issuer's fiscal year, must file a Form 5 unless paragraph (f)(2) is satisfied. *See also* § 240.16a-2(b) regarding the reporting obligations of persons ceasing to be officers or directors.

(g)(1) A Form 4 must be filed to report: All transactions not exempt from section 16(b) of the Act; All transactions exempt from section 16(b) of the Act pursuant to § 240.16b-3(d), § 240.16b-3(e), or § 240.16b-3(f); and all exercises and conversions of derivative securities, regardless of whether exempt from section 16(b) of the Act. Form 4 must be filed before the end of the second business day following the day on which the subject transaction has been executed.

(2) Solely for purposes of section 16(a)(2)(C) of the Act and paragraph (g)(1) of this section, the date on which the executing broker, dealer or plan administrator notifies the reporting person of the execution of the transaction is deemed the date of execution for a transaction where the following conditions are satisfied:

(i) the transaction is pursuant to a contract, instruction or written plan for the purchase or sale of equity securities of the issuer (as defined in § 16a-1(d)) that satisfies the affirmative defense conditions of § 240.10b5-1(c) of this chapter; and

(ii) the reporting person does not select the date of execution.

(3) Solely for purposes of section 16(a)(2)(C) of the Act and paragraph (g)(1) of this section, the date on which the plan administrator notifies the reporting person that the transaction has been executed is deemed the date of execution for a discretionary transaction (as defined in § 16b-3(b)(1)) for which the reporting person does not select the date of execution.

(4) In the case of the transactions described in paragraphs (g)(2) and (g)(3) of this section, if the notification date is later than the third business day following the trade date of the transaction, the date of execution is deemed to be the third business day following the trade date of the transaction.

(5) At the option of the reporting person, transactions that are reportable on Form 5 may be reported on Form 4, so long as the Form 4 is filed no later than the due date of the Form 5 on which the transaction is otherwise required to be reported.

(h) The date of filing with the Commission shall be the date of receipt by the Commission.

(i) *Signatures.* Where Section 16 of the Act, or the rules or forms thereunder, require a document filed with or furnished to the Commission to be signed, such document shall be manually signed, or signed using either typed signatures or duplicated or facsimile versions of manual signatures. Where typed, duplicated or facsimile signatures are used, each signatory to the filing shall manually sign a signature page or other document authenticating, acknowledging or otherwise adopting his or her signature that appears in the filing. Such document shall be executed before or at the time the filing is made and shall be retained by the filer for a period of five years. Upon request, the filer shall furnish to the Commission or its staff a copy of any or all documents retained pursuant to this section.

(j) Where more than one person subject to section 16 of the Act is deemed to be a beneficial owner of the same equity securities, all such persons must report as beneficial owners of the securities, either separately or jointly. Where persons in a group are deemed to be beneficial owners of equity securities pursuant to § 240.16a-1(a)(1) due to the aggregation of holdings, a single Form 3, 4 or 5 may be filed on behalf of all persons in the group. Joint and group filings must include all required information for each beneficial owner, and such filings must be signed by each beneficial owner, or on behalf of such owner by an authorized person.

(k) Any issuer that maintains a corporate Web site shall post on that Web site by the end of the business day after filing any Form 3, 4 or 5 filed under section 16(a) of the Act as to the equity securities of that issuer. Each such form shall remain accessible on such issuer's Web site for at least a 12-month period. In the case of an issuer that is an investment company and

that does not maintain its own Web site, if any of the issuer's investment adviser, sponsor, depositor, trustee, administrator, principal underwriter, or any affiliated person of the investment company maintains a Web site that includes the name of the issuer, the issuer shall comply with the posting requirements by posting the forms on one such Web site.

(2) *Trustees, beneficiaries, and settlors.* In determining whether a trustee, beneficiary, or settlor is a ten percent beneficial owner with respect to the issuer:

(2) *Trustees.* If, as provided by § 240.16a-1(a)(2), a trustee subject to section 16 of the Act has a pecuniary interest in any holding or transaction in the issuer's securities held by the trust, such holding or transaction shall be attributed to the trustee and shall be reported by the trustee in the trustee's individual capacity, as well as on behalf of the trust. With respect to performance fees and holdings of the trustee's immediate family, trustees shall be deemed to have a pecuniary interest in the trust holdings and transactions in the following circumstances:

(iii) In making a determination as to whether a beneficiary is the beneficial owner of the securities pursuant to § 240.16a-1(a)(2), beneficiaries shall be deemed to have a pecuniary interest in the issuer's securities held by the trust to the extent of their pro rata interest

in the trust where the trustee does not exercise exclusive investment control.

NOTE TO PARAGRAPH (b)(3): Transactions and holdings attributed to a trust beneficiary may be reported by the trustee on behalf of the beneficiary, provided that the report is signed by the beneficiary or other authorized person. Where the transactions and holdings are attributed both to the trustee and trust beneficiary, a joint report may be filed in accordance with § 240.16a-3(j).

(4) *Settlors.* If a settlor subject to section 16 of the Act reserves the right to revoke the trust without the consent of another person, the trust holdings and transactions shall be attributed to and reported by the settlor instead of the trust; *Provided, however,* That if the settlor does not exercise or share investment control over the issuer's securities held by the trust, the trust holdings and transactions shall be attributed to and reported by the trust instead of the settlor.

(c) *Remainder interests.* Remainder interests in a trust are deemed not to confer beneficial ownership for purposes of section 16 of the Act, provided that the persons with the remainder interests have no power, directly or indirectly, to exercise or share investment control over the trust.

(d) A trust, trustee, beneficiary or settlor becoming subject to section 16(a) of the Act pursuant to this rule also shall be subject to sections 16(b) and 16(c) of the Act.

§ 240.16b-6 Derivative securities.

(a) The establishment of or increase in a call equivalent position or liquidation of or decrease in a put equivalent position shall be deemed a purchase of the underlying security for purposes of section 16(b) of the Act, and the establishment of or increase in a put equivalent position or liquidation of or decrease in a call equivalent position shall be deemed a sale of the underlying securities for purposes of section 16(b) of the Act: *Provided, however,* That if the increase or decrease occurs as a result of the fixing of the exercise price of a right initially issued without a fixed price, where the date the price is fixed is not known in advance and is outside the control of the recipient, the increase or decrease shall be exempt from section 16(b) of the Act with respect to any offsetting transaction within the six months prior to the date the price is fixed.

(b) The closing of a derivative security position as a result of its exercise or conversion shall be exempt from the operation of section 16(b) of the Act, and the acquisition of underlying securities at a fixed exercise price due to the exercise or conversion of a call equivalent position or the disposition of underlying securities at a fixed exercise price due to the exercise of a put equivalent position shall be exempt from the operation of section 16(b) of the Act: *Provided, however,* That the acquisition of underlying securities from the exercise of an out-of-the-money option, warrant, or right shall not be exempt unless the exercise is necessary to comport with the sequential exercise provisions of the Internal Revenue Code (26 U.S.C. 422A).

NOTE TO PARAGRAPH (b): The exercise or conversion of a derivative security that does not satisfy the conditions of this section is eligible for exemption from section 16(b) of the Act to the extent that the conditions of § 240.16b-3 are satisfied.

(c) In determining the short-swing profit recoverable pursuant to section 16(b) of the Act from transactions involving the purchase and sale or sale

and purchase of derivative and other securities, the following rules apply:

(1) Short-swing profits in transactions involving the purchase and sale or sale and purchase of derivative securities that have identical characteristics (*e.g.*, purchases and sales of call options of the same strike price and expiration date, or purchases and sales of the same series of convertible debentures) shall be measured by the actual prices paid or received in the short-swing transactions.

(2) Short-swing profits in transactions involving the purchase and sale or sale and purchase of derivative securities having different characteristics but related to the same underlying security (*e.g.*, the purchase of a call option and the sale of a convertible debenture) or derivative securities and underlying securities shall not exceed the difference in price of the underlying security on the date of purchase or sale and the date of sale or purchase. Such profits may be measured by calculating the short-swing profits that would have been realized had the subject transactions involved purchases and sales solely of the derivative security that was purchased or solely of the derivative security that was sold, valued as of the time of the matching purchase or sale, and calculated for the lesser of the number of underlying securities actually purchased or sold.

(d) Upon cancellation or expiration of an option within six months of the writing of the option, any profit derived from writing the option shall be recoverable under section 16(b) of the Act. The profit shall not exceed the premium received for writing the option. The disposition or closing of a long derivative security position, as a result of cancellation or expiration, shall be exempt from section 16(b) of the Act where no value is received from the cancellation or expiration.

The member, broker or dealer shall include with the account record or alternative document provided to each customer or owner an explanation of any terms regarding investment objectives. The account record or alternate document furnished to the customer or owner shall include or be accompanied by prominent statements that the customer or owner should mark any corrections and return the account record or alternate document to the member, broker or dealer, and that the customer or owner should notify the member, broker or dealer of any future changes to information contained in the account record.

(2) For each account record updated to reflect a change in the name or address of the customer or owner, the member, broker or dealer furnished a notification of that change to the customer's old address, or to each joint owner, and the associated person, if any, responsible for that account, on or before the 30th day after the date the member, broker or dealer received notice of the change.

(3) For each change in the account's investment objectives the member, broker or dealer has furnished to each customer or owner, and the associated person, if any, responsible for that account a copy of the updated customer

account record or alternative document with all information required to be furnished by paragraph (a)(17)(i)(B)(I) of this section, on or before the 30th day after the date the member, broker or dealer received notice of any change, or, if the account was updated for some reason other than the firm receiving notice of a change, after the date the account record was updated. (C) For purposes of this paragraph (a)(17), the neglect, refusal, or inability of a customer or owner to provide or update any account record information required under paragraph (a)(17)(i)(A) of this section shall excuse the member, broker or dealer from obtaining that required information.

(D) The account record requirements in paragraph (a)(17)(i)(A) of this section shall only apply to accounts for which the member, broker or dealer is, or has within the past 36 months been, required to make a suitability determination under the federal securities laws or under the requirements of a self-regulatory organization of which it is a member. The record shall include the complainant's name, address, and account number; the date the complaint was received; the name of any other associated person identified in the complaint; a description of the nature of the complaint; and the disposition of the complaint. Instead of the record, a member, broker or dealer may maintain a copy of each original complaint in a separate file by the associated person named in the complaint along with a record of the disposition of the complaint.

(ii) Indicating that each customer of the member, broker or dealer has been provided with a notice containing the address and telephone number of the department of the member, broker or dealer to which any complaints as to the account may be directed.

(19) A record:

(i) As to each associated person listing each purchase and sale of a security attributable, for compensation purposes, to that associated person. The record shall include the amount of compensation if monetary and a description of the compensation if non-monetary. In lieu of making this record, a member, broker or dealer may elect to produce the required information promptly upon request of a representative of a securities regulatory authority.

(ii) Of all agreements pertaining to the relationship between each associated person and the member, broker or dealer including a summary of each associated person's compensation arrangement or plan with the member, broker or dealer, including commission and concession schedules and, to the extent that compensation is based on factors other than remuneration per

trade, the method by which the compensation is determined.

(20) A record, which need not be separate from the advertisements, sales literature, or communications, documenting that the member, broker or dealer has complied with, or adopted policies and procedures reasonably designed to establish compliance with, applicable federal requirements and rules of a self-regulatory organization of which the member, broker or dealer is a member which require that advertisements, sales literature, or any other communications with the public by a member, broker or dealer or its associated persons be approved by a principal.

(21) A record for each office listing, by name or title, each person at that office who, without delay, can explain the types of records the firm maintains at that office and the information contained in those records.

(22) A record listing each principal of a member, broker or dealer responsible for establishing policies and procedures that are reasonably designed to ensure compliance with any applicable federal requirements or rules of a self-regulatory organization of which the member, broker or dealer is a member that require acceptance or approval of a record by a principal.

(ii) The electronic storage media must:

(A) Preserve the records exclusively in a non-rewriteable, non-erasable format;

(B) Verify automatically the quality and accuracy of the storage media recording process;

(B) Each index must be duplicated and the duplicate copies must be stored separately from the original copy of each index.

(C) Original and duplicate indexes must be preserved for the time required for the indexed records.

and information necessary to access records and indexes.

(vii) For every member, broker, or dealer exclusively using electronic storage media for some or all of its record preservation under this section, at least one third party ("the undersigned"), who has access to and the ability to download information from the member's, broker's, or dealer's electronic storage media to any acceptable medium under this section, shall file with the designated examining authority for the member, broker, or dealer the following undertakings with respect to such records:

The undersigned hereby undertakes to furnish promptly to the U.S. Securities and Exchange Commission ("Commission"), its designees or representatives, any self-regulatory organization of which it is a member, or any State securities regulator having jurisdiction over the member, broker or dealer, upon reasonable request, such information as is deemed necessary by the staffs of the Commission, any self-regulatory organization of which it is a member, or any State securities regulator having jurisdiction over the member, broker or dealer to download information kept on the broker's or dealer's electronic storage media to any medium acceptable under Rule 17a-4.

Furthermore, the undersigned hereby undertakes to take reasonable steps to provide access to information contained on the broker's or dealer's electronic storage media, including, as appropriate, arrangements for the downloading of any record required to be maintained and preserved by the broker or dealer pursuant to Rules 17a-3 and 17a-4 under the Securities Exchange Act of 1934 in a format acceptable to the staffs of the Commission, any self-regulatory organization of which it is a member, or any State securities regulator having jurisdiction over the member, broker or dealer. Such arrangements will provide specifically that in the event of a failure on the part of a broker or dealer to download the record into a readable format and after reasonable notice to the broker or dealer, upon being provided with the appropriate electronic storage medium, the undersigned will undertake to do so, as the staffs of the Commission, any self-regulatory organization of which it is a member, or any State securities regulator having jurisdiction over the member, broker or dealer may request.

(g) If a person who has been subject to § 240.17a-3 ceases to transact a business in securities directly with others than members of a national securities exchange, or ceases to transact a busi-

ness in securities through the medium of a member of a national securities exchange, or ceases to be registered pursuant to section 15 of the Securities Exchange Act of 1934 as amended (48 Stat. 895, 49 Stat. 1377; 15 U.S.C. 78o), such person shall, for the remainder of the periods of time specified in this section, continue to preserve the records which he theretofore preserved pursuant to this section.

(h) For purposes of transactions in municipal securities by municipal securities brokers and municipal securities dealers, compliance with Rule G-9 of the Municipal Securities Rule-making Board will be deemed to be in compliance with this section.

(i) If the records required to be maintained and preserved pursuant to the provisions of §§ 240.17a-3 and 240.17a-4 are prepared or maintained by an outside service bureau, depository, bank which does not operate pursuant to § 240.17a-3(b)(2), or other recordkeeping service on behalf of the member, broker or dealer required to maintain and preserve such records, such outside entity shall file with the Commission a written undertaking in form acceptable to the Commission, signed by a duly authorized person, to the effect that such records are the property of the member, broker or dealer required to maintain and preserve such records and will be surrendered promptly on request of the member, broker or dealer and including the following provision:

With respect to any books and records maintained or preserved on behalf of [BD], the undersigned hereby undertakes to permit examination of such books and records at any time or from time to time during business hours by representatives or designees of the Securities and Exchange Commission, and to promptly furnish to said Commission or its designee true, correct, complete and current hard copy of any or all or any part of such books and records.

Agreement with an outside entity shall not relieve such member, broker or dealer from the responsibility to prepare and maintain records as specified in this section or in § 240.17a-3.

(j) Every member, broker and dealer subject to this section shall furnish promptly to a representative of the Commission legible, true, complete, and current copies of those records of

the member, broker or dealer that are required to be preserved under this section, or any other records of the member, broker or dealer subject to examination under section 17(b) of the Act (15 U.S.C. 78q(b)) that are requested by the representative of the Commission.

(k) *Exchanges of futures for physical.*

Upon receipt of such documentation, the member, broker or dealer shall promptly provide that documentation to the requesting designee or representative.

(2) This paragraph (k) does not apply to an underlying cash transaction(s) or exchange(s) that was effected through a member, broker or dealer registered with the Commission and is of a type required to be recorded pursuant to § 240.17a-3.

(1) Records for the most recent two year period required to be made pursuant to § 240.17a-3(g) and paragraphs (b)(4) and (e)(7) of this section which relate to an office shall be maintained at the office to which they relate. If an office is a private residence where only one associated person (or multiple associated persons who reside at that location and are members of the same immediate family) regularly conducts business, and it is not held out to the public as an office nor are funds or securities of any customer of the member, broker or dealer handled there, the member, broker or dealer need not maintain records at that office, but the records must be maintained at another location within the same State as the member, broker or dealer may select. Rather than maintain the records at each office, the member, broker or dealer may choose to produce the records promptly at the request of a representative of a securities regulatory authority at the office to which they relate or at another location agreed to by the representative.

(m) When used in this section:

(1) The term *office* shall have the meaning set forth in § 240.17a-3(h)(1).

The independent public accountant's report shall be prepared in accordance with standards that have been reviewed by the Commission and that have been issued by a national organization that is responsible for promulgating authoritative accounting and auditing standards.

(f)(1) *Qualification of accountants.* The Commission will not recognize any person as a certified public accountant who is not duly registered and in good standing as such under the laws of his place of residence or principal office. The Commission will not recognize any person as a public accountant who is not in good standing and entitled to practice as such under the laws of his place of residence or principal office.

(2) *Designation of accountant.* (i) Every broker or dealer which is required by paragraph (d) of this section to file an annual report of financial statements section shall file no later than December 10 of each year a statement with the Commission's principal office in Washington, DC, the regional or district office of the Commission for the region or district in which its principal place of business is located, and the principal office of the designated examining authority for such broker or dealer. Such statement shall indicate the existence of an agreement dated no later than December first, with an independent public accountant covering a contractual commitment to conduct the broker's or dealer's annual audit during the following calendar year.

(ii) The agreement may be of a continuing nature, providing for successive yearly audits, in which case no further filing is required. If the agreement is for a single audit, or if the continuing agreement previously filed has been terminated or amended, a new

statement must be filed by the required date.

(iii) The statement shall be headed "Notice pursuant to Rule 17a-5(f)(2)" and shall contain the following information:

(A) Name, address, telephone number and registration number of the broker or dealer;

(B) Name, address and telephone number of the accounting firm; and

(C) The audit date of the broker or dealer for the year covered by the agreement.

(iv) Any broker or dealer which is exempted from the requirement to file an annual audited report of financial statements shall nevertheless file the notice specified herein indicating the date as of which the unaudited report will be prepared.

(v) Notwithstanding the date of filing specified in paragraph (f)(2)(i) of this section, every broker or dealer shall file the notice provided for in paragraph (f)(2) of this section within 30 days following the effective date of registration as a broker or dealer.

(3) *Independence of accountant.* An accountant shall be independent in accordance with the provisions of § 210.2-01 (b) and (c) of this chapter.

(4) *Replacement of accountant.* A broker or dealer shall file a notice which must be received by the Commission's principal office in Washington, DC, the regional or district office of the Commission for the region or district in which its principal place of business is located, and the principal office of the designated examining authority for such broker or dealer, not more than 15 business days after:

(i) The broker or dealer has notified the accountant whose opinion covered the most recent financial statements filed under paragraph (d) of this section that his services will not be utilized in future engagements; or

(ii) The broker or dealer has notified an accountant who was engaged to give an opinion covering the financial statements to be filed under paragraph (d) of this section that the engagement has been terminated; or

(iii) An accountant has notified the broker or dealer that he would not continue under an engagement to give an opinion covering the financial state-

ments to be filed under paragraph (d) of this section; or

(iv) A new accountant has been engaged to give an opinion covering the financial statements to be filed under paragraph (d) of this section without any notice of termination having been given to or by the previously engaged accountant.

Such notice shall state (A) the date of notification of the termination of the engagement or engagement of the new accountant as applicable and (B) the details of any problems existing during the 24 months (or the period of the engagement, if less) preceding such termination or new engagement relating to any matter of accounting principles or practices, financial statement disclosure, auditing scope or procedure, or compliance with applicable rules of the Commission, which problems, if not resolved to the satisfaction of the former accountant, would have caused him to make reference to them in connection with his report on the subject matter of the problems. The problems required to be reported in response to the preceding sentence include both those resolved to the former accountant's satisfaction and those not resolved to the former accountant's satisfaction. Problems contemplated by this section are those which occur at the decision-making level—i.e., between principal financial officers of the broker-dealer and personnel of the accounting firm responsible for rendering its report. The notice shall also state whether the accountant's report on the financial statements for any of the past two years contained an adverse opinion or a disclaimer of opinion or was qualified as to uncertainties, audit scope, or accounting principles, and describe the nature of each such adverse opinion, disclaimer of opinion, or qualification. The broker or dealer shall also request the former accountant to furnish the broker or dealer with a letter addressed to the Commission stating whether he agrees with the statements contained in the notice of the broker or dealer and, if not, stating the respects in which he does not agree. The broker or dealer shall file three copies of the notice and the accountant's letter, one copy of which shall be manually signed by the sole proprietor, or a general

partner or a duly authorized corporate officer, as appropriate, and by the accountant, respectively.

(g) *Audit objectives.* (1) The audit shall be made in accordance with generally accepted auditing standards and shall include a review of the accounting system, the internal accounting control and procedures for safeguarding securities including appropriate tests thereof for the period since the prior examination date. The audit shall include all procedures necessary under the circumstances to enable the independent public accountant to express an opinion on the statement of financial condition, results of operations, cash flow, and the Computation of Net Capital under § 240.15c3-1, the Computation for Determination of reserve Requirements for Brokers or Dealers under Exhibit A of § 240.15c3-3, and Information Relating to the Possession or Control Requirements under § 240.15c3-3. The scope of the audit and review of the accounting system, the internal control and procedures for safeguarding securities shall be sufficient to provide reasonable assurance that any material inadequacies existing at the date of the examination in (a) the accounting system; (b) the internal accounting controls; (c) procedures for safeguarding securities; and (d) the practices and procedures whose review is specified in (i), (ii), (iii) and (iv) of this paragraph would be disclosed. Additionally, as specific objectives, the audit shall include reviews of the practices and procedures followed by the client;

(i) In making the periodic computations of aggregate indebtedness and net capital under § 240.17a-3(a)(11) and the reserve required by § 240.15c3-3(e);

(ii) In making the quarterly securities examinations, counts, verifications and comparisons and the recording of differences required by § 240.17a-13;

(iii) In complying with the requirement for prompt payment for securities of section 4(c) of Regulation T (§ 220.4(c) of chapter II of title 12) of the Board of Governors of the Federal Reserve System; and

(iv) In obtaining and maintaining physical possession or control of all fully paid and excess margin securities of customers as required by § 240.15c3-3.

Such review shall include a determination as to the adequacy of the procedures described in the records required to be maintained pursuant to § 240.15c3-3(d)(4).

(2) If the broker or dealer is exempt from § 240.15c3-3, the independent public accountant shall ascertain that the conditions of the exemption were being complied with as of the examination date and that no facts came to his attention to indicate that the exemption had not been complied with during the period since his last examination.

(3) A material inadequacy in the accounting system, internal accounting controls, procedures for safeguarding securities, and practices and procedures referred to in paragraph (g)(1) of this section which is expected to be reported under these audit objectives includes any condition which has contributed substantially to or, if appropriate corrective action is not taken, could reasonably be expected to (i) inhibit a broker or dealer from promptly completing securities transactions or promptly discharging his responsibilities to customers, other broker-dealers or creditors; (ii) result in material financial loss; (iii) result in material misstatements of the broker's or dealer's financial statements; or (iv) result in violations of the Commission's recordkeeping or financial responsibility rules to an extent that could reasonably be expected to result in the conditions described in paragraphs (g)(3) (i), (ii), or (iii) of this section.

(h) *Extent and timing of audit procedures.* (1) The extent and timing of audit procedures are matters for the independent public accountant to determine on the basis of his review and evaluation of existing internal controls and other audit procedures performed in accordance with generally accepted auditing standards and the audit objectives set forth in paragraph (g) of this section. In determining the extent of testing, consideration shall be given to the materiality of an area and the possible effect on the financial statements and schedules of a material misstatement in a related account. The performance of auditing procedures involves the proper synchronization of

their application and thus comprehends the need to consider simultaneous performance of procedures in certain areas such as, for example, securities counts, transfer verification and customer and broker confirmation in connection with verification of securities positions.

(2) If, during the course of the audit or interim work, the independent public accountant determines that any material inadequacies exist in the accounting system, internal accounting control, procedures for safeguarding securities, or as otherwise defined in paragraph (g)(3) of this section, then the independent public accountant shall call it to the attention of the chief financial officer of the broker or dealer, who shall have a responsibility to inform the Commission and the designated examining authority by telegraphic or facsimile notice within 24 hours thereafter as set forth in § 240.17a-11 (e) and (g). The broker or dealer shall also furnish the accountant with a copy of said notice to the Commission by telegram or facsimile within said 24 hour period. If the accountant fails to receive such notice from the broker or dealer within said 24 hour period, or if the accountant disagrees with the statements contained in the notice of the broker or dealer, the accountant shall have a responsibility to inform the Commission and the designated examining authority by report of material inadequacy within 24 hours thereafter as set forth in § 240.17a-11(g). Such report from the accountant shall, if the broker or dealer failed to file a notice, describe any material inadequacies found to exist. If the broker or dealer filed a notice, the accountant shall file a report detailing the aspects, if any, of the broker's or dealer's notice with which the accountant does not agree.

(i) *Accountant's reports, general provisions*—1) *Technical requirements*. The accountant's report shall:

- (i) Be dated;
- (ii) Be signed manually;
- (iii) Indicate the city and state where issued; and
- (iv) Identify without detailed enumeration the financial statements and schedules covered by the report.

(2) *Representations as to the audit*. The accountant's report shall:

- (i) State whether the audit was made in accordance with generally accepted auditing standards;
- (ii) State whether the accountant reviewed the procedures followed for safeguarding securities; and
- (iii) Designate any auditing procedures deemed necessary by the accountant under the circumstances of the particular case which have been omitted, and the reason for their omission.

Nothing in this section shall be construed to imply authority for the omission of any procedure which independent accountants would ordinarily employ in the course of an audit made for the purpose of expressing the opinions required under this section.

(3) *Opinion to be expressed*. The accountant's report shall state clearly the opinion of the accountant: (i) In respect of the financial statements and schedules covered by the report and the accounting principles and practices reflected therein; and (ii) as to the consistency of the application of the accounting principles, or as to any changes in such principles which have a material effect on the financial statements.

(4) *Exceptions*. Any matters to which the accountant takes exception shall be clearly identified, the exception thereto specifically and clearly stated, and, to the extent practicable, the effect of each such exception on the related financial statements given.

(5) *Definitions*. For the purpose of this section, the terms *audit* (or *examination*), *accountant's report*, and *certified* shall have the meanings given in § 210.1-02 of this chapter.

(j) *Accountant's report on material inadequacies*. The broker or dealer shall file concurrently with the annual audit report a supplemental report by the accountant describing any material inadequacies found to exist or found to have existed since the date of the previous audit. The supplemental report shall indicate any corrective action taken or proposed by the broker or dealer in regard thereto. If the audit did not disclose any material inadequacies, the supplemental report shall so state.

(k) *Supplemental reports.* Each broker or dealer that computes certain of its capital charges in accordance with § 240.15c3-1e shall file concurrently with the annual audit report a supplemental report on management controls, which shall be prepared by a registered public accounting firm (as that term is defined in section 2(a)(12) of the Sarbanes-Oxley Act of 2002 (15 U.S.C. 7201 *et seq.*)). The supplemental report shall indicate the results of the accountant's review of the internal risk management control system established and documented by the broker or dealer in accordance with § 240.15c3-4. This review shall be conducted in accordance with procedures agreed upon by the broker or dealer and the registered public accounting firm conducting the review. The agreed upon procedures are to be performed and the report is to be prepared in accordance with the rules promulgated by the Public Company Accounting Oversight Board. The purpose of the review is to confirm that the broker or dealer has established, documented, and is in compliance with the internal risk management controls established in accordance with § 240.15c3-4. Before commencement of the review and no later than December 10 of each year, the broker or dealer shall file a statement with the Division of Market Regulation, Office of Financial Responsibility, at the Commission's principal office in Washington, DC that includes:

(1) A description of the agreed-upon procedures agreed to by the broker or dealer and the registered public accounting firm; and

(2) A notice describing changes in those agreed-upon procedures, if any. If there are no changes, the broker or dealer should so indicate.

(l) *Use of certain statements filed with the Securities and Exchange Commission.* At the request of any broker or dealer who is (1) an investment company registered under the Investment Company Act of 1940, or (2) a sponsor or depositor of such a registered investment company who effects transactions in securities only with, or on behalf of, such registered investment company, the Commission will accept the financial statements filed pursuant to section 13 or 15(d) of the Securities Exchange Act

of 1934 or section 30 of the Investment Company Act of 1940 and the rules and regulations promulgated thereunder as a filing pursuant to paragraph (d) of this section. Such a filing shall be deemed to satisfy the requirements of this section for any calendar year in which such financial statements are filed, provided that the statements so filed meet the requirements of the other rules under which they are filed with respect to time of filing and content.

(m) *Extensions and exemptions.* (1) A broker's or dealer's designated examining authority may extend the period under paragraph (d) of this section for filing annual audit reports. The designated examining authority for the broker or dealer shall maintain, in the manner prescribed in § 240.17a-1, a record of each extension granted.

(2) Any "bank" as defined in section 3(a)(6) of the Act (48 Stat. 882; 15 U.S.C. 78c) and any "insurance company" as defined in section 3(a)(19) of the Act (78 Stat. 565; 15 U.S.C. 78c) registered as a broker or dealer to sell variable contracts but exempt from § 240.15c3-1 shall be exempt from the provisions of this section.

(3) On written request of any national securities exchange, registered national securities association, broker or dealer, or on its own motion, the Commission may grant an extension of time or an exemption from any of the requirements of this section either unconditionally or on specified terms and conditions.

(4) The provisions of § 240.17a-5 shall not apply to a broker or dealer registered pursuant to section 15(b)(1)(A) of the Act (15 U.S.C. 78o(b)(1)(A)) that is not a member of either a national securities exchange pursuant to section 6(a) of the Act (15 U.S.C. 78f(a)) or a national securities association registered pursuant to section 15A(a) of the Act (15 U.S.C. 78o-3(a)).

(n) *Notification of change of fiscal year.* (1) In the event any broker or dealer finds it necessary to change its fiscal year, it must file, with the Commission's principal office in Washington, DC, the regional or district office of the Commission for the region or district in which the broker or dealer has its principal place of business and the

(o) *Filing requirements.* For purposes of filing requirements as described in § 240.17a-5, such filing shall be deemed to have been accomplished upon receipt at the Commission's principal office in Washington, DC, with duplicate originals simultaneously filed at the locations prescribed in the particular paragraph of § 240.17a-5 which is applicable.

provisions of which have been submitted to and declared effective by the Commission. Any such plan filed by a national securities exchange or a registered national securities association may provide that when a member is also a member of one or more national securities exchanges, or of one or more national securities exchanges and a registered national securities association, the information required to be submitted with respect to any such member may be transmitted by only one specified national securities exchange or registered national securities association. For the purpose of this section, a plan filed with the Commission by a national securities exchange or a registered national securities association shall not become effective unless the Commission, having due regard for the public interest, for the protection of investors, and for the fulfillment of the Commission's functions under the provisions of the Act, declares the plan to be effective. § 240.17a-12 Reports to be made by certain OTC derivatives dealers.

(a) *Filing of quarterly reports.* (1) This paragraph (a) shall apply to every OTC derivatives dealer registered pursuant to Section 15 of the Act (15 U.S.C. 78o).

(i) Every OTC derivatives dealer shall file Part IIB of Form X-17A-5 (§249.617 of this chapter) within 17 business days after the end of each calendar quarter and within 17 business days after the date selected for the annual audit of financial statements where said date is other than the end of the calendar quarter.

(ii) Upon receiving from the Commission written notice that additional reporting is required, an OTC derivatives dealer shall file monthly, or at such times as shall be specified, Part IIB of Form X-17A-5 (§249.617 of this chapter) and such other financial or operational information as shall be required by the Commission.

(2) The reports provided for in this paragraph (a) shall be considered filed when received at the Commission's principal office in Washington, DC. All reports filed pursuant to this paragraph (a) shall be deemed to be confidential.

(3) Upon written application by an OTC derivatives dealer to the Commission, the Commission may extend the time for filing the information required by this paragraph (a). The written application shall be filed with the Commission at its principal office in Washington DC.

(b) *Annual filing of audited financial statements.* (1)(i) Every OTC derivatives dealer registered pursuant to Section 15 of the Act (15 U.S.C. 78o) shall file annually, on a calendar or fiscal year basis, a report which shall be audited by a certified public accountant. Reports filed pursuant to this paragraph (b) shall be as of the same fixed or determinable date each year, unless a change is approved in writing by the Commission.

(ii) An OTC derivatives dealer succeeding to and continuing the business of another OTC derivatives dealer need not file a report under this paragraph (b) as of a date in the fiscal or calendar year in which the succession occurs if the predecessor OTC derivatives dealer has filed a report in compliance with

this paragraph (b) as of a date in such fiscal or calendar year.

(2) The annual audit report shall contain a Statement of Financial Condition (in a format and on a basis which is consistent with the total reported on the Statement of Financial Condition contained in Form X-17A-5 (§249.617 of this chapter), Part IIB, a Statement of Income, a Statement of Cash Flows, a Statement of Changes in Stockholders' or Partners' or Sole Proprietor's Equity, and a Statement of Changes in Liabilities Subordinated to Claims of General Creditors. Such statements shall be in a format which is consistent with such statements as contained in Form X-17A-5 (§249.617 of this chapter), Part IIB. If the Statement of Financial Condition filed in accordance with instructions to Form X-17A-5 (§249.617 of this chapter), Part IIB, is not consolidated, a summary of financial data for subsidiaries not consolidated in the Part IIB Statement of Financial Condition as filed by the OTC derivatives dealer shall be included in the notes to the consolidated statement of financial condition reported on by the certified public accountant. The summary financial data shall include the assets, liabilities, and net worth or stockholders' equity of the unconsolidated subsidiaries.

(3) Supporting schedules shall include, from Part IIB of Form X-17A-5 (§249.617 of this chapter), a Computation of Net Capital under §240.15c3-1.

(4) A reconciliation, including appropriate explanations, of the Computation of Net Capital under §240.15c3-1 contained in the audit report with the broker's or dealer's corresponding unaudited most recent Part IIB filing shall be filed with the report when material differences exist. If no material differences exist, a statement so indicating shall be filed.

(5) The annual audit report shall be filed not more than sixty days after the date of the financial statements.

(6) Two copies of the annual audit report shall be filed at the Commission's principal office in Washington, DC.

(c) *Nature and form of reports.* The financial statements filed pursuant to paragraph (b) of this section shall be prepared and filed in accordance with the following requirements:

(1) An audit shall be conducted by a certified public accountant who shall be in fact independent as defined in paragraph (f) of this section, and it shall give an opinion covering the statements filed pursuant to paragraph (b) of this section.

(2) Attached to the report shall be an oath or affirmation that, to the best knowledge and belief of the person making such oath or affirmation, the financial statements and schedules are true and correct and neither the OTC derivatives dealer, nor any partner, officer, or director, as the case may be, has any significant interest in any counterparty or in any account classified solely as that of a counterparty. The oath or affirmation shall be made before a person duly authorized to administer such oaths or affirmations. If the OTC derivatives dealer is a sole proprietorship, the oath or affirmation shall be made by the proprietor; if a partnership, by a general partner; or if a corporation, by a duly authorized officer.

(3) All of the statements filed pursuant to paragraph (b) of this section shall be confidential except that they shall be available for use by any official or employee of the United States or by any other person to whom the Commission authorizes disclosure of such information as being in the public interest.

(d) *Qualification of accountants.* The Commission will not recognize any person as a certified public accountant who is not duly registered and in good standing as such under the laws of the State of his principal office.

(e) *Designation of accountant.* (1) Every OTC derivatives dealer shall file no later than December 10 of each year with the Commission's principal office in Washington, DC a statement indicating the existence of an agreement, dated no later than December 1 of that year, with a certified public accountant covering a contractual commitment to conduct the OTC derivatives dealer's annual audit during the following calendar year.

(2) If the agreement is of a continuing nature, providing for successive yearly audits, no further filing is required. If the agreement is for a single audit, or if the continuing agree-

ment previously filed has been terminated or amended, a new statement must be filed by the required date.

(3) The statement shall be headed "Notice pursuant to § 240.17a-12(e)" and shall contain the following information:

(i) Name, address, telephone number, and registration number of the OTC derivatives dealer;

(ii) Name, address, and telephone number of the certified public accounting firm; and

(iii) The audit date of the OTC derivatives dealer for the year covered by the agreement.

(4) Notwithstanding the date of filing specified in paragraph (e)(1) of this section, every OTC derivatives dealer shall file the notice provided for in paragraph (e) of this section within 30 days following the effective date of registration as an OTC derivatives dealer.

(f) *Independence of accountant.* A certified public accountant shall be independent in accordance with the provisions of § 210.2-01(b) and (c) of this chapter.

(g) *Replacement of accountant.* (1) An OTC derivatives dealer shall file a notice that must be received by the Commission's principal office in Washington, DC not more than 15 business days after:

(i) The OTC derivatives dealer has notified the certified public accountant whose opinion covered the most recent financial statements filed under paragraph (b) of this section that the certified public accountant's services will not be utilized in future engagements; or

(ii) The OTC derivatives dealer has notified a certified public accountant who was engaged to give an opinion covering the financial statements to be filed under paragraph (b) of this section that the engagement has been terminated; or

(iii) A certified public accountant has notified the OTC derivatives dealer that it will not continue under an engagement or give an opinion covering the financial statements to be filed under paragraph (b) of this section; or

(iv) A new certified public accountant has been engaged to give an opinion covering the financial statements to be filed under paragraph (b) of this

section without any notice of termination having been given to or by the previously engaged certified public accountant.

(2) Such notice shall state the date of notification of the termination of the engagement of the former certified public accountant or the engagement of the new certified public accountant, as applicable, and the details of any disagreements existing during the 24 months (or the period of the engagement, if less) preceding such termination or new engagement relating to any matter of accounting principles or practices, financial statement disclosure, auditing scope or procedure, or compliance with applicable rules of the Commission, which disagreements, if not resolved to the satisfaction of the former certified public accountant, would have caused the former certified public accountant to make reference to them in connection with the report on the subject matter of the disagreements. The disagreements required to be reported in response to the preceding sentence include both those resolved to the former certified public accountant's satisfaction and those not resolved to the former certified public accountant's satisfaction. Disagreements contemplated by this section are those that occur at the decision-making level (*i.e.*, between principal financial officers of the OTC derivatives dealer and personnel of the certified public accounting firm responsible for rendering its report). The notice shall also state whether the certified public accountant's report on the financial statements for any of the past two years contained an adverse opinion or a disclaimer of opinion or was qualified as to uncertainties, audit scope, or accounting principles, and describe the nature of each such adverse opinion, disclaimer of opinion, or qualification. The OTC derivatives dealer shall also request the former certified public accountant to furnish the OTC derivatives dealer with a letter addressed to the Commission stating whether the former certified public accountant agrees with the statements contained in the notice of the OTC derivatives dealer and, if not, stating the respects in which the former certified public accountant does not agree. The OTC de-

rivatives dealer shall file three copies of the notice and the certified public accountant's letter, one copy of which shall be manually signed by the sole proprietor, or a general partner or a duly authorized corporate officer, as appropriate, and by the certified public accountant.

(h) *Audit objectives.* (1) The audit shall be made in accordance with U.S. Generally Accepted Auditing Standards and shall include a review of the accounting system, the internal accounting controls, and procedures for safeguarding securities including appropriate tests thereof for the period since the date of the prior audited financial statements. The audit shall include all procedures necessary under the circumstances to enable the certified public accountant to express an opinion on the statement of financial condition, results of operations, cash flows, and the Computation of Net Capital under § 240.15c3-1. The scope of the audit and review of the accounting system, the internal accounting controls, and procedures for safeguarding securities shall be sufficient to provide reasonable assurance that any material inadequacies existing at the date of the examination in the following are disclosed:

- (i) The accounting system;
- (ii) The internal accounting controls; and
- (iii) The procedures for safeguarding securities.

(2) A material inadequacy in the accounting system, internal accounting controls, procedures for safeguarding securities, and practices and procedures referred to in paragraph (h) (1) of this section that must be reported under these audit objectives includes any condition which has contributed substantially to or, if appropriate corrective action is not taken, could reasonably be expected to:

- (i) Inhibit an OTC derivatives dealer from promptly completing securities transactions or promptly discharging its responsibilities to counterparties, other brokers and dealers, or creditors;
- (ii) Result in material financial loss;
- (iii) Result in material misstatements of the OTC derivatives dealer's financial statements; or

(iv) Result in violations of the Commission's recordkeeping or financial responsibility rules to an extent that could reasonably be expected to result in the conditions described in paragraphs (h)(2)(i), (ii), or (iii) of this section.

(i) *Extent and timing of audit procedures.* (1) The extent and timing of audit procedures are matters for the certified public accountant to determine on the basis of its review and evaluation of existing internal controls and other audit procedures performed in accordance with U.S. Generally Accepted Auditing Standards and the audit objectives set forth in paragraph (h) of this section.

(2) If, during the course of the audit or interim work, the certified public accountant determines that any material inadequacies exist in the accounting system, internal accounting controls, procedures for safeguarding securities, or as otherwise defined in paragraph (h)(2) of this section, then the certified public accountant shall call it to the attention of the chief financial officer of the OTC derivatives dealer, who shall inform the Commission by telegraphic or facsimile notice within 24 hours thereafter as set forth in § 240.17a-11(e) and (g). The OTC derivatives dealer shall also furnish the certified public accountant with a copy of said notice to the Commission by telegram or facsimile within the same 24 hour period. If the certified public accountant fails to receive such notice from the OTC derivatives dealer within that 24 hour period, or if the certified public accountant disagrees with the statements contained in the notice of the OTC derivatives dealer, the certified public accountant shall inform the Commission by report of material inadequacy within 24 hours thereafter as set forth in § 240.17a-11(g). Such report from the certified public accountant shall, if the OTC derivatives dealer failed to file a notice, describe any material inadequacies found to exist. If the OTC derivatives dealer filed a notice, the certified public accountant shall file a report detailing the aspects, if any, of the OTC derivatives dealer's notice with which the certified public accountant does not agree.

(j) *Accountant's report, general provisions*—(1) *Technical requirements.* The certified public accountant's report shall be dated; be signed manually; indicate the city and state where issued; and identify without detailed enumeration the financial statements and schedules covered by the report.

(2) *Representations as to the audit.* The certified public accountant's report shall state that the audit was made in accordance with U.S. Generally Accepted Auditing Standards; state whether the certified public accountant reviewed the procedures followed for safeguarding securities; and designate any auditing procedures deemed necessary by the certified public accountant under the circumstances of the particular case that have been omitted, and the reason for their omission. Nothing in this section shall be construed to imply authority for the omission of any procedure which certified public accountants would ordinarily employ in the course of an audit made for the purpose of expressing the opinions required under this section.

(3) *Opinion to be expressed.* The certified public accountant's report shall state clearly the opinion of the certified public accountant:

(i) In respect of the financial statements and schedules covered by the report and the accounting principles and practices reflected therein; and

(ii) As to the consistency of the application of the accounting principles, or as to any changes in such principles which have a material effect on the financial statements.

(4) *Exceptions.* Any matters to which the certified public accountant takes exception shall be clearly identified, explained, and, to the extent practicable, the effect of each such exception on the related financial statements shall be provided.

(5) *Definitions.* For the purpose of this section, the terms *audit* (or *examination*), *accountant's report*, and *certified* shall have the meanings given in § 210.1-02 of this chapter.

(k) *Accountant's report on material inadequacies and reportable conditions.* The OTC derivatives dealer shall file concurrently with the annual audit report a supplemental report by the certified

public accountant describing any material inadequacies or any matter that would be deemed to be a reportable condition under U.S. Generally Accepted Auditing Standards that are unresolved as of the date of the certified public accountant's report. The report shall also describe any material inadequacies found to have existed since the date of the previous audit. The supplemental report shall indicate any corrective action taken or proposed by the OTC derivatives dealer with regard to any identified material inadequacies or reportable conditions. If the audit did not disclose any material inadequacies or reportable conditions, the supplemental report shall so state.

(1) *Accountant's report on management controls.* (1) The OTC derivatives dealer shall file concurrently with the annual audit report a supplemental report by the certified public accountant indicating the results of the certified public accountant's review of the OTC derivatives dealer's internal risk management control system with respect to the requirements of § 240.15c3-4. This review shall be conducted in accordance with procedures agreed to by the OTC derivatives dealer and the certified public accountant conducting the review. The purpose of the review is to confirm that the OTC derivatives dealer has established, documented, and maintained an internal risk management control system in accordance with § 240.15c3-4, and is in compliance with that internal risk management control system.

(2) The agreed-upon procedures are to be performed, and the report is to be prepared, in accordance with U.S. Generally Accepted Attestation Standards.

(3) Prior to the commencement of the initial review, every OTC derivatives dealer shall file the procedures to be performed pursuant to paragraph (1)(1) of this section with the Commission's principal office in Washington, DC. Prior to the commencement of any subsequent review, every OTC derivatives dealer shall file with the Commission's principal office in Washington, DC a notice of changes to the agreed-upon procedures.

(m) *Accountant's report on inventory pricing and modeling.* (1) The OTC derivatives dealer shall file concurrently

with the annual audit report a supplemental report by the certified public accountant indicating the results of the certified public accountant's review of the broker's or dealer's inventory pricing and modeling procedures. This review shall be conducted in accordance with procedures agreed to by the OTC derivatives dealer and by the certified public accountant conducting the review. The purpose of the review is to confirm that the pricing and modeling procedures relied upon by the OTC derivatives dealer conform to the procedures submitted to the Commission as part of its OTC derivatives dealer application, and that the procedures comply with the qualitative and quantitative standards set forth in § 240.15c3-1f.

(2) The agreed-upon procedures are to be performed and the report is to be prepared in accordance with U.S. Generally Accepted Attestation Standards.

(3) Every OTC derivatives dealer shall file prior to the commencement of the initial review, the procedures to be performed pursuant to paragraph (m)(1) of this section with the Commission's principal office in Washington, DC. Prior to the commencement of each subsequent review, every OTC derivatives dealer shall file with the Commission's principal office in Washington, DC notice of changes in the agreed-upon procedures.

(n) *Extensions and exemptions.* Upon the written request of the OTC derivatives dealer, or on its own motion, the Commission may grant an extension of time or an exemption from any of the requirements of this section either unconditionally or on specified terms and conditions.

(o) *Notification of change of fiscal year.*

(1) In the event any OTC derivatives dealer finds it necessary to change its fiscal year, it must file a notice of such change with the Commission's principal office in Washington, DC.

(2) Such notice shall contain a detailed explanation of the reasons for the change. Any change in the filing period for the audit report must be approved by the Commission.

(p) *Filing requirements.* For purposes of filing requirements as described in § 240.17a-12, these filings shall be deemed to have been accomplished

If the information in a record required to be made pursuant to this section is preserved in a record made pursuant to §240.17a-3 or §240.17a-4, or otherwise preserved by the sponsor (whether in summary or other form), paragraph (c) of this section shall not require the sponsor to maintain such information in a separate file, provided that the sponsor can promptly sort and retrieve the information as if it had been kept in a separate file as a record made pursuant to this section, and preserves the information in accordance with the time periods specified in paragraph (c)(2) of this section.

(g) *Maintenance of records by others.* The records required to be maintained and preserved pursuant to this section may be prepared or maintained by a service bureau, depository, or other recordkeeping service on behalf of the sponsor of a broker-dealer trading system, provided such entity complies with the provisions of §240.17a-4(i). (c) Within five business days following the close of each month, every exempt transfer agent shall calculate the number of items which it received during the preceding six months. Whenever any exempt transfer agent no longer qualifies as such under paragraph (b)(1), within ten business days after the end of such month: (1) It shall prepare and maintain in its possession a document so stating, if subject to paragraph (b)(3)(i) of this section; or (2)

§ 240.17Ad-5

17 CFR Ch. II (4-1-06 Edition)

it shall file with its appropriate regulatory agency a notice to that effect, if subject to paragraph (b)(3)(ii) of this section. Thereafter, beginning with the first month following the month in which such document is required to be prepared or such notice is required to be filed, the registered transfer agent no longer shall be exempt under paragraph (b) of this section. Any registered transfer agent which has ceased to be an exempt transfer agent under this paragraph shall not qualify again for exemption until it has conducted its transfer agent operations pursuant to the foregoing sections for six consecutive months following the month in which it was required to prepare the document or prepare and file the notice specified in this paragraph.

§ 240.17Ad-5 Written inquiries and requests.

(a) When any person makes a written inquiry to a registered transfer agent concerning the status of an item presented for transfer during the preceding six months by such person or anyone acting on his behalf, which inquiry identifies the issue, the number of shares (or principal amount of debt securities or number of units if relating to any other kind of security) presented, the approximate date of presentment and the name in which it is registered, the registered transfer agent shall, within five business days following receipt of the inquiry, respond, stating whether the item has been received; if received, whether it has been transferred; if received and not transferred, the reason for the delay and what additional matter, if any, is necessary before transfer may be effected; and, if received and transferred, the date and manner in which the completed item was made available, the addressee and address to which it was made available and the number of any new certificate which was registered and the name in which it was registered. If a new certificate is dispatched or mailed to the presenter within five business days following receipt of an inquiry pertaining to that

certificate, no further response to the inquiry shall be required pursuant to this paragraph.

(b) When any broker-dealer requests in writing that a registered transfer agent acknowledge the transfer instructions and the possession of a security presented for transfer by such broker-dealer or revalidate a window ticket with respect to such security and the request identifies the issue, the number of shares (or principal amount of debt securities or number of units if relating to any other kind of security), the approximate date of presentment, the certificate number and the name in which it is registered, every registered transfer agent shall, within five business days following receipt of the request, in writing, confirm or deny possession of the security, and, if the registered transfer agent has possession, (1) acknowledge the transfer instructions or (2) revalidate the window ticket. If a new certificate is dispatched or mailed to the presenter within five business days following receipt of a request pertaining to that certificate, no further response to the inquiry shall be required pursuant to this paragraph.

(c) When any person, or anyone acting under his authority, requests in writing that a transfer agent confirm possession as of a given date of a certificate presented by such person during the 30 days before the date the inquiry is received and the request identifies the issue, the number of shares (or principal amount of debt securities or number of units if relating to any other kind of security), the approximate date of presentment, the certificate number and the name in which the certificate was registered, every registered transfer agent shall, within ten business days following receipt of the request and upon assurance of payment of a reasonable fee if required by such transfer agent, make available a written response to such person, or anyone acting under his authority, confirming or denying possession of such security as of such given date.

(d) When any person requests in writing a transcript of such person's account with respect to a particular issue, either as the account appears currently or as it appeared on a specific date not more than six months

prior to the date the registered transfer agent receives the request, every registered transfer agent shall, within twenty business days following receipt of the request and upon assurance of payment of a reasonable fee if required by such transfer agent, make available to such person a transcript, ledger or statement of account in sufficient detail to permit reconstruction of such account as of the date for which the transcript was requested.

(e)(1) *Response to written inquiries concerning dividend and interest payments.* A registered transfer agent shall respond, within ten business days of receipt, to current claims that contain sufficient detail. A registered transfer agent shall respond, within twenty business days of receipt, to aged claims that contain sufficient detail. The response shall indicate in writing that the inquiry has been received, whether the claim requires further research and, if so, a reasonable estimate of how long that research may take. If no further research is required, the response shall indicate whether that claim is being or will be paid and, if not, the reason for not paying the claim. A registered transfer agent shall devote diligent attention to unresolved inquiries and shall resolve all inquiries as soon as possible.

(2) *Misdirected written inquiries concerning dividend and interest payments.* In the event that a transfer agent is not the dividend disbursing or interest paying agent for an issue that is the subject of a claim under this section, but performed those or any transfer agent services for that issue within the preceding three years, the transfer agent shall provide in writing to the inquirer, within ten business days of receipt of the inquiry, the name and address of the current dividend disbursing or interest paying agent. If the transfer agent did not perform those or other transfer agent services for the issue within the preceding three years, the transfer agent must respond to the inquiry and may respond by returning the inquiry with a statement that the transfer agent is not the current dividend disbursing or interest paying agent and that it does not know the name and address of the current divi-

dend disbursing or interest paying agent.

(3) As used in this paragraph:

(i) A *current claim* means a written inquiry concerning non-payment or incorrect payment of dividends or interest, the payment date for which occurred within the preceding six months.

(ii) An *aged claim* means a written inquiry concerning non-payment or incorrect payment of dividends or interest, the payment date for which occurred more than six months before the inquiry.

(iii) *Sufficient detail* means a written inquiry or request that identifies: The issue; the name(s) in which the securities are registered; the number of shares (or principal amount of debt securities or number of units for any other kind of security) involved; the approximate record date(s) or payment date(s) relating to the claim; and, with respect to registered broker-dealers, registered clearing agencies, or banks, certificate numbers.

(f) *Telephone response.* (1) A transfer agent may satisfy the written response requirements of this section by a telephone response to the inquirer if:

(i) The telephone response resolves that inquiry; and

(ii) The inquirer does not request a written response.

(2) When any person makes a written inquiry or request that would qualify under paragraph (e) of this section except that it fails to provide sufficient detail as specified in paragraph (e)(3)(iii) of this section, a registered transfer agent may telephone the inquirer to obtain the necessary additional detail within the time periods specified in paragraph (e)(1) of this section. If the transfer agent does not receive the additional detail within ten business days, the transfer agent immediately shall make a written request for the additional information.

(g)(1) When any person makes a written inquiry or request which would qualify under paragraph (a), (b), (c), or (d) of this section except that it fails to provide all of the information specified in those paragraphs, or requests information which refers to a time earlier than the time periods specified in those paragraphs, a registered transfer agent

§ 240.17Ad-6

17 CFR Ch. II (4-1-06 Edition)

shall confirm promptly receipt of the inquiry or request and respond to it as soon as possible.

(2) When any person makes a written inquiry or request which would qualify under paragraph (e) of this section except that it fails to provide sufficient detail as specified in paragraph (e)(3)(iii) of this section, a registered transfer agent must respond to the inquiry within the time periods specified in paragraph (e)(1) of this section. A registered transfer agent may respond to such an inquiry in accordance with paragraph (e)(1) of this section as though sufficient detail had been provided, or may return it to the inquirer, requesting the additional necessary details.

§ 240.17Ad-7 Record retention.

(a) The records required by § 240.17Ad-6(a)(1), (3)(i), (6) or (11) shall be maintained for a period of not less than two years, the first six months in an easily accessible place.

(b) The records required by § 240.17Ad-6(a) (2), (3)(ii), (4), (5) or (7) shall be maintained for a period of not less than two years, the first year in an easily accessible place.

(c) The records required by § 240.17Ad-6(a) (8), (9) and (10) and (b) shall be maintained in an easily accessible place during the continuance of the transfer agency and shall be maintained for one year after termination of the transfer agency.

(d) The records required by § 240.17Ad-6(c) shall be maintained for a period of not less than six years, the first six months in an easily accessible place.

(e) Every registered transfer agent shall maintain in an easily accessible place:

(1) All records required under § 240.17f-2(d) until at least three years after the termination of employment of those persons required by § 240.17f-2 to be fingerprinted; and

(2) All records required pursuant to § 240.17f-2(e).

(f) Subject to the conditions set forth in this section, the records required to be maintained pursuant to § 240.17Ad-6 may be retained using electronic or micrographic media and may be preserved in those formats for the time required by § 240.17Ad-7. Records stored electronically or micrographically in accordance with this paragraph may serve as a substitute for the hard copy records required to be maintained pursuant to § 240.17Ad-6.

(1) For purposes of this section:

(i) The term *micrographic media* means microfilm or microfiche or any similar medium.

(ii) The term *electronic storage media* means any digital storage medium or system.

(iii) The term *ARA* means your appropriate regulatory agency as that term is defined in 15 U.S.C. 78c(a)(34).

(2) If you as a registered transfer agent use electronic storage media or micrographic media to store your records, you must:

(i) Have available at all times for examination by the staffs of the Commission and of your ARA facilities to project or produce immediately easily readable images of such records;

(ii) Be ready at all times to provide such records that the staffs of the Commission and your ARA or their representatives may request;

(iii) Create an accurate index of such records, store the index with those records, and have the index available at all times for examination by the staffs of the Commission and your ARA;

(iv) Have quality assurance procedures to verify the quality and accuracy of the electronic or micrographic recording process; and

(v) Maintain separately from the originals duplicates of the records and the index that you store on electronic storage media or micrographic media. You may store the duplicates of the indexed records on any medium permitted by this section. You must preserve the duplicate records and index for the same time that is required by this section for the indexed records, and you must have them available at all times for examination by the staffs of the Commission and your ARA.

(3) Any electronic storage media that you use to store your records must:

(i) Ensure the security and integrity of the records by means of manual and automated controls that assure the authenticity and quality of the electronic facsimile, detect attempts to alter or remove the records, and provide means to recover altered, damaged, or lost records resulting from any cause;

(ii) Externally label all removable units of storage media using a unique identifier that allows the manual association of that removable storage unit with its place and order in the record-keeping system; and

(iii) Uniquely identify files and internally label each file with its unique name, the date and time of file creation, the date and time of last modification or extension, and a file sequence number when the file spans more than one volume.

(4) If you use electronic storage media or micrographic media to store your records, you must establish an audit system that accounts for the

inputting of and any changes to every record that is stored on electronic storage media or micrographic media. The results of such audit system must:

(i) Be available at all times for examination by the staffs of the Commission and your ARA; and

(ii) Be preserved for the same time that is required by this section for the underlying records.

(5) If you use electronic storage media or micrographic media to store your records, you must:

(i) Maintain, keep current, and provide promptly upon request by the staffs of the Commission and your ARA all information necessary to access the records and indexes stored on electronic storage media or micrographic media; and

(ii) Place, or have a third party place on your behalf, in escrow with an independent third party and keep current a copy of the physical and logical format of the electronic storage or micrographic media, the field format of all different information types written on the electronic storage media and source code, and the appropriate documentation and information necessary to access records and indexes. The independent escrow agent must file an undertaking signed by a duly authorized person with the Commission and your ARA stating that:

“[Name of Third Party] hereby undertakes to furnish promptly upon request to the U.S. Securities and Exchange Commission, its designees, or representatives, upon reasonable request, a current copy of the physical and logical format of the electronic storage or micrographic media, the field format of all different information types written on the electronic storage media and source code, and the appropriate documentation and information necessary to access the records and indexes of [Name of Transfer Agent]’s electronic records management system.

(6) (i) If you use a third party to maintain or preserve some or all of the required records using electronic storage media or micrographic media, such third party shall file a written undertaking signed by a duly authorized person with the Commission and your ARA stating that:

“With respect to any books and records maintained or preserved on behalf of [Name of Transfer Agent], [Name of Third Party] hereby undertakes to permit examination of

Securities and Exchange Commission

§ 240.17Ad-9

such books and records at any time or from time to time during business hours by representatives or designees of the U.S. Securities and Exchange Commission, and to promptly furnish to said Commission or its designee true, correct, complete, and current hard copies of any or all or any part of such books and records.”

(ii) Agreement with a third party to maintain your records shall not relieve you from the responsibility to prepare and maintain records as specified in this section or in § 240.17Ad-6.

(g) If the records required to be maintained and preserved by a registered transfer agent pursuant to the requirements of §§ 240.17Ad-6 and 240.17Ad-7 are maintained and preserved on behalf of the registered transfer agent by an outside service bureau, other recordkeeping service or the issuer, the registered transfer agent shall obtain, from such outside service bureau, other recordkeeping service or the issuer, an agreement, in writing, to the effect that:

(1) Such records are subject at any time, or from time to time, to reasonable periodic, special, or other examinations by representatives of the Commission and the appropriate regulatory agency for such registered transfer agent if it is not the Commission; and

(2) The outside service bureau, recordkeeping service, or issuer will furnish to the Commission and the appropriate regulatory agency, upon demand, at either the principal office or at any regional office, complete, correct and current hard copies of any and all such records.

(h) When a registered transfer agent ceases to perform transfer agent functions for an issue, the responsibility of such transfer agent under § 240.17Ad-7 to retain the records required to be made and kept current under § 240.17Ad-6(a) (1), (6), (9), (10) and (11), (b) and (c) shall end upon the delivery of such records to the successor transfer agent.

(i) The records required by §§ 240.17Ad-17(c) and 240.17Ad-19(c) shall be maintained for a period of not less than three years, the first year in an easily accessible place.

(a) For purposes of this section, the term *securities position listing* means, with respect to the securities of any issuer held by a registered clearing agency in the name of the clearing agency or its nominee, a list of those participants in the clearing agency on whose behalf the clearing agency holds the issuer's securities and of the participants' respective positions in such securities as of a specified date.

(b) Upon request, a registered clearing agency shall furnish a securities position listing promptly to each issuer whose securities are held in the name of the clearing agency or its nominee. A registered clearing agency may charge issuers requesting securities position listings a fee designed to recover the reasonable costs of providing the securities position listing to the issuer.

§ 240.17Ad-10

17 CFR Ch. II (4-1-06 Edition)

(b) *Master securityholder file* is the official list of individual securityholder accounts. With respect to uncertificated securities of companies registered under the Investment Company Act of 1940, the master securityholder file may consist of multiple, but linked, automated files.

(c) A *subsidiary file* is any list or record of accounts, securityholders, or certificates that evidences debits or credits that have not been posted to the master securityholder file.

(d) A *control book* is the record or other document that shows the total number of shares (in the case of equity securities) or the principal dollar amount (in the case of debt securities) authorized and issued by the issuer.

(e) A *credit* is an addition of appropriate certificate detail to the master securityholder file.

(f) A *debit* is a cancellation of appropriate certificate detail from the master securityholder file.

(g) A *record difference* occurs when either:

(1) The total number of shares or total principal dollar amount of securities in the master securityholder file does not equal the number of shares or principal dollar amount in the control book; or

(2) The security transferred or redeemed contains certificate detail different from the certificate detail currently on the master securityholder file, which difference cannot be immediately resolved.

(h) A *recordkeeping transfer agent* is the registered transfer agent that maintains and updates the master securityholder file.

(i) A *co-transfer agent* is the registered transfer agent that transfers securities but does not maintain and update the master securityholder file.

(Secs. 2, 17(a), 17A(d) and 23(a) thereof, 15 U.S.C. 78b, 78q(a), 78q-1(d) and 78w(a))

[48 FR 28246, June 21, 1983]

§ 240.17Ad-10 Prompt posting of certificate detail to master securityholder files, maintenance of accurate securityholder files, communications between co-transfer agents and recordkeeping transfer agents, maintenance of current control book, retention of certificate detail and “buy-in” of physical over-issuance.

(a)(1) Every recordkeeping transfer agent shall promptly and accurately post to the master securityholder file debits and credits containing minimum and appropriate certificate detail representing every security transferred, purchased, redeemed or issued; *Provided, however*, That if a security transferred or redeemed contains certificate detail different from that currently posted to the master securityholder file, the credit shall be posted to the master securityholder file and the debit and related certificate detail shall be maintained in a subsidiary file until resolved. The recordkeeping transfer agent shall exercise diligent and continuous attention to resolve the resulting record difference and, once resolved, shall post to the master securityholder file the debit maintained in the subsidiary file. Postings of certificate detail shall remain on the master securityholder file until a debit to a securityholder account is appropriate.

(2) As used in this paragraph, the term *promptly* means the following number of days after issuance, purchase, transfer, or redemption of a security:

(i) With respect to recordkeeping transfer agents (other than transfer agents that perform transfer agent functions with respect to redeemable securities issued by investment companies registered under section 8 of the Investment Company Act of 1940) that are exempt transfer agents under § 240.17Ad-4(b), 30 calendar days;

(ii) With respect to recordkeeping transfer agents (other than transfer agents that perform transfer agent

functions with respect to redeemable securities issued by investment companies registered under section 8 of the Investment Company Act of 1940) that:

(A) Perform transfer agent functions solely for their own or their affiliated companies' securities issues, and

(B) Employ batch posting systems, ten business days; and

(iii) With respect to all other recordkeeping transfer agents, five business days;

Provided, however, That all securities transferred, purchased, redeemed or issued prior to record date, but posted subsequent thereto, shall be posted as of the record date.

(3) With respect to posting certificate detail from transfer journals received by the recordkeeping transfer agent from a co-transfer agent, the time frames set forth in paragraph (a)(2) shall commence upon receipt of those journals by the recordkeeping transfer agent.

(b) Every recordkeeping transfer agent shall maintain and keep current an accurate master securityholder file and subsidiary files. If such transfer agent has any record difference, its master securityholder file and subsidiary files must accurately represent all relevant debits and credits until the record difference is resolved. The recordkeeping transfer agent shall exercise diligent and continuous attention to resolve all record differences.

(c)(1) Every co-transfer agent shall dispatch or mail promptly to the recordkeeping transfer agent a record of debits and credits for every security transferred or issued. For the purposes of this paragraph, "promptly" means within two business days following transfer of each security, and, with respect to transfers occurring within five business days of record date, daily.

(2) Within three business days following the end of each month, every co-transfer agent shall mail to the recordkeeping transfer agent for each issue of securities for which it acts as a co-transfer agent, a report setting forth:

(i) The principal dollar amount of debt securities or the number of shares and related market value of equity securities comprising any buy-in executed by the co-transfer agent during

the preceding month pursuant to paragraph (g) of this section; and

(ii) The reason for the buy-in.

(d) Every co-transfer agent shall respond promptly to all inquiries from the recordkeeping transfer agent regarding records required to be dispatched or mailed by the co-transfer agent pursuant to § 240.17Ad-10(c). For the purposes of this paragraph, "promptly" means within five business days of receipt of an inquiry from a recordkeeping transfer agent.

(e) Every recordkeeping transfer agent shall maintain and keep current an accurate control book for each issue of securities. A change in the control book shall not be made except upon written authorization from a duly authorized agent of the issuer.

(f) Every recordkeeping transfer agent shall retain a record of all certificate detail deleted from the master securityholder file for a period of six years from the date of deletion. In lieu of maintaining a hard copy, a recordkeeping transfer agent may comply with this paragraph by complying with § 240.17Ad-7(f) or § 240.17Ad-7(g).

(g)(1) A registered transfer agent, in the event of any actual physical overissuance that such transfer agent caused and of which it has knowledge, shall, within 60 days of the discovery of such overissuance, buy in securities equal to the number of shares in the case of equity securities or the principal dollar amount in the case of debt securities. During the sixty-day period, the registered transfer agent shall devote diligent attention to resolving the overissuance and recovering the certificates. This paragraph requires a buy-in only by the transfer agent that erroneously issued the certificate(s) giving rise to the physical overissuance, and applies only to those physical overissuances created by transfers or issuances subsequent to September 30, 1983.

(2) If a transfer agent obtains a letter from the party holding the overissued certificates that confirms that the overissued certificate(s) will be returned to the transfer agent not later than thirty days after the expiration of the sixty-day period, the transfer agent need not buy in securities by the sixtieth day. If, however, the certificate(s)

§ 240.17Ad-11

17 CFR Ch. II (4-1-06 Edition)

are not returned to the transfer agent within the additional thirty-day period, the transfer agent immediately must execute the buy-in in accordance with paragraph (g)(1) of this section.

(3) If the certificates involved are covered by a surety bond indemnifying the transfer agent for all expenses incurred as a result of actual overissuance, the transfer agent need not buy in the securities. The transfer agent, however, shall devote diligent attention to resolving the overissuance and recovering the certificates.

(4) For purposes of this paragraph, *discovery of the overissuance* occurs when the transfer agent identifies the erroneously issued certificate(s) and the registered securityholder(s).

(h) Subsequent to the effective date of this section, registered transfer agents that:

(1) Assume the maintenance and updating of master securityholder files from predecessor transfer agents,

(2) Establish a new master securityholder file for a particular issue, or

(3) Convert from manual to automated systems,

must carry over any existing certificate detail required by this section on the master securityholder file.

A recordkeeping transfer agent shall not be required to add certificate detail to the master securityholder file respecting certificates issued prior to the effective date of this section.

§ 240.17Ad-12

17 CFR Ch. II (4-1-06 Edition)

§ 240.17Ad-12 Safeguarding of funds and securities.

(a) Any registered transfer agent that has custody or possession of any funds or securities related to its transfer agent activities shall assure that:

(1) All such securities are held in safekeeping and are handled, in light of all facts and circumstances, in a manner reasonably free from risk of theft, loss or destruction (other than by a transfer agent's certificate destruction procedures pursuant to § 240.17Ad-19); and

(2) All such funds are protected, in light of all facts and circumstances, against misuse. In evaluating which particular safeguards and procedures must be employed, the cost of the various safeguards and procedures as well as the nature and degree of potential financial exposure are two relevant factors.

(b) For purposes of this section, the term *securities* shall have the same meaning as the term *securities certificate* as defined in § 240.17f-1(a)(6).

(Secs. 2, 17(a), 17A(d) and 23(a) thereof, 15 U.S.C. 78b, 78q(a), 78q-1(d) and 78w(a))

[48 FR 28248, June 21, 1983, as amended at 68 FR 74401, Dec. 23, 2003]

§ 240.17Ad-13 Annual study and evaluation of internal accounting control.

(a) *Accountant's report.* Every registered transfer agent, except as provided in paragraph (d) of this section, shall file annually with the Commission and the transfer agent's appropriate regulatory agency in accordance with § 240.17Ad-2(h), a report specified in paragraph (a)(1) of this section prepared by an independent accountant concerning the transfer agent's system of internal accounting control and related procedures for the transfer of record ownership and the safeguarding of related securities and funds. That report shall be filed within 90 calendar days of the date of the study and evaluation set forth in paragraph (a)(1).

(1) The accountant's report shall:

(i) State whether the study and evaluation was made in accordance with generally accepted auditing standards using the criteria set forth in paragraph (a)(3) of this section;

(ii) Describe any material inadequacies found to exist as of the date of the study and evaluation and any corrective action taken, or if no material inadequacy existed, the report shall so state;

(iii) Comment on the current status of any material inadequacy described in the immediately preceding report; and

(iv) Indicate the date of the study and evaluation.

(2) The study and evaluation of the transfer agent's system of internal accounting control for the transfer of record ownership and the safeguarding of related securities and funds shall cover the following:

(i) Transferring securities related to changes of ownership (*i.e.*, cancellation of certificates or other instruments evidencing prior ownership and issuance of certificates or instruments evidencing current ownership);

(ii) Registering changes of ownership on the books and records of the issuer;

(iii) Transferring record ownership as a result of corporate actions (*e.g.*, issuance, retirement, redemption, liquidation, conversion, exchange, tender offer or other types of reorganization);

(iv) Dividend disbursement or interest paying-agent activities;

(v) Administering dividend reinvestment programs; and

(vi) Distributing statements respecting initial offerings of securities.

(3) For purposes of this report, the objectives of a transfer agent's system of internal accounting control for the transfer of record ownership and the safeguarding of related securities and funds should be to provide reasonable, but not absolute, assurance that securities and funds are safeguarded against loss from unauthorized use or disposition and that transfer agent activities are performed promptly and accurately. For purposes of this report, a material inadequacy is a condition for which the independent accountant believes that the prescribed procedures or the degree of compliance with them do not reduce to a relatively low level the risk that errors or irregularities, in amounts that would have a significant adverse effect on the transfer agent's ability promptly and accurately to

Securities and Exchange Commission

§ 240.17Ad-14

transfer record ownership and safeguard related securities and funds, would occur or not be detected within a timely period by employees in the normal course of performing their assigned functions. Occurrence of errors or irregularities more frequently than in isolated instances may be evidence that the system has a material inadequacy. A significant adverse effect on a transfer agent's ability promptly and accurately to transfer record ownership and safeguard related securities and funds could result from any condition or conditions that individually, or taken as a whole, would reasonably be expected to:

(i) Inhibit the transfer agent from promptly and accurately discharging its responsibilities under its contractual agreement with the issuer;

(ii) Result in material financial loss to the transfer agent; or

(iii) Result in a violation of § 240.17Ad-2, 17Ad-10 or 17Ad-12(a).

(b) *Notice of corrective action.* If the accountant's report describes any material inadequacy, the transfer agent shall, within sixty calendar days after receipt of the report, notify the Commission and its appropriate regulatory agency in writing regarding the corrective action taken or proposed to be taken.

(c) *Record retention.* The accountant's report and any documents required by paragraph (b) of this section shall be maintained by the transfer agent for at least three years, the first year in an easily accessible place.

(d) *Exemptions.* The requirements of § 240.17Ad-13 shall not apply to registered transfer agents that qualify for exemptions pursuant to this paragraph, 17Ad-13(d).

(1) A registered transfer agent shall be exempt if it performs transfer agent functions solely for:

(i) Its own securities;

(ii) Securities issued by a subsidiary in which it owns 51% or more of the subsidiary's capital stock; and

(iii) Securities issued by another corporation that owns 51% or more of the capital stock of the registered transfer agent.

(2) A registered transfer agent shall be exempt if it:

(i) Is an exempt transfer agent pursuant to § 240.17Ad-4(b); and

(ii) In the case of a transfer agent that performs transfer agent functions for redeemable securities issued by companies registered under section 8 of the Investment Company Act of 1940, maintains master securityholder files consisting of fewer than 1000 shareholder accounts, in the aggregate, for each of such issues for which it performs transfer agent functions.

(3) A registered transfer agent shall be exempt if it is a bank or financial institution subject to regulation by the Board of Governors of the Federal Reserve System, the Office of the Comptroller of the Currency or the Federal Deposit Insurance Corporation, provided that it is not notified to the contrary by its appropriate regulatory agency and provided that a report similar in scope to the requirements of § 240.17Ad-13(a) is prepared for either the bank's board of directors or an audit committee of the board of directors.

(Secs. 2, 17(a), 17A(d) and 23(a) thereof, 15 U.S.C. 78b, 78q(a), 78q-1(d) and 78w(a))

§ 240.17Ad-14 Tender agents.

(a) *Establishing book-entry depository accounts.* When securities of a subject company have been declared eligible by one or more qualified registered securities depositories for the services of those depositories at the time a tender or exchange offer is commenced, no registered transfer agent shall act on behalf of the bidder as a depository, in the case of a tender offer, or an exchange agent, in the case of an exchange offer, in connection with a tender or exchange offer, unless that transfer agent has established, within two business days after commencement of the offer, specially designated accounts. These accounts shall be maintained throughout the duration of the offer, including protection periods, with all qualified registered securities depositories holding the subject company's securities, for purposes of receiving from depository participants securities being tendered to the bidder by book-entry delivery pursuant to

§ 240.17Ad-15

transmittal letters and other documentation and for purposes of allowing tender agents to return to depository participants by book-entry movement securities withdrawn from the offer.

(b) *Exclusions.* The rule shall not apply to tender or exchange offers (1) that are made for a class of securities of a subject company that has fewer than (i) 500 security holders of record for that class, or (ii) 500,000 shares of that class outstanding; or (2) that are made exclusively to security holders of fewer than 100 shares of a class of securities.

(c) *Definitions.* For purposes of this rule, (1) the terms *subject company*, *business day*, *security holders*, and *transmittal letter* shall be given the meanings provided in §240.14d-1(b); (2) unless the context otherwise requires, a tender or exchange offer shall be deemed to have commenced as specified in §240.14d-2; (3) the term *bidder* shall mean any person who makes a tender or exchange offer or on whose behalf a tender or exchange offer is made; (4) a *qualified registered securities depository* shall mean a registered clearing agency having rules and procedures approved by the Commission pursuant to section 19 of the Securities Exchange Act of 1934 to enable book-entry delivery of the securities of the subject company to, and return of those securities from, the transfer agent through the facilities of that securities depository; and (5) the term *depository* refers to that agent of the bidder receiving securities from tendering depository participants and paying those participants for shares tendered. The term *exchange agent* refers to the agent performing like functions in connection with an exchange offer.

(d) *Exemptions.* The Commission may exempt from the provisions of this rule, either unconditionally or on specified terms and conditions, any registered transfer agent, tender or exchange offer, or class of tender or exchange offers, if the Commission determines that an exemption is consistent with the public interest, the protection of investors, the prompt and accurate clearance and settlement of securities transactions, the maintenance of fair and orderly markets, or the removal of

impediments to a national clearance and settlement system.

(c) *Transfer agent's standards and procedures.* Every registered transfer agent shall establish:

(1) Written standards for the acceptance of guarantees of securities transfers from eligible guarantor institutions; and

(2) Procedures, including written guidelines where appropriate, to ensure that those standards are used in determining whether to accept or reject guarantees from eligible guarantor institutions. Such standards and procedures shall not establish terms and conditions (including those pertaining to financial condition) that, as written or applied, treat different classes of eligible guarantor institutions inequitably, or result in the rejection of a guarantee from an eligible guarantor institution solely because the guarantor institution is of a particular type specified in paragraphs (a)(2)(i)–(a)(2)(v) of this section.

(d) *Rejection of items presented for transfer.* (1) No registered transfer agent shall reject a request for transfer of a certificated or uncertificated security because the certificate, instruction, or documents accompanying the certificate or instruction includes an unacceptable guarantee, unless the transfer agent determines that the guarantor, if it is an eligible guarantor institution, does not satisfy the transfer agent's written standards or procedures.

transfer agent's standards and procedures.

(1) For reasons unrelated to acceptance of the guarantor institution;

(2) Because the person acting on behalf of the guarantor institution is not authorized by that institution to act on its behalf, provided that the transfer agent maintains a list of people authorized to act on behalf of that guarantor institution; or

(3) Because the eligible guarantor institution of a type specified in paragraph (a)(2)(ii) of this section is neither a member of a clearing corporation nor maintains net capital of at least \$100,000.

(g) *Signature guarantee program.* (1) A registered transfer agent shall be deemed to comply with paragraph (c) of this section if its standards and procedures include:

(i) Rejecting a request for transfer because the guarantor is neither a member of nor a participant in a signature guarantee program; or

(ii) Accepting a guarantee from an eligible guarantor institution who, at the time of issuing the guarantee, is a member of or participant in a signature guarantee program.

(2) Within the first six months after revising its standards and procedures to include a signature guarantee program, the transfer agent shall not reject a request for transfer because the guarantor is neither a member of nor participant in a signature guarantee program, unless the transfer agent has given that guarantor ninety days written notice of the transfer agent's intent to reject transfers with guarantees from non-participating or non-member guarantors.

(3) For purposes of paragraph (g) of this section, the term "signature guarantee program," means a program, the

§ 240.19d-1 Notices by self-regulatory organizations of final disciplinary actions, denials, bars, or limitations respecting membership, association, participation, or access to services, and summary suspensions.

(a) *General.* If any self-regulatory organization for which the Commission is the appropriate regulatory agency takes any action described in this rule to which the person affected thereby has consented and such action:

(1) Conditions or limits membership or participation in, association with a member of, or access to services offered by, such organization or a member thereof and

(2) Is based upon a statutory disqualification defined in section 3(a)(39) of the Act, notice thereof shall be filed under Rule 19h-1 and not under this rule.

(b) The notice requirement of section 19(d)(1) of the Act, concerning an action subject to such section taken by a self-regulatory organization for which the Commission is the appropriate regulatory agency, shall be satisfied by any notice with respect to such action (including a notice filed pursuant to this rule) which contains the information required in the statement supporting the organization's determination required by section 6(d) (1) or (2), section 15A(h) (1) or (2), or section 17A(b)(5) (A) or (B) of the Act, as appropriate.

(c)(1) Any self-regulatory organization for which the Commission is the appropriate regulatory agency that takes any final disciplinary action with respect to any person shall promptly file a notice thereof with the Commission in accordance with paragraph (d) of this section. For the purposes of this rule, a "final disciplinary action" shall mean the imposition of any final disciplinary sanction pursuant to section 6(b)(6), 15A(b)(7), or 17A(b)(3)(G) of the Act or other action of a self-regulatory organization which, after notice and opportunity for hearing, results in any final disposition of charges of:

(i) One or more violations of—

(A) The rules of such organization;

(B) The provisions of the Act or rules thereunder; or

(C) In the case of a municipal securities broker or dealer, the rules of the Municipal Securities Rulemaking Board;

(ii) Acts or practices constituting a statutory disqualification of a type defined in subparagraph (D) or (E) (except prior convictions) of section 3(a)(39) of the Act; or

(iii) In the case of a proceeding by a national securities exchange or registered securities association based on section 6(c)(3)(A)(ii), 6(c)(3)(B)(ii), 15A(g)(3)(A)(ii), or 15A(g)(3)(B)(ii) of the Act, acts or practices inconsistent with just and equitable principles of trade.

Provided, however, That in the case of a disciplinary action in which a national securities exchange imposes a fine not exceeding \$1000 or suspends floor privileges of a clerical employee for not more than five days for violation of any of its regulations concerning personal decorum on a trading floor, the disposition shall not be considered “final” for purposes of this paragraph if the sanctioned person has not sought an adjudication, including a hearing, or otherwise exhausted his administrative remedies at the exchange with respect to the matter. *Provided further,* That this exemption from the notice requirement of this paragraph shall not be available where a decorum sanction is imposed at, or results from, a hearing on the matter.

(2) Any disciplinary action, other than a decorum sanction not deemed “final” under paragraph (c)(1) of this section, taken by a self-regulatory organization for which the Commission is the appropriate regulatory agency against any person for violation of a rule of the self-regulatory organization which has been designated as a minor rule violation pursuant to a plan or any amendment thereto filed with and declared effective by the Commission under this paragraph, shall not be considered “final” for purposes of paragraph (c)(1) of this section if the sanction imposed consists of a fine not exceeding \$2500 and the sanctioned person has not sought an adjudication, including a hearing, or otherwise exhausted his administrative remedies at the self-regulatory organization with respect to the matter. After appropriate notice of the terms of substance of the filing

or a description of the subjects and issues involved and opportunity for interested persons to submit written comment, the Commission may, by order, declare such plan or amendment effective if it finds that such plan or amendment is consistent with the public interest, the protection of investors, or otherwise in furtherance of the purposes of the Act. The Commission in its order may restrict the categories of violations to be designated as minor rule violations and may impose any other terms or conditions to the plan (including abbreviated reporting of selected minor rule violations) and to the period of its effectiveness which it deems necessary or appropriate in the public interest, for the protection of investors or otherwise in furtherance of the purposes of the Act.

(d) *Contents of notice required by paragraph (c)(1).* Any notice filed pursuant to paragraph (c)(1) of this section, shall consist of the following, as appropriate:

(6) Such other matters as the organization may deem relevant.

(e) *Notice of final denial, bar, prohibition, termination or limitation based on qualification or administrative rules.* Any final action of a self-regulatory organization for which the Commission is the appropriate regulatory agency that is taken with respect to any person constituting a denial, bar, prohibition, or limitation of membership, participation or association with a member, or of access to services offered by a self-regulatory organization or a member thereof, and which is based on an alleged failure of any person to:

(1) Pass any test or examination required by the rules of the Commission or such organization;

(2) Comply with other qualification standards established by rules of the Commission or such organization; or

(3) Comply with any administrative requirements of such organization (including failure to pay entry or other dues or fees or to file prescribed forms or reports) not involving charges of violations which may lead to a disciplinary sanction

Shall not be considered a “disciplinary action” for purposes of paragraph (c) of this rule; but notice thereof shall be promptly filed with the Commission in accordance with paragraph (f) of this section, *Provided, however*, That no disposition of a matter shall be considered “final” pursuant to this paragraph which results merely from a notice of such failure to the person affected, if such person has not sought an adjudication, including a hearing, or otherwise exhausted his administrative rem-

(4) The date upon which such action has or will become effective; and

(5) Such other matters as the organization may deem relevant.

(g) *Notice of final action based upon prior adjudicated statutory disqualifications.* Any self-regulatory organization for which the Commission is the appropriate regulatory agency that takes any final action with respect to any person which:

§ 240.19h-1 Notice by a self-regulatory organization of proposed admission to or continuance in membership or participation or association with a member of any person subject to a statutory disqualification, and applications to the Commission for relief therefrom.

(a) *Notice of admission or continuance notwithstanding a statutory disqualification.* (1) Any self-regulatory organization proposing, conditionally or unconditionally, to admit to, or continue any person in, membership or participation or (in the case of a national securities exchange or registered securities association) association with a member, notwithstanding a statutory disqualification, as defined in section 3(a)(39) of the Act, with respect to such person, shall file a notice with the Commission of such proposed admission or continuance. If such disqualified person has not consented to the terms of such proposal, notice of the organization's action shall be filed pursuant to rule 19d-1 under the Act and not this rule.

(2) With respect to a person associated with a member of a national securities exchange or registered securities

association, notices need be filed with the Commission pursuant to this rule only if such person:

(i) Controls such member, is a general partner or officer (or person occupying a similar status or performing similar functions) of such member, is an employee who, on behalf of such member, is engaged in securities advertising, public relations, research, sales, trading, or training or supervision of other employees who engage or propose to engage in such activities, except clerical and ministerial persons engaged in such activities, or is an employee with access to funds, securities or books and records, or

(ii) Is a broker or dealer not registered with the Commission, or controls such (unregistered) broker or dealer or is a general partner or officer (or person occupying a similar status or performing similar functions) of such broker or dealer.

(3) A notice need not be filed with the Commission pursuant to this rule if:

(i) The person subject to the statutory disqualification is already a participant in, a member of, or a person associated with a member of, a self-regulatory organization, and the terms and conditions of the proposed admission by another self-regulatory organization are the same in all material respects as those imposed or not disapproved in connection with such person's prior admission or continuance pursuant to an order of the Commission under paragraph (d) of this section or other substantially equivalent written communication.

(ii) The self-regulatory organization finds, after reasonable inquiry, that except for the identity of the employer concerned, the terms and conditions of the proposed admission or continuance are the same in all material respects as those imposed or not disapproved in connection with a prior admission or continuance of the person subject to the statutory disqualification pursuant to an order of the Commission under paragraph (d) of this section or other substantially equivalent written communication and that there is no intervening conduct or other circumstance that would cause the employment to be inconsistent with the public interest or the protection of investors;

(iii) The disqualification consists of (A) an injunction from engaging in any action, conduct, or practice specified in section 15(b)(4)(C) of the Act, which injunction was entered 10 or more years prior to the proposed admission or continuance—*Provided, however*, That in the case of a final or permanent injunction which was preceded by a preliminary injunction against the same person in the same court proceeding, such ten-year period shall begin to run from the date of such preliminary injunction—and/or (B) a finding by the Commission or a self-regulatory organization of a willful violation of the Act, the Securities Act of 1933, the Investment Advisers Act of 1940, the Investment Company Act of 1940, or a rule or regulation under one or more of such Acts and the sanction for such violation is no longer in effect;

(iv) The disqualification previously (A) was a basis for the institution of an administrative proceeding pursuant to a provision of the federal securities laws, and (B) was considered by the Commission in determining a sanction against such person in the proceeding; and the Commission concluded in such proceeding that it would not restrict or limit the future securities activities of such person in the capacity now proposed or, if it imposed any such restrictions or limitations for a specified time period, such time period has elapsed;

(v) The disqualification consists of a court order or judgment of injunction or conviction, and such order or judgment (A) expressly includes a provision that, on the basis of such order or judgment, the Commission will not institute a proceeding against such person pursuant to section 15(b) or 15B of the Act or that the future securities activities of such persons in the capacity now proposed will not be restricted or limited or (B) includes such restrictions or limitations for a specified time period and such time period has elapsed; or

(vi) In the case of a person seeking to become associated with a broker or dealer or municipal securities dealer, the Commission has previously consented to such proposed association pursuant to section 15(b)(6) or 15B(c)(4) of the Act.

In the case of an admission to membership, participation, or association, if an exception provided for in this paragraph (a)(3) is applicable, the self-regulatory organization shall, pursuant to its rules, determine when the admission to membership, participation, or association shall become effective.

(4) If a self-regulatory organization determines to admit to, or continue any person in, membership, participation, or association with a member pursuant to an exception from the notice requirements provided in paragraph (a)(3)(ii), (iv) or (v) of this section, such organization shall, within 14 calendar days of its making of such determination, furnish to the Commission, by letter, a notification setting forth, as appropriate:

(i) The name of the person subject to the statutory disqualification;

(ii) The name of the person's prospective and immediately preceding employers who are (were) brokers or dealers or municipal securities dealers;

(iii) The name of the person's prospective supervisor(s);

(iv) The respective places of such employments as reflected on the records of the self-regulatory organization;

(v) If applicable, the findings of the self-regulatory organization referred to in paragraph (a)(3)(ii) of this section and the nature (including relevant dates) of the previous Commission or court determination referred to in paragraph (a)(3)(iv) or (v) of this section; and

(vi) An identification of any other self-regulatory organization which has indicated its agreement with the terms and conditions of the proposed admission or continuance;

(5) If a notice or notification has been previously filed or furnished pursuant to this rule by a self-regulatory organization, any other such organization need not file or furnish a separate notice or notification pursuant to this rule with respect to the same matter if such other organization agrees with the terms and conditions of the membership, participation or association reflected in the notice or notification so filed or furnished, and such agreement is set forth in the notice or notification.

(6) The notice requirements of sections 6(c)(2), 15A(g)(2), and 17A(b)(4)(A) of the Act concerning an action of a self-regulatory organization subject to one (or more) of such sections and this paragraph (a) shall be satisfied by a notice with respect to such action filed in accordance with paragraph (c) of this section.

(7) The Commission, by written notice to a self-regulatory organization on or before the thirtieth day after receipt of a notice under this Rule, may direct that such organization not admit to membership, participation, or association with a member any person who is subject to a statutory disqualification for a period not to exceed an additional 60 days beyond the initial 30 day notice period in order that the Commission may extend its consideration of the proposal; *Provided, however*, That during such extended period of consideration, the Commission will not direct the self-regulatory organization to bar the proposed admission to membership, participation or association with a member pursuant to section 6(c)(2), 15A(g)(2), or 17A(b)(4)(A) of the Act, and the Commission will not institute proceedings pursuant to section 15(b) or 15B of the Act on the basis of such disqualification if the self-regulatory organization has permitted the admission to membership, participation or association with a member, on a temporary basis, pending a final Commission determination.

(b) *Preliminary notifications.* Promptly after receiving an application for admission to, or continuance in, participation or membership in, or association with a member of, a self-regulatory organization which would be required to file with the Commission a notice thereof pursuant to paragraph (a) of this section if such admission or continuance is ultimately proposed by such organization, the organization shall file with the Commission a notification of such receipt. Such notification shall include, as appropriate:

(1) The date of such receipt;

(2) The names of the person subject to the statutory disqualification and the prospective employer concerned together with their respective last known

places of residence or business as reflected on the records of the organization;

(3) The basis for any such disqualification including (if based on a prior adjudication) a copy of the order or decision of the court, the Commission, or the self-regulatory organization which adjudicated the matter giving rise to the disqualification; and

(4) The capacity in which the person concerned is proposed to be employed.

(c) *Contents of notice of admission or continuance.* A notice filed with the Commission pursuant to paragraph (a) of this section shall contain the following, as appropriate:

(1) The name of the person concerned together with his last known place of residence or business as reflected on the records of the self-regulatory organization;

(2) The basis for any such disqualification from membership, participation or association including (if based on a prior adjudication) a copy of the order or decision of the court, the Commission or the self-regulatory organization which adjudicated the matter giving rise to such disqualification;

(3) In the case of an admission, the date upon which it is proposed by the organization that such membership, participation or association shall become effective, which shall be not less than 30 days from the date upon which the Commission receives the notice;

(4) A description by or on behalf of the person concerned of the activities engaged in by the person since the disqualification arose, the prospective business or employment in which the person plans to engage and the manner and extent of supervision to be exercised over and by such person. This description shall be accompanied by a written statement submitted to the self-regulatory organization by the proposed employer setting forth the terms and conditions of such employment and supervision. The description also shall include (i) the qualifications, experience and disciplinary records of the proposed supervisors of the person and their family relationship (if any) to that person; (ii) the findings and results of all examinations conducted, during the two years preceding the filing of the notice, by self-regulatory or-

ganizations of the main office of the proposed employer and of the branch office(s) in which the employment will occur or be subject to supervisory controls; (iii) a copy of a completed Form U-4 with respect to the proposed association of such person and a certification by the self-regulatory organization that such person is fully qualified under all applicable requirements to engage in the proposed activities; and (iv) the name and place of employment of any other associated person of the proposed employer who is subject to a statutory disqualification (other than a disqualification specified in paragraph (a)(3)(iii) of this section);

(5) If a hearing on the matter has been held by the organization, a certified record of the hearing together with copies of any exhibits introduced therein;

(6) All written submissions not included in a certified oral hearing record which were considered by the organization in its disposition of the matter;

(7) An identification of any other self-regulatory organization which has indicated its agreement with the terms and conditions of the proposed admission or continuance;

(8) All information furnished in writing to the self-regulatory organization by the staff of the Commission for consideration by the organization in its disposition of the matter or the incorporation by reference of such information, and a statement of the organization's views thereon; and

(9) Such other matters as the organization or person deems relevant.

If the notice contains assertions of material facts not a matter of record before the self-regulatory organization, such facts shall be sworn to by affidavit of the person or organization offering such facts for Commission consideration. The notice may be accompanied by a brief.

(d) *Application to the Commission for relief from certain statutory disqualifications.* The filing of a notice pursuant to paragraph (a) of this section shall neither affect nor foreclose any action which the Commission may take with respect to such person pursuant to the provisions of section 15(b), 15B or 19(h)

of the Act or any rule thereunder. Accordingly, a notice filed pursuant to paragraph (a) of this section with respect to the membership, participation, or association of any person subject to an “applicable disqualification,” as defined in paragraph (f) of this section, may be accompanied by an application by or on behalf of the person concerned to the Commission for an order declaring, as applicable, that notwithstanding such disqualification, the Commission:

(1) Will not institute proceedings pursuant to section 15(b)(1)(B), 15(b)(4), 15(b)(6), 15B(a)(2), 15B(c)(2), 19(h)(2) or 19(h)(3) of the Act if such person seeks to obtain or continue registration as a broker or dealer or municipal securities dealer or association with a broker or dealer or municipal securities dealer so registered, or membership or participation in a self-regulatory organization;

(2) Will not direct otherwise, as provided in section 6(c)(2), 15A(g)(2) or 17A(b)(4)(A) of the Act; and

(3) Will deem such person qualified pursuant to Rule G-4 of the Municipal Securities Rulemaking Board under the Act.

If a Commission consent is required in order to render a proposed association lawful under section 15(b)(6) or 15B(c)(4) of the Act, an application by or on behalf of the person seeking such consent shall accompany the notice of the proposed association filed pursuant to paragraph (a) of this section. The Commission may, in its discretion and subject to such terms and conditions as it deems necessary, issue such an order and consent should the Commission determine not to object to the position of the self-regulatory organization set forth in the notice or application; *Provided, however*, That nothing herein shall foreclose the right of any person, at his election, to apply directly to the Commission for such consent, if he makes such application pursuant to the terms of an existing order of the Commission under section 15(b)(6) or 15B(c)(4) of the Act limiting his association with a broker or dealer or municipal securities dealer but explicitly granting him such a right to apply for entry or reentry at a later time.

(e) *Contents of application to the Commission.* An application to the Commission pursuant to paragraph (d) of this section shall consist of the following, as appropriate:

(1) The name of the person subject to the disqualification together with his last known place of residence or business as reflected on the records of the self-regulatory organization;

(2) A copy of the order or decision of the court, the Commission or the self-regulatory organization which adjudicated the matter giving rise to such “applicable disqualification”;

(3) The nature of the relief sought and the reasons therefor;

(4) A description of the activities engaged in by the person since the disqualification arose;

(5) A description of the prospective business or employment in which the person plans to engage and the manner and extent of supervision to be exercised over and by such person. This description shall be accompanied by a written statement submitted to the self-regulatory organization by the proposed employer setting forth the terms and conditions of such employment and supervision. The description also shall include (i) the qualifications, experience, and disciplinary records of the proposed supervisors of the person and their family relationship (if any) to that person; (ii) the findings and results of all examinations conducted, during the two years preceding the filing of the application, by self-regulatory organizations of the main office of the proposed employer and of the branch office(s) in which the employment will occur or be subject to supervisory controls; (iii) a copy of a completed Form U-4 with respect to the proposed association of such person and a certification by the self-regulatory organization that such person is fully qualified under all applicable requirements to engage in the proposed activities; and (iv) the name and place of employment of any other associated person of the proposed employer who is subject to a statutory disqualification (other than a disqualification specified in paragraph (a)(3)(iii) of this section);

Securities and Exchange Commission

§ 240.24b-1

(6) If a hearing on the matter has been held by the organization, a certified copy of the hearing record, together with copies of any exhibits introduced therein;

(7) All written submissions not included in a certified oral hearing record which were considered by the organization in its disposition of the matter;

(8) All information furnished in writing to the self-regulatory organization by the staff of the Commission for consideration by the organization in its disposition of the matter or the incorporation by reference of such information, and a statement of the organization's views thereon; and

person affected nevertheless meets such standards.

(2) The term *control* shall mean the power to direct or cause the direction of the management or policies of a company whether through ownership of securities, by contract or otherwise; *Provided, however, That*

(i) Any person who, directly or indirectly, (A) has the right to vote 10 percent or more of the voting securities, (B) is entitled to receive 10 percent or more of the net profits, or (C) is a director (or person occupying a similar status or performing similar functions) of a company shall be presumed to be a person who controls such company;

(ii) Any person not covered by paragraph (i) shall be presumed not to be a person who controls such company; and

(iii) Any presumption may be rebutted on an appropriate showing.

(g) Where it deems appropriate to do so, the Commission may determine whether to (1) direct, pursuant to section 6(c)(2), 15A(g)(2) or 17A(b)(4)(A) of the Act, that a proposed admission covered by a notice filed pursuant to paragraph (a) of this section shall be denied or an order barring a proposed association issued or (2) grant or deny an application filed pursuant to paragraph (d) of this section on the basis of the notice or application filed by the self-regulatory organization, the person subject to the disqualification, or other applicant (such as the proposed employer) on behalf of such person, without oral hearing. Any request for oral hearing or argument should be submitted with the notice or application.

§ 240.24b-2 Nondisclosure of information filed with the Commission and with any exchange.

PRELIMINARY NOTE: Confidential treatment requests shall be submitted in paper format only, whether or not the filer is required to submit a filing in electronic format.

(a) Any person filing any registration statement, report, application, statement, correspondence, notice or other document (herein referred to as the material filed) pursuant to the Act may make written objection to the public disclosure of any information contained therein in accordance with the procedure set forth below. The procedure provided in this rule shall be the exclusive means of requesting confidential treatment of information required to be filed under the Act.

(b) The person shall omit from material filed the portion thereof which it desires to keep undisclosed (hereinafter called the confidential portion). In lieu thereof, it shall indicate at the appropriate place in the material filed that the confidential portion has been so omitted and filed separately with the Commission. The person shall file with the copies of the material filed with the Commission:

(1) One copy of the confidential portion, marked "Confidential Treatment," of the material filed with the Commission. The copy shall contain an appropriate identification of the item or other requirement involved and, notwithstanding that the confidential portion does not constitute the whole of the answer, the entire answer there-

to; except that in the case where the confidential portion is part of a financial statement or schedule, only the particular financial statement or schedule need be included. The copy of the confidential portion shall be in the same form as the remainder of the material filed;

(2) An application making objection to the disclosure of the confidential portion. Such application shall be on a sheet or sheets separate from the confidential portion, and shall contain (i) an identification of the portion; (ii) a statement of the grounds of objection referring to, and containing an analysis of, the applicable exemption(s) from disclosure under the Commission's rules and regulations adopted under the Freedom of Information Act (17 CFR 200.80), and a justification of the period of time for which confidential treatment is sought; (iii) a written consent to the furnishing of the confidential portion to other government agencies, offices or bodies and to the Congress; and (iv) the name of each exchange, if any, with which the material is filed.

(3) The copy of the confidential portion and the application filed in accordance with this paragraph (b) shall be enclosed in a separate envelope marked "Confidential Treatment" and addressed to The Secretary, Securities and Exchange Commission, Washington, DC 20549.

(c) Pending a determination as to the objection filed the material for which confidential treatment has been applied will not be made available to the public.

(d)(1) If it is determined that the objection should be sustained, a notation to that effect will be made at the appropriate place in the material filed. Such a determination will not preclude reconsideration whenever appropriate, such as upon receipt of any subsequent request under the Freedom of Information Act (5 U.S.C. 552) and, if appropriate, revocation of the confidential status of all or a portion of the information in question. Where an initial determination has been made under this rule to sustain objections to disclosure, the Commission will attempt

Securities and Exchange Commission

§ 240.24c-1

to give the person requesting confidential treatment advance notice, whenever possible, if confidential treatment is revoked.

(2) In any case where an objection to disclosure has been disallowed or where a prior grant of confidential treatment has been revoked, the person who requested such treatment will be so informed by registered or certified mail to the person or his agent for service. Pursuant to § 201.431 of this chapter, persons making objections to disclosure may petition the Commission for review of a determination by the Division disallowing objections or revoking confidential treatment.

(e) The confidential portion shall be made available to the public at the time and according to the conditions specified in paragraphs (d) (1) and (2) of this section:

(1) Upon the lapse of five days after the dispatch of notice by registered or certified mail of a determination disallowing an objection, if prior to the lapse of such five days the person shall not have communicated to the Secretary of the Commission his intention to seek review by the Commission under § 201.431 of this chapter of the determination made by the Division; or

(2) If such a petition for review shall have been filed under § 201.431 of this chapter, upon final disposition thereof adverse to the petitioner.

(f) If the confidential portion is made available to the public, one copy thereof shall be attached to each copy of the material filed with the Commission and with each exchange.

If, during a particular month, the designated clearing agency cannot determine the covered exchange on which the options or security futures originally were traded, the designated clearing agency shall assign covered sales resulting from exercises or maturations as follows.
